That is, until she discovers at her own going away party that her new job is suddenly gone, disappearing overnight along with her hopes and dreams of a bright future in a big city. Dread in her heart and a sinking feeling in her gut, Conley ends up in the last place she ever wanted to be: *The Beacon*, now reluctantly run by her brother Garret whose own dreams of being a lawyer were put on hold with the death of their father. Matters come to a head after Conley witnesses a car accident that ends in the death of a local politician - a beloved war hero with a secret shady history whose death may not be exactly what it seems.

Hello God - J. J. Vasquez 2015-11-17

75% of the teenagers and young adults who have dropped out of church say they have never heard Jesus speak to them in a personal way. Are your children doomed to die without Christ? Is Christianity no longer relevant to this generation? Is it not cool enough? Has it finally become too opposed to the cultural norms? Or is it simply just unbelievable? No, we misjudged what this generation wants out of Church...and out of God. Not entertainment, therapy, relevance, or even (God forgive me) eternal security. All they want - and all they need...is to hear Him speak. They want a relationship. And like going on a blind date, the hard part isn't

asking this generation to connect with a God they have not seen, but rather asking them to love a God they have not met. Because you can't say "Hallelujah", until you say "Hello". In this engaging and refreshingly simple book, JJ Vasquez explains how church leaders, parents, and pastors can move past just "telling" the next generation about Christ, and start "introducing" them to Him. As a denominational Youth Leader, University Professor of Youth and Family Ministry, Youth Pastor of a 400+ student ministry, and a parent of two, JJ pulls from a rich variety of experience. Hello God will help you: * Develop an authentic connection between the next generation and Jesus. No FORCED religion - REAL relationships. * Shape environments where genuine life-changing encounters can take place. (Think Moses and the burning bush, Paul on the road to Damascus, and Elijah on Mt. Sinai) * Share the Gospel in an easy-to-understand way that not only informs but also INVOLVES the hearer. * Reignite your own

desire for being close to God This is NOT just a book for youth ministry, NOT just a book for parents, and NOT just a book for pastors. This is a book for anyone who believes you have to LOVE God, before you can SERVE God. We can't afford to wait any longer. He's lived in stories long enough. It's time they met Him. It's time to say "Hello."

All That Glitters - James Minick 2003-07

Ellie Perro harbored an unattained goal to travel to places she had dreamed to see since childhood. Now in the twilight of her life she has encouraged her husband, Rick, to retire from his accounting business in Pennsylvania and move to their condominium in Tropic, Florida. Rick is a workaholic and declines retirement until he experiences heart irregularity, and because of his doctor's advice, agrees to move to Florida. Ellie has suspected infidelity on the part of her handsome husband ever since he had an affair

with Julie Cordell during Ellie's second pregnancy. Overall the marriage of forty years has been essentially stable but has lost most of the luster once enjoyed by the couple. Ellie being ten years younger than Rick has found this frustrating and seeks the challenge of becoming a tour guide after they become settled in Florida. The move during early February is marked at the onset by a near tragedy when they have an accident with a deer on the morning of departure in a snowstorm. Then they have a second misadventure during a monstrous storm in Charlotte, North Carolina. Arriving in Tropic, Florida, they find devastation from the same storm system and cannot occupy the condominium due to wind and water damage. They are forced to stay in the hospitality suite at El Tropic Condominiums for two weeks while damages are repaired. The first day in Tropic they enjoy lunch at Barney's Place, their favorite eatery. Barney O'Toole, the restaurateur, has assembled a valuable collection of baseball

memorabilia. A young man who seems unusually interested in the baseball items on the wall arouses Ellie's curiosity. Following lunch, the Perros rest in their rooms in the office building when Corey Parker, the manager, has a strange, nearly fatal, accident. The next day the Perros learn that Barney's Place has been burglarized at great loss to Barney. A few days later, Ellie and Rick, with time on their hands, attend a flea market at Webster, Florida and the seemingly lackluster day becomes exciting when Ellie spots the young man she had seen in Barney's. The interest intensifies when she and Rick see some of Barney's stolen items on a flea market table. Other episodes include: an inflammatory dinner in the condo of Ellie's friend Kit Carmichael, an early foggy morning at the pool when Perry Williams dives into the pool just as Ellie notices a large alligator dive in at the far end of the pool, a motorcycle club tours El Tropicico at dawn, Ellie has a disastrous meeting with Charlie Lambert to pursue her goal to become a tour

guide. Rick is forced to return to Pennsylvania when the replacement in his business has a serious automobile accident, Rick returns briefly to El Tropicico for the Saint Patrick's Day Party involving a tragic death, and Ellie becomes engaged as a tour guide in Florida and later to Alaska. Woven through this story are casualties of clandestine affairs, several humorous situations, a tragic fishing boat incident, and through it all the wavering love between Ellie and Rick. In the final analysis, Ellie is imbued with the realization that retiring is not necessarily the fulfillment of her dreams of the Golden Years.
