Udestha's Guard - Kenneth Baylor 2021-05-20

Udestha's Guard By: Kenneth Baylor Udestha's Guard takes place 4000 years after the demise of earth. Predictably, humans were the ones who killed it but rather than letting them die with the planet, a god-like being intervened. Seeing potential in humans, this "god" moved many to this new planet named Udestha in hopes of a new beginning but not without infusing his own power into the planets core, altering every aspect of the planet and its inhabitants. The plants, wildlife, natural resources and weather all changed by new energy radiated into the now growing planet. As for Udestha's immigrants, the humans, they're becoming gods themselves.

Morning and Evening Meditations from the Word of God - Michael J. Akers 2014-03-18

There are many devotional books available containing brief, daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day—732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational, but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

Guarding Your Child's Heart - Gary Smalley 2014-02-27

Every thought you have creates or reinforces already-created negative or positive beliefs in your heart. These beliefs are the main controllers of our thoughts, words, and actions, which in turn form our emotions. The key to having a high-quality life is to create beliefs within your heart that control your behavior. In this workbook, Dr. Gary Smalley presents how-to steps, engaging questions, practical exercises, and fun activities to help the whole family memorize and meditate on key Scriptures.

The White Guard - Mikhail Bulgakov 2014

"Great and terrible was the year of Our Lord 1918, of the Revolution the second." It is 1918: the Russian Revolution has just ended, Ukraine is in the midst of civil war, and in Kiev, the two Turbin brothers are preparing to fight for the White Guard in the wake of their beloved mother's death. Friends charge in from the streets amid an atmosphere of heady chaos, downing vodka, keeling over, taking baths, playing the guitar, falling in love. But the new regime is poised for victory, and in its brutal triumph lies destruction for the Turbins and their world. This novel, Mikhail Bulgakov's literary debut, may in fact have saved the writer, whose works were often censored under the Soviet regime: Stalin was an avid fan of a play based on The White Guard and allegedly went to see it more than fifteen times. Michael Glenny was the first to translate Bulgakov's works into English--this edition makes his deft, brilliant translation once again available for new readers.

It's God's Word, Not Mine... - Gail J. Manizak 2012-03-07

Gail Manizak is a gifted prophet. At sixteen years old, Gail became a born-again believer; joy filled her heart daily as page after page of poetry was written. Being full of God's presence, she wrote daily as He led. At twenty-four years old, Gail, having been baptized in the Holy Spirit, received a gift of writing prophetic words. As with the poetry, it came very naturally to write what she heard in her ear. It was prophesied in 1971 that she would hold the office of a prophet. In April of 2010, she was officially released by leadership into the office of a prophet. Prophetic words spoken confirmed this portion of her call, the first being spoken over her life forty years ago. This gift has been used to minister to people all over the world. In 2009, the Lord dealt with her about opening up the websites for personal prophecy requests. She was reminded of all the psychics, soothsayers, palm readers, card readers, and astrologers that were operating in the gift but not of the Holy Spirit. People were accepting a spirit of deception and lies. To be a servant to the people is an honor.

Your Angels Guard My Steps (Rekindling the Inner Fire Book #10) - Bernard of Clairvaux 1998-09-01

Writings that touch the pure-flaming heart of God ... from the men and women who walked with Him through the ages...guiding into a deeper friendship with the "Father of Lights."Today, when there is so much interest in the invisible world of angels and demons, how can we know whether the speculation about angelic interventions, swordplay in the heavenlies, and signs in the sky is true? What role do angels actually play in our lives?Bernard of Clairvaux (1090-1153) stands among the rare handful of men and women gifted

with true insight into the unseen, supernatural world. Known throughout the medieval church as a "spiritual doctor," he was given both a spectacular vision of angels and the wisdom to understand their purposes among men. May his words fix in your soul a vision of the beauty of God himself, and may you sense the help of angels, as they guide you to the real presence of the One true Lover of your soul.

Dropping Your Guard - Charles R. Swindoll 2009-03-08

In this updated version of his best-selling book, Swindoll poignantly and honestly portrays the need for authentic love and transparency. In a world that focuses on images, sound bites, and quick impressions, we have forgotten how to really know one another. Many of us recoil from true intimacy. Author Charles Swindollw writes,"Full self-disclosure is something we tend to avoid at all costs. In fact, we are prone to keep people out of our private worlds by wearing masks?not physical masks?but psychological ones." For example . . . The "I'm tough" mask hides weakness and fear. The "I'm holy" mask hides our struggle with temptation. The "I can handle it" mask hides bewilderment and hurt. Removing your masks and relinquishing your defenses are essential aspects of the Christian experience. And Dropping Your Guard portrays Bible teacher Chuck Swindoll at his best, delving into the treasures of God's Word to reveal strategic principles for building open and genuine relationships. Chuck Swindoll says,"My desire is that our Lord will open your eyes to the value of authentic relationships, and that His Spirit will free you to be vulnerable as you drop your guard with others in the family of God. I assure you, the result is worth the effort."

Guard Your Hearts - Paul Burkhardt 2019-06-19

Guard Your Hearts Everybody loves a good story, so enjoy this collection of vignettes from Paul and JoAnne. You're getting their storytelling at its finest!? Bob Sorge, author, ?God's Still Writing Your Story.? The title of our book ?Guard Your Hearts, ? comes from Philippians 4:7 (NIV) ?And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.? We believe Philippians 4:7 is a word not only for us for the days we live in, but also for anyone wishing a closer walk with Jesus. We want a ?peace of God, which transcends all understanding? not only for us but for you our readers. Hopefully, this collection of true Christian stories will help us and you come to a greater understanding of finding and growing in that peace. Not that we have attained this yet, or are made perfect, but forgetting what's behind us, we keep pressing for that peace which is only found in Christ Jesus (a paraphrase of Philippians 3:12-14).

