Dark Watch - Clive Cussler 2011-07-26

Juan Cabrillo and his crew aboard the Oregon take on modern-day pirates for a surprising new client in this novel in the #1 New York Times bestselling series. Cabrillo and his motley crew aboard the clandestine spy ship Oregon have made a very comfortable and very dangerous living working for high-powered Western interests. But their newest clients have come from the Far East to ask for Cabrillo's special brand of assistance: a consortium of Japanese shipping magnates whose fortunes are being threatened by brutal pirates trolling the waters of Southeast Asia. Normally, such attacks on the high seas are limited to smaller ships and foreign-owned yachts-easy targets on the open ocean. Now, however, giant commercial freighters are disappearing. But when Cabrillo confronts the enemy, he learns that the pirates' predations hide a deadly international conspiracy-a scheme of death and slavery that Juan Cabrillo is going to blow out of the water.

The Emperor's Revenge - Clive Cussler 2016-05-31

The Oregon crew must work without their usual resources when a rogue hacker empties their bank account in this action-packed installment from

the #1 New York Times bestselling grand master of adventure. When a bank heist during the Monaco Grand Priz decimates the Corporation's "offshore" account, Juan Cabrillo and the crew of the Oregon find themselves unexpectedly vulnerable. Without his usual financial assets, Juan must trust a woman from his past, an old friend from his days with the CIA, to help him keep his team safe. Together, they'll face a mysterious hacker with a brutal vendetta. It is only after the hunt begins that the enormity of the plan comes into focus: the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world's economies to a standstill. The catalyst for the scheme? A stunning document stolen during Napoleon's disastrous invasion of Russia. But two hundred years later, it may be the thing that brings Europe to its knees.

The Assassin - Clive Cussler 2015-03-03

Detective Isaac Bell tracks a killer across the nation's oilfields in this adventure in the #1 New York Times bestselling historical series. As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a

deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin—shooting with extraordinary accuracy at seemingly impossible long range—kills Bell's best witness. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But the murders—shootings, poisonings, staged accidents—have just begun as Bell tracks his phantom-like criminal adversary from the "oil fever" regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all.

Marauder - Clive Cussler 2021-08-24

It's up to Juan Cabrillo and the crew of his ship, the Oregon, to stop a terrorist plot to release a deadly chemical weapon across the globe in the explosive new novel in Clive Cussler's #1 New York Times bestselling series. While interrupting an attack on a Kuwaiti oil tanker, Juan Cabrillo and his team discover something even more dangerous: a ruthless billionaire's dying wish has allowed a paralyzing chemical to end up in the hands of a terrorist group. When an Oregon crew member falls victim to the poison, Juan Cabrillo will stop at nothing to find an antidote before it is too late. He and his team must connect an ancient mystery with a cunning modern enemy in order to save millions of innocent lives, including their own.

Celtic Empire - Clive Cussler 2019-03-19

Clive Cussler, "The Grand Master of Adventure," sends his intrepid heroes Dirk Pitt and Al Giordino on their wildest, boldest mission into the ancient world, unlocking extraordinary secrets and solving hideous crimes. Another fabulous read from the most beloved series from the #1 New York Times bestselling author. The murders of a team of United Nations scientists in El Salvador. . . A deadly collision in the waterways off the city of Detroit. . . An attack by tomb raiders on an archaeological site along the banks of the Nile. . . Is there a link between these violent

events? The answer may lie in the tale of an Egyptian princess forced to flee the armies of her father three thousand years ago. During what was supposed to be a routine investigation in South America, NUMA Director Dirk Pitt finds himself embroiled in an international mystery, one that will lead him across the world and which will threaten everyone and everything he knows--most importantly, his own family. Pitt travels to Scotland in search of answers about the spread of an unknown disease and the shadowy bioremediation company that may be behind it. Meanwhile, his son and daughter face a threat of their own when the discoveries they have made in an Egyptian tomb put killers on their trail. These seemingly unrelated riddles come together in a stunning showdown on the rocky isles of Ireland, where only the Pitts can unravel the secrets of an ancient enigma that could change the very future of mankind.

The Emperor's Revenge - Clive Cussler 2017-05-18

Mirage - Clive Cussler 2013

In October 1943, a U.S. destroyer sailed out of Philadelphia and supposedly vanished, the result of a Navy experiment with electromagnetic radiation. The story was considered a hoax-- but now Juan Cabrillo and his Oregon colleagues aren't so sure. There is talk of a new weapon soon to be auctioned, something very dangerous to America's interests, and the rumors link it to the great inventor Nikola Tesla, who was working with the Navy when he died in 1943. As Cabrillo races to find the truth, he discovers there is even more at stake than he could have imagined-- but by the time he realizes it, he may already be too late.

