

Indira Gandhi A Biography Pupul Jayakar

Eventually, you will enormously discover a additional experience and expertise by spending more cash. nevertheless when? do you tolerate that you require to acquire those all needs when having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more a propos the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your entirely own grow old to pretend reviewing habit. in the midst of guides you could enjoy now is **Indira Gandhi A Biography Pupul Jayakar** below.

My Years with Indira Gandhi -

Padinjarethalakkal Cherian Alexander 1991
Reminiscences of the author, principal secretary to Indira Gandhi, 1917-1984, former prime minister of India.

Indira Gandhi - Jairam Ramesh 2017-06-10

From an acclaimed economist and politician, a unique, never-before-seen look at the life of one

of India's most well-known prime ministers—Indira Gandhi—and her work to protect the environment and champion the preservation of nature and the climate. Indira Gandhi, prime minister of India for sixteen years, was as charismatic as she was controversial—both admired and criticized for her political judgments and actions. Yet what

has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public calling; how her views on the environment remained steadfast even as her political and economic stances evolved; how her friendships with conservationists led to far-reaching decisions to preserve India's biodiversity; how she urged, cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife; and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, *Indira Gandhi: A Life in Nature* is both a lively, engaging narrative about the little-known parts of Indira Gandhi's life, and

also sheds important light on climate change and sustaining the environment—today's most pressing global issues.

Fire in the Mind - Pupul Jayakar 1995

Published on the birth centenary of J.

Krishnamurti, *Fire in the Mind* is a book of important discussions conducted with Krishnamurti. Held from the end of the 1960s to 28 December 1985, seven weeks before his death on 17 February 1986, these dialogues cover a vast ocean of human concerns—fear, sorrow, death, time, culture, ageing and the renewal of the brain. They also explore subjects that are central to scientific research today, such as the questions of biological survival, the nature of consciousness, artificial intelligence, computers and the mechanical mind. J.

Krishnamurti needs no introduction. A sage, a seer, a religious revolutionary and a teacher of profound compassion, Krishnamurti negated all spiritual authority. He sought freedom from the Guru, the book, tradition and the authoritarian

voice of another. 'Truth is within you', he said, and to discover that truth in the luminous light of perception was to transform the very nature of thought and consciousness. It was to awaken intelligence, insight and an abundant compassion. The total responsibility lay with the individual. No one could free another from bondage. These dialogues reveal Krishnamurti's approach to self-knowing and his way of investigation into the brain, the mind and the consciousness. In a world brought to the edge of the abyss by growing violence, soaring religious fundamentalism, the desecration of nature and a massive assault on human integrity, they provide a new direction to those of us seeking an alternative way of life.

Lives in the Shadow with J. Krishnamurti -
Radha Rajagopal Sloss 2011-08-31

For nearly half a century the charismatic, strikingly handsome spiritual teacher J. Krishnamurti gathered an enormous following throughout Europe, India, Australia and North

America. From the age of eighteen he was the forerunner of the type of iconoclasm that would bring immediate fame to cult figures in the late twentieth century. Yet recent biographies have left large areas of his life in mystifying darkness. This, however, is no ordinary study of Krishnamurti, for it is written by one whose earliest memories are dominated by his presence as a doting second father—tolerant of pranks and pets, playful and diligent. For over two decades in their Ojai California haven, where Aldous Huxley and other pacifists found respite during the war years, 'Krinsh' developed his philosophical message. He also placed himself at the centre of her parents' Rosalind and Rajagopal's marriage. In a spirit of tenderness, fairness, objective inquiry, and no little remorse, the author traces the rise of Krishnamurti from obscurity in India by selection of the Theosophical Society to be the vehicle of a new incarnation of their world teacher. Breaking from Theosophy, Krishnamurti inspired his own

following, retaining the dedication of his longtime friend Rajagopal, himself highly educated, to oversee all practicalities and the editing and publication of his writings. How this bond of trust was breached and became clouded in confusion with a new wave of devoteeism lies at the heart of this extraordinary story. So does a portrait of intense romantic intimacy and the conundrum of Krishnamurti's own complex character.

