The Souls of Her Feet - Kristen Caven 2019-06-14

For seventeen-year-old Ashley St. Helens, senior year is an endless stressfest with no hope in sight. Since her parents' death, she's had to deal with her micro-managing step-monster and her two narcissist step-sisters, whose fashion fetishes just make Ashley feel worse about her oversized feet. With dirty dishes and stinky laundry piling up at home, it seems that the Universe has deemed her the real-life Cinderella, especially since popular Jeff Prince has forgotten she exists. With help from her drag queen fairygodwhatever—and just the right shoes—Ashley finds her voice and fights back against the "perfect" materialistic life that traps her. But will her soulful transformation translate into the life she wants to have? Will she be able to escape to college, or will she have to give up on that dream? Post-modern, colorful, and quirky, Kristen Caven paints a relatable picture of teenage insecurities that will inspire readers to spark new conversations with their families about responsibility and empathy, morality and wastefulness, life choices, cross-dressing, and best of all, cleaning the house. A must-read for anyone who loves vintage footwear! This updated fourth edition includes bonus materials

such as essays by the main characters and songs from the musical.

Women of Vision - Eileen A. Gavin, PhD 2007-03-20

From the reviews: "Women of Vision blends biographical narrative with psychological perspectives on human development, resulting in a moving and passionate book that is suitable for both academic and nonacademic readers. It is a useful tool for teaching purposes or for simple, enjoyable, and informative reading." -- Psychology of Women Quarterly "...a fascinating look of preservation and perceptiveness that is differentiated from its predecessors in its range of disciplines and emphasis...This new 'life course' approach to understanding female leaders gives valuable insight into the lives of these imminent women, furnishing insights into how the social-economic-political milieu and the attitudes and values of the time played a significant role in the lives of these women but also in all our lives. Women of Vision will serve as a springboard for exploration of how the psychologies of individual human lives affect their life-course and as a galvanizing step for many more future women of vision and leadership....The accounts in the book should be of substantial significance for readers interested in gender issues. However, the book will appeal to an even wider audience. Persons hoping to move in new directions in their own lives (e.g.,

women looking wistfully at new academic and occupational paths after years in stereotypic niches) can surely also find inspiration in the various accounts."--SirReadaLot.org We all know of women of great vision; women whose efforts and accomplishments have had a major impact on the arts, politics, women's rights, sports, or science. But often we may not understand how they became such powerful agents of change and what sorts of questions we should ask of their pasts to understand how the trajectories of their lives were formed. In this extraordinary textbook, leading experts cast new light on the role of circumstance, accomplishments, and personality in the development of various twentieth-century women of vision. This is a brand new life-course approach to understanding female leaders and gives valuable insight into the lives of such eminent women as Rachel Carson, Evelyn Gentry Hooker, Georgia O'Keeffe, Eleanor Roosevelt, "Babe" Didrikson Zaharias, Ella Fitzgerald, Alice Paul, Lucille Ball, and many others. Study questions and exercises at the end of each chapter further enhance the text. Women of Vision will serve as the springboard for exploration of how the psychologies of individual human lives affect their life-course and a galvanizing step for many more future women of vision and leadership. Swept off Her Feet - Hester Browne 2011-03-08
The steps of a charmingly complex dance—Scotland's famous reel—are at the heart of Hester Browne's enchanting contemporary

novel of two very different sisters whose dreams may come true at a romantic Scottish ball. Evie Nicholson is in love . . . with the past. An antiques appraiser in a London shop, Evie spins fanciful attachments to Victorian picture frames, French champagne glasses, satin evening gloves, and tattered teddy bears—regardless of their monetary value. Alice Nicholson is in love . . . with Fraser Graham, a dashing Scotsman whom Evie secretly desires. As crisply neat and stylish as Evie is cheerfully cluttered, Alice is a professional organizer determined to pull her sister out of her comfort zone—and who presents her with an irresistible offer. As a favor to friends of Fraser's family, Evie jumps at the chance to appraise a Scottish castle full of artifacts and heirlooms. What could be more thrilling than roaming the halls of Kettlesheer and uncovering the McAndrews' family treasures—and dusty secrets? But crossing paths with moody heir Robert McAndrew has Evie assessing what she wants the most . . . and at an upcoming candlelight gala, a traditional dance will set her heart reeling.

On My Own Two Feet - Amy Purdy 2014-12-30
Amy Purdy, who inspired a nation on *Dancing with the Stars* and has been called a hero by Oprah Winfrey, reveals the intimate details of her triumphant comeback from the brink of death to making history as a Paralympic snowboarder. In this poignant and uplifting memoir, *Dancing With the Stars* sensation Amy Purdy reveals the story of how losing her legs led her to find a spiritual path. When the Las Vegas native was just nineteen, she contracted bacterial meningitis and was given less than a two percent chance of survival. In a near-death experience, she saw three figures who told her: "You can come with us, or you can stay. No matter what happens in your life, it's all going to make sense in the end." In that moment, Amy chose to live. Her glimpse of the afterlife—coupled with a mysterious premonition she'd had a month before—became the defining experiences that put Amy's life on a new trajectory after her legs had to be amputated. She wouldn't just beat meningitis and walk again; she would go on to create a life filled with bold adventures, big dreams, and boundless vitality—and share that spirit with the world. In 2014, Amy—the only competitor, male or female,

with two prosthetic legs—claimed a bronze medal for the U.S. Paralympic team in adaptive snowboarding. She then became a contestant on season eighteen of *Dancing With the Stars*, and viewers were captivated as the girl with bionic legs managed to out-dance her competitors all the way to the finale. Amy's journey is a testament to the resilience of the human spirit and the capacity we all have to dream bigger, defy expectations, and rewrite our stories. Amy was given a second chance for a reason—to use her life to inspire others. Her powerful memoir urges us to live life to the fullest, because we are all a lot more capable than we could ever imagine.

