[She Reads Truth](#) - Raechel Myers 2016-10-04  
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she

finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

*My Bible Study Journal: a Creative Christian Workbook - Lettering Designs 2017-05-08*

This bible study journal is a keepsake journal to record your Bible study notes and teachings. It is not a devotional, however an open guide to record your personal quiet time in the Word. It holds 3 months of daily journaling pages that are intentionally laid out into three sections to cultivate your relationship with God as you study the Word. Each journaling page includes a section for "Scripture", "Notes & Reflection", and then

"Prayer & Praise". In the section titled "Scripture", it is recommended that you write down the Scripture passage that you are studying. By writing down the verse, it will help commit the verse to memory and establish a stronger connection and understanding. The "Notes & Reflection" section is a space where you can write down important aspects of the story that stand out to you and your own thoughts and reflection on the passage. And finally, the "Prayer & Praise" section is a space where you can pray over what the Lord has taught you and give thanks. You can also use this space to write down your daily prayer requests. We truly hope this simple and beautifully designed journal enriches your quiet time in the Word!

Interleaved Journaling Bible: the Complete Book of Proverbs

- Nicki Drake 2021-05-09

A Crazy Simple Truth

EXCLUSIVE- Interleaved

Journaling Bible Collection:

(Book I): The Complete Book of

Proverbs. This is a notetakers

dream Bible, seriously! There

was nothing on the market that

met all of my Bible study (& creativity) needs so I designed my own! I very thoughtfully and prayerfully designed each detail to create the perfect Bible for the artist, journaler, or the serious student of the Word. Based on my experience of teaching women worldwide how to study the Bible in an in-depth but crazy simple way, I thought of every detail: 8 x 10 workbook size, 12 point easy-to-read font, double spaced text, single column with large amount of space on each side, double page layout: full page of scriptures with a full size note page (faint grey grid lines), thicker pages (works for most mediums), glossy-durable cover, one complete book of the Bible so you can study in context, BSB version (perfect for a student of the Word but also easy to read), decorative chapter intro page , chapter memory verse with modern floral sketch drawing (for coloring), section titles to easily identify the main topic within the chapter, huge amount of blank canvas space for art (if that's your thing!),

plenty of note space so you can do the 4 C's of in-depth Bible study: Compare Translations, Check Definitions, Cross Reference Verses, and Consult Commentary, PLUS an exclusive end of chapter reflection and response double page lay out (based on Joshua 1:8) to help you very easily LIVE OUT what you have learned! I am so excited that you are considering purchasing this book and are ready to work your way through the Book of Proverbs, whether it be creatively, or for Bible study. In this book I have used The Berean Study Bible. The reason why I chose this version is because my very favorite free tool for Bible study is the Bible Hub website and app. When you use the "Bible Hub Parallel" option on the pull down menu, you can go verse by verse, which is the absolute best way to study the Bible. You can compare other versions, define words in the original language, find cross-reference verses, and even find commentary. The best part is that if you have clicked on,

"Bible Hub Parallel" then these simple tools are all on one page or with one easy click. They make it crazy simple to study the Bible, in-depth. And that sweet sister, is what my ministry is all about. Bible Hub created The Berean Study Bible (BSB) translation. I have found the BSB to be very accurately translated. It is very similar to the ESV. BSB is not a paraphrase. They have taken care to accurately adhere to the roots of the original languages. The translation method used for the BSB has ensured that as literal a text as possible would be maintained, while offering a syntax and flow that are well suited as a modern literary tool. I know that you will find this version of the Bible a blessing as you spend time in God's presence and you are conformed to be more and more like Jesus. Make special note of each section title as this is the main idea. Focusing on the title will help you stay focused on the details that support the main idea. And always, always, always begin your time and end

your time in the Word with prayer. My ministry, Crazy Simple Truth, is all about giving you Crazy Simple Tips and Inspiration to get into God's Truth, His Word, so God's Truth can get into you. God's Word has the power to change your life. This Book of Proverbs: Interleaved Journaling Bible, is Book One of a developing collection of exclusive Bibles for the woman who needs more space for notes, or the woman who loves to be creative during her time in God's Word. In this Bible, there is plenty of extra space for both. For resources that go along with this special book, go to my website at [www.crazysimpletruth.com/proverbs](http://www.crazysimpletruth.com/proverbs) . You can also go to [www.crazysimpletruth.com](http://www.crazysimpletruth.com) and join me (and women from all over the world) as we study the Word in a crazy simple way, together.
