**Deep Work** - Cal Newport  
2016-01-05

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of *Give and Take*). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep-spending their days instead in a frantic blur of e-mail and social media,

not even realizing there's a better way. In *Deep Work*, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, *Deep Work* takes the reader on a journey through memorable stories- from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air- and no-nonsense advice, such as the claim that most serious professionals should

quit social media and that you should practice being bored. *Deep Work* is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ

**The ONE Thing** - Gary Keller

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more

rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \*

overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING? The One-Week Budget - Income Mastery 2020-01-19 Have you ever felt that credit cards are your worst enemy? Their high interests can suffocate you, and if you don't have money (this is why people usually use them), what makes you think you'll actually have enough money to pay them later? Or worst, to pay your interest? In this book, you will find the following information: 1. Write and organize your monthly budget 2. Recognize when you are earning money or making an expense 3. Start saving money in the bank 4. Reduce your expenses 5. Start your own plan 6. Create a spreadsheet for making your budget In this book we will explain the techniques of the correct use of your credit history and teach you techniques for the correct use

of your credit card, to take advantage of it You will learn not only avoid, but get away from the bad debts that sometimes credit cards can generate you.

**My Money My Way** - Kumiko

Love 2022-02-01

Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns

pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future,

instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Sean Aiken 2010-05-04

THE REMARKABLE AND  
INSPIRING TRUE STORY OF  
ONE GUY WHO

TRANSFORMED HIS

UNCERTAINTY ABOUT THE

FUTURE INTO ACTION A year

and a half after he graduated

from college, Sean Aiken found

himself struggling to answer

the question "What should I do

with my life?" His mother

suggested teaching. His older

sister told him to apply for an

entry-level corporate position.

His father said, "It doesn't

matter what you do, just make

sure it's something you're

passionate about." Taking his

father's advice to heart, Sean

created the One-Week Job Project and launched himself on an epic journey to find his passion. His goal: to work fifty-two jobs in fifty-two weeks. After the launch of his website, [oneweekjob.com](http://oneweekjob.com), the offers began pouring in. Sean's first gig was—literally—jumping off a bridge, as a bungee operator in British Columbia. From there he traveled across Canada and the United States, reinventing himself as a firefighter, an aquarium host, a radio DJ, a martial arts instructor, an NHL mascot, and a snowshoe guide. During the course of his seven-day stints, from a Florida stock-trading floor to a cattle ranch in the wilds of Wyoming to a real estate office in Beverly Hills, Sean found time to make new friends and even fall in love. Whether choosing a spring fashion line, brewing beer, or milking a cow, Sean continued to ask himself and others about what success really means and how we find happiness—all while having the adventure of his life. Inventive and empowering, witty and wise,

The One-Week Job Project is a book that will give you the courage to follow your passion. Or, as Mark Twain said, "Explore. Dream. Discover."

**Live Richer Challenge: Net Worth Edition** - Tiffany Aliche  
2017-12-24

Do you know what your net worth is? If not, do you know how to calculate it? No? Don't worry, you're not alone. Most people don't realize how much influence that one number can have on their life. In simple terms, your net worth is the difference between what you own and what you owe. Your net worth is like your financial report card. It allows you to figure out your current financial health and can help you figure out what you need to do in order to reach your financial goals. Despite losing my job a few years ago, I've been able to more than triple my net worth in the last two years by taking some specific and measurable steps. What were those steps? You're in

luck! During the next 3 weeks, I'm going to show you in this book. You'll learn how to do the following: Week 1: A Wealthy Mindset Week 2: Increasing Your Net Worth Week 3: Maintaining Your Net Worth Final Day: LIVE RICHER The Live Richer Challenge: Net Worth Edition is for beginners that want to be lead step-by-step to personal financial success. In 22 days this book will help you begin to accomplish your net worth goals through simple, daily financial tasks. Are you ready? Let's go! Live richer, Tiffany  
*The One Week Budget* - Tiffany Aliche 2011-01-12

Hate paying bills? So do I, and that's why I stopped! What if I told you that I haven't paid a bill in almost two years and my credit score is in the high 700's, low 800's? Would you call me a liar or would you want to know how I did it? With the help of Bella the Budgetnista, featured in this book, we will teach you what I took years to learn. The One Week Budget is for anyone that wants to manage their day-to-

day money without the day-to-day hassle. Does this sound like you? What are you waiting for? Read the book already! Tiffany "The Budgetnista" Aliche [My Home Budget Journal](#) - Creative Concepts Workbooks and Journals 2016-03-31

