Achieve Financial Freedom - Big Time!: Wealth-Building Secrets from Everyday Millionaires - Sandy Botkin 2012-08-24

HOW DO YOU ACHIEVE FINANCIAL FREEDOM--DO WHAT RICH PEOPLE DO! Starting with this profoundly simple concept, bestselling author Sandy Botkin and his son, Matt Botkin, interviewed a host of millionaires to learn how they made their money, invested it,

and planned for the future. The result is Achieve Financial Freedom—Big Time!, a simple, straightforward guide to building, keeping, and growing your wealth so you never have to worry about finances again. The authors reveal the fundamental financial decisions this elite group makes in virtually every area of financial planning--from paying for college and healthcare to investing and estate planning. Learn how to: Reduce your debt to zero--including your mortgage Choose realistic retirement targets Pick the right insurance and insurance options for your needs--and save money at the same time Pay for your child's college and wedding without going broke Lower your tax burden Avoid any Madoff-style scam Increase your asset protection and reduce your chances of being sued Achieve Financial Freedom—Big Time! tells you everything CPAs don't want to. Start taking action now--so you don't have to in the future.

Merge Left - Ian Haney López 2019-10-01
From the acclaimed author of Dog Whistle Politics, an essential road map to neutralizing the role of racism as a divide-and-conquer political weapon and to building a broad multiracial progressive future "Ian Haney López has broken the code on the racial politics of the last fifty years."—Bill Moyers In 2014, Ian Haney López in Dog Whistle Politics named and explained the coded racial appeals exploited by right-wing politicians over the last half century—and thereby anticipated the 2016 presidential election. Now the country is heading into what will surely be one of the most

consequential elections ever, with the Right gearing up to exploit racial fear-mongering to divide and distract, and the Left splintered over the next step forward. Some want to focus on racial justice head-on; others insist that a race-silent focus on class avoids alienating white voters. Can either approach—race-forward or colorblind—build the progressive supermajorities necessary to break political gridlock and fundamentally change the country's direction? For the past two years, Haney López has been collaborating with a research team of union activists, racial justice leaders, communications specialists, and pollsters. Based on conversations, interviews, and surveys with thousands of people all over the country, the team found a way forward. By merging the fights for racial justice and for shared economic prosperity, they were able to build greater enthusiasm for both goals—and for the cross-racial solidarity needed to win elections. What does this mean? It means that neutralizing the Right's political strategy of racial division is possible, today. And that's the key to everything progressives want to achieve. A work of deep research, nuanced argument, and urgent insight, *Merge Left: Fusing Race and Class, Winning Elections, and Saving America* is an indispensable tool for the upcoming political season and in the larger fight to build racial justice and shared economic prosperity for all of us.

[The Systems Thinking Playbook](#) - Linda Booth Sweeney 2010

The Tax and Legal Playbook - Mark J. Kohler 2019-07-23

The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of *The Tax and Legal Playbook*, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you

build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points, Kohler coaches you through the complexities of the tax game of the small-business owner. You'll also learn how to: Examine your business needs and pick the right business entity for you Build your personal and corporate credit in eight steps Implement affordable asset protection strategies Take advantage of underutilized business tax deductions Pick the right health-care, retirement, and estate plans Bring on partners and investors the right way Plan for your future with self-directed retirement funds Reading from cover to cover or refer to each chapter as needed, you will come away wiser and better equipped to make the best decisions for your business, your family, and yourself.

[The Self Directed IRA Handbook](#) - Mat Sorensen 2013-12-30

The *Self Directed IRA Handbook* explains how investors can own alternative retirement plan assets in their IRAs. These assets typically include; real estate, private stock, IRA/LLCs, LP, LLC, private equity, hedge funds, private placement, crowdfunding, and precious metals. The Handbook clearly explains the prohibited transaction rules, investment structures, common self directed IRA investment assets, and SDIRA tax pitfalls (UBIT & UDFI tax). The Handbook goes beyond the basics of self directed IRAs and includes extensive FAQs after each chapter, and nearly 100 citations to cases, statutes, rulings, and opinions from the Courts, the IRS, and the DOL. Its author, Mat Sorensen, is an experienced attorney who has advised clients with IRAs at every major self directed IRA custodian, and who speaks frequently at industry associations and before professional groups on self directed IRA topics. Mat regularly advises clients on the prohibited transaction rules, on IRA/LLC structures, on real estate and private company investments, and on UBIT and UDFI taxes. Mat has also successfully represented self directed IRA owners before the IRS Appeals Office and the U.S. Tax Court. To view testimonials for the book, and for additional self directed IRA resources, please visit the author's site at www.sdirahandbook.com

