Nova Terra - Seth Ring
2020-10-09

Despite all the advantages that came with being a Titan, for Thorn, it has come with equally Titan sized problems. Thorn has freed himself from an ancient curse and cleared up the political turmoil in the capital, but the looming threat to Northern Angoril posed by the Orc invasion of Rasyn carries him back to the Elven

island. But not before he deals with a cultist infestation in his own home. Beset by enemies on all sides, Thorn must choose between keeping himself safe or throwing himself into the jaws of danger to honor the commitments he has made to his friends and allies. When he faces foes he cannot overpower with brute strength it will take all of his wisdom and fortitude to keep him and his allies

Fire in You - Jennifer L.

Armentrout 2017-04-26

From the # 1 New York Times bestselling author of *Wait for You* and *Be With Me*, comes a richly moving story about heartbreak and guilt, second chances and, most of all, hope... Six years ago, Jillian Lima's whole world was destroyed. The same night her childhood love Brock Mitchell broke her heart, her life was irrevocably altered by a stranger with a gun. After years spent slowly rebuilding the shattered pieces of her life, Jillian is finally ready to stop existing in a past full of pain and regret and is determined to start living. The one thing

she never expected was the impossibly handsome Brock walking back into her life... Brock can't believe that the breathtaking woman standing before him now is the little girl who used to be his shadow growing up. Unable to stay away from each other, their tentative friendship soon sparks into something more and the red-hot chemistry sizzling between them can no longer be denied. But falling for Brock again risks more than just Jillian's heart. When the past resurfaces, and a web of lies threatens to rip them apart, the fallout could lay waste to everything they've ever cared about...

Atlas Shrugged - Ayn Rand

2005-04-21

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When

he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the

poetry and power of one of the twentieth century's leading artists.

Half-Blood (a Covenant Novel) -

Jennifer L. Armentrout

2014-08-14

HALF-BLOOD is the unputdownable first book in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. This special paperback edition also includes the prequel novella DAIMON. The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi - pure-bloods - have godlike powers. Children of Hematoi and mortals - well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden.

Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem - staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

and, if that isn't freaky enough, Alex is guarding a dark secret, too. If anyone finds out what she did, she's a goner - and so is Aiden. Alex still has feelings for Aiden, even though he's a pure-blood...and therefore forbidden. Meanwhile, she's been 'training' with her fellow Apollyon Seth - though really that's just Seth's code word for some up-close-and-personal time. After every session Alex ends up with another mark of the Apollyon, which brings her one step closer to her Awakening ahead of schedule. Awesome. But as Alex's birthday draws near, her entire world is shattered by a startling revelation. Once the gods have revealed themselves and unleashed their wrath, lives will be irrevocably changed - and destroyed. Those left standing will find out if love is truly greater than fate.

Titans - Kate O'Hearn

2020-07-28

A group of kids must stop invaders before they take over Titus—and the rest of the universe—in this first book in a brand-new series from

bestselling Pegasus author Kate O'Hearn, who masterfully blends mystery and mythology together. Fifteen years ago, Olympus was destroyed and the Olympians were resettled on Titus. Since then Earth has been declared a quarantined world. Neither Titans nor Olympians are allowed to visit and under no circumstances are humans allowed on Titus. The Titans and Olympians are keeping the peace. But the deep-seated mistrust still lingers, so when a human ends up on Titus, he could be the spark that reignites the war... Astraea is a Titan, granddaughter of Hyperion, and now a reluctant student at the brand-new school, Arcadia. She just knows that it's going to be awful, and that there is no way that Titans and Olympians will ever get along! At least she's got her best friend, a winged-horse named Zephyr, to keep her company. Then the night before the first day of school, Astraea hears her parents discussing something terrifying: a human has been spotted on Titus. But

that's not possible. All routes to Earth via the Solar Stream have been closed—no one can travel between the two worlds...or can they? When Astraea and Zephyr get detention on their first day—for fighting with a centaur—they're sent to the orchards to harvest nectar. There they discover a human boy named Jake. How he got to Titus is a mystery even to him. But Astraea and Zephyr know they have to get Jake home before anyone else discovers him. But what the trio uncovers is something much bigger than one misplaced human boy. It's a scheme to take down the rulers of this world, conquer it, and then do the same across the galaxy. Can a group of kids stop the invaders? Or is Titus, like Olympus before it, doomed?

