The Tyrant Baru Cormorant - Seth Dickinson 2020-08-11

Seth Dickinson's epic fantasy series which began with the "literally breathtaking" (NPR) *The Traitor Baru Cormorant*, returns with the third book, *The Tyrant Baru Cormorant*. The hunt is over. After fifteen years of lies and sacrifice, Baru Cormorant has the power to destroy the Imperial Republic of Falcrest that she pretends to serve. The secret society called the Cancrith is real, and Baru is among them. But the Cancrith's weapon cannot distinguish the guilty from the innocent. If it escapes quarantine, the ancient hemorrhagic plague called the Kettling will kill hundreds of millions...not just in Falcrest, but all across the world. History will end in a black bloodstain. Is that justice? Is this really what Tain Hu hoped for when she sacrificed herself? Baru's enemies close in from all sides. Baru's own mind teeters on the edge of madness or shattering revelation. Now she must choose between genocidal revenge and a far more difficult path—a conspiracy of judges, kings, spies and immortals, puppeteering the world's riches and two great wars in a gambit for the ultimate prize. If Baru had absolute power over the Imperial Republic, she could force Falcrest to abandon its colonies and make right its crimes. The Devil Delivered and Other Tales - Steven Erikson 2012-06-19

Steven Erikson has carved a name for himself among the pantheon of great fantasy writers. But his masterful storytelling and prose style go beyond the awe-inspiring Malazan world. In *The Devil Delivered and Other Tales*, Erikson tells three different, but captivating stories: "The Devil Delivered" tells a story set within the near future, where the land owned by the great Lakota Nation blisters beneath an ozone hole the size of the Great Plains. As the natural world falls victim to its wrath, and scientists scramble to understand it, a lone anthropologist wanders the deadlands, recording observations that threaten to bring the entire world to its knees. "Revolvo" takes place in an alternate Earth where evolution took an interesting turn and the arts scene is ruled by technocrats who thrive in a secret, nepotistic society of granting agencies, bursaries, and peer-review boards, all designed to permit self-proclaimed artists to survive without an audience. "Fishin' with Grandma Matchie" is told in the voice a nine-year-old boy, writing the story of his summer vacation. What starts as a typical recount of a trip to see Grandma quickly becomes a stunning fantastical journey into imagination and perception in the wild world that Grandma Matchie inhabits. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The New York Times Book Reviews 2000 - New York Times Staff 2001

This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources; character analysis; comic elements and verbal conceits; evidence of authorship; performance analysis; and feminist interpretations. Alongside theater reviews, production photographs, and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name,

literary work, and concept rounds out this valuable resource.

French Art Deco - Jared Goss 2014-09-30

Art Deco—the term conjures up jewels by Van Cleef & Arpels, glassware by Lalique, furniture by Ruhlmann—is best exemplified in the work shown at the exhibition that gave the style its name: the Exposition Internationale des Arts Décoratifs et Industriels Modernes, held in Paris in 1925. The exquisite craftsmanship and artistry of the objects displayed spoke to a sophisticated modernity yet were rooted in past traditions. Although it quickly spread to other countries, Art Deco found its most coherent expression in France, where a rich cultural heritage was embraced as the impetus for creating something new. The style drew on inspirations as diverse as fashion, avant-garde trends in the fine arts—such as Cubism and Fauvism—and a taste for the exotic, all of which converged in exceptionally luxurious and innovative objects. While the practice of Art Deco ended with the Second World War, interest in it has not only endured to the present day but has grown steadily. Based on the Metropolitan Museum's renowned collection French Art Deco presents more than eighty masterpieces by forty-two designers. Examples include Süe et Mare's furniture from the 1925 Exposition; Dufy's Cubist-inspired textiles; Dunand's lacquered bedroom suite; Dupas's monumental glass wall panels from the SS Normandie; and Fouquet's spectacular dress ornament in the shape of a Chinese mask. Jared Goss's engaging text includes a discussion of each object together with a biography of the designer who created it and is enlivened by generous quotations from writings of the period. The extensive introduction provides historical context and explores the origins and aesthetic of Art Deco. With its rich text and sumptuous photographs, this is not only one of the rare books on French Art Deco in English, but an object d'art in its own right.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Sayonara Amerika, Sayonara Nippon - Michael K. Bourdaghs 2012

From the beginning of the American Occupation in 1945 to the post-bubble period of the early 1990s, popular music provided Japanese listeners with a much-needed release, channeling their desires, fears, and frustrations into a pleasurable and fluid art. Pop music allowed Japanese artists and audiences to assume various identities, reflecting the country's uncomfortable position under American hegemony and its uncertainty within ever-shifting geopolitical realities. In the first English-language study of this phenomenon, Michael K. Bourdaghs considers genres as diverse as boogie-woogie, rockabilly, enka, 1960s rock and roll, 1970s new music, folk, and techno-pop. Reading these forms and their cultural import through music, literary, and cultural theory, he introduces readers to the sensual moods and meanings of modern Japan. As he unpacks the complexities of popular music production and consumption, Bourdaghs

interprets Japan as it worked through (or tried to forget) its imperial past. These efforts grew even murkier as Japanese pop migrated to the nation's former colonies. In postwar Japan, pop music both accelerated and protested the commodification of everyday life, challenged and reproduced gender hierarchies, and insisted on the uniqueness of a national culture, even as it participated in an increasingly integrated global marketplace. Each chapter in *Sayonara Amerika, Sayonara Nippon* examines a single genre through a particular theoretical lens: the relation of music to liberation; the influence of cultural mapping on musical appreciation; the role of translation in transmitting musical genres around the globe; the place of noise in music and its relation to historical change; the tenuous connection between ideologies of authenticity and imitation; the link between commercial success and artistic integrity; and the function of melodrama. Bourdaghs concludes with a look at recent Japanese pop music culture.
