The Mindfulness Colouring and Activity Book - Gill Hasson

2015-12-14

Colour and Doodle Your Stress Away It's impossible to stay 'on' all the time. Just as a car engine overheats if you continue to rev it, keeping your mind in high gear puts it under a level of pressure it can't sustain. If you're feeling overwhelmed, stressed, anxious or agitated, and unable to think clearly, take your foot off the pedal, and clear your mind with *The Mindfulness Colouring and Activity Book*, from Gill Hasson, the author of the best-selling book *Mindfulness*. This portable book contains colouring, games, and activities all designed to give you a break from your everyday concerns, switch off your mind, wind down and relax. They give your mind something specific to focus on, allowing thoughts to flow easily but

without any complex thinking or planning. Each activity provides a balance between challenge and skill. The level of engagement keeps your attention so focused that you become fully absorbed in the moment, preventing stressful thoughts from entering your head. The Mindfulness Colouring and Activity Book includes: • Colouring • Zentangles • Optical illusion activities • Origami • Mazes • Word Puzzles • Doodling activities • Drawing games • Observation games

Brain-Science - Stan Rodski 2016-10-04

The only coloring exercises scientifically proven to ease stress Drawing from the study of neuroscience, each of these three unique coloring books contain more than 75 unique patterns designed to focus your brain through the use of pattern, repetition, single focus, and creativity. It is inevitable that our brains get overwhelmed at times by the bombardment of information, but it is essential for our health and well-being to be able to draw upon our own resources to deal with that stress. The simple act of coloring has the power to engage your brain, improve your mood, and kindle creativity by providing a mindful task that can forge new neural pathways and connections in our brains. In this series, Dr Rodski looks at the fight or flight reaction to stress and how coloring can help; how repetition, pattern, and focus relax the brain; and how coloring can stimulate the brain to be more agile and learn faster.

Five-Minute Crimebusters - Stan Smith 1999-12-12

Gathers several unsolved mysteries, from stolen diamonds to a New Year's Eve murder, and gives subtle clues that lead to the solution of the crimes.

Mindfulness Coloring Book - Bibak Biswas 2020-05-24

Reinforced binding with strong glue allows you to open and lay this book flat to color with intricate detail without breaking the spine. In today's busy world, finding a moment of peace and calm can be a challenge. Mindful coloring is a simple yet powerful practice that combines the proven, time-honored tradition of thoughtful meditation with the growing popularity of adult coloring books, and shows that any activity, done right, can be an exercise in mindfulness. In The Mindfulness Coloring Book, 50 intricate and beguiling patterns to help you color your way to tranquility. Here are flowers, leaves, butterflies, and birds alongside rolling waves and kaleidoscopic designs. Perfectly sized to fit into a pocket or handbag, and printed on high-quality paper that will ensure hours of bliss, The Mindfulness Coloring Book is ready to help you de-stress wherever you go. So take a few minutes out of your hectic schedule to reset and refresh with mindful coloring-and relive the days when your biggest concern was staying within the lines!

More Mindfulness Colouring - Emma Farrarons 2015-09-24

Working with your hands is one of the best ways to soothe anxiety and eliminate stress. This second pocket-sized colouring book from Emma Farrarons offers a practical exercise in mindfulness that draws upon your creativity and hones your focus. Like the bestselling first book, The Mindfulness Colouring Book, More Mindfulness Colouring offers delicate, hand-drawn scenes from nature and the decorative world for you to mindfully and creatively fill with colour. Take a few minutes out of your day, wherever you are, and colour your way to peace and calm.

The Return of the Little Prince - Ysatis DeSaint-Simon 2004-01-26

My book, The Return of The Little Prince, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, The Little Prince, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which

gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupery, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in The Little Prince, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said The Little Prince was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love The Little Prince and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved The Little Prince since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

The Art of Mindfulness - Michael O'Mara Books 2015-10-27

THE ART OF MINDFULNESS: A powerful way to focus on the here and now . . . and create something beautiful, too. Mindfulness is the word of the moment. But how can we reach this deeper state of calm? Enjoy serenity and tranquility now through the act of coloring in an array of soothing patterns. Put your own brilliant touch on designs filled with flocks on butterflies, lush leaves, and mandalike figures. Each one is beautiful--and peace-giving.

Stuff You Should Know - Josh Clark 2020-11-24

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

The Creative Therapy Colouring Book - Hannah Davies 2014-09-04

Unleash your creative spirit with this sophisticated anti-stress colouring, doodling and drawing book. The flowing lines, sweeping swirls and highly-detailed patterns on every illustration have been created so that anyone and everyone can enjoy making something beautiful and calming. Increasing focus through creativity can benefit those who find it difficult to unwind or struggle to find their inner artist when faced with a blank page. There are no instructions, no rights or wrongs, and no need for

expensive art supplies - readers can simply doodle and colour in any way they wish to create unique and exquisite pieces.

[Encouragement for Today](#) - Renee Swope 2013-09-24

Pull away from the things that pull you down and find lasting encouragement for today. The women at Proverbs 31 Ministries offer 100 devotions of wit, wisdom, and encouragement for women. For twenty years the P31 team has equipped and encouraged nearly a million women to live in the power of God's truths that apply to their everyday life. Written by women from every walk of life, you will find inspiration to live authentically and fully grounded in the Word of God. The P31 Team shares from the realities of everyday life including highs and lows, humorous stories and tender moments. You will be drawn toward the truths God offers and enabled to rise above and become all God created you to be.
