The Book of Disquiet - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

Two Nests - Laurence Anholt 2013

Two birds build a nest together and hatch a baby bird, but when they fail to get along the father bird moves to a new nest, and though baby bird is unhappy at first, when he learns to fly from nest to nest he sees that the situation isn't that bad.

The Baron in the Trees - Italo Calvino 2017

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends,

fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The baron in the trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

Zoom - Istvan Banyai 1995-03-01

As seen on the SERIAL podcast, season 2, episode 1 ("Dustwun")! Open this wordless book and zoom from a farm to a ship to a city street to a desert island. But if you think you know where you are, guess again. For nothing is ever as it seems in Istvan Banyai's sleek, mysterious landscapes of pictures within pictures, which will tease and delight readers of all ages. "This book has the fascinating appeal of such works of visual trickery as the *Waldo* and *Magic Eye* books." -- Kirkus Reviews "Ingenious."-- The Horn Book

Laughter - Henri Bergson 1914

The Twits - Roald Dahl 2007-08-16

From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG*! Mr. and Mrs. Twit are the smelliest, nastiest, ugliest people in the world. They hate everything—except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want

revenge.

The Bread and the Rose - Achille Serrao 2005

Uncle Vampire - Cynthia D. Grant 1995

Stella, Star of the Sea - Marie-Louise Gay 2020-05-28

Stella and her little brother are spending the day at the sea. Stella has been to the sea before and knows all its secrets, but Sam has many questions: "Does a catfish purr? Does a seahorse gallop?" Stella has an answer for them all. The only thing she isn't sure of, and neither are we, is whether Sam will ever come into the water. Exquisite, evocative watercolors bring a diaphanous day at the beach alive in this perfect summer story. Gently humorous, *Stella, Star of the Sea* also captures the relationship between an older sister and her baby brother — a responsibility that can be both lots of fun and very trying.

The Fishing Lesson - Heinrich Boell 2018

"A tourist spots a fisherman napping in his boat and tells him what he

could achieve if he spent more time fishing, but it's the tourist who ultimately learns something"--

The Best of Isaac Asimov - Isaac Asimov 1974

Twelve stories by the modern master of science fiction represent the evolution of his writing over a period of thirty-three years

The Big Bad Fox - Benjamin Renner 2017-06-20

Who's afraid of the Big Bad Fox? No one, it seems. The fox dreams of being the terror of the barnyard. But no one is intimidated by him, least of all the hens—when he picks a fight with one, he always ends up on the losing end. Even the wolf, the most fearsome beast of the forest, can't teach him how to be a proper predator. It looks like the fox will have to spend the rest of his life eating turnips. But then the wolf comes up with the perfect scheme. If the fox steals some eggs, he could hatch the chicks himself and raise them to be a plump, juicy chicken dinner.

Unfortunately, this plan falls apart when three adorable chicks hatch and call the fox Mommy. Beautifully rendered in watercolor by Benjamin Renner, *The Big Bad Fox* is a hilarious and surprisingly tender parable about parenthood that's sure to be a hit with new parents (and their kids too).

The Children of Noisy Village - Astrid Lindgren 1988-02-02

Let the beloved author of *Pippi Longstocking* take you on an adventure to Noisy Village! Go crayfishing in the summer at Nocken, "dipping in the pot" at Christmastime with Lisa and Karl, and join Britta and Anna who know the best way to go about "nutting" for the New Year. In this gently humorous tale, master storyteller Astrid Lindgren takes us through a year in the lives and customs of six Swedish children living on a group of three farms in the countryside. "A timeless story . . . Each chapter has its accounts of highly inventive fun and distinctly merry Swedish festivities around the year."—Horn Book

Designing Disney's Theme Parks - Harris 1997

From the day it opened in July 1955, in an event given live TV coverage, Disneyland has been a key symbol of contemporary American culture. It has been both celebrated and attacked as the ultimate embodiment of consumer society, a harbinger of shopping-mall culture, a symbol of

American hegemony in entertainment, the epitome of fantasy, simulation, pastiche, and the blurring of distinctions between reality and mass-media imagery. Yet for all the power of Disneyland as metaphor, almost no one has discussed the making of this unique place, with its far-flung colonies in Florida, Japan, and France. Written to accompany an exhibition at the Canadian Centre for Architecture in Montreal, *Designing Disney's Theme Parks: The Architecture of Reassurance* is the first book to look beyond the multiple myths of Disneyland. Uniting a roster of authors chosen from wide-ranging disciplines, this study is the first to examine the influence of Disneyland on both our built environment and our architectural imagination. Tracing the relationship of the Disney parks to their historical forbears, it charts Disneyland's evolution from one man's personal dream to a multinational enterprise, a process in which the Disney "magic" has moved ever closer to the real world. Editor Karal Ann Marling, Professor of Art History and American Studies at the University of Minnesota, draws upon her pioneering work in the Disney archives to reconstruct and analyze the intentions and strategies behind the parks. She is joined by Marty Sklar, Vice Chairman and Principal Creative Executive of Walt Disney Imagineering, historian Neil Harris, art historian Erika Doss, geographer Yi-Fu Tuan, critic Greil Marcus, and architect Frank Gehry to provide a unique perspective on one of the great post-war American icons.