The My Home Budget Journal is different than many other types of budget books. This budget planner focuses on budgeting from a weekly perspective. Budget your bills, savings and other goals based on your upcoming paycheck or projected paychecks. You can budget one week at a time if you paycheck changes often, or plan several weeks ahead. Use pencil if you suspect things will change or create a general budget and make adjustments needed. The journal is set up to help you focus on week-by-week budgeting for 4-6 weeks at a time. The main worksheet in the book has a top section for weekly income. List your income, your spouse's income and any additional income you have coming in. There is an income total so you know exactly what is projected to

come in each week. If you have more than five streams of weekly income, we recommend adding all of these incomes together and then listing the total for all of these in the "Other Income" section. The template also has up to 15 sections for you to fill in your expenses on a weekly basis. Include everything from groceries, to gas and other bills that you plan on paying only on that particular week and date when the money comes in. Many people will have several blank sections and this is great because that means you don't have as many weekly bills as you think. Some weeks might be more packed with bills and expenses than others. Each page of the bill worksheet has a place for notes and reminders as well. Write down reminders such as: Finish your taxes, buy Girl Scout cookies from Bethany's friend or time to buy clothes this week. This worksheet is fully customizable so feel free to fully utilize it so that you can stop on top of your bills and expenses. As you progress through the book

you'll also find sections for financial goals and additional pages for journaling. This book is designed to encourage you to progress on your financial journey and reach new milestones such as buying a home, buying a car, investing, saving for vacations and more. Studies have shown that writing down goals and journaling helps us to take action and truly manifest what we want in life. You can start out having just a few goals and then add more as progress through the journal. New goal worksheets and journal pages are found after a series of 6 weekly budget worksheets. Additional goal worksheets and lined pages are also found at the end of the journal. We like to use this section at the back for more long term financial goals. We hope this book meets your needs. This book does NOT have pockets or tabs like some bill organizers and planners. Please click on the "Look Inside" feature to make sure this weekly budget journal is right for you. :) \*\*\*We also

### **Simple Money, Rich Life -**

Bob Lotich 2022-04-26

A hope-filled money guide to increase savings, earnings, and giving and actually enjoy it all while designing a life of

freedom and eternal impact, from the founder of SeedTime Money. Broken down and stranded 1,000 miles from home with only \$7 left in his bank account, Bob Lotich had reached his breaking point. He was stuck in a dead-end job, living paycheck-to-paycheck, and overwhelmed by debt. Bob had been following the world's advice with money and this was the fruit of it. In desperation, he cried out to God for wisdom, for a different way. The answer was a simple four-part formula, one based on timeless biblical principles, and, most important, it worked. After applying this simple formula, Bob discovered that his financial stress melted away and he finally felt fully in control of his money. As he continued to follow the four steps, he paid off over \$400,000 in debt, reached a personal goal of giving \$1 million by age 40, and achieved a level of financial freedom he never dreamed possible. In his casual and approachable style, Bob (along with his fun-loving wife, Linda) shares everything

he learned about achieving true financial freedom, including:

- How to create a money system so you can spend less time and get better results
- The One-Category Budget: get 80% of the results with 20% of the work
- The four keys to earning more in the digital era
- How to automate your way to financial success in less than 10 minutes
- The secrets of a six-figure giver
- Three credit card rules that banks don't want you to know
- How to save \$100s each month while still buying what you love
- And much more!

Whether you are doing "fine" or are in a financial crisis, the included 21-day kick-start will leave you with specific action items to guide you to success. You can have financial security, peace, significance, and eternal impact. Let Bob show you how to reimagine money as it was meant to be: simple.

the modern money classic that has revolutionised the lives of countless people all over the world, teaching them how to effectively manage their finances, demolish their debt, save better and get the most out of their bank accounts, credit cards and investments. Now, Ramit Sethi, who has been described by Forbes as a 'wealth wizard' and by Fortune as 'the new finance guru', is back with a completely revised second edition of I Will Teach You To Be Rich, updating it with new tools and insights on money and psychology, along with fantastic stories of how previous readers have used the book to enrich their lives. From crushing your debt and student loans to talking your way out of late fees, to dead simple investment strategies and negotiating that big raise at work, this is the no-guilt, no-excuses, no-BS 6-week programme that will help you get your finances where you want them to be.

**Ask a Manager** - Alison Green 2018-05-01

From the creator of the

popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask

a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate

playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Budget Bytes - Beth Moncel  
2014-02-04

The debut cookbook from the *Saveur* blog award-winning Internet expert on making eating cheap dependably delicious. As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, *Budget Bytes*. Soon the blog received millions of readers clamoring for more. Beth's eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. *Budget Bytes* has more than 100 simple, healthy, and

delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to ensure that you can still have that steak you're craving, and information to help anyone get acquainted with his or her kitchen and get maximum use out of the freezer. Whether you're urban or rural, vegan or paleo, *Budget Bytes* is guaranteed to delight both the palate and the pocketbook.

**Get Good with Money** - Tiffany the Budgetnista Aliche 2021-03-30

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-

step plan for finding peace, safety, and harmony with your money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy “Budgetnista.” “No matter where you stand in your money journey, *Get Good with Money* has a lesson or two for you!”—Erin Lowry, bestselling author of the *Broke Millennial* series Tiffany Aliche was a successful pre-school teacher with a healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial hole. As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, *Get Good with Money* introduces the powerful concept of building wealth

through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), *Get Good with Money* gets crystal clear on the short-term actions that lead to long-term goals, including:

- A simple technique to determine your baseline or “noodle budget,” examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams.
- An assessment tool that helps you understand whether you have a “don't make enough” problem or a “spend too much” issue—as well as ways to fix both.
- Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future.
- Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying

automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, *Get Good with Money* will help you build a solid foundation for your life (and legacy) that's rich in every way.
