## Ti Amo - Hanne Ørstavik 2022-09-13

A penetrating study of passion, suffering, and loss from one of Norway's most tenacious writers: National Book Award Finalist and PEN translation prize winner Hanne Ørstavik Celebrated throughout the world for her candor and sensitivity to the rhythms of language, Hanne Ørstavik is a leading light on the international stage. Ørstavik writes with "a compulsion for truth that feels like [her] very life force itself." Laced with a tingling frankness, Ørstavik's prose adheres so closely to the inner workings of its narrator's mind as to nearly undo itself. In Martin Aitken's translation, Ørstavik's piercing story sings. Ti Amo brings a new, deeply personal approach, as the novel is based in Ørstavik's own

experience of losing her Italian husband to cancer. By facing loss directly, she includes readers in an experience that many face in isolation. Written and set in the early months of 2020, its themes of loss and suffering are particularly well suited for a time of international mourning. What can be found within a gaze? What lies inside a painting or behind a handful of repeated words? These are the questions that haunt our unnamed narrator as she tends to her husband, stricken with cancer, in the final months of his life. She examines the elements of their life together: their Vietnamese rose-colored folding table where they eat their meals, each of the New Year's Eves they've shared, their friendships, and their most intimate exchanges. With everything in flux, she searches for the facets that will remain.

**Amo, Amas, Amat ... and All That** - Harry Mount 2020-05-07

"If you know someone who missed out on Latin at school and wants to live a happier life, you could do no better than give them Harry Mount's

entertainingly educative Latin primer." Daily Mail "Amo, Amas, Amat is a diverting meander and Mount's love of Latin shines out on every page." The Spectator "Latin without the pain." Guardian "If you studied Latin at school this will bring back fond memories, but even newcomers will be captivated by this witty and entertaining book..." Yorkshire Evening Post Have you ever found yourself irritated when a sine qua non or a mea culpa is thrown into the conversation by a particularly annoying person? Or do distant memories of afternoons spent struggling to learn obscure verbs fill you with dread? Never fear! Or, as a Latin show-off might say, Nil desperandum! Those endless afternoons where you struggled to remember the third person singular present indicative of volo (vult) may be a long time ago. But, if you have the vaguest memory of the ablative absolute, the locative and the gerund, your mastery of Latin will spring back to life with Amo, amas, amat...and all that. In his trip through the world's most influential language, Harry Mount uncorks its magic, drawing on Latin lovers from Kingsley Amis to John Cleese, from Evelyn Waugh to Donna Tart. Read this book and you will know Latin. Know Latin and - mirabile dictu - you will know Wilfred Owen's misery, Catullus's aching heart and the comedy of a thousand bachelor schoolmasters.

From this vantage point--two generations across two geological epochs facing a fundamentally changing planet--Larry Rasmussen writes to his grandchildren. As a grandfather invested in a green earth and climate justice as well as a scholar of faith-based earth ethics, Rasmussen bridges this gap between generations to write to the future about climate change, global citizenship, democracy, and legacy. In topics ranging from "A Viable Way of Life" and "Democracy" to "Where We've Come From" and "Who We Are Now," Rasmussen explores the large questions of justice, meaning, and faith, encouraging us to speak to and look to the future generation and their future world.

**The End of My Life** - Vance Bourjaily 2015-04-28

Vance Bourjaily's classic novel of World War II dramatizes an entire generation's loss of innocence. When Thomas "Skinner" Galt leaves Greenwich Village to volunteer as an ambulance driver with the British Army, he anticipates the adventure of a lifetime. What he fails to understand is that no matter where he comes from or how many books he has read, once he dons a military uniform, his life will cease to be his own. Stationed first in the Middle East and then in Italy, Skinner and his fellow American volunteers, Rod, Freak, and Benny, endure boredom, fear, and the exquisite frustration of following orders. They seek solace in their friendship with one another and in the debauched diversions available to men during wartime. But as the days and nights drag on, Skinner begins to drift away from his comrades—and from himself. Too late, he discovers that the path he has chosen leads only to tragedy. Inspired by Vance Bourjaily's experiences as an ambulance driver in the American Field Service and commissioned by legendary editor Maxwell Perkins, *The End of My Life* marked the arrival of a writer heralded by the *New York Times* as "a Dostoevsky of the generation that came of age in World War II." Elegant, spare, and fiercely honest, this is a timeless portrait of the devastating effects of war on the human spirit.

*Father Luis Olivares, a Biography* - Mario T. García 2018-08-01

This is the amazing untold story of the Los Angeles sanctuary movement's champion, Father Luis Olivares (1934-1993), a Catholic priest and a charismatic, faith-driven leader for social justice. Beginning in 1980 and continuing for most of the decade, hundreds of thousands of Salvadoran and Guatemalan refugees made the hazardous journey to the United States, seeking asylum from political repression and violence in their home states. Instead of being welcomed by the "country of immigrants," they were rebuffed by the Reagan administration, which supported the governments from which they fled. To counter this policy, a powerful sanctuary movement rose up to provide safe havens in churches and synagogues for thousands of Central American refugees. Based on previously unexplored archives and over ninety oral histories, this compelling biography traces the life of a complex and constantly evolving individual, from Olivares's humble beginnings in San Antonio, Texas, to his close friendship with legendary civil rights leader Cesar Chavez and his historic leadership of the United Neighborhoods Organization and the sanctuary movement.
