*Believing in the Dark* - Rosemary Sherrod 2021-12-21

With God...there is a light that can shine as bright as the sun in the midst of our darkest times. There are moments when hopelessness grips our souls, attempting to convince us there is no way out of the pain and agony we may be suffering. Rosemary Sherrod knows that first hand. In addition to her own struggles, she had a front row seat to the suffering of her son. She watched him battle cancer for fifteen years and this is her story of how the Lord shined His light in the middle of that darkness. In her book, *Believing in the Dark*, Rosemary reminds us that even though we may experience deep agony and times of suffering within our trials, God will not allow us to be in utter darkness. We will not be left without hope or the promise of deliverance. The Lord is an ever present light and comfort in our afflictions. And if we allow the Lord to shine in our darkness, we will then become a light in this dark world. *Believing in the Dark* will encourage you to not overlook the beauty that is blooming in your darkest hour.

**Light Shines in the Darkness** - Lucille F. Sider 2019-01-29

Clinical psychologist and clergywoman Lucille F. Sider adds her voice to the chorus of women in the #WhyIDidntReport and #MeToo movements. This is Lucille's story of resilience and hope as a survivor of sexual abuse. She explains the challenges of finding her way out of a fear-based spirituality into one that is full of grace, hope and forgiveness. The unique richness of her book is that she wrote it to spark healing discussion. As she describes her experiences in these pages, she also steps back and offers helpful analysis as both a psychologist and a clergywoman. At the end of the book, she includes a complete study guide with questions for reflection for individuals, small groups and classes. "The book is arranged to be a valuable tool in the hands of persons in the helping professions, such as clergy, social workers, psychologists," writes the Rev. Jo Anne Lyon, General Superintendent Emerita and Ambassador of The Wesleyan Church. "This writing is so powerful, yet gentle, that people will be able to add their own words to combat the pain. Lucille's credentials enhance the power of the story. Truly a book for these days!" Lucille was just 6 years old when she was abused both physically and sexually by a hired man on the family's farm. Lucille's inner conflict about these experiences, propelled her into a childhood of guilt and shame. While Lucille was an outstanding student, singer and athlete, she lived with an underlying fear, loneliness and mild depression. A second sexual abuse by her brother-in-law, when she was just 15 years old, added to Lucille's fears. When she tried to tell her parents about this, their response was only to pray for her—so, she kept these painful

events secret for years. Many years later, her brother in law was arrested for molesting a 15-year-old girl. Lucille and others, including his own daughter, testified against him and he was incarcerated. Raised in a conservative household and faith, Lucille went to college and seminary to search for a theology that was full of grace and forgiveness. She found this especially at Yale Divinity School, though she always lived with a mild depression. Her struggle to understand both her faith and psyche led her to earn a PhD from Northwestern University in psychology and religion. She became a clinical psychologist and pastoral counselor and later the Executive Director of The Samaritan Pastoral Counseling Center in Evanston, Illinois. At age 50, when her husband suddenly divorced her, Lucille was cast into darkness and despair which resulted in major depression. Lucille became dysfunctional and had to step down as Executive Director of her counseling center. Years of therapy led her to new ways of offering and sharing her gifts, which included writing stories and ministering to seniors, especially those suffering from dementia. In *Light Shines in the Darkness*, Lucille F. Sider shares her unique story of sexual abuse and severe mental illness, including depression and PTSD. She describes her legal battle in fighting for justice and her ongoing persistence in finding ways to remain stable. She calls these her mental health and spiritual practices and they include: counseling, medication, meditation, healthy diet, exercise, daily prayer and church attendance. In sharing her story, Lucille now is helping others along their journeys from sexual abuse to stability—to find their own hope and their own light that shines through the darkness. "Timely, compelling and courageous, this autobiography lays bare the trauma of both child and adolescent abuse," writes Carol Schreck, Professor Emerita of Pastoral Care and Counseling at Palmer Theological Seminary. "This book deserves to be read by any adult who, living in a culture where 80 percent of females have experienced some form of sexual abuse by the age of 18, are no longer content to keep their proverbial head in the sand."

