The Doors FAQ - Rich Weidman 2011-10-01 (Book). It has been over 40 years since the untimely death of L.A.'s mystic and rock's Dionysus, Jim Morrison, yet the Doors have consistently inspired new generations of fans worldwide ever since. Highlighting one of the most influential, original, and outrageous American bands of the 1960s, The Doors FAQ is a dynamic, unorthodox exploration of this remarkable band and its enigmatic lead singer.

Drawing upon unique sources, Rich Weidman digs deep and serves up fresh perspective on the music, from the garage to the hits to the outtakes; and on the band's members, from their roots, influences, and key industry partners to their rare talents, personal foibles, love affairs, and arrests. This volume also details every studio album and live recording, all the highs and lows of the Doors in concert (including the notorious 1969 Miami concert), Morrison's 40-day trial, and the death of the "Lizard King" in Paris in 1971, as well as post-Morrison milestones. Unlike the straightforward narratives of other Doors biographies, this inventive, ceremonious biographical collage leaves no stone unturned, covering the band both with Morrison and post-Morrison, including the 2010 When You're Strange documentary and the recent pardon of Morrison by the State of Florida for the Miami concert. Countless rare images from album art to ticket stubs to posters accompany the text, in this dazzling edition of

solid rock scholarship.

Rocket Man - Mark Bego 2020-01-07

The colorful and kaleidoscopic life of one of the world's most original and talented musical artists. Here's the book every pop music lover has been waiting for—full of the scandals, addictions, affairs and tantrums that underscored the life of arguably the world's greatest pop musician. Flamboyant, iconic Elton John is as much part of the American musical landscape as he is in his native England. In the 1970s, when popular music on both sides of the Atlantic fragmented into disco, soul, hard rock, pop and folk, Elton John embraced them all with his signature creative panache. Emerging in the late 1960s as a singer/songwriter, Elton was widely acknowledged as the most prolific pop and rock star of the decade by the mid-1970s. His peerless musical style and ability to jump from sensitive ballads to bawdy rock anthems to campy pop have made him a musical superstar for the ages. From his heartfelt ballads like "Tiny Dancer" and "Your Song," to his rock & roll hits

including "Benny and The Jets" and "Crocodile Rock," Elton has lived one of the most outrageous and colorful lives in show business. Having met the "Rocket Man" the first time in the 1980s, Bego has drawn upon his personal observations, vast research, and has been able to interview dozens of Elton's collaborators and lifelong friends to produce the ultimate story on the amazing and larger-than-life Elton John.

The 100 Best Australian Albums - John

O'Donnell 2011-08-01

Australian music has a proud, colourful and

successful history. In 2008, Australian rock and roll turned 50. This book names the best Australian albums of the last 50 years. It places each album in order (from 1 to 100) and discusses why each album deserves its place. It tells the story behind the making of the album, where the album fits in the artist's career and the album's impact on the local and world stage etc. The entries will feature new interviews with the artists and the producers/managers involved in the recording and the release of the album. It wouldn't be a good list if it didn't polarise people and we hope that this list will. We also hope that it will get people sitting around comparing their favourites and discovering or re-discovering these great albums and others. With 70 years of loving and writing about Australian music between us, we shamelessly believe we've earned the right to write this book. And we think we've got it right. Casting Might-Have-Beens - Eila Mell

2015-01-24

Some acting careers are made by one great role and some fall into obscurity when one is declined. Would Al Pacino be the star he is today

if Robert Redford had accepted the role of Michael Corleone in *The Godfather*? Imagine Tom Hanks rejecting Uma Thurman, saying that she acted like someone in a high school play when she auditioned to play opposite him in *The Bonfire of the Vanities*. Picture Danny Thomas as *The Godfather*, or Marilyn Monroe as Cleopatra. This reference work lists hundreds of such stories: actors who didn't get cast or who turned down certain parts. Each entry, organized alphabetically by film title, gives the character and actor cast, a list of other actors considered for that role, and the details of the casting decision. Information is drawn from extensive research and interviews. From *About Last Night* (which John Belushi turned down at his brother's urging) to *Zulu* (in which Michael Caine was not cast because he didn't look "Cockney" enough), this book lets you imagine how different your favorite films could have been.
