The Book Eaters - Sunyi Dean 2022-08-02
"I devoured this."—V. E. Schwab, New York Times bestselling author of *The Invisible Life of Addie La Rue* A National Bestseller Indie Next Pick Out on the Yorkshire Moors lives a secret line of people for whom books are food, and who retain all of a book's content after eating it. To them, spy novels are a peppery snack; romance novels are sweet and delicious. Eating a map can

help them remember destinations, and children, when they misbehave, are forced to eat dry, musty pages from dictionaries. Devon is part of *The Family*, an old and reclusive clan of book eaters. Her brothers grow up feasting on stories of valor and adventure, and Devon—like all other book eater women—is raised on a carefully curated diet of fairy tales and cautionary stories. But real life doesn't always come with happy

endings, as Devon learns when her son is born with a rare and darker kind of hunger—not for books, but for human minds. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Turning - Joy L. Smith 2022-03-01

In this raw, searingly honest debut young adult novel, a former aspiring ballerina must confront her past in order to move forward from a devastating fall that leaves her without the use of her legs. Genie used to fouetté across the stage. Now the only thing she's turning are the wheels to her wheelchair. Genie was the star pupil at her exclusive New York dance school, with a bright future and endless possibilities before her. Now that the future she's spent years building toward has been snatched away, she can't stand to be reminded of it—even if it means isolating herself from her best friends and her mother. The only wish this Genie has is to be left alone. But then she meets Kyle, who also has a “used to be.” Kyle used to tumble and

flip on a gymnastics mat, but a traumatic brain injury has sent him to the same physical therapist that Genie sees. With Kyle's support, along with her best friend's insistence that Genie's time at the barre isn't over yet, Genie starts to see a new path—one where she doesn't have to be alone and she finally has the strength to heal from the past. But healing also means confronting. Confronting the booze her mother, a recovering alcoholic, has been hiding under the kitchen sink; the ex-boyfriend who was there the night of the fall and won't leave her alone; and Genie's biggest, most terrifying secret: the fact that the accident may not have been so accidental after all.

Before We Were Strangers - Renée Carlino
2015-08-18

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in

New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were

gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

And things are complicated further when new exchange student, Zachary, is paired with Aura for a class project researching the 'Shift phenomenon'. Zach is so understanding - and so very alive. His support and friendship means more to Aura than she cares to admit. I'm Glad My Mom Died - Jennette McCurdy
2022-08-09

#1 NEW YORK TIMES BESTSELLER #1

INTERNATIONAL BESTSELLER A

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette

McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of

unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Wicked Game - Jeri Smith-Ready 2009-09-08
LATE NIGHT RADIO YOU CAN SINK YOUR TEETH INTO Recovering con artist Ciara Griffin is trying to live the straight life, even if it means finding a (shudder!) real job. She takes an internship at a local radio station, whose late-night time-warp format features 1940s blues, '60s psychedelia, '80s goth, and more, all with an uncannily authentic flair. Ciara soon discovers just how the DJs maintain their cred: they're vampires, stuck forever in the eras in which they were turned. Ciara's first instinct, as always, is to cut and run. But communications

giant Skywave wants to buy WVMP and turn it into just another hit-playing clone. Without the station -- and the link it provides to their original Life Times -- the vampires would "fade," becoming little more than mindless ghosts of the past. Suddenly a routine corporate takeover is a matter of life and undeath. To boost ratings and save the lives of her strange new friends, Ciara rebrands the station as "WVMP, the Lifeblood of Rock 'n' Roll." In the ultimate con, she hides the DJs' vampire nature in plain sight, disguising the bloody truth as a marketing gimmick. WVMP becomes the hottest thing around -- next to Ciara's complicated affair with grunge vamp Shane McAllister. But the "gimmick" enrages a posse of ancient and powerful vampires who aren't so eager to be brought into the light. Soon the stakes are higher -- and the perils graver -- than any con game Ciara's ever played....

A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. 2018-09-18

An NPR Best Book of 2018! Some people can do their homework. Some people get to have crushes on boys. Some people have other things they've got to do. Seventh-grader Zoey has her hands full as she takes care of her much younger siblings after school every day while her mom works her shift at the pizza parlor. Not that her mom seems to appreciate it. At least there's Lenny, her mom's boyfriend—they all get to live in his nice, clean trailer. At school, Zoey tries to stay under the radar. Her only friend Fuchsia has her own issues, and since they're in an entirely different world than the rich kids, it's best if no one notices them. Zoey thinks how much easier everything would be if she were an octopus: eight arms to do eight things at once. Incredible camouflage ability and steady, unblinking vision. Powerful protective defenses. Unfortunately, she's not totally invisible, and one of her teachers forces her to join the debate club. Even though Zoey resists participating,

debate ultimately leads her to see things in a new way: her mom's relationship with Lenny, Fuchsia's situation, and her own place in this town of people who think they're better than her. Can Zoey find the courage to speak up, even if it means risking the most stable home she's ever had? This moving debut novel explores the cultural divides around class and the gun debate through the eyes of one girl, living on the edges of society, trying to find her way forward.

In Cold Blood - Truman Capote 2013-02-19
Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965.

