Cries for a Lost Homeland -

Guli Francis-Dehqani

2021-08-25

Guli Francis-Dehqani was born in Isfahan, Iran, to a family who were part of the tiny Anglican Church established by 19th century missionaries. Her father, a Muslim convert, became the first indigenous Persian bishop. As the Islamic Revolution of 1979 swept across the country, church properties were raided, confiscated or closed down. Guli's father was briefly imprisoned before surviving an attack on his life, which injured his wife. Soon after, whilst he was out of the country for meetings, Guli's 24 year-old brother, Bahram, a university teacher in Tehran, was murdered. No one was ever brought to justice and the family were advised to leave

Iran. Guli was 14. They eventually settled in England with refugee status. Drawing on the riches of Persian culture and her own dramatic experience of loss of a homeland, Guli offers memorable and perceptive reflections on Jesus' seven final sayings from the cross, opening up for Western readers fresh and arresting insights from a Middle Eastern perspective. *Weekly Planner Book* - Vatzia Press 2021-05-30

The War Within - Alexis Peri
2017-01-02

Winner of the Pushkin House Russian Book Prize
Winner of the AATSEEL Book Prize
Winner of the University of Southern California Book Prize
Honorable Mention, Reginald Zelnik Book Prize
“Stand aside, Homer. I doubt whether even the author of the Iliad could have matched Alexis Peri’s account of the 872-day siege which Leningrad endured.”
—Jonathan Mirsky, *The Spectator* “Fascinating and perceptive.”
—Antony Beevor, *New York Review of Books* “Powerful and illuminating...A fascinating, insightful, and nuanced work.”
—Anna Reid, *Times Literary Supplement* “A sensitive, at times almost poetic examination.”
—Robert Legvold, *Foreign Affairs* In September 1941, two and a

half months after the Nazis invaded the Soviet Union, the German Wehrmacht encircled Leningrad. Cut off from the rest of Russia, the city remained blockaded for 872 days, at a cost of almost a million civilian lives. It was one of the longest and deadliest sieges in modern history. *The War Within* chronicles the Leningrad blockade from the perspective of those who endured it. Drawing on unpublished diaries written by men and women from all walks of life, Alexis Peri tells the tragic story of how young and old struggled to make sense of a world collapsing around them. When the blockade was lifted in 1944, Kremlin officials censored publications describing the ordeal and arrested many of Leningrad’s wartime leaders. Some were executed. Diaries—now dangerous to their authors—were concealed in homes, shelved in archives, and forgotten. *The War Within* recovers these lost accounts, shedding light on one of World War II’s darkest episodes while

paying tribute the resilience of the human spirit.

The Purple Diaries - Joseph Egan 2016-11-22
The "endlessly fascinating" true story of a custody battle that threatened to expose the seedy secrets of Hollywood's

Golden Age—illustrated with photos (Entertainment Weekly). Most famous for playing opposite Humphrey Bogart in *The Maltese Falcon*, Mary Astor was one of Hollywood's most beloved film stars. But her story wasn't a happy one. Widowed at twenty-four, she quickly entered a rocky marriage with Dr. Franklyn Thorpe in which both were unfaithful. When they finally divorced in 1936, Astor sued for custody of their baby daughter Marylyn, setting off one of Hollywood's most scandalous court cases. In the ruthless court battle, Thorpe held a trump card: the diaries Astor had been keeping for years. In them, Astor detailed her own affairs—including with playwright George S. Kaufman—as well as the myriad dalliances of some of Hollywood's biggest names. Studio heads were desperate to keep such damning details from leaking. But speculation of the diary's contents became a major news story, stealing the front page from *The Spanish Civil War* and Hitler's

1936 Olympic Games in newspapers all over America. With unlimited access to the photographs and memorabilia of Mary Astor's estate, *The Purples Diaries* is an in-depth look at Hollywood's Golden Age as it has never been seen before.
