**Class List for English Prose Fiction** - Boston Public Library 1877

Titan - Ron Chernow 2007-12-18  
National Book Critics Circle Award Finalist From the acclaimed, award-winning author of

Alexander Hamilton: here is the essential, endlessly engrossing biography of John D. Rockefeller, Sr.—the Jekyll-and-Hyde of American capitalism. In the course of his nearly 98 years, Rockefeller was known as both a rapacious robber baron, whose Standard Oil Company rode roughshod over an industry, and a philanthropist who donated money lavishly to universities and medical centers. He was the

terror of his competitors, the bogeyman of reformers, the delight of caricaturists—and an utter enigma. Drawing on unprecedented access to Rockefeller’s private papers, Chernow reconstructs his subjects’ troubled origins (his father was a swindler and a bigamist) and his single-minded pursuit of wealth. But he also uncovers the profound religiosity that drove him “to give all I could”; his devotion to his father; and the wry sense of humor that made him the country’s most colorful codger. Titan is a magnificent biography—balanced, revelatory, elegantly written.

*Merchant Vessels of the United States* - 1976  
From 1894/95-1935/36, pt.6 of each volume is issued separately, with titles, 1894/95-1902/03: Code list of merchant vessels of the United States; 1903/04-1935/36: Seagoing vessels of the United States.

2021-11-23T00:00:00Z

In volume II of The Tontine, the multigenerational story of 3 families continues. The number of recipients receiving payouts on the life insurance scheme are dying out and the payouts are becoming more and more substantial. Towards the end, when the recipients become a mere handful, all sorts of betting occurs in the general populace on who will be the last survivor. Who wins the tontine

and who loses?

Chris Lynch 2019-12-03

"All the sizzle, chaos, noise and scariness of war  
is clay in the hands of ace storyteller Lynch." --

Kirkus Reviews for the World War II series  
Discover the secret missions behind America's  
greatest conflicts. Fergus Frew thought he knew  
what to expect when he signed up with the  
Navy's demolitions team. But as the Korean War  
rages on, Fergus and his fellow divers -- AKA  
"frogmen" -- are tasked with more than just  
scouting mudflats. Soon they're planting mines.  
And sabotaging tunnels, bridges... and even  
fishing nets. Strangest of all, it falls to Fergus to  
transport a spy into the country -- and that  
means traveling far from Navy-controlled  
waters. But frogmen are amphibious. And Fergus  
may not realize it, but he's in a position to  
change the way the whole world thinks about  
combat. National Book Award finalist Chris  
Lynch continues his explosive fiction series  
based on the real-life, top-secret history of US  
black ops and today's heroic Navy SEALs.