24 Akbar Road [Revised and Updated] -

Rasheed Kidwai 2013-08-30

Now updated with a new chapter on Rahul Gandhi The Congress party has always stayed one step ahead of the opposition by constantly reinventing and re-aligning itself to stay in sync with the political realities of the day. Its president, Sonia Gandhi, pulled off a master-coup in 2004 by declining the prime-ministership, while the incumbent Congress Prime Minister Dr Manmohan Singh is the first prime minister since Nehru to lead the party into

two Union government terms. In 2013, Rahul Gandhi was elevated to the post of Congress vice-president amid much fanfare and optimism. Tasked with reviving the grand old party, the young politician remains, in the minds of many, the best hope to lead the Congress into the next century, marking a new moment in the Congress's concept of `continuity with change??. In his bestselling book 24 Akbar Road, seasoned journalist and veteran Congress watcher Rasheed Kidwai puts together an incisive and engaging account of the Congress's shape-shifting nature and its tenuous hold at the Centre, providing a dispassionate observer's glance at affairs within the Congress. Kidwai brilliantly tracks the story of the contemporary Congress in the years after the Emergency, using the Congress seat of power at 24 Akbar Road as his vantage to draw a compelling account of the Congress leadership from Indira, Sanjay and Rajiv Gandhi to Narasimha Rao and Sitaram Kesri, to the present- day trinity of

Sonia Gandhi, Manmohan Singh and Rahul Gandhi. In this revised and updated edition, Kidwai analyses Rahul Gandhi's appointment to assess what the Congress needs to do to remain India's nerve of power in the coming years, and whether the new vice-president can rally the party to a third consecutive victory at the Centre.'

Indira Gandhi - Inder Malhotra 2014-02-01

A definitive, incisive and no-holds-barred account of the life and times of one of India's most charismatic and prominent leaders who has left a distinctive stamp on history. For almost two decades, Indira Gandhi stood out the world's most powerful woman. In India, there is hardly a neutral opinion about her. She is either adored or abused. Inder Malhotra's biography explores objectively this highly complex and very private person - right from her childhood to her last days - who lived under constant public gaze and learnt to adjust her demanour to the occasion, rigorously concealing her true self and real

feelings. This comprehensive work recounts her unusual and unhappy 'love marriage' to Feroze Gandhi and examines the ambivalent influence of her father, Jawaharlal Nehru, on her career. It also focuses on her relationship with her sons: Sanjay, her chosen heir, and his elder brother Rajiv, who, ironically, succeeded her as the prime minister of India. The author traces Indira Gandhi's own evolution from a 'dumb doll' to the 'empress of India' and her downfall, the seeds of which were sown when she imposed the Emergency on 25 June 1975. This phase marked a dark period in the post-independence era. Her party (the Congress) lost the March 1997 general election and she was out of power for nearly three years. The author also describes the later revival in her fortunes, when she returned as prime minister in January 1980. During her second term, she had to order the Indian Army to enter the Golden Temple in Amritsar (the holiest shrine of the Sikhs) to flush out the militants hiding there. This move led to her

being assassinated by her own Sikh bodyguards on 31 October 1984. In the revised and updated edition, Inder Malhotra throws light on the impact that Indira Gandhi had (and continues to have) on Indian politics after her death when her mantle fell on members of her family, including Rajiv Gandhi first and Sonia Gandhi later. This is not only a compulsive and gripping narrative about a remarkable personality but also a fascinating study of India after independence.E41

Daughter of Destiny - Benazir Bhutto
2009-10-13

"A fascinating portrait. . . . Benazir Bhutto is endowed with courage. . . . She deserves praise for steering her unstable nation back on a democratic path." — New York Times Book Review *Daughter of Destiny*, the autobiography of Benazir Bhutto, is a historical document of uncommon passion and courage, the dramatic story of a brilliant, beautiful woman whose life was, up to her tragic assassination in 2007,

inexorably tied to her nation's tumultuous history. Bhutto writes of growing up in a family of legendary wealth and near-mythic status, a family whose rich heritage survives in tales still passed from generation to generation. She describes her journey from this protected world onto the volatile stage of international politics through her education at Radcliffe and Oxford, the sudden coup that plunged her family into a prolonged nightmare of threats and torture, her father's assassination by General Zia ul-Haq in 1979, and her grueling experience as a political prisoner in solitary confinement. With candor and courage, Benazir Bhutto recounts her triumphant political rise from her return to Pakistan from exile in 1986 through the extraordinary events of 1988: the mysterious death of Zia; her party's long struggle to ensure free elections; and finally, the stunning mandate that propelled her overnight into the ranks of the world's most powerful, influential leaders.