A Brief History of Economic Genius - Paul Strathern 2004-01

Strathern brings the reader along in a lively, breezy and elegant manner, through Adam Smith and Hume; the French Optimists and British Pessimists: Saint-Simon and Owen; Marx and Hegel; Pareto; Veblen; Schumpeter, Keynes, John Nash and finally fullcircle back to von Neumann. Strathern uncovers the genuine progression of the development of mathematics and economic theory, from double-entry bookkeeping to the discovery of standard deviation and the various applications of probability theory. These brilliant economists and mathematicians often were aware of each other, had met each other or read each other's work thereby influencing and building upon one another's conclusions. Strathern manages his broad swath of historical information and condenses it into a very usable, readable and informative format.

Fair Play - Eve Rodsky 2021-01-05

AN INSTANT NEW YORK TIMES BESTSELLER
A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space--the

time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Your Baby's Ugly - Justin A Goodbread 2022-02
With this book, you can improve your business in eight key areas to increase your company revenue and profits today, not just for when you sell your company. The real payoff comes from building value into your company, beyond annual profits. Follow this book, and you'll have more sales, more profit, and even more exit options. This book will help raise you to new career highs in entrepreneurship, making the difference between selling your business for massive amounts of money, or failing to get even a single offer. The sooner you read this book, the better.

The Book of Pook - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

Dark Money - Jane Mayer 2017-01-24

NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of *The Dark Side*, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy. Lower Your Taxes - BIG TIME! 2019-2020: Small Business Wealth Building and Tax Reduction Secrets from an IRS Insider -

Sandy Botkin 2018-12-14

Learn how to navigate the latest changes to the tax law—and save big on your taxes! For most people, tax time is the most dreaded time of the year. After the recent tax overhaul enacted by Congress, taxpayers are more anxious and confused than ever. Lower Your Taxes—Big Time! helps you understand how the latest tax bill affects your personal and business taxes. Fully updated for the 2019 - 2020 season, this essential book covers everything you need to know about saving money on tax day—and every other day of the year. Whether you're a consultant, business owner, independent contractor, or home filer, you'll learn how to legally, morally and ethically take advantage of the tax system to get a yearly subsidy of \$5,000 or more back from the IRS—and bulletproof your records forever. Written by tax expert and former IRS attorney Sandy Botkin, this is a must-have resource for saving thousands of dollars at tax time. Lower Your Taxes Big Time! shows you how to:

- Properly document any business deduction so you never have to worry about being audited
- Get a tax subsidy of \$5,000 or more for starting up your own home-based business
- Turn tuition, entertainment, orthodontia, and other expenses into huge deductions
- Take advantage of small-business tax changes and extensions recently passed by the American Tax Cuts and Jobs Act, and more.
- Learn how to easily navigate and maximize the new 20% pass through deduction for most small businesses

The Spirituality of Wine - Gisela H. Kreglinger 2016

Wine serves an important role both in Scripture and in the Christian church, but its significance has received relatively little theological attention in modern times. This book fills that gap.

Viewing wine as a gift of God's created bounty

and as a special symbol used pervasively throughout Scripture, Kreglinger canvasses the history of wine in the church, particularly its use in the Lord's Supper, discusses the fascinating process of winemaking, and considers both the health benefits of wine and the dangers of alcohol abuse. Offering a vision of the Christian life that sees God in all things - including the work of a vintner and the enjoyment of a well crafted glass of wine.

