How to Read Literature Like a Professor Revised - Thomas C. Foster 2014-02-25

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary

basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary

meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Dreamthorp - Alexander Smith 1881

The Professor's House - Willa Cather 2022-01-04

When Professor Godfrey St. Peter and wife move to a new house, he becomes uncomfortable with the route his life is taking. He keeps on his dusty study in the old house in an attempt to hang on to his old life. The marriages of his two daughters have removed them from the home and added two new sons-in-law, precipitating a mid-life crisis that leaves the Professor feeling as though he has lost the will to live because he has nothing to look forward to. Adding to that, the death of his favourite student Tom Outland in the Great War is a blow that is too heavy to deal with at his age. Will Professor Godfrey survive his mid-life crisis or will it lead to a disastrous result?

"You forget. You forget you don't really exist here, that this isn't your home." Since

emigrating from Bangladesh, fourteen-year-old Nadira and her family have been living in New York City on expired visas, hoping to realize their dream of becoming legal U.S. citizens. But after 9/11, everything changes. Suddenly being Muslim means you are dangerous -- a suspected terrorist. When Nadira's father is arrested and detained at the U.S.-Canadian border, Nadira and her older sister, Aisha, are told to carry on as if everything is the same. The teachers at Flushing High don't ask any questions, but Aisha falls apart. Nothing matters to her anymore -- not even college. It's up to Nadira to be the strong one and bring her family back together again.

Petrus Christus - Maryan W. Ainsworth 1994

This study is an important new account of the life and work of the Flemish master Petrus Christus. It is the first volume to focus specifically on the physical characteristics of his works as criteria for judging attribution, dating, and the extent to which he was indebted to Jan Van Eyck and other artists for the development of his technique and style.

In the Forests of the Night - Amelia Atwater-Rhodes 2009-08-11

I was born to the name of Rachel Weatere in the year 1684, more than three hundred years ago. The one who changed me named me Risika, and Risika I became, though I never asked what it meant. I continue to call myself Risika, even though I was transformed into what I am against my will. By day, Risika sleeps in a shaded room in Concord, Massachusetts. By night, she hunts the streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same

sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist.

ANTHEM - Ayn Rand 2021-01-01

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of

individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully

planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Danny Dunn and the Anti-Gravity Paint - Jay Williams 2014-11-15

Through a mishap in Professor Bulfinch's laboratory, Danny accidentally creates an anti-gravity paint. The natural use, of course, is for a spaceship -- the paint can replace rockets to get the ship into space.

Unfortunately, the spaceship is launched prematurely after Danny and Joe follow Professor

Bulfinch and Dr. Grimes on a tour of the ship. A mechanical failure dooms the four to a one-way trip out of the Solar System -- unless they can repair the spaceship in time! This is the first of the 15-volume Danny Dunn series and features the original cover by acclaimed artist Ezra Jack Keats. Look for "Danny Dunn on a Desert Island," the second volume of the series, coming soon from Wildside Press!

A Pleasure to Burn - Ray Bradbury 2013-05-21
Ray Bradbury's novel *Fahrenheit 451* is an enduring masterwork of twentieth-century American literature—a chilling vision of a dystopian future built on the foundations of ignorance, censorship, and brutal repression. The origins and evolution of Bradbury's darkly magnificent tale are explored in *A Pleasure to Burn*, a collection of sixteen selected shorter works that prefigure the grand master's landmark novel. Classic, thematically interrelated stories alongside many crucial lesser-known ones—including, at the

collection's heart, the novellas "Long After Midnight" and "The Fireman"—*A Pleasure to Burn* is an indispensable companion to the most powerful work of America's preeminent storyteller, a wondrous confirmation of the inimitable Bradbury's brilliance, magic . . . and fire.
To Build a Fire - Jack London 2008

Describes the experiences of a newcomer to the Yukon when he attempts to hike through the snow to reach a mining claim.
Dandelion Wine - Ray Bradbury 1985-03-01

The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god

living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. “[Ray] Bradbury is an authentic original.”—**A Time To Love** - Robert Greenberger 2012-09-11
A century ago the long-running conflict between two alien

civilizations ended when both of them colonised the same distant planet, becoming instead a shining example of inter-species cooperation and coexistence. Now an investigation headed by Kyle Riker -- estranged father of Commander William Riker -- has revealed how fragile their hard-won paradise is. Within a few generations, a virus indigenous to their colony planet of Delta Sigma IV will wipe out all its inhabitants. Faced with this threat the delicate shell of harmony starts to crumble... Jean-Luc Picard and his crew, still reeling from the events which have tarnished the career of one of Starfleet's most decorated captains, must come to the aid of a world which once knew only peace, but now faces violence and chaos. Riker, meantime, must face the fact that his own father may be responsible for the anarchy into which Delta Sigma IV is descending.