Corsair - Clive Cussler 2010-02-23

Ex-CIA ship captain Juan Cabrillo leads the crew of the Oregon on a quest to save a kidnapped politician in this adventure in the #1 New York Times bestselling series. Corsairs are pirates, and pirates come in many different varieties. There are the pirates who fought off the

Barbary Coast in the late eighteenth and early nineteenth centuries, the contemporary pirates who infest the waters of Africa and Asia, and the pirates...who look like something else. When the U.S. secretary of state's plane crashes while bringing her to a summit meeting in Libya, the CIA, distrusting the Libyans, hire Juan Cabrillo to search for her, and their misgivings are well founded. The crew locates the plane, but the secretary of state has vanished. It turns out Libya's new foreign minister has other plans for the conference, plans that Cabrillo cannot let happen. But what does it all have to do with a two-hundred-year-old naval battle and the centuries-old Islamic scrolls that the Libyans seem so determined to find? The answers will lead him full circle into history, and into another pitched battle on the sea, this time against Islamic terrorists, and with the fate of nations resting on its outcome.

Japanese American Incarceration - Stephanie Hinnershitz 2021-10

"Japanese American Incarceration argues that the incarceration of Japanese Americans created a massive system of prison labor that blurred the lines between free and forced work during World War II"--

Stand Forever, Yielding Never - John Warley 2018

"In Pat Conroy's iconic 1980 novel *The Lords of Discipline*, protagonist Will McLean vows to write the history of his military college. Conroy's classmate John Warley, '67, has deftly achieved that in his modern history of *The Citadel*. Interwoven with the remembrances of alumni, faculty and college and community leaders, Warley's narrative account is an enlightening chronicle of change over time—a microcosm of our larger American experience—as told from the vantage point of one who wears the ring."--Jonathan Haupt, executive director, Pat Conroy Literary Center On March 20, 1843, twenty young men from South Carolina assembled on Marion Square in Charleston to begin the educational experiment called *The Citadel*. In 2018, over 2300 cadets from all over the world, of varied race and gender, gathered to celebrate 175 years of tradition and excellence. This book explores that journey.

Golden Buddha - Clive Cussler 2003-10-07

In the first novel in the #1 New York Times bestselling Oregon Files series, Chairman Juan Cabrillo and his crew are hired by the US

government to free Tibet from Chinese control... The Corporation, a group of highly intelligent and skilled mercenaries, under the leadership of Juan Cabrillo, board a brand new ship. It's a state-of-the-art seagoing marvel with unthinkable technology at its disposal. And it's designed to look like a rusty old lumber hauler. But if Cabrillo and his team plan to make this spy ship their new headquarters, their first mission had better be a success. With the secret backing of the US government, Cabrillo sets out to put Tibet back in the hands of the Dalai Lama by striking a deal with the Russians and the Chinese. His main negotiating chip is knowledge of a golden Buddha containing records of vast oil reserves in the disputed land. But first, he'll have to locate—and steal—the all-important artifact. And there are certain people who would do anything in their power to see him fail...

The Rising Sea - Clive Cussler 2018-03-13

Everywhere, waters are rising--and that's just the beginning of the world's peril unless the NUMA crew can beat the clock in this thrilling #1 New York Times bestseller from the grand master of adventure. An alarming rise in the world's sea levels--much larger than could be accounted for by glacier melt--sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people. A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin - from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe.

[The Gangster](#) - Clive Cussler 2017-02-07

Turn-of-the-century Detective Isaac Bell takes on the upstart leader of a vicious crime organization in this novel in the #1 New York Times bestselling series. It is 1906, and in New York City, the Italian crime group known as the Black Hand is on a spree: kidnapping,

extortion, arson. They like to take the oldest tricks and add dynamite. When a coalition of the Black Hand's victims hire out the Van Dorn agency to protect their businesses, their reputations, and their families, Detective Isaac Bell forms a crack squad and begins scouring the city for clues. And then he spots a familiar face. The stakes grow ever-higher, with the Black Hand becoming more ambitious, and their targets more political. If Bell can't determine the role played by the face from his past, the next life lost could be one of the most powerful men in the nation.

