The Career Fitness Program - Diane Sukiennik 2011-12-27

Firmly focused on today's career realities and economy - with sufficient breadth to help students choose, change, or confirm career choices and encourage growth for all ages, backgrounds, and circumstances. The Career Fitness Program is a top to bottom renovation, reaffirming, recasting, refocusing, and reframing this best-seller to revitalize content, graphics, photos, and layout to address the changing needs of students. It is user-friendly, easy to read, and suitable for both two- and four-year college students. It goes beyond facts and figures by offering critical questions that help students focus on, 'What's in it for them', to discover their best career fit. The organization follows the standard sequence of the decision-making process and career search process - Personal Assessment, The World of Work, and The Job Search - which enables use in short term courses or workshops while still giving students a comprehensive text for reference, and is easily customizable.

The RBG Workout - Bryant Johnson 2017-10-17

A fun, fully illustrated exercise book that details Ruth Bader Ginsburg's workout, written by her trainer. Have you ever wondered what keeps Justice Ruth Bader Ginsburg, one of the Supreme Court's favorite octogenarians, so sprightly? She owes it in part to the twice-weekly workouts she does with her personal trainer, Bryant Johnson, a man she's called "the most important person" in her life. Now you too can work out with Justice Ginsburg's trainer in the comfort of your home with The RBG Workout. From planks to squats to (full) push-ups, this simple but challenging workout—illustrated with four-color illustrations of the justice in workout gear—will have you getting fit in no time. With tips from the bench, and sidebars with Bryant's folksy wisdom on getting fit and staying healthy, this delightful book is a perfect gift for anyone looking to emulate one of America's most admired women.

Home Workout for Beginners - James Atkinson 2014-08-26

If you would like a progressive training routine that: Will break you in gently You can do from home Will not take up a lot of your time Then this book is for you! If you are one of the millions of people that: Has "tried everything to lose weight" Or you are one of those people that knows that you need to do something about your situation as the weight is creeping on, your fitness levels are dropping and you know that only a life style change will help you. Is unsure about joining a gym or fitness. (I know, this can be daunting) Knows that it's time to change but have not got a clue where to start Again, you will benefit from this book. Hi, I'm James Atkinson (Jim to my friends and readers). I'm a qualified personal trainer and fitness coach, competing bodybuilder and have a burning desire to help others reach their fitness goals. I have been training for over fifteen years. This training has taken me from long distance running to bodybuilding competition. It is fair to say that I have learned the secrets of weight loss and fitness from my own personal journey. I have been fat, skinny and muscle bound throughout my fitness career and I really feel fulfilment from helping and advising others when it comes to their goals. So this book is all about fitness for the beginner. Believe me; I can empathise with the beginner. There is so much contradicting information out there today that it will confuse the training newbie to a point that it will actually kill their potential. It is for this reason that I

wrote this book, If I was overweight, had no motivation but knew what I know now, I would start my weight loss / fitness journey with this 6 week home workout. Good luck and remember that I am always happy to help where I can. All the best Jim Email: Jim@swapfat4fit.com One more thing!.... I strongly believe that anyone can get the fitness results that they want. It just takes a bit of consistency and work. To help you along with the diet aspect of your journey, I have created this PDF for you. The PDF holds some of my very own recipes. Everyone that knows me knows that I love my food! But living a healthy lifestyle means that some of the best foods are out of bounds..... Or are they? I have messed around in the kitchen and created some great recipes that are low in fat, low in sugar and high in quality nutritional value. As a thank you for your interest in my book, I would like to offer you these 7 healthy recipes that will really help to boost your results! Thinner This Year - Chris Crowley 2013-12-31
Now in paperback, the latest book in the New York Times bestselling, one-million-copy-plus Younger Next Year franchise. The book that tells every reader how to lose weight, discover new vitality, and get in the best shape of your life. The book with the no-nonsense, no-BS, no-shortcuts approach. The book that shows that there's a revolution in aging going on. The book that is the how-to of that revolution. Chris Crowley, the memorable patient and coauthor of *Younger Next Year*, partners with Jen Satchek, a nutritionist and fitness expert from Tufts University, and in lively, alternating chapters they spell out a weight-loss plan that will have readers losing up to 25 pounds in the first six months—and, much more significantly, keeping it off next year, and the year after, and so on, for life. The message is straightforward and based on the most up-to-date nutritional science: resist the added-fat, added-sugar concoctions created by the food industry; skip the supplements; pile on fruits and vegetables to your heart's content, but it's OK to eat lean meats, too; and don't drink your calories. And exercise! With its simple, fully illustrated program of 25 "sacred exercises," here is everything the reader needs to build muscle, protect joints, add mobility, and put off 70% of the normal problems associated with aging and eliminate 50% of serious illness and injury. "Clear, concise, well-balanced nutritious diet plan. Realistic exercise . . . [and] the combo of the authors—nutrition scientist and witty writer—makes this an easy-to-read volume with loads of timely, science-based information." —Madelyn Fernstrom, Diet and Nutrition Editor, TODAY and NBCNews.com "Chock-full of easy recipes, meal plans, and exercise diagrams." —The Wall Street Journal
