American Pageant - David M. Kennedy 2015-01-01

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of

Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2:

Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Dreaming Up - Christy Hale 2012

The Dance of the Violin - Kathy Stinson 2018-05-04

Even Joshua Bell makes mistakes, but there is always a second chance. As a young student of the violin, Joshua Bell learns about an international competition to be held in Kalamazoo, Michigan. He chooses a piece of music, which his teacher suggests may be too difficult, but Joshua is determined. It's a piece of music he loves. At the competition, Joshua

experiences the usual jitters. Once his name is called, he strides to the stage and begins to play, but almost immediately, he makes a mistake. As he is about to walk off the stage, he asks the judges if could try again. They agree, and this time, the playing is impeccable. Dušan Petricic's brilliant illustrations full of movement and color, capture the sounds made by Joshua's violin, from the missed notes to the swirling, uplifting strains of the perfectly executed piece. Children will readily empathize with Joshua's misstep, but they will also learn that there is always a second chance.

The Reading Turn-Around with Emergent Bilinguals -

Amanda Claudia Wager 2019

This practical resource will help K-6 practitioners grow their literacy practices while also meeting the needs of emergent bilingual learners. Building on the success of The Reading Turn-Around, this book adapts the five-part framework for reading instruction to the specific

needs of emergent bilinguals. Designed for teachers who have not specialized in bilingual instruction, the authors provide an accessible introduction to differentiating instruction that focuses on utilizing students' strengths, identities, and cultural backgrounds to foster effective literacy instruction. Chapters include classroom vignettes, teacher exercises, illustrations of powerful reading plans for the student and teacher, resources for culturally and linguistically diverse children's literature, and tools to engage with students' families and communities. Book Features: Grounded in current theories and research in the teaching and learning of literacy as it relates to emerging bilingual learners. Accessible to K-6 educators, ESL and bilingual teachers, principals, literacy coaches, and curriculum developers. Borrows from the framework of Comber and Kamler's (2005) "turn-around pedagogies", which draws on student's strengths and assets to support teachers in

improving their classroom practices. Emphasizes student-centered practices that are rooted in a child's identity as a reader and language learner. Based on Freebody and Luke's Four Resources Model (1990, 1999) but also includes a "fifth" dimension that foregrounds issues of identity.

Flying Paintings: The Zhou Brothers: A Story of Revolution and Art - Amy

Alznauer 2020-09

The epic story of two Chinese brothers who became art-world legends, illustrated with stunning paintings by the artists themselves First there was one Zhou brother, and then there were two. They lived in a bookstore with their grandmother, Po Po, whose stories of paintings that flew through the air and landed on mountain cliffs inspired them to create their own art. Amid the turbulence of China's Cultural Revolution in the 1970s, the Zhou Brothers began painting together on the same canvas. Today, ShanZuo and DaHuang Zhou are icons in the art world, renowned for

working side by side on all their paintings and sculptures. In this extraordinary biography, author Amy Alznauer joins with the Zhou Brothers to tell the story of their unique and often difficult childhood and their pursuit of a wild, impossible dream. The lyrical writing blends elements of legend, while the brothers' dramatic illustrations soar with vibrant colors and surreal imagery from ancient Chinese cliff paintings. An inspiration for young artists and dreamers of all kinds, this deeply felt collaboration explores how art can bring people together, as well as set them free.

A True Story of Surviving Genocide and Forging a New Life When the Khmer Rouge took Phnom Penh in 1975, new Christian Radha Manickam and his family were among two million people driven out of the city. Over the next four years, 1.7 million people--including most of Radha's family--would perish due to starvation, disease, and horrifying violence. His new faith severely tested, Radha is forced by the communist regime to marry a woman he doesn't know. But

through God's providence, he discovers that his new wife is also a Christian. Together they find the courage and hope to survive and eventually make a daring escape to the US, where they raise five children and begin a life-changing ministry to the Khmer people in exile in the US and back home in Cambodia. This moving true story of survival against all odds shows readers that out of war, fear, despair, and betrayal, God can bring hope, faith, courage, restoration--and even romance.

A Path of Stars - Anne Sibley O'Brien 2012-02-01

A touching story of family, loss, and memory. Dara's grandmother, Lok Yeay, is full of stories about her life growing up in Cambodia, before she immigrated to the United States. Lok Yeay tells her granddaughter of the fruits and plants that grew there, and how her family would sit in their yard and watch the stars that glowed like fireflies. Lok Yeay tells Dara about her brother, Lok Ta, who is still in Cambodia, and how one day she will return with Dara and Dara's family to visit the place she still considers home. But when a phone call disrupts Lok

Yeay's dream to see her brother again, Dara becomes determined to bring her grandmother back to a place of happiness. Anne Sibley O'Brien's dreamlike illustrations beautifully complement this fictional story based on real-life experiences. Back matter contains information about the admission of Cambodian refugees into the United States, specifically Maine, after soldiers forced them out of their homeland in the 1970s. An author's note and glossary are also included. A PATH OF STARS was originally developed for the New Mainers Book Project, part of the Maine Humanities Council's Born to Read program. The Project sponsors high-quality children's picture books created from the experiences of Maine's refugee communities, to preserve and present their cultural heritage and to promote their English language literacy.

Latino Peoples in the New America - José A. Cobas

2018-12-10

"Latinos" are the largest group among Americans of color. At 59 million, they constitute nearly a fifth of the US population. Their number has alarmed many in government, other mainstream institutions, and the nativist right who fear the white-majority US they have known is disappearing. During the 2016 US election and after, Donald Trump has played on these fears, embracing xenophobic messages vilifying many Latin American immigrants as rapists, drug smugglers, or "gang bangers." Many share such nativist desires to build enhanced border walls and

create immigration restrictions to keep Latinos of various backgrounds out. Many whites' racist framing has also cast native-born Latinos, their language, and culture in an unfavorable light. Trump and his followers' attacks provide a peek at the complex phenomenon of the racialization of US Latinos.