The Emergency - Coomi Kapoor 2016-06-15

A searing indictment of the suspension of democracy In June 1975, a state of Emergency was declared, where civil liberties were suspended and the press muzzled. In the dark days that followed, Coomi Kapoor, then a young journalist, personally experienced the full fury of the establishment. Meanwhile, Indira Gandhi, her son Sanjay and his coterie unleashed a reign of terror that saw forced sterilizations, brutal evictions in the thousands, and wanton imprisonment of many, including Opposition leaders. This gripping eyewitness account vividly recreates the drama, the horror, as well as the heroism of a few during those nineteen months when democracy was derailed.

J. Krishnamurti - Pupul Jayakar 2000-10-14

A classic biography of one of the greatest spiritual teachers of our times In 1909, when he was just fourteen, Krishnamurti was proclaimed the world teacher in whom Maitreya, the Bodhisattva of compassion, would manifest. The proclamation was made by Annie Besant, then

president of the Theosophical Society, a movement that combined Western occult philosophy with Buddhist and Hindu teachings. Besant trained Krishnamurti in his role as the chosen one but twenty years later he chose to disband the order he was head of and set out alone on his endless journey— As a contemporary of Krishnamurti and one of his closest associates. Pupul Jayakar offers an insider's view of the fascinating life and thought of an extraordinary individual.

[Intertwined Lives](#) - Jairam Ramesh 2018-06-19

This is the first definitive biography of arguably India's most influential and powerful civil servant: P.N. Haksar, Indira Gandhi's alter ego during her period of glory. Educated in the sciences and trained in law, Haksar was a diplomat by profession and a communist-turned-democratic socialist by conviction. He had known Indira Gandhi from their student days in London in the late-1930s, even though family links predated this friendship. They kept in

touch, and in May 1967, she plucked him out of his diplomatic career and appointed him secretary in the prime minister's Secretariat. This is when he emerged as her ideological beacon and moral compass, playing a pivotal role in her much-heralded achievements including the nationalization of banks, abolition of privy purses and princely privileges, the Indo-Soviet Treaty, the creation of Bangladesh, rapprochement with Sheikh Abdullah, the Simla and New Delhi Agreements with Pakistan, the emergence of the country as an agricultural, space and nuclear power and, later, the integration of Sikkim with India. This power and influence notwithstanding, Haksar chose to walk away from Indira Gandhi in January 1973. She, however, persuaded him to soon return, first as her special envoy and later as deputy chairman of the Planning Commission where he left his distinctive imprint. Exiting government once and for all in May 1977, he then continued to be associated with a number of academic

institutions and became the patron for various national causes like protecting India's secular traditions, propagating of a scientific temper, strengthening the public sector and deepening technological self-reliance. Successive prime ministers sought his counsel and in May 1987, he initiated the reconstruction of India's relations with China. He remained an unrepentant Marxist and one of India's most respected elder statesman and leading public figures till his death in November 1998. Drawing on Haksar's extensive archives of official papers, memos, notes and letters, Jairam Ramesh presents a compelling chronicle of the life and times of a truly remarkable personality who decisively shaped the nation's political and economic history in the 1960s and 1970s that continues to have relevance for today's India as well. Written in Ramesh's inimitable style, this work of formidable scholarship brings to life a man who is fast becoming a victim of collective amnesia.

Indira Gandhi, Speeches and Writings -

Indira Gandhi 1975

Eternal India - Indira Gandhi 1980

Indira Gandhi - Pupul Jayakar 1992-11-27

Indira Gandhi's life was part of the unfolding history of India, intricately woven with India's past and future. It (became) inevitable, therefore, that politics (formed) a backdrop to her public and often private actions. Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of

Indira Gandhi—her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, Indira Gandhi: A Biography paints a magnificent portrait—at once empathetic and unprejudiced—of one of the twentieth century's most remarkable women.