Gifts of the Dark Wood - Eric Elnes 2015-09-01

Have you left the faith you used to have but don't know what to move toward? When you can't see the road ahead, do you feel lost and alone? Do you wish you had a group of companions willing to wander with you? Welcome to the Dark Wood. As you journey through the unknown, you may feel tempted, lost, and uncertain. Though commonly feared and avoided, these feelings of uncertainty can be your greatest assets on this journey because it is in uncertainty that we probe, question, and discover. According to the ancients, you don't need to be a saint or spiritual master to experience profound awakening and live with God's presence and guidance. You need only to wander. In clear and lucid prose that combines the heart of a mystic, the soul of a poet, and the mind of a biblical scholar, Dr. Eric Elnes demystifies the seven gifts bestowed in the Dark Wood: the gifts of uncertainty, emptiness, being thunderstruck, getting lost, temptation, disappearing, and the gift of misfits. This is a book for anyone who feels awkward in their search for God, anyone who seeks to find holiness amid their holy mess, and anyone who prefers practicality to piety when it comes to finding their place in this world.

**Even in Our Darkness** - Jack S. Deere 2018-03-06

"I am the descendant of drinkers and drifters better at passing on their love for the bottle than family history..." Prepare yourself for an unvarnished, harrowing look at one Christian's life. A powerful memoir of knowing and being known by God through the pain of loss, tragedy, and brokenness—*Even in Our Darkness* explores what it means to fend off doubt and despair, even in the most painful trials. Jack Deere tells the true story of his life growing up near Fort Worth, Texas in the 1950's and the disintegration of his family following his father's suicide. Despite his difficult childhood and an inclination toward the depression that had crushed his parents, Deere describes how he began to wrestle with Christianity and how "God was...slipping in through the crack of an open wound." In his mid-twenties, Jack rose to fame and success as a leading scholar, popular speaker, and bestselling author. But despite being rescued and exalted, Jack was devastated in the years that followed, losing his troubled son to suicide and his wife to alcoholism. Only then did he fully face his own addictions, surrender control, and experience true healing. An authentic story of the Christian life, *Even in Our Darkness* is like following an experienced guide through a barren country. Like many believers, Deere has had experiences that nearly destroyed him, and he was shown, by grace, how to overcome life's disappointments and learn to hear God speak in unbelievable ways, despite the darkness that surrounds us. "Unmasked, unsettling, and unforgettable . . . this will change the landscape of your soul." —Ann Voskamp, bestselling author of *The Broken Way* and *One Thousand Gifts*.

**The Esai Poems** - Jimmy Santiago Baca 2011-04

He wakes from his afternoon siesta, / flapping legs and hands, / a bluebird perched on the birch/ branch of mother's arm/ ready to raid/ cornfields/ in his father's heart/ THE ESAI POEMS is the first of four books under the series title of *BREAKING BREAD WITH THE DARKNESS* by American Book Award recipient Jimmy Santiago Baca. The Esai poems are a poignant blend of Baca's wonder of his and his partner's newborn son, and the thoughts and observations of the world he will be inheriting, including war, racism, indifference and greed. Through Esai the wonder-struck new father explores the idealic world of his family through Esai's new eyes, "He studies his hands as if they are newly discovered planets . . ." but realizing the harsh realities of our times adds perspective with juxtapositions: "I'll wait to tell him how in some places armies cut off the hands of rebels..." Written as a series of thematically connected and dated poems, moving back and forth between ideas, The Esai Poems are some of Baca's strongest poetic work. Already father of two grown sons, Baca explores the implications of beginning another family with another woman. Subsequent volumes will include explorations of self and family with *Essays and Stories*, *The Lucia Poems* (to his young daughter), and to his son, *Tones and Gabe Poems and Essays*.