How Change Happens - Duncan Green 2016

A NEW YORK TIMES NOTABLE BOOK OF THE

YEAR • NEW YORK TIMES BEST SELLER • A

grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of Say Nothing The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. Empire of Pain begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune.

He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond's son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug's addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America's second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world's great fortunes.

[What Your CPA Isn't Telling You: Life-changing Tax Strategies](#) - Mark J. Kohler 2011-02-23

This is a powerful story woven around one theme—TAX PLANNING CAN CHANGE YOUR LIFE Tackling the fundamental question asked by all taxpayers - How can I save on taxes? — attorney and CPA Mark J. Kohler empowers you to dismiss standard CPA viewpoints like your tax payment is what it is and you just make too much money. Simplified through the mastery of storytelling, Kohler invites you to immerse yourself in the compelling tale of a typical family's tax awakening. Through their journey, you'll discover critical, but underutilized tax strategies to achieve huge tax savings, greater wealth, and, ultimately, a winning pursuit of the American Dream. "Mark brought tax planning to life in a story line we can all relate to

personally!" Lori Mackey, award-winning author, CEO of Prosperity4Kids, Inc. "It is about time someone brought the benefits of tax planning to the masses. That is what Mark has achieved in this book." Dermot Berkery, author of *Raising Capital for the Serious Entrepreneur* "If you are not happy with your current CPA relationship, and aren't in love with your generic tax planning software, and wonder if there are better options out there. . .you need to read this book!" Tim Higgins, author of *Paying For College Without Sacrificing Your Retirement* "FINALLY, a tax book that I can not only understand but relate to and actually learn from. I never thought it was possible, however Mark Kohler did it - he made learning about taxes fun." Starr Hall, www.StarrHall.com, international author, speaker "This book changed the way I saw my taxes and my financial future." Woody Woodward, filmmaker, author, success Strategist Includes Tax Planning Resource Kit—Access templates, checklists, charts, and videos for additional support!

Tax-Free Wealth - Tom Wheelwright
2013-02-28

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

Investing in Your 20s and 30s For Dummies - Eric Tyson 2016-06-20

Covering everything from evaluating assets and managing risk to demystifying your portfolio, this guide offers expert invest advice that you shouldn't be without.

Accounting for Small Business Owners - Tycho Press 2015-04-13

All the financial accounting a small business will ever need Owning and running a small business can be complicated. On top of developing,

marketing and selling your product or service, you've got to be prepared to handle the money that's coming in, pay your employees, track expenditures, consider your stock options, and much more. Accounting for Small Business Owners covers the entire process of establishing solid accounting for your business and common financial scenarios, and will show you how to:

- Set up and run your business
- Manage and sell your product or service

Merchants of Doubt - Naomi Oreskes 2011-05-31
Documents the troubling influence of a small group of scientists who the author contends misrepresent scientific facts to advance key political and economic agendas, revealing the interests behind their detractions on findings about acid rain, DDT, and other hazards.

Introduction to Business - Lawrence J. Gitman 2018

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

Business Buyout Agreements - Anthony Mancuso 2022-06-03

Head off disagreements with co-owners It happens to any business that's owned by more than one person: Sooner or later, one or more owners will want or need to leave the business. What happens when you're ready to move on? Or what happens to your company if one co-owner wants to retire, files for bankruptcy, or goes through a divorce? Unless you plan in advance, it could threaten the survival of your business. In short, it's essential that you create a

simple but effective "prenuptial agreement" for your company with a buyout agreement (buy-sell agreement). This document clarifies: when you or your co-owners can sell ownership interests the circumstances requiring an owner to sell (personal bankruptcy, for example) how much departing owners can ask for their shares, and how long continuing owners have to pay the former owner. Business Buyout Agreements walks you through the creation of your own legal agreement—before issues come up and cause problems. It provides all the tax and legal information you need at every step, such as how to structure the agreement to avoid estate taxes. You'll have a clear, fair agreement—and peace of mind. With Downloadable Forms Everything you need to create a buy-sell agreement is provided, details inside.

