The DO's and DON'Ts of Contract Cleaning from One Who DID and DIDN't - Richard D. Ollek Cbse 2011-05

Whether you are thinking about entering the contract cleaning business, have a young company that may be struggling to get to the next level, or have a mature organization that may need to look at things in a different

light, this book is for you. From naming your company to selling your company, this book covers all the bases. Dick takes you through the mistakes he made when starting his company, to the stumbling he did along the way, and how he got up and kept going. Some of his real life stories will amuse while others will make you sit back and take note of how you can make a correction in your company that can save or earn lots of dollars for you. Dick includes ways to approach a banker, attorney, accountant, insurance agent as well as the supplier of your cleaning products and equipment. Doing these things right will put money on your bottom line, doing them wrong may put you out of business in a hurry. Not to be forgotten, he also includes a chapter on preparing your company for sale. Dick sold his company and can provide helpful suggestions on what you need to do and not do to be ready to sell. Dick interjects humor along the way to emphasize some of his mistakes and what he learned from them. You will particularly want to read chapter 18 where he talks about his favorite sayings and how they affected him. In that same chapter he also talks about actual calls he took from employees calling in to report they would not be at work and how he handled the calls. Last but not least, he provides you his thoughts on how to focus on becoming a leader as well as what he envisions the characteristics of real success are. This book is designed as a working tool. It is written in conversational style and will provide you a true encyclopedia for being in the contract cleaning business. Enjoy and learn.

Green Book - U.S. Department of the Treasury 2015-12-28

Welcome to the Green Book a comprehensive guide for financial institutions that receive ACH payments from the Federal government. Today, the vast majority of Federal payments are made via the ACH. With very few exceptions, Federal government ACH transactions continue to be subject to the same rules as private industry ACH payments. As a result, the Green Book continues to get smaller in size and is designed to deal primarily with exceptions or issues unique to Federal government operations.

Forms Used In Human Resources - Loma 1997-05-12

A lot has changed since 1985, when this landmark collection of human resource forms was last published. New legislation, the ongoing modernization of company practices, and drastic changes in the workplace have led to a slew of new challenges for HR professionals. Forms Used in Human Resources tackles these challenges head on. It is fully revised with up-to-date forms for areas such as domestic partnership, the ethical use of computer software, and requests for translation services. Forms Used in Human Resources is for anyone faced with the difficult task of creating or redesigning human resources forms. It features contributions from over 55 U.S. and Canadian companies and includes 350 commonly used HR forms. It can be used as a source to create new forms or as a standard for evaluating your

company's current forms with those used by others. Forms in this book have been designed to meet the needs of the companies using them. They have already been put to use by companies such as the Principal Financial Group, the Southwestern Life Corporation and Mutual of New York, so you know they work well in the workplace. And with so comprehensive a source, there is no longer any need to spend hours doing research or struggling to create a new form. Practical examples are right there at your fingertips-examples that will save you valuable time and money.