Mother India - Pranay Gupte 2012-02-15

The first major biography of Indira Gandhi covers the breadth and scope of 20th-century India and the woman who left her indelible mark on that troubled country. Both widely supported and bitterly opposed, she was eventually removed from office, only to make a stunning comeback.

The Man Who Saved India - Hindol Sengupta 2018-08-31

There is perhaps no political figure in modern history who did more to secure and protect the Indian nation than Sardar Vallabhbhai Patel. But, ironically, seventy years after Patel brought

together piece by piece the map of India by fusing the princely states with British India to create a new democratic, independent nation, little is understood or appreciated about Patel's enormous contribution to the making of India. Caricatured in political debate, all the nuances of Patel's difficult life and the daring choices he made are often lost, or worse, used as mere polemic. If Mahatma Gandhi was the spiritual core of India's freedom struggle and Jawaharlal Nehru its romantic idealism, it was Sardar Patel who brought in the vital pragmatism which held together the national movement and the first ideas of independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that it was better to create history than write it. This is why even his deepest misgivings and quarrels have been easily buried. But every warning that Patel left for India - from the dangers of allowing groups to create private militias to his thoughtful criticism on India's approach to

Kashmir, Pakistan and China - are all dangerously relevant today. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future. *The Man Who Saved India* is a sweeping, magisterial retelling of Sardar Patel's story. With fiercely detailed and pugnacious anecdotes, multiple award-winning, best-selling writer Hindol Sengupta brings alive Patel's determined life of struggle and his furious commitment to keep India safe. This book brings alive all the arguments, quarrels and clashes between some of the most determined people in Indian history and their battle to carve out an independent nation. Through ravages of a failing body broken by decades of abuse in and outside prison, Patel stands out in this book as the man who, even on his death bed, worked to save India. Hindol

Sengupta's *The Man Who Saved India* is destined to define Patel's legacy for future generations.

[My Truth](#) - Gandhi 2007-02-01

Based on interviews and other source material *My Truth* is a rare and vitally important book; the story of much of Indira Gandhi's life in her own words. First published in India and France in 1980 when Mrs Gandhi was out of power, it now assumes an extra importance in view of her tragic and untimely death. Told simply and warmly, the book unfolds the life of a gifted person born into a remarkable family. There are evocative passages of her recollections of her grandfather and the days spent in Allahabad, of the heroes of her childhood, the books she admired, of Jawaharlal exhorting her to take to physical activities, of holidays in the hills, a dream, like childhood abruptly altered as her father plunged into the freedom movement.

A Life in Diplomacy - Maharajakrishna Rasgotra 2016-04-28

An insider's account of the personalities and policies that shaped Indian diplomacy Former foreign secretary, Maharajakrishna Rasgotra joined India's external affairs ministry when Jawaharlal Nehru, Girija Shankar Bajpai, Sardar Patel were—with a mix of pragmatism and hope—creating the foreign policy of the newly independent nation. This was taking place as the Cold War slid into the subcontinent and complex relationships with India's neighbours—China, Pakistan and Nepal—were taking shape. Looking back on those crucial years with a discerning eye for the interplay of personalities—Nehru, Krishna Menon, or S. Radhakrishnan, for instance—Rasgotra assesses their influence on events and their impact on the evolution of Indian diplomacy. For over three decades Rasgotra's assignments took him to Nepal, Britain and France, among other countries, as well as twice to the United States. His account of Nixon and Kissinger, and the mix of truculence and persuasion in their dealings with Mrs

Gandhi in the run up to the 1971 Bangladesh war, sheds new light on the events of that time. His tenure as foreign secretary covered a period of great change and *A Life in Diplomacy* provides a ringside view of the beginnings of ethnic violence in Sri Lanka, the last years of the Cold War, the negotiations on the formation of SAARC, Mrs Gandhi's assassination and the Bhopal gas disaster. This is a compelling, authoritative account of a personal and professional journey; a reflective look at the leaders, events and forces that formed relations between India and the world over fifty years.

