The BEARly Controlled Grizzly (Bear Clan, 1) - Jenika Snow
2019-06-22

That first time I saw her-my mate-I'd been ready to kick some guy's ass for even looking at her. I made no apologies for my possessive, territorial side. I was a grizzly bear shifter, after all. It was my nature to be over the top. Bethany hadn't known what to do at first-being mated to a shifter-one who was grouchy and burly and made no apologies for how rugged he really was. But she wanted me, my sweet little human mate who could have brought a beast like me to my knees with

just a look. I'd wanted nothing more than to throw her over my shoulder and take her back to my lair like a caveman. But I let her take the lead, even if my bear wasn't happy, even if the alpha in me wanted to have my way with her right then and there. And I would have my way with her. All the ways that counted, in fact. I'd claim her, mark her, and before it was all said and done, there'd be no doubt in anyone's mind that Bethany was owned by a grizzly. Warning: Holy moly, this hero's crazy for his mate, but who wouldn't want one OTT alpha bear shifter obsessed with you? This story is sweet and sexy, and oh so very filthy. Of course, you get a happily ever after ... and a little somethin'-somethin' at the end to wrap it up nicely.

Deviant - Natasha Knight

Julien I'm a hit man, an assassin. A deviant by all accounts. I never pretended to be the good guy. She was the opposite. But the minute she pulled the curtains back and saw my face, watched me screwing the blonde who happened to be my next mark, she sealed her own fate. There

could be no witnesses, ever. Imagine my surprise when I turned up to take care of her only to find two goons breaking down her door, weapons in hand. Turned out she had a price on her head. Her stepbrother wanted her and he wanted her alive. I'd never been one to pass up an opportunity to collect the kind of money he was offering, especially if I could have some fun while I was at it. It just never occurred to me she'd be anything more than my next mark. Mia "Curiosity killed the kitten." I'll never forget the look in his eyes when he said those words. When I watched them from the window, I didn't suspect for a moment that he'd seen me, that he was watching me back. Not while he was doing what he was doing to the woman on her knees before him. But then she turned up dead, and he turned up in my hotel room, waiting for me in the dark. I didn't think for one second him being there that night would save my life. I'd been on the run for two years, but my stepbrother had finally

caught up with me. Or his two thugs had. Finding out I had a quarter-of-a-million dollar bounty on my head convinced Julien I was more valuable alive than dead. But to collect it would mean returning me to my stepbrother, who had sworn to make me pay for what I'd done. Julien was cruel. He was merciless. He scared the crap out of me. But there was something else, something he never wanted me to see. Inside, he was broken, like me. My stepbrother was wrong if he thought I'd ever let him get his hands on me again. I had no intention of allowing that to happen, even if it meant I'd have to sleep with the devil to survive. And I had no doubt Julien was the devil.

Cora He left eight years ago for the military. That was the hardest time of my life. Xavier was the boy who'd sneak into my bed at night and hold me as my parents fought in the next room. My protector. My best friend. The man I was in love with. The man I'd saved my virginity for. And now he was back home for good. Too much time had passed. I was done keeping us in the friend zone. I wanted him in my life in every way that counted. So if he wasn't going to make the first move then I would, even if it might ruin what we had. Because I had to take that chance. Xavier She was my life, the very reason I breathed. I saved my virginity for Cora because no one else compared. No one else ever would. It was time I man up and tell Cora that she was the only girl I'd ever loved, that no matter how much time had passed she'd been it for me. But how could I go about doing that when eight

years had gone by? Admitting how I felt was hard as hell seeing as we'd always just been friends. How could I not cross any lines and screw up the relationship we had? Easy. I'd tell her I loved her and propose. Warning: Sit back, relax, and dive into a double virgin friends-to-lovers romance that's so sugary sweet your teeth will ache. Although it'll tug at your heartstrings, make no mistake it's as filthy as can be. A standalone romance with no drama and just the juicy bits, this story features cameo appearances by Asher, Cash, and Trevor Mayson from Aurora Rose Reynolds Until series.

The first rule about owning a fight club is it's no place for kids. Even shifters. Cage Gamble, a Jaguar Shifter in Sylvan City, owns the first licensed 'fight club' where men and shifters could fight in the ring or the cage. It was a good life, some work and a lot of play, until he was called to England to take custody of his best friend's daughter. Her father's sudden passing left her in Cage's care. He could handle a berserk bear shifter or a gorilla full of rage with one hand, but a moody teenage lioness? Not so much. Just when he was nearly ready to string himself up from the nearest light post and jump, his old commanding officer throws him a lifeline. Maggie Fordice, the Colonel's once rebellious daughter, is all grown up and moving home to Sylvan City. On paper she was just what he needed, a teen-whisperer. But up close and very personal, she was also what he didn't need. Whip smart and voluptuous, she was a woman who could

send him up in flames with a look or a wiggle. Maggie was ready to light a match and burn his resistance to the ground, even when helping him brought danger to her doorstep. Was Cage going to fight what he felt for the fiery woman who lived across the street? Or was he going to fight for what they could have... everything?