A Book of Spooks and Spectres - Ruth Manning-Sanders 1980
Twenty-three ghostly tales from around the world.

The Game in the Dark - Hervé Tullet 2012-10-01

Youngsters may look at the cut-out pages imprinted with glow-in-the-dark designs in an unlit room to see bright images of outer space and other patterns.

One and Seven - Gianni Rodari 2003

One child is portrayed as seven children from all parts of the world. Although each child is different they all laugh in the same language. The story unifies all the children in the end into one man and because of that they can no longer declare war against one another. Essentially, a story of peace.

The Cloven Viscount - Italo Calvino 2012-10-26

When a nobleman is split in two, his separate halves pursue different adventures in a fantastically macabre tale by the author of *Invisible Cities*. It is the seventeenth century, and the Viscount Medardo of Terralba must go into battle against the Turks. But the inexperienced warrior is soon bisected lengthwise by a cannonball. Through a miracle of stitching, one half of him survives, returning to his feudal estate to lead a lavishly evil life. But soon his other, virtuous half appears—also very much alive. When the two halves become rivals for the love of the same woman, there's no telling the lengths each will go to in order to win. Now available in an independent volume for the first time, this deliciously bizarre novella of is Calvino at his most devious and winning.

Meet the Woodland Folk - Tony Wolf 1985

The Ransom of Dond - Siobhan Dowd 2013-11-07

Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. *The Ransom of Dond* is our final story from Siobhan, and a book to be treasured.

White as Silence, Red as Song - Alessandro D'Avenia 2018-09-04

Hailed as Italy's The Fault in Our Stars, this Italian bestseller is now available for the first time in English. "I was born on the first day of school, and I grew up and old in just two hundred days . . ." Sixteen-year-old Leo has a way with words, but he doesn't know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and

Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She doesn't know Leo exists, but he's convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn't know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D'Avenia's debut novel is considered Italy's The Fault in Our Stars. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

Journey Toward the Cradle of Mankind - Guido Gozzano 1996

The author recounts his experiences traveling in India, and shares his impressions of the land, its people, and culture

Voices in the Park - Anthony Browne 2018-08-09

Four different voices tell their own versions of the same walk in the park. The radically different perspectives give a fascinating depth to this simple story which explores many of the author's key themes, such as alienation, friendship and the bizarre amid the mundane. Anthony Browne's world-renowned artwork is full of expressive gorillas, vibrant colours and numerous nods to Magritte and other artists, while being uniquely Browne's own style.

On Ugliness - Umberto Eco 2011

Beauty and ugliness are two sides of the same coin; by ugliness we usually mean the opposite of beauty and we often define the first in order to understand the nature of the second. But the various depictions of ugliness over the centuries are richer and more unpredictable than is commonly thought. The striking images and anthological quotations in On Ugliness lead us on an extraordinary journey through the passions, terrors and nightmares of almost three thousand years, where acts of rejection go hand in hand with touching instances of empathy, and an aversion to deformity is accompanied by seductive violations of all

classical canons. With his characteristic wit and erudition, Umberto Eco draws on examples in art and literature from ancient times to the present day. Abundantly illustrated with demons, madmen, vile enemies and disquieting presences, with freaks and the living dead, *On Ugliness* is conceived for a vast and diverse readership, and is an invaluable companion volume to *On Beauty*.

The Queen of the Frogs - Davide Cali 2017-03-20

"When a frog discovers a crown at the bottom of the pond, she is instantly pronounced queen over all the other frogs"--

Don't Call Me Ishmael - Michael Bauer 2012-01-01

By the time ninth grade begins, Ishmael Leseur knows it won't be long before Barry Bagsley, the class bully, says, "Ishmael? What kind of wussy-crap name is that?" Ishmael's perfected the art of making himself virtually invisible. But all that changes when James Scobie joins the class. Unlike Ishmael, James has no sense of fear - he claims it was removed during an operation. Now nothing will stop James and Ishmael from taking on bullies, bugs and Moby Dick, in the toughest, weirdest, most embarrassingly awful - and the best - year of their lives.

Letteratura italiana - 1992

Letteratura italiana: Le opere (4 v. in 5) - 1996

Telephone Tales - Gianni Rodari 2020-09-08

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

Blossom's Revenge - Adèle Geras 2010-11-30

Blossom, a plump and contented cat, is horrified when six-year-old Prissy comes to stay with 'her' family. Suddenly there is nowhere she can go and doze without being disturbed, no place she can hide from Prissy. And when Prissy pulls her tail (no-one has done that since she was a little kitten!), Blossom makes up her mind: Prissy must go! All she needs is a plan...