Feroze The Forgotten Gandhi - Bertil Falk
2016-11-29

Feroze Gandhi is often remembered as Indira Gandhi's husband and Jawaharlal Nehru's son-in-law. But who was Feroze Gandhi? A Congress worker, a young freedom fighter, a parliamentarian, or just another Gandhi? Diving into the history of the Nehru-Gandhi family, the Swedish journalist Bertil Falk brings together

his 40-year-old research in this biography of Feroze Gandhi. Including first-hand interviews of people close to Feroze and personal experiences of the author with some rare photographs, this volume brings to light his significant, yet unrecognized, role as a parliamentarian, in cases such as the Mundhra case, Life Insurance and Freedom of Press Bill. It also busts some myths about Feroze's controversial birth, his personal life, his importance as a politician, and his relationship with the Nehrus. With interesting details about Feroze as a young boy in Allahabad, to his years as a freedom fighter, journalist, Congressman and a politician, this volume examines the chronology of events that shaped the life of Feroze.

Indira - Devapriya Roy 2018

Helen - Jerry Pinto 2006-03-01

It is now over two decades since the Hindi-film heroine drove the vamp into extinction, and even longer since the silver screen was ignited by the

true Bollywood version of a cabaret. Yet, Helen – nicknamed ‘H-Bomb’ at the height of her career – continues to rule the popular imagination. Improbably, for a dancer and a vamp she has become an icon. Jerry Pinto’s gloriously readable book is a study of the phenomenon that was Helen: Why did a refugee of French-Burmese parentage succeed as wildly as she did in mainstream Indian cinema? How could otherwise conservative families sit through, and even enjoy, her ‘cabarets’? What made Helen ‘the desire that you need not be embarrassed about feeling’? How did she manage the unimaginable: vamp three generations of men on screen? Equally, the book is a brilliantly witty and provocative examination of middle-class Indian morality; the politics of religion, gender and sexuality in popular culture; and the importance of the song, the item number and the wayward woman in Hindi cinema.

Jawaharlal Nehru - Frank Moraes 2007-01-01
Jawaharlal Nehru has won the admiration of the

people of India and the world as a national leader, as a writer, as a humanist etc. Anyone who wishes to understand the controversial aspects of his personality would do well to peruse this biography. This work also traces the history of the freedom movement in India. The occasional glimpses of the family life of Nehru are enlivening. He was the most remarkable statesman, a man who enthralled everyone with his magical personality; a leader who was literally hero-worshipped and an orator of the order, who, once he climbed the rostrum and took the microphone in his hand, became one with the audience and held them spellbound. The colourful and complex personality of Nehru is viewed through Indian eyes a fact which makes the book all the more interesting.

Picasso - Anne Baldassari 2006

The Red Sari - Javier Moro 2015

In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv

Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his three daughters. Much to his chagrin, his painfully-shy middle daughter, of whom he was especially protective, fell in love with a man belonging to the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonia's courage, honesty and dedication have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and from her days as a docile daughter-in-law to her current status of being the only Indian politician to have refused prime ministership.

Nehru and Bose - Rudrangshu Mukherjee
2015-09-15

'Nobody has done more harm to me . . . than

Jawaharlal Nehru,' wrote Subhas Chandra Bose in 1939. Had relations between the two great nationalist leaders soured to the extent that Bose had begun to view Nehru as his enemy? But then, why did he name one of the regiments of the Indian National Army after Jawaharlal? And what prompted Nehru to weep when he heard of Bose's untimely death in 1945, and to recount soon after, 'I used to treat him as my younger brother'? Rudrangshu Mukherjee's fascinating book traces the contours of a friendship that did not quite blossom as political ideologies diverged, and delineates the shadow that fell between them—for, Gandhi saw Nehru as his chosen heir and Bose as a prodigal son. *March of the Aryans* - Bhagwan S Gidwani
2012-07-17

In a remarkable feat of imagination and research, bhagwan S. Gidwani takes us back to the dawn of civilization (8000 BCE) to vividly recreate the world of the Aryans. He tells us why the Aryans left India - their native land - for

foreign shores and shows us their triumphant return to their homeland. Here are characters like the gentle god Sindhu Putra, spreading his message of love; the hermit Bharat, who inspired the dream of unity, equality, human rights and dignity for all; the physician - sage Dhanawantar and his wife Dhanawantari; peace-loving Kashi after whom the holy city of Varanasi is named; and Nila who gave his name to the river Nile. Vast and absorbing, with a cast of thousands, *March of the Aryans* is a gripping tale of kings and poets, seers and gods, battles and romance, and the rise and fall of civilisations, from the bestselling author of *The Sword of Tipu Sultan*.