Hearts Touched with Fire - David Gergen 2022-05-10

INSTANT NEW YORK TIMES BESTSELLER A powerful guide to the art of leadership from David Gergen—former White House adviser to four US presidents, CNN analyst, and founder of the Harvard Center for Public Leadership. As nations careen from one crisis to the next, there is a growing cry for fresh leadership. Those in charge have repeatedly fallen short, and trust in institutions has plummeted. So, what does great leadership look like? And how are great leaders made? David Gergen, a leader in the public arena for more than half a century, draws from his experiences as a White House adviser to four presidents, his decades as a trusted voice on national issues, and years of teaching and mentoring young people to offer a stirring playbook for the next generation of change-makers. To uncover the fundamental elements of effective leadership, Gergen traces the journeys of iconic leaders past and present, from pathbreakers like Ruth Bader Ginsburg, John Lewis, John McCain, and Harvey Milk to historic icons like Lincoln, John F. Kennedy, Winston Churchill, and Eleanor and Franklin Roosevelt, to contemporary game changers like Greta Thunberg, the Parkland students, and the Black Lives Matter movement. Leadership is a journey that starts from within, Gergen writes. A leader must become self-aware and then achieve self-mastery. You cannot lead others until you can lead yourself. As you start to leap into the world,

you begin your outer journey, overcoming setbacks, persuading others, empowering them, and navigating crises—armed with a sense of history, humor, passion, and purpose. By linking lessons of the past with the ever-changing practice of leadership today, Gergen reveals the time-tested secrets of dynamic leadership. An indispensable manual, *Hearts Touched with Fire* distills experience and wisdom of the past into an invaluable guide for leaders of our future.

[Game Change LP](#) - John Heilemann 2010-01-26

In *Game Change*, John Heilemann and Mark Halperin, two of the country's leading political reporters, use their unrivaled access to pull back the curtain on the Obama, Clinton, McCain, and Palin campaigns. Based on hundreds of interviews with the people who lived the story, *Game Change* is a reportorial tour de force that reads like a fast-paced novel. Character-driven and dialogue-rich, replete with extravagantly detailed scenes, it's an intimate portrait of some of the most powerful and fascinating figures in American life—the occasionally shocking, often hilarious, ultimately definitive account of the campaign of a lifetime.

Letting Go of the Status Quo - Deloitte Development LLC 2010

[Rich Dad's Increase Your Financial IQ](#) - Robert T. Kiyosaki 2008-03-26

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular *Rich Dad Poor Dad* series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In *INCREASE YOUR FINANCIAL IQ*, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's

what you keep." o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can. o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step. o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

Digital Supply Networks: Transform Your Supply Chain and Gain Competitive Advantage with Disruptive Technology and Reimagined Processes - Amit Sinha 2020-07-21

Deliver unprecedented customer value and seize your competitive edge with a transformative digital supply network. Digital tech has disrupted life and business as we know it, and supply chain management is no exception. But how exactly does digital transformation affect your business? What are the breakthrough technologies and their capabilities you need to know about? How will digital transformation impact skills requirements and work in general? Do you need to completely revamp your understanding of supply chain management? And most importantly: How do you get started? *Digital Supply Networks* provides clear answers to these and many other questions. Written by an experienced team comprised of Deloitte consultants and leading problem-driven scholars from a premier research university, this expert guide leads you through the process of improving operations, building supply networks, increasing revenue, reimagining business models, and providing added value to customers, stakeholders, and society. You'll learn everything you need to know about: Stages of development, roles, capabilities, and the benefits of DSN Big data analytics including its attributes, security, and authority. Machine learning, Artificial Intelligence, Blockchain, robotics, and the Internet of Things. Synchronized planning, intelligent supply, and digital product development. Vision, attributes, technology, and benefits of smart manufacturing, dynamic logistics, and fulfillment. A playbook to guide the digital transformation journey. Drawing from real world-experience and problem-driven academic research, the authors provide an in-depth account of the

transformation to digitally connected supply networks. They discuss the limitations of traditional supply chains and the underlying capabilities and potential of digitally-enabled supply flows. The chapters burst with expert insights and real-life use cases grounded in tomorrow's industry needs. Success in today's hyper-competitive, fast-paced business landscape, characterized by the risk of black swan events, such as the 2020 COVID-19 global pandemic, requires the reimagination and the digitalization of complex demand-supply systems, more collaborative and connected processes, and smarter, more dynamic data-driven decision making—which can only be achieved through a fully integrated Digital Supply Network.