Fire Under My Feet - Ofosuwa M. Abiola
2021-09-16

Fire Under My Feet seeks to expose the diverse, significant, and often under-researched historical and developmental phenomena revealed by studies in the dance systems of the African Diaspora. In the book, written documentation and diverse methodologies are buttressed by the experiences of those whose lives are built around the practice of African diaspora dance. Replete with original perspectives, this book makes a significant contribution to dance and African diaspora scholarship simultaneously. Most important, it highlights the work of researchers from Ecuador, India, Puerto Rico, the United States, and the United Kingdom, and it exposes under-researched and omitted voices of the African diaspora dance world of the aforesaid locations and Puerto Rico, Columbia, and Trinidad as well. This study showcases a blend of scholars, dance practitioners, and interdisciplinarity, and engages the relationship between African diaspora dance and the fields of history, performance studies, critical race theory, religion, identity, and black agency.

Finding Your Feet - Cass Lennox 2017-01-16
While on holiday in Toronto, Evie Whitmore planned to sightsee and meet other asexuals, not audition for a dance competition. Now she's representing Toronto's newest queer dance studio, despite never having danced before. Not only does she have to spend hours learning her routine, she has to do it with one of the grumpiest men she's ever met. Tyler turns out to be more than a dedicated dancer, though -- he might be the kind of man who can sweep her off her feet, literally and figuratively. Tyler Davis has spent the last year recovering from an emotionally abusive relationship. So he doesn't need to be pushed into a rushed routine for a dumb competition. Ticking major representation boxes for being trans and biracial isn't why he went into dance. But Evie turns out to be a dream student. In fact, she helps him remember just how good partnering can be, in all senses of the word. Teaching her the routine, however, raises ghosts for him, ones he's not sure he can handle. Plans change, and people change with them. Learning a few steps is one thing; learning to trust again is another entirely.

The Oxford Handbook of Dance and Competition
- Dr. Sherril Dodds 2018-11-01

In the twenty-first century, values of competition underpin the free-market economy and aspirations of individual achievement shape the broader social world. Consequently, ideas of winning and losing, success and failure, judgment and worth, influence the dance that we see and do. Across stage, studio, street, and screen, economies of competition impact bodily aesthetics, choreographic strategies, and danced meanings. In formalized competitions, dancers are judged according to industry standards to accumulate social capital and financial gain. Within the capitalist economy, dancing bodies compete to win positions in prestigious companies, while choreographers hustle to secure funding and attract audiences. On the social dance floor, dancers participate in dance-offs that often include unspoken, but nevertheless complex, rules of bodily engagement. And the media attraction to the drama and spectacle of competition regularly plays out in reality television shows, film documentaries, and Hollywood cinema. Drawing upon a diverse collection of dances across history and geography, The Oxford Handbook of Dance and Competition asks how competition affects the presentation and experience of dance and, in response, how dancing bodies negotiate, critique, and resist the aesthetic and social structures of the competition paradigm.

Hollywood Movie Musicals - John Howard Reid 2006-04

When most people think of movie musicals, films like "Singin' in the Rain", "Sound of Music", "The Red Shoes", "On the Town", "White Christmas", "Ziegfeld Follies", "Top Hat", "Funny Face" and "Funny Girl" immediately come to mind. Such films are included in this book, as are many of the works of major stars, including Fred Astaire, Bing Crosby, Gene Kelly, Betty Grable, Shirley Temple, Julie Andrews, Elvis Presley, Lucille Ball, Alice Faye, Jeanette MacDonald, Maurice Chevalier, Nelson Eddy, Doris Day, Dick Powell, Betty Hutton, Eleanor Powell, and Al Jolson. But attention is also drawn to less lavishly produced but very pleasant musical offerings from both major and minor studios (including perhaps the finest "B" musical ever made). In all, 125 pictures are reviewed and detailed with full cast and technical credits, plus songs and musical numbers, awards, release dates and other essential background information.

Changing the Story - Gayle Greene 1991

The feminist fiction movement of the 1960s-1980s was and is as significant a movement as Modernism, Greene argues here. Focusing on the metafiction of Doris Lessing, Margaret Drabble, Margaret Atwood, and Margaret Laurence, she traces the roots of this feminist literary explosion to the second women's movement and places these writers within a sociohistorical matrix, and at the same time creates a new literary canon. Greene also speculates on the future of feminist fiction in the current regressive period of edition (unseen), \$17.50. Annotation copyrighted by Book News, Inc., Portland, OR