Guide Your Mind, Guard Your Heart, Grace Your Tongue - Carol Burton McLeod 2018-04-03

Every single one of us with a beating heart has spoken words "under the influence" of warped feelings and slurred thinking. And we soon wish we had the magical power to take those words back. We especially regret the hurtful words we have spoken to those we love the most and know the best. This book may just be the solution. Carol McLeod reveals that before the words are spoken, they brew in our hearts and are formed in our minds. It's our thoughts and emotions that determine what words come out of our mouths. Guide Your Mind, Guard Your Heart, Grace Your Tongue is an innovative blueprint that will enable you to take control of your thoughts and feelings in order to grace your tongue. You won't find pat answers here, but rather powerful strategies based on the Word of God to reroute disordered thinking and cure rotten emotions so your words can be humbly grateful instead of grumbly hateful.

More Than My Words - Ann Lister 2018-03-19

Mason Foxworth has spent the last several months recovering from injuries he received doing personal security while on tour during the horrific fire in Germany. He feels useless and alone, and the worst part of it, the physical scarring left behind from the burns has ruined his self-esteem. Who would want him now, when he is so damaged inside and out and has nothing much to contribute? He doesn't have many friends and his co-workers feel it's safer to keep Mason at a desk in the office pushing paperwork, rather than out in the field working security. Mason wants to change that status before he loses the last thread of his sanity, and the main obstacle in his way is a bum leg that's taking far too long to heal. Tessler is an enigma in the sci-fi literary world. A young, reclusive author, known for the mystery swirling around him, realizes he's lost any real joy in his life until he suddenly starts to feel the strange emotion pumping through his veins. Barely beyond the age of twenty-five, and he's already made more money than most see in a lifetime, but Tessler feels empty inside. What made him this way must remain the secret it is, or he feels he'll lose the empire he's created. But meeting a man who could possibly bring all his pieces together is challenging his reasons for anonymity, and Tessler suddenly finds himself wanting more from life and for himself. Mason wants his life back and Tessler is just looking to have a real life. Can two vastly different men find a

way to smooth out their hard edges and blend their lives to offer the one ingredient neither has? Personal growth comes in many different shapes and Mason and Tessler have a mountain of it to climb in order to find their HEA, but it's a journey both of them are ready to take.

THE CHANGING OF THE GUARD - Roel C. Nedd 2015-09-10

"For the word of God is quick and powerful and sharper than any two edged sword piercing even to the dividing of soul and spirit and is a discerner of the thoughts and the intent of the heart." (Hebrew 4:12)

THE WAR AGAINST RULING SPIRITS THE CURSE MUST BREAK! DEMONS SHALL FLEE OR BE UPROOTED DEMON SHATTERING PRAYER POINTS "THE CHANGING OF THE GUARD IS AN INSPIRED, INSPIRATIONAL, INFLUENTIAL, STUDY MANUAL AND A WITNESSING AND DELIVERANCE TOOL THAT EMPHASIZES THE NECESSITY FOR SPIRITUAL REFORM." IT GRANTS GREATER UNDERSTANDING OF SALVATIONS PLAN AND HELPS BELIEVERS TO SEE THE BIG PICTURE AND TO UNDERSTAND THE BIBLE AS IT IS WRITTEN." "MANY SHALL BE PULLED OUT OF THE DUMPSTER BEING GIVEN A FUTURE AND A HOPE." "Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight and the rough places plain." (Isaiah 40:4)

Choose Life or Death: Guarding the Gates - Riaan Engelbrecht 2019-06-06

Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus (LIFE) or choosing the way of the world (DEATH). In God there is life, and life in abundance. Not just eternal life, but life in spirit, in soul and in body. Yet, there is a real difference between knowing of Him and knowing Him. In Him we abide in life, and walk in such life, but this calls for obedience to His Truth, to His Way and to His Kingdom. From a true relationship with the Lord, not religion, flows life and the blessings of such divine life. Deuteronomy 30 outlines the Offer of Life or Death. In the Old Testament life and death translated into blessings and curses for the Israel nation. Under the Law of Moses, the Lord presented to His people a very simple choice - follow God and live, or disobey God and die. Take note of verse 15: See, I set before you today life and prosperity, death and destruction. Under the New Covenant, we are either going to follow God and live in abundance - spirit, soul and body - or we are going to choose to allow ourselves to suffer the touch of death. The Life and Death series of five volumes explores in-depth how to walk in God's divine life, how to guard over such life and to avoid the pitfalls of death that manifests in so many ways, not just physical. The Life and Death series is a volume of work stretching over many years, guided by the Holy Spirit, in order for the disciples of the Lord to understand we can walk in life, yet this calls for remaining true to the Word, to His Will, to His Ways and His Kingdom. Be blessed on this journey, and know that God desires us to walk in life - but we need to choose. Either life, or death.

Don't Call It a Comeback (Foreword by D. A. Carson) - Kevin DeYoung 2011-01-06

Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present Don't Call It a Comeback: The Same Evangelical Faith for a New Day to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.