Fahrenheit 451 - Mary B. Collins 2000-01-01
Essentially a complete teacher's manual for the book, this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for the book Fahrenheit 451 by Ray

Bradbury. It includes: 18 Daily Lessons Short answer study questions Multiple choice quiz questions Vocabulary worksheets for each reading assignment 3 detailed writing assignments Individual and group activities Critical thinking discussion questions 5 unit tests (2 short answer, 2 multiple choice, 1 advanced) Evaluation forms Review puzzles & games Bulletin board ideas Reproducible student materials And more! A Note About A Few Of The Many Different Assignments Included: The unit project is for students to make a presentation describing what they think the world will be like 50 years from now. There is also a daily lesson devoted to exploring the idea of censorship. There are three writing assignments in this unit, each with the purpose of informing, persuading, or expressing personal opinions. The detailed writing assignment sheets guide students through the assignments. The first assignment is to inform:

students create a fire escape plan for their homes. The second assignment is to express personal opinions: students tell what they think the future will be like (as a preparation for the group activity). The third assignment is to persuade: students persuade the teacher that today is better than 50 years from now will be or vice versa. These materials are geared for whole class use but are very easily adapted for independent study work, lit circles or book groups, home school use, or tutoring. If you have never taught this book before, this manual will give you a great foundation of materials on a variety of levels. If you have taught this book before, you might like to know that many veteran teachers have told us they have found our LitPlan Teacher Pack manuals to be much more thorough and more helpful than other materials they have used. All publications are copyrighted materials, with permission to print student materials as needed for ONE teacher's classroom use only,

unless otherwise specifically stated. Documents may not be reproduced, displayed, or distributed in any other way without written permission from Teacher's Pet Publications, Inc.

Hunter - Mercedes Lackey
2016-08-09

They came after the Diseray. Some were terrors ripped from our collective imaginations,

remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Otherworld were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous monsters fighting to break through. Others are not so lucky. To Joyeux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are

becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in-to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them

Rocket Summer - Ray D Bradbury 2021-04-26

The crowd gathered to make a curious noise this cold grey morning before the scheduled Birth. They arrived in gleaming scarlet tumble-bugs and yellow plastic beetles, yawning and singing and ready. The Birth was a big thing for them. He stood alone up in his high office tower window, watching them with a sad impatience in his grey eyes. His name was William Stanley, president of the company that owned this building and all those other work-hangars down on the tarmac, and all that landing field stretching two miles off

into the Jersey mists. William Stanley was thinking about the Birth. The Birth of what? Stanley's large, finely sculptured head felt heavier, older. Science, with a scalpel of intense flame would slash wide the skulls of engineers, chemists, mechanics in a titanic Caesarian, and out would come the Rocket! "Yezzir! Yezzir!" he heard the far-off, faint and raucous declarations of the vendors and hawkers. "Buy ya Rocket Toys! Buy ya Rocket Games! Rocket Pictures! Rocket soap! Rocket teethers for the tiny-tot! Rocket, Rocket, Rocket! Hey!" Shutting the open glassite frame before him, his thin lips drew tight. Morning after morning America sent her pilgrims to this shrine. They peered in over the translucent restraint barrier as if the Rocket were a caged beast. He saw one small girl drop her Rocket toy. It shattered, and was folded under by the moving crowd's feet. "Mr. Stanley?" "Uh? Oh, Captain Greenwald. Sorry. Forgot you were here." Stanley

measured his slow, thoughtful steps to his clean-topped desk. "Captain," he sighed wearily, "you're looking at the unhappiest man alive." He looked at Greenwald across the desk. "That Rocket is the gift of a too-generous science to a civilization of adult-children who've fiddled with dynamite ever since Nobel invented it. They-"

- Ray Bradbury 2019-04-16

A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes,

then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is

an exceptional, haunting work of graphic literature.

Big Game - Lowdown Black
2021-09-30

Big game: the hunt is on when three brothers of the same struggle from different mothers go after the biggest lick of their lives: rob an Arabian drug lord for his possession. But from word said go, it was a major hiccup. In the process of relieving the kingpin of his wealth, the brothers, Black, the leader and pimp of the squad, Solo, the club runner, and Loco Loc, the main drug over-seer had to kill him to attain it, which brought on a victorious hunt from the Arabian's family.

While living out the American Dream, in the beautiful streets of Dallas, Texas, in full motion. The KBS squad members didn't know that they had become prey and were hunted by predators as they swam in Luxury. And as they took down victims, they were only adding more hunters to the game. Can the trio survive in the streets of dirty, dangerous Dallas, Texas, the triple 'D' Long enough to secure the bag, or will they be taken down in a world where men usually hunted animals for big game. After being left with no choice but to become part of the hunt and hunt the hunters, making the dope town into a human hunting ground, come and witness how the squad maneuvered in a deadly game. As the summer sun hunts for a spot to shine, while numerous killers heat the street, hunting for a big game, who will become king and become a mantelpiece? I'm here Jack! And its own now, welcome to Hoemack's World!! Chuuch!