The Missing - Kate O'Hearn

2021-07-06

Follow Astraea, Zephyr, and their friends as they travel to a dangerous jungle world in this second book in a brand-new series from bestselling Pegasus author Kate O'Hearn, who

masterfully blends mystery and mythology together. With the weakened Titan prisoners hidden on Earth, Astraea, Zephyr, and their team head to Nesso's jungle world to seek help in the struggle against the Mimics. But nothing goes to plan. The moment they arrive, they encounter a world filled with dangers they never imagined possible—from massive, hungry dinosaurs to a blisteringly hot sun. Soon Zephyr and Astraea are seriously wounded. Without ambrosia or nectar to heal them, the group realizes they are in serious trouble. But where can they go for help? With Zephyr's life slipping away, Jake and Tryn use their new flying skateboards to try to make it to Xanadu where they hope to find ambrosia for Zephyr and enlist help to join the fight against the Mimics. Meanwhile, Astraea and the three centaurs must use all their cunning to keep Zephyr safe and alive. But danger comes in many forms, and it seems as though no one may be left to help them—until Jake

Bitter Sweet Love - Jennifer L. Armentrout 2013-12-01

In a sizzling prequel novella to her new series *The Dark Elements*, #1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons. Dez wasn't just Jasmine's crush. A gargoyle Warden like Jas, he helped her come to terms with her destiny—fending off demons and maintaining the balance between good and evil. He was her everything...right until the moment he disappeared without a trace. It didn't help that Jas's father had just announced that she and Dez would one day be mated. Hard not to take that personally. And now he's back, three years older, ten times hotter, ready to pick up exactly where they left off. But Jas isn't taking that risk again. Dez has seven days to meet all her conditions and earn back her trust. Seven days filled with terrifying danger

and sweet temptation. Seven days to win her heart—or shatter it all over again... "With her signature flare for combining humor, romance and action, Armentrout weaves a fast-paced read that will have readers' hearts racing in more ways than one. Like Armentrout's previous heroines, Jasmine is fun and full of attitude, while Dez is as snarky as he is sexy. This is a must read for new and old fans alike!" -RT Book Reviews Don't miss *White Hot Kiss*, book one in Jennifer L. Armentrout's *The Dark Elements* series from Harlequin TEEN!

The Return - Jennifer L.

Armentrout 2017-02-16

Originally published February 2015 The Fates are cackling their bony asses off... It's been a year since Seth made the deal with the gods that pledged his life to them. And so far, the jobs they've given him have been violent and bloody--which is kind of all right with him. But now Apollo has something else in mind for Seth. He's got

to play protector while keeping his hands and fingers off, and for someone who really has a problem with restraint, this new assignment might be the most challenging yet. Josie has no idea what this crazy hot guy's deal might be, but it's a good bet that his arrival means the new life she started after leaving home is about to be thrown into an Olympian-sized blender turned up to puree. Either Josie is going insane or a nightmare straight out of ancient myth is gunning for her. But it might be the unlikely attraction simmering between her and the golden-eyed, secret-keeping Seth that may prove to be the most dangerous thing of all. Because history has once again been flipped to repeat.

Julius Nyerere, Africa's

in the vanguard of the struggle against colonialism and apartheid. He also became one of the most eloquent voices of the Global South in its demands for fairness and justice in the global economy. This collection of essays captures Nyerere's invention of a new indigenous ideology (ujamaa), his promotion of an indigenous language policy (Kiswahili), his remarkable influence in Pan-African politics, and Nyerere's special place in the history of the 20th century. Because the essays were written across time, they capture the unfolding narrative of continuity and change. This volume also demonstrates how a political leader could be humble enough to avoid ostentation, scholarly enough to translate Shakespeare into an African language, and great enough to help change the African continent forever. This book is part of the African World Series, edited by Toyin Falola, Frances Higginbotham Nalle Centennial Professor in History, University of Texas at Austin.

The Book of Hidden Things - Francesco Dimitri 2018-07-03
From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local

mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Things are about to get *Wicked* in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting

the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny.

Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

The Lightning Thief - Rick Riordan 2010-02-02

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, The Lightning Thief.

The Struggle - Jennifer L. Armentrout 2017-03-20

From the New York Times bestselling author of the Covenant and Lux series comes the third novel in the pulse-pounding, electric Titan series. A bloody path has been chosen... The war against the Titans continues, but now the most dangerous, most absolute power lies elsewhere... with Seth. The Great War fought by the few is coming... All may doubt and fear what Seth has become. All except Josie, the woman who might be his final chance at redemption. In the end, the sun will fall... The only way Seth and Josie can save the future and save themselves is by facing the unknown together. It will take more than trust and faith. It will take love and the kind of strength not easily broken. No matter what, their lives will never be the same. For what the gods have feared has come to pass. The end of the old is here and the beginning of the new has been ushered in...
