Moments of Grace - Laurie Blefeld 2018-04-18

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

From Comic Strips to Graphic Novels - Daniel Stein 2015-04-24

This essay collection examines the theory and history of graphic narrative as one of the most interesting and versatile forms of

storytelling in contemporary media culture. Its contributions test the applicability of narratological concepts to graphic narrative, examine aspects of graphic narrative beyond the 'single work', consider the development of particular narrative strategies within individual genres, and trace the forms and functions of graphic narrative across cultures. Analyzing a wide range of texts, genres, and narrative strategies from both theoretical and historical perspectives, the international group of scholars gathered here offers state-of-the-art research on graphic narrative in the context of an increasingly postclassical and transmedial narratology. This is the revised second edition of From Comic Strips to Graphic Novels, which was originally published in the Narratologia series.

Star Dwarves - Christopher P. Young 2018-12-23

Dwarves in Space! The Underworld has always been the hub of technology in Ononokin, but up until now they could only dream of leaving the atmosphere. When the gnome known as Buzzrigger Tinkerpop connects with an enterprising dwarf by the name of Kusdrin Chainhelm, the Dwarf Aeronautic Space Administration (DASA) is born. Their first rocket is called The Pointy Anvil and it's only a couple months away from lift off. The crew has been selected, training is underway, and they're in the final phase of fit and finish! Unfortunately, there are often events that cause things to go awry, especially on Ononokin. But when things get really out of hand, the crew of The Pointy Anvil might just find themselves entering an entirely new reality that is no longer part of Ononokin at all!

Crack the Sky - Hunter Blain 2021-08-23

In the heart of darkness... do what must be done. Depweg is lost in time, unwittingly finding himself in a stream of reality that has broken off from the single river our universe safely resides upon. John has no choice but to do the impossible and retrieve his best friend or risk the two parallel timelines crashing into one another. Teaming up with the newcomer, Jose, our hero must act quickly to prevent a catastrophic flood of crashing realities. Poised at the center of our galaxy, lies the most destructive force in the known universe, and John will get a first-hand experience at its unimaginable power. To save Depweg, our hero must travel through the supermassive blackhole, and back in time to find a single needle in a thousand haystacks. Waking up in a strange place, Depweg is gifted with something he hadn't known he had craved since John had first told him of the unstoppable prophecy and coming apocalypse; solace. For the first time in years, Depweg can take a breath, finding peace in the knowledge that the end of the world is far, far away. There's only one thing that could make his relaxing vacation even better while simultaneously providing the perfect reason to never go back... Having lost everyone he cares about, a defeated, hopeless young man will allow chaos into his heart in exchange for a chance at revenge for the fallen. All too late, he realizes the cost as the law of unintended consequences proves to be absolute, and a war is waged on people the young man once called friend. Behind the scenes, powerful marionettes pluck at fraying strings, guiding the story toward its inevitable conclusion. Will John be able to cut away his strings to become a real

boy? Or will he remain a puppet to his fate... If you like Jim Butcher, Shayne Silvers, Cameron O'Connell, Kevin Hearne, Steve McHugh, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Civilization - Helen Fewster (Editor) 2020-09

"From the beginning of human history, the one thing that has defined us is our talent for making things, from basic technology and everyday objects, such as bowls and hand axes, to high-tech inventions, such as supersonic aircraft, smart devices, and Mars rovers. Objects speak volumes about a civilization, telling us how our ancestors lived - as well as what they believed in and valued. A bronze cat mummy shows us how highly the ancient Egyptians valued their feline companions, while a mechanical tiger toy tells the story of rising tensions between an Indian sultan and European colonisers. With stunning, specially commissioned photography, Civilization shows you the objects that our ancestors treasured - from the jewellery worn by the Mesopotamians to the prized ritual vessels used by the people of the Shang dynasty - and gives you an insight into what gave each culture its own identity. From astrolabes and aeroplanes to vacuum cleaners and X-rays, DK uses its hallmark visual style to weave the extraordinary legacy of our creativity into a unique view of world history that will change the way you see the objects all around us."--Publisher.

Women of Will - Tina Packer 2016-03-08

Women of Will is a fierce and funny exploration of Shakespeare's understanding of the feminine. Tina Packer, one of our foremost Shakespeare experts, shows that Shakespeare began, in his early comedies, by writing women as shrews to be tamed or as sweet little things with no independence of thought. The women of the history plays are much more interesting, beginning with Joan of Arc. Then, with the extraordinary Juliet, there is a dramatic shift: suddenly Shakespeare's women have depth, motivation, and understanding of life more than equal to that of the men. As Shakespeare ceases to write women as

predictable caricatures and starts writing them from the inside, his women become as dimensional, spirited, spiritual, active, and sexual as any of his male characters. Wondering if Shakespeare had fallen in love (Packer considers with whom, and what she may have been like), the author observes that from Juliet on, Shakespeare's characters demonstrate that when women and men are equal in status and passion, they can—and do—change the world.