This volume explores an array of racialization's manifestations, including white mob violence, profiling by law enforcement, political disenfranchisement, whitewashed reinterpretations of Latino history and culture, and depictions of "good Latinos" as racially subservient. But subservience has never marked the Latino community, and this book includes pointed discussions of Latino resistance to racism. Additionally, the book's scope goes beyond the United States, revealing how Latinos are racialized in yet other societies.

Who Belongs Here?: An American Story (2nd Edition) -

Margy Burns Knight

2018-06-19

120,000 copies sold! *Who Belongs Here?* tells the story of a boy who, having been forced to flee his war-torn country, struggles to be accepted by his new classmates in the U.S. Some kids think he should go back where he belongs, but what if everyone whose family came from another place was forced to return to his or her homeland? Who would be left? A new introduction traces the waves of immigration that have built America and celebrates the Muslim and Latino immigrants who are today contributing to America's future. The book's new cover shows a group of kids—sons and daughters of newly arrived immigrants--taking their oath of citizenship. This story is more timely now than ever. Long an anchor text for school

units on immigration and tolerance, *Who Belongs Here?* is now renewed in look and content. Teaching compassion for recent immigrants while sharing the important contributions made by immigrants of the past, this story is more relevant now than ever. In this probing, plain-spoken book, based on a true story, Margy Burns Knight and Anne Sibley O'Brien, author and illustrator of the acclaimed "Talking Walls," invite young readers to explore the human implications of intolerance. Anecdotes relating the experiences of other refugees and their contributions to American culture play counterpoint to Nary's tale, all enlivened by O'Brien's full-color pastels. A compendium at the end of the book offers more detailed information about Pol, Pot, Ellis Island, and other topics in this text. *Who Belongs Here?* will lead to discussions about The effects of war on children and families Refugees and relocation processes in the U.S.Cambodian culture U.S. History and attitudes towards

The Spirit of Flamenco -

Nicolasa Chavez 2015-09-01
This beautiful book explores the origins, influences, development and appreciation of flamenco as a highly respected art form on the world stage. This folkloric tradition of music, song, and dance began in the caves of Andalusia and was shaped over centuries by a multitude of

cultural and regional influences, including Roman, Jewish, Greek, Indian, and Moorish. Flamenco's introduction to the U.S. in the roaring twenties coincided with a .Spanish craze. and in the 1950's legendary flamenco stars including the Italian-American flamenco dancer-choreographer José Greco were popular attractions at nightclubs and concert halls in New York, Chicago, and Los Angeles. Not surprisingly, flamenco found a permanent home in New Mexico, a state with a large population of Hispanic residents interested in learning about and preserving traditional and cultural Spanish folk traditions. Prominent flamenco artists emerged including native New Mexican choreographer-dancer María Benítez. Flamenco's accoutrements--costumes, musicians, instruments and dancers--are part of the story.

Never Fall Down - Patricia
McCormick 2012-05-08
This National Book Award
nominee from two-time finalist
Patricia McCormick is the
unforgettable story of Arn
Chorn-Pond, who defied the
odds to survive the Cambodian
genocide of 1975-1979 and the
labor camps of the Khmer
Rouge. Based on the true story
of Cambodian advocate Arn
Chorn-Pond, and authentically
told from his point of view as a
young boy, this is an achingly
raw and powerful historical
novel about a child of war who
becomes a man of peace. It
includes an author's note and
acknowledgments from Arn
Chorn-Pond himself. When
soldiers arrive in his
hometown, Arn is just a normal
little boy. But after the soldiers

march the entire population
into the countryside, his life is
changed forever. Arn is
separated from his family and
assigned to a labor camp:
working in the rice paddies
under a blazing sun, he sees
the other children dying before
his eyes. One day, the soldiers
ask if any of the kids can play
an instrument. Arn's never
played a note in his life, but he
volunteers. This decision will
save his life, but it will pull him
into the very center of what we
know today as the Killing
Fields. And just as the country
is about to be liberated, Arn is
handed a gun and forced to
become a soldier. Supports the
Common Core State Standards.
Gendered Entanglements -
Ragnhild Lund 2015
Revisiting Gender in Rapidly
Changing Asia, This book is the
first of its kind with a specific
Asia focus, covering a wide set
of contemporary issues relating
to gender in Asia. Its overall
objective is to revisit gender as
a concept that can engage
simultaneously with change
and continuity in today's Asia,
but with greater intellectual

reflexivity to examine multiple, intersecting, and complex dimensions of identity and difference, and formerly unacknowledged sources of social power from institutions and their emerging discourses. Individual chapters, written by gender scholars from Europe and Asia, critically examine the concept of gender in the context of emerging development issues relating to four broad thematic areas: 'Gender over Time', which basically deals with revisiting the field repeatedly or after a substantial period of time, reflecting reflexively on the value of conducting longitudinal research; Tower, 'Policy, and Practices', which revisits different dimensions of governance and power, gender mainstreaming, and activism involved; 'Environment and Resources', which deals with new ways of examining disposessions, dams, disasters, and mobilities; and

'Justice and Human Rights', which focuses on the often complex and at times contradictory dimensions of religious and secular legal frameworks. By critically examining how revisiting gender has led the authors to rethink gender in multiple ways, some of the chapters revisit areas from previous research, while others rethink ways in which gender has been framed and depoliticized in current practices, and therefore address how gender has been changed, both as a normative process influencing social roles and relations and as an object and/or a concept of research. Book jacket.