How to Beat Trump - Mark Halperin
2019-10-29

"Sacrifices must be made, not just for the party, but for history" MORE THAN 100 MILLION ANXIOUS AMERICANS WANT TO KNOW: HOW CAN DONALD TRUMP BE BEATEN IN 2020 AND EVICTED FROM THE WHITE HOUSE? Mark Halperin interviewed the nation's most experienced political strategists to discover what they think the Democratic nominee needs to do to win the 270 electoral votes required for victory. Drawing on first-hand experience, tactical savvy, and war stories from presidential campaigns past, America's top operatives explain how to meet the daunting challenge of defeating President Trump. They provide expert advice on bracing for psychological battle, understanding Trump's voters, picking a running mate, mastering the debates, and dodging black swans—time-tested and creative ideas that reveal the secrets every presidential hopeful wants to know, with specific insights on tackling the volatile, unpredictable force of nature that is Donald Trump. While endlessly controversial, the 45th president remains one of the most formidable political campaigners in modern history, with a staggering financial advantage and powerful allies. Only four elected incumbent American presidents have lost reelection bids since 1900. Few of the strategists think beating Trump will be easy. But none believe it is impossible. Their best ideas, gleaned from years of experience at the highest levels of American politics, are all presented in this compelling and

fast-paced book. HOW TO BEAT TRUMP will give voters tools to evaluate which candidates are best positioned to defeat the incumbent. More than seventy-five strategists were interviewed for HOW TO BEAT TRUMP, including Jill Alper, David Axelrod, Donna Brazile, James Carville, Tad Devine, Karen Dunn, Adrienne Elrod, Jennifer Granholm, Ben LaBolt, Jeff Link, Jim Margolis, Mike McCurry, Mark Mellman, Amanda Renteria, John Sasso, Kathleen Sebelius, Bob Shrum, Ginny Terzano, and David Wilhelm.

Tax, Inequality, and Human Rights - Philip G. Alston 2019-04-11

For the first time, Human Rights and Tax in an Unequal World brings together works by human rights and tax law experts, to illustrate the linkages between the two fields and to reveal their mutual relevance in tackling economic, social, and political inequalities. Against the backdrop of systemic corporate tax avoidance, the widespread use of tax havens, persistent pressures to embrace austerity policies, and growing gaps between the rich and poor, this book encourages readers to understand fiscal policy as human rights policy, with profound consequences for the wellbeing of citizens around the world. The essays collected examine where the foundational principles of tax law and human rights law intersect and diverge; discuss the cross-border nature and human rights impacts of abusive practices like tax avoidance and evasion; question the role of states in bringing transparency and accountability to tax policies and practices; highlight the responsibility of private sector actors for the consequences of tax laws; and critically evaluate certain domestic tax rules through the lens of equality and non-discrimination. The contributing scholars and practitioners explore how an international human rights framework can anchor debates around international tax reform and domestic fiscal consolidation in existing state obligations. They address what human rights law requires of state tax policies, and what a state's tax laws and loopholes mean for the enjoyment of human rights within and outside its borders. Ultimately, tax and human rights both turn on the relationship between the individual and the state, and thus both fields face crises as the social contract frays and

populist, illiberal regimes are on the rise.

Business Model You - Timothy Clark

2012-03-12

A one-page tool to reinvent yourself and your career The global bestseller Business Model Generation introduced a unique visual way to summarize and creatively brainstorm any business or product idea on a single sheet of paper. Business Model You uses the same powerful one-page tool to teach readers how to draw "personal business models," which reveal new ways their skills can be adapted to the changing needs of the marketplace to reveal new, more satisfying, career and life possibilities. Produced by the same team that created Business Model Generation, this book is based on the Business Model Canvas methodology, which has quickly emerged as the world's leading business model description and innovation technique. This book shows readers how to: Understand business model thinking and diagram their current personal business model Understand the value of their skills in the marketplace and define their purpose Articulate a vision for change Create a new personal business model harmonized with that vision, and most important, test and implement the new model When you implement the one-page tool from Business Model You, you create a game-changing business model for your life and career.