The Silent Sea - Clive Cussler 2010-03-09

Juan Cabrillo and the Oregon crew's search for missing NASA technology leads to a globe-trotting adventure in this novel in the #1 New York Times bestselling series. On December 7, 1941, five brothers exploring a shaft on a small island off the coast of Washington state make an exciting discovery, only to be interrupted by news of Pearl Harbor. In the present, Cabrillo, chasing the remnants of a crashed satellite in the Argentine jungle, makes a shocking discovery of his own. His search to untangle the mystery leads him first to that small island and its secret, and then much further back, to an ancient Chinese expedition, and a curse that seems to have survived for over five hundred years. If Cabrillo's team is successful in its quest, the reward could be incalculable. If not...the only reward is death.

A Little History of the World - E. H. Gombrich 2014-10-01

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Final Option - Clive Cussler 2019-11-05

In Final Option, Juan Cabrillo fights the worst enemy from his past to the terrifying and unexpected ending created by the Grand Master of Adventure, Clive Cussler, in the latest action-packed thriller in his #1 New York Times bestselling series. When the CIA realizes the identities of three American spies in Brazil have been compromised, they turn to Juan Cabrillo and the crew of the Oregon to rescue the agents. What seems a routine operation turns out to be a trap designed by Juan Cabrillo's greatest enemy, a man driven by hate to seek the ultimate revenge. At the heart of the plot is a state-of-the-art ship that is identical to the Oregon: same weaponry, same technology, same ability to evade capture. The only thing it doesn't have is Cabrillo and his talented crew. But will they be enough to go up against the one ship that rivals their own? The crew of the Oregon must piece together a series of disturbing events, including the mysterious sinking of a nuclear attack submarine

and the possible discovery of a WWII-era weapon that was thought to be lost in the jungles of Brazil, in the ultimate game of cat and mouse.

Blue Gold - Clive Cussler 2000-08-01

Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

William Shakespeare - Terry Eagleton 1991-01-08

This is a bold and original reinterpretation of almost all of Shakespeare's major plays, in the light of the Marxist, feminist and semiotic ideas of our own time. Through a set of tenaciously detailed readings, the book illuminates a number of persistent problems or conflicts in Shakespearean drama - in particular a contradiction between words and things, body and language, which is also explored in terms of law, sexuality and Nature. Language and desire, Terry Eagleton argues, are seen by Shakespeare as a kind of 'surplus' over and above the body, stable and social roles and a fixed human nature. But the attitude of the plays to such a 'surplus' is profoundly ambivalent; if they admire it as the very source of human creativity, they also fear its anarchic, transgressive

force. Underlying such ambiguities, the book convincingly shows, is a deeper ideological struggle, between feudal traditionalism on the one hand, and the emergence of new forms of bourgeois individualism on the other. This book reveals how, in the light of our own contemporary theories of language, sexuality and society, we can understand the issues present in Shakespeare's drama which previously have remained obscure.

"Scattered to the Wind" - Carl A. Brasseaux 1991

Mainly covers the Acadian dispersal in the United States and Canada.

Dragon - Clive Cussler 2020-04-21

Clive Cussler, author of over twenty consecutive New York Times bestsellers, brings back beloved hero Dirk Pitt in this electrifying, edge-of-your-seat thriller that is "a high-tech adventure, a little romance, and a whale of a story" (Richmond Times-Dispatch). Japan, 1945: Two US bombers take off with atomic bombs. Only one gets through. The Pacific, 1993: A Japanese cargo ship bound for the United States is instantly, thunderously vaporized, taking with it a Norwegian vessel. Japanese fanatics have developed a chilling plan to devastate and destroy the Western powers. From the ocean depths to the discovery of cache of lost Nazi loot, Dirk Pitt is untangling a savage conspiracy and igniting a daring counterattack. While Washington bureaucrats scramble, a brutal industrialist commands his blackmail scheme from a secret island control center. And Dirk, the dauntless hero of Sahara and Inca Gold, is taking on death-dealing robots and a human-hunting descendant of samurai warriors. Pitt alone controls the West's secret ace in the hole: a tidal wave of destruction waiting to be triggered on the ocean floor! "Bulging with gadgetry and undersea delights" (Houston Chronicle), Dragon is "pure fun... Watch out for paper cuts as you turn the pages faster and faster to keep up with Cussler's intense pace" (San Diego Union-Tribune). This is "a page-turning romp that achieves a level of fast-paced action and derring-do that Robert Ludlum... might well envy" (Publishers Weekly).
