A CHANCE IN THE WORLD - Steve Pemberton 2012-01-09

A heart-rending but uplifting story of the human spirit's ability to prevail. From the day he is five-years-old and dropped off at his foster home of the next eleven years, Stephen is mentally and physically tortured. No one in the system can help him. No one can tell him if he has a family. No one can tell him why, with obvious African-American features, he has the last name of Klakowicz. Along the way, a single faint light comes only from a neighbor's small acts of kindness and caring—and a box of books. From one of those books he learns that he has to fight in any way he can—for victory is in the battle. His victory is to excel in school. Against all odds, the author succeeded. He attended college, graduated, became a successful corporate executive, and married a wonderful woman with whom he established a loving family of his own. Through it, he dug voraciously through records and files and found his history, his birth family—and the ultimate disappointment as some family members embrace him, but others reject him. Readers won't be the same after reading this powerful story. They will share in the hurts and despair but also in the triumph against daunting obstacles. They will share this story with their family, with their friends, with their neighbors.

The Jumping Tree - Rene Saldana, Jr. 2009-04-23

These lively stories follow Rey Castaneda from sixth through eighth grade in Nuevo Penitas, Texas. One side of Rey's family lives nearby in Mexico, the other half in Texas, and Rey fits in on both sides of the border. In Nuevo Penitas, he enjoys fooling around with his pals in the barrio; at school, he's one of the "A list" kids. As Rey begins to cross the border from childhood into manhood, he turns from jokes and games to sense the meaning of work, love, poverty, and grief, and what it means to be a proud Chicano—moments that sometimes propel him to show feelings un hombre should never express. It's a new territory where Rey longs to follow the example his hardworking, loving father has set for him.
