Learn Natural English Through Storytelling - Sylvia Guinan 2013-07-24
Tired of worksheets and grammar books? Lean back and learn natural English with these authentic stories designed to improve your vocabulary and boost your reading-comprehension skills! This collection of stories for English learners is built to create authentic learning situations and experiences of natural English "in the wild". Each story is written by a different author who uses the language slightly differently, just like in real life. All authors are native speakers or highly skilled English teachers from all over the world including the United States, Ireland, England, Tunisia, Brazil, Morocco and Mexico. Each story is presented in three parts: first, there is the story itself, followed by a section explaining difficult or unusual vocabulary, and last but not least, a section with questions designed to help improve comprehension training.

Stories of the Vikings - Mary MacGregor 2018-02-07

THE history of the Vikings is not, as you might think, the story of a band of sea-pirates who roved the seas in search of plunder. It is rather the story of a race of brave and hardy Northmen who became sea-rovers because the rights and the freedom which their fathers had cherished were being taken from them. Their fathers had lived on their own lands and had been freemen, but the sons were asked to become king's men and hold their land only at the king's pleasure. Rather than give up their ancient rights many of the Northmen became Vikings, and to them the sea-roving life was a noble one, full of high enterprise and ambition. It was no easy matter to become a member of a Viking band. Even a great chief, before he could be admitted, must prove his strength and give an account of the deeds of prowess he had already done. Thus it was an honour to belong to a band of Vikings, an honour which spurred the lads of the North to bold deeds, to mighty feats, that they might be counted worthy to become members of one or another of the famous bands. It is of the customs and battles, of the lives and deaths of these wild Northmen that I have told you in this little book. As these men are, as you will hear, ancestors of our own, you will perhaps wish to know more about them than I have been able to tell you. If that is so, when you grow older, you can read the Sagas or histories of these Northmen which were written by the Skalds, or, as we would call them, the poets of those olden days. In these Sagas you will meet with many strange adventures and see many great battlefields which you will not find in this little book.

Screenwriting Down to the Atoms - Michael Welles Schock 2013-01

There are many books on screenwriting that claim to have all the answers. Unfortunately, quite often the more aspiring writers read, the more confused they become as they encounter contradictory statements, incomplete perspectives, and methods that fail to do more than scratch the surface. "Screenwriting Down to the Atoms" was written to end all the confusion. It picks up where the best leave off and makes up for where the rest fall short by looking closer and digging deeper to reveal the "true" principles beneath great cinematic stories. No confusion. No contradictions. "Atoms" provides a light in the dark to give a full, simple, and truly effective understanding of the craft. "Screenwriting Down to the Atoms" takes the basics "far beyond" the basics. It begins by putting the entire field under the microscope to challenge, and often refute, ideas writers have been taught to assume for decades. It then builds a simple, systematic approach clear enough for any writer to understand and put directly into use. Readers will discover storytelling's "golden key" - an elegantly-simple structure that forms the basis of all other

structures. They will learn how to satisfy viewers by meeting the responsibilities of the "storyteller-audience relationship." They will understand how to creatively control story information to give a narrative the greatest dramatic impact. Most writers toil for years to learn these principles. With "Atoms," you can have this knowledge from the very start. Whether you are working on your fifteenth screenplay or your first, "Screenwriting Down to the Atoms" gives indispensable knowledge found in no other source. "Atoms" is screencraft for the 21st century. The next generation of guides for the next generation of writers.

A Necklace of Souls - R. L. Stedman 2014-12-01

"In a hidden kingdom a mysterious Guardian protects her people with the help of a magical necklace. But evil forces are also seeking the power of the necklace, and as the Guardian grows weaker these forces threaten to destroy the kingdom. With the help of her best friend, Will, and the enigmatic N'tombe, Dana, the rightful heir, must claim the power of the necklace and save her people. But the necklace takes a terrible toll on whoever wears it - a toll that Dana may not be prepared to face"-- Publisher information.

The Schoolboy's Story Illustrated - Charles Dickens 2021-04-30

The Schoolboy's Story is a short stories by Charles Dickens. Charles John Huffam Dickens (7 February 1812 - 9 June 1870) was an English writer and social critic. He created some of the world's most memorable fictional characters and is generally regarded as the greatest novelist of the Victorian period. During his life, his works enjoyed unprecedented fame, and by the twentieth century his literary genius was broadly acknowledged by critics and scholars. His novels and short stories continue to be widely popular. Born in Portsmouth, England, Dickens was forced to leave school to work in a factory when his father was thrown into debtors' prison. Although he had little formal education, his early impoverishment drove him to succeed.

Becoming Fluent in German - Philipp Eich 2020-04

Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there.

The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

Crazy - H. R. Stokes, III 2012-07-26

CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a " tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

Live As a Man. Die As a Man. Become a Man. - Enson Inoue 2014-05-28

Live as a man. Die as a man. Become a man. Yamatodamashii is roughly translated as Samurai Spirit or old spirit of Japan and has become synonymous with Enson Inoue. He was given this nickname by the Japanese people because of the way he carries himself inside and outside of the ring. This philosophy permeates throughout Enson's experiences, helping him gain a different perspective on life with every new challenge that has come his way. He is the first World Shooto Heavyweight Champion, UFC fighter, Pride fighter, and pioneer of modern MMA. He gives an in-depth account of his philosophical insights and thrilling adventures both inside and outside the ring.

Deadcore - Randy Chandler 2010-09

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre. FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JUJU BY RANDY CHANDLER He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, the living are screwed, and unspeakable acts are being performed upon all involved. In this tale of Zombies Gone Wild, yes the dead walk but just where the hell are they going and why? Dead Juju gives you the hardcore truth, if you're ghoulish enough to handle it. NIGHT OF THE JIKININKI BY EDWARD M. ERDELAC After a comet is observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a casteless bandit, a mad, child-eating monk, and a renowned but sadistic samurai band together to escape the walled and moat-surrounded prison as it fills with the walking and ravenous dead. ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD) BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. ZOMBIE SAFARI BY BEN CHEETHAM Survivors of a zombie apocalypse have

carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go wrong. Zombies don't die as they should. Hunters go missing. A trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.

Principle Or Profit - Ryheim Scott 2016-01-06

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Born to Fly - Robyn Walker 2013-05-26

'Born to Fly' is a poignant and heart warming story based on true-life adventures of captive birds being safely released back into nature...blended with a fictional story about a Rainbow Lorikeet named Cherub. It is predominantly a book for all ages, for storytelling and learning is universal. 'Born to Fly' is also a metaphor for us all - to free ourselves to live happy, fulfilling and creative lives...and as we do this we automatically assist others to do the same. It is this inherent wisdom that Cherub and her friends are lovingly and patiently teaching us.As caretakers and guardians of the natural world, our role is to observe and delight in the many wondrous miracles and beauty of nature. It is also to

teach each and every one of our children this precious gift, so we can all truly fly free.

Signing with a Heavy Hand and Heart, Love Mommy - Sondra Torres 2013-03-13

Words from Ms. Torres: "I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life." "If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful." What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria "Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome." Deborah Thornton, SEDNET Project Mangement "Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities." Barbara Shannon, School Psychologist Last night, I received a copy of Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel."