The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

Ready, Steady, Go! - Shawn Levy 2003-07-08

It's the summer of 1966... The fundamental old ways: chastity, rationality, harmony, sobriety, even democracy: blasted to nothing or crumbling under siege. The city glows. It echoes. It pulses.

It bleeds pastel and fuzzy, spicy, paisley and soft. This is how it's always going to be: smashing clothes, brilliant music, easy sex, eternal youth, the eyes of everybody, everyone's first thought, the top of the world, right here, right now: Swinging London. Shawn Levy has a genius for unearthing the secret history of popular culture. The Los Angeles Times called King of Comedy, his biography of Jerry Lewis, "a model of what a celebrity bio ought to be—smart, knowing, insightful, often funny, full of fascinating insiders' stories," and the Boston Globe declared that Rat Pack Confidential "evokes the time in question with the power of a novel, as well as James Ellroy's American Tabloid and better by far than Don DeLillo's Underworld." In Ready, Steady, Go! Levy captures the spirit of the sixties in all its exuberance. A portrait of London from roughly 1961 to 1969, it chronicles the explosion of creativity—in art, music and fashion—and the revolutions—sexual, social and political—that

reshaped the world. Levy deftly blends the enthusiasm of a fan, the discerning eye of a social critic and a historian's objectivity as he re-creates the hectic pace and daring experimentation of the times—from the utter transformation of rock 'n' roll by the Beatles and the Rolling Stones to the new aesthetics introduced by fashion designers like Mary Quant, haircutters like Vidal Sassoon, photographers like David Bailey, actors like Michael Caine and Terence Stamp and filmmakers like Richard Lester and Nicolas Roeg to the wild clothing shops and cutting-edge clubs that made Carnaby Street and King's Road the hippest thoroughfares in the world. Spiced with the reminiscences of some of the leading icons of that period, their fans and followers, and featuring a photographic gallery of well-known faces and far-out fashions, Ready, Steady, Go! is an irresistible re-creation of a time and place that seemed almost impossibly fun.

Ready Steady Go!: The Weekend Starts Here: The Definitive Story of the Show That Changed Pop TV - Andy Neill 2020-11-17

The London-based Ready, Steady, Go! began broadcasting in August of 1963 and, within a matter of weeks, became an essential television ritual for the newly confident British teenager. It set trends and became the barometer for popular culture by attracting and presenting anyone who was anyone in popular music: The Beatles, The Rolling Stones, The Who, The Kinks, The Animals, Marvin Gaye, The Supremes, Otis Redding, and many more. RSG! also provided the first small screen exposure for then-unknowns such as Rod Stewart, Marc Bolan, David Bowie, Donovan, and Jimi Hendrix. Ready, Steady, Go! ran for three and a half years, setting a blueprint for music presentation and production on television that resonated over the following decades and can still be felt today. Featured in this lavishly illustrated and definitive history of the show are hundreds of

color and black and white images--the bulk of them previously unpublished--as well as exclusive essays by Mick Jagger, Pete Townshend, Ray Davies, Eric Burdon, Donovan, Andrew Oldham, Lulu, and others. Also included is a detailed guide to all 173 episodes--with complete artist appearances and the songs they performed--as well as forewords from the show's original editor Vicki Wickham and acclaimed director Michael Lindsay-Hogg. This is the first full documentation of the show that went from quintessential Swinging London accessory to its current status as the most legendary popular music program of all time.

[Twin Ambitions - My Autobiography](#) - Mo Farah
2013-10-10

Hodder & Stoughton admire Sir Mo's bravery in revealing his experience of being trafficked as a child. His memoir TWIN AMBITIONS, published in 2013, is based on the story he felt able to tell at the time, which we understood to be the true version of events. It is now clear that Sir Mo did

not wish to share some of his difficult early experiences and we respect the decisions he made both then and now. 4 August, 2012. Super Saturday. On the most electric night in the history of British sport, Mo Farah braved the pain and punishment to seize Olympic gold in the 10,000m - and in the process went from being a talented athlete to a national treasure. Seven days later, Mo seized his second gold at the 5000m to go where no British distance runner has gone before. Records have tumbled before him: European track records at 1500m, 5000m indoors, and 10,000m; British track records at 5000m, 3000m indoors and 10k on the road have all fallen to Mohamed 'Mo' Farah: the boy from Somalia who came to Britain at the age of eight, leaving behind his twin brother, and with just a few words of English, and a natural talent for running. His secondary school PE teacher Alan Watkinson spotted his potential and began easing this human gazelle towards the racetrack. In 2001 Mo showed his promise

by winning the 5000m at the European Junior Championships. Soon he was smashing a string of British and European records. He began living with a group of elite Kenyan runners, following their strict regime of run, sleep, eat and rest. Mo was determined to leave no stone uncovered in his bid for distance-running glory. After a disappointing Olympics in Beijing Mo took the bold decision to relocate to Portland, Oregon to work under legendary coach Alberto Salazar. The results were emphatic as Mo took silver at

the 10,000m and then raced to gold in the 5000m at the 2011 World Championships in Daegu. Even better would soon follow at London 2012. TWIN AMBITIONS is much more than an autobiography by a great Olympic champion. It's a moving human story of a man who grew up in difficult circumstances, separated from his family at an early age, who struggled to overcome seemingly insurmountable obstacles and realise his dream.