Relic - Ben Zackheim 2020-11-11

Hated by the gods. Feared by the vampires. Needed by everyone else. Kane Arkwright is used to being used. But he's done with the whole pawn routine. The Queen of Vampires, Tabitha, has a laundry list of things she wants from him and she'll do anything to get her way. Tough. Blood Bond or no Blood Bond, he's done with her. Then there's his teacher, Skyler, who was a jerk from hello so the old man is about to learn the meaning of retirement. Even Kane's partner, Rebel, put aside her strong feelings for him when the power of The Holy Grail beckoned. He'll let that one pass, but she'd better not pull that crap again. As Kane and Rebel set out to find the Sceptre of Was, an Egyptian relic with the power to bend reality itself, there's one more jackass who wants to control Kane and his cache of powerful relics. But who is it? Who's behind the escalating violence and the stench of war? The answer is unexpected. The answer has been right in front of our eyes the whole time. And the answer changes everything. Kiln People - David Brin 2003-01-20

In a perilous future where disposable duplicate bodies fulfill every legal and illicit whim of their decadent masters, life is cheap. No one knows that better than Albert Morris, a brash investigator with a knack for trouble, who has sent his own duplicates into deadly peril more times than he cares to remember. But when Morris takes on a ring of bootleggers making illegal copies of a famous actress, he stumbles upon a secret so explosive it has incited open warfare on the streets of Dittotown. Dr. Yosil Maharal, a brilliant researcher in artificial

intelligence, has suddenly vanished, just as he is on the verge of a revolutionary scientific breakthrough. Maharal's daughter, Ritu, believes he has been kidnapped-or worse. Aeneas Polom, a reclusive trillionaire who appears in public only through his high-priced platinum duplicates, offers Morris unlimited resources to locate Maharal before his awesome discovery falls into the wrong hands. To uncover the truth, Morris must enter a shadowy, nightmare world of ghosts and golems where nothing - and no one-is what they seem, memory itself is suspect, and the line between life and death may no longer exist. David Brin's *Kiln People* is a 2003 Hugo Award Nominee for Best Novel. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Camelot Kids - Ben Zackheim 2014-11-11

What would you do if an odd girl in a cloak told you, "You know you're a descendant of King Arthur's knight, Lancelot, right?" You'd probably do the same thing 14-year-old New Yorker Simon Sharp does. Back away nice and slow. But Simon learns the truth when he's kidnapped by a drunk troll, rescued by a 7-foot man named Merlin, and thrown into training with 149 other heirs of the Knights of the Round Table. Can Simon survive a prophecy that predicts the world will be saved through its destruction? *The Camelot Kids* is about one boy's struggle to make it to tomorrow in a world both real and fantastic.

Relic: Blade - Ben Zackheim 2019-02-20

Cocky vampires, mythical swords, steady Glocks and ghost hordes. Welcome to my world. Thousands of vampires just woke up from a 1000-year slumber. Before nap-time they buried their fortunes around the world. Now they want their hidden treasures back. It's my job to get to the relics first. My partner Rebel and I need to track down and dig up hundreds of ancient items, and fast. They're worth, well, whatever comes after quadrillions. Most of them also happen to pack nasty supernatural powers. Our latest target is a sword with the power to destroy the world. We just have to get past the grumpy blood suckers, the biting ghost hordes and a particularly nasty wizard. But who am I kidding? Sneaking around won't work. Not when it comes to vampires. There's really only

one way this can end. On the edge of a blade. If you like Kevin Hearne, McKenzie Hunter, John P. Logsdon, Larry Correia, Orlando Sanchez or Shayne Silvers, you will LOVE the first installment in the Kane Arkwright series. Historical Notes on English Catholic Missions - Bernard Kelly 2017-06-06

Till the researches of modern historians proved the contrary, a widespread belief existed in this country that the accession of Elizabeth was hailed by the majority of the nation as the deliverance of an enthralled and coerced people from the bondage of Home. In view, however, of known facts, even hostile critics are forced to admit that the final establishment of the tenets of the Reformation in England was the outcome of a slow process of evolution-assisted, it is true, by a protestant legislature and several favorable local circumstances, but still an evolution-which lasted the greater part of a century. At the outset, little if anything presaged the ultimate and mighty change. The Queen received the congratulations of the episcopate with approbation and caused Masses to be duly sung for her sister's soul. In her own domestic chapel she continued to be present at the angust sacrifice of the Catholic Church, frequently availed herself of Confession, manifested respect for sacred images and pictures, and was indulgent to the affectionate practice of praying for the souls of the departed.' In a word, she showed by her whole demeanour her resolution of abiding by her solemn oath to the late Queen' to live and die a true Roman Catholic.'

Kentucky Chances - Cathy Marie Hake 2006

In Salt Lick Holler, Kentucky, three women healing from past hurts aren't looking for love, but love comes looking for them. Lovejoy Spencer is so determined to keep her sister from making the same mistakes she did, she almost misses her own last Chance. Hattie Thales is accepting her lot in life, while Logan Chance longs for adventure. He leaves the ranch in Reliable, California, unaware he's launching God's plan for both lives. Daisy Thales thinks she'd rather go it alone until God sends the last Chance bachelor, a rancher who has a quiet way with her son and with

her heart.