Unshakeable - Anthony Robbins 2017-02-28

After interviewing fifty of the world's greatest financial minds and penning the #1 New York Times bestseller Money: Master the Game, Tony Robbins returns with a step-by-step playbook, taking you on a journey to transform your financial life and accelerate your path to financial freedom. No matter your salary, your stage of life, or when you started, this book will provide the tools to help you achieve your financial goals more rapidly than you ever thought possible. Robbins, who has coached more than fifty million people from 100 countries, is the world's #1 life and business strategist. In this book, he teams up with Peter Mallouk, the only man in history to be ranked the #1 financial advisor in the US for three consecutive years by Barron's. Together they reveal how to become unshakeable--someone who can not only maintain true peace of mind in a world of immense uncertainty, economic

volatility, and unprecedented change, but who can profit from the fear that immobilizes so many. In these pages, through plain English and inspiring stories, you'll discover... -How to put together a simple, actionable plan that can deliver true financial freedom. -Strategies from the world's top investors on how to protect yourself and your family and maximize profit from the inevitable crashes and corrections to come. -How a few simple steps can add a decade or more of additional retirement income by discovering what your 401(k) provider doesn't want you to know. -The core four principles that most of the world's greatest financial minds utilize so that you can maximize upside and minimize downside. -The fastest way to put money back in your pocket: uncover the hidden fees and half truths of Wall Street--how the biggest firms keep you overpaying for underperformance. -Master the mindset of true wealth and experience the fulfillment you deserve today.

Deduct Everything - Eva Rosenberg 2016

"From nationally-recognized tax expert, bestselling author, and columnist at MarketWatch, DEDUCT EVERYTHING! is full of strategies and tips, organized by topic, designed to reduce taxes in everyday life. Rosenberg also provides references and links to websites, etc, where taxpayers can go to get the latest forms. 2021-06-29

This is a comprehensive, but easy-to-use guide for anyone who wants to form a corporation in

any state. This edition is updated to cover all changes to state, federal, and tax law.

What It Takes - Richard Ben Cramer
2011-08-02

Before Game Change there was What It Takes, a ride along the 1988 campaign trail and “possibly the best [book] ever written about an American election” (NPR). Written by Pulitzer Prize-winning journalist and New York Times-best-selling author Richard Ben Cramer, What It Takes is “a perfect-pitch rendering of the emotions, the intensity, the anguish, and the emptiness of what may have been the last normal two-party campaign in American history” (Time). An up-close, in-depth look at six candidates—George H. W. “Poppy” Bush, Bob Dole, Joe Biden, Michael Dukakis, Richard Gephardt, and Gary Hart—this account of the 1988 US presidential campaign explores a unique moment in history, with details on everything from Bush at the Astrodome to Hart’s Donna Rice scandal. Cramer also addresses the question we find ourselves pondering every four years: How do presumably ordinary people acquire that mixture of ambition, stamina, and pure shamelessness that allows them to throw their hat in the ring as a candidate for leadership of the free world? Exhaustively researched from thousands of hours of interviews, What It Takes creates powerful portraits of these Republican and Democratic contenders, and the consultants, donors, journalists, handlers, and hangers-on who surround them, as they meet, greet, and strategize their way through primary season chasing the nomination, resulting in “a hipped-up amalgam of Teddy White, Tom Wolfe, and Norman Mailer” (Los Angeles Times Book Review). With timeless insight that helps us understand the current state of the nation, this “ultimate insider’s book on presidential politics” explores what helps these people survive, what makes them prosper, what drives them, and ultimately, what drives our government—human beings, in all their flawed glory (San Francisco Chronicle).

475 Tax Deductions for Businesses and Self-Employed Individuals - Bernard B. Kamoroff
2011