The Earth Mother - Pupil Jayakar 1989

On ritual arts of rural India.

Our President: Ram Nath Kovind - Ashok Kumar Sharma 2017-08-21

-

R.N. Kao - Nitin A Gokhale 2019-11-18

Somewhere deep in the archives of the Nehru Memorial Museum and Library (NMML) in the

heart of New Delhi lies a set of papers that researchers and historians interested in recording the history of Indian intelligence, would love to get their hands on. Alas, those documents-transcripts of tape-recorded conversations with RN Kao, the legendary spy chief-are not going to be available until 2025, according to instructions left by him, months before he passed away in 2002. So until those tapes and papers are made public, any biography of Rameshwar Nath Kao or 'Ramji' to friends, colleagues and family would have to depend on personal memories of a vast array of individuals who knew him in different capacities and their interpretation of his personality and contribution.

Indiraji Through My Eyes - Usha Bhagat 2005
Author's memoirs on Indira Gandhi, 1917-1984, former prime minister of India.

Indira Gandhi - Nayantara Sahgal 2017-11-23
How did Indira Gandhi reach the pinnacle of Indian politics? Did India move away from

freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and of Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975-77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjay's death, and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged between Nehru and her mother, Vijaylakshmi Pandit, makes for an unusually penetrating psychological and political

portrait from an intimate family viewpoint.

A Week With Gandhi - Louis Fischer

2015-11-06

"Louis Fischer, famous international reporter, was permitted a week in the guest house near Gandhi's headquarters, and daily interviews with the great Indian leader. He kept virtually a stenographic report of his conversations, livened with personal comments, swift pen pictures of Gandhi and his followers, as he encountered them that week last June. One follows the workings of Gandhi's mind, which -- as Fischer says -- is the reason for misapprehension only too often, for Gandhi thinks and speaks simultaneously, and sometimes subsequent statements seem to contradict previous ones, while actually he has simply shared his process of reasoning to a point with his hearers. The most striking evidence of this during Fischer's stay was his expansion of his basic position to indicate that he had, reluctantly, reached a point of accepting the inevitability of India continuing

to be a military base for United Nations. He supplemented other much quoted statements, too; for instance, that dealing with him negotiations with Japan, once India was free -- which he said he would like to think possible but realised would not be possible. He and Nehru agree in feeling that religious differences will be merged, once freedom is granted, that Pakistan is only a bargaining card with England, and so on. Exciting reading, as yet another facet of this tragic, complex problem. Fits into pattern with Mitchell and Raman."-Kirkus Reviews

Nehru's Hero Dilip Kumar in the Life of India - Meghnad Desai 2004

World-famous economist, Lord Meghnad Desai writes on his film idol, Dilip Kumar, with insights into the socio-economic changes in India that mirror the actor's career.

Indira Gandhi on Herself and Her Times - Indira Gandhi 1987

Includes introduction by the interviewer.

The Dynasty - S. S. Gill 1996

The first 40 years of post-independence India were dominated by the Nehru-Gandhi family. This biography covers this era in all its bewildering diversity and shows the decisive contribution made by the dynasty towards the shaping of modern India.

The Earthen Drum - Pupul Jayakar 1980

Emergency Chronicles - Gyan Prakash

2019-03-26

The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. Emergency Chronicles provides the first

comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste

politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

Indira Gandhi - Pupul Jayakar 2017-09-30
Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira Gandhi-her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, *Indira Gandhi: A Biography* paints a magnificent portrait-at once empathetic

and unprejudiced-of one of the twentieth century's most remarkable women.
