After her community in the awe-inspiring Montana mountains is suddenly consumed by a raging wildfire, one young Amish woman finds herself in a new town where she's introduced to the Native culture of the Kootenai people. When the Mast family is forced to evacuate their home in the West Kootenai region of Montana, Christine chooses not to move with her family to her father's childhood home in Kansas. Instead, she wants to stay closer to home and to her beau, Andy Lambright, who has yet to ask for her hand in marriage and who seems to be holding tightly to secrets from his past. Now, living with her aunt and uncle in St. Ignatius, Christine is on her own for the first time in her life. While working in her uncle's store Christine meets Raymond Old Fox, whom she befriends, and he introduces her to his rich native culture with strong ties to the earth and nature. Despite the warnings of her aunt and uncle, Christine is inexplicably drawn to Raymond, and her mind is opened to a history and heritage far different from her own. With her newly expanding horizons, Christine wonders if she can return to the domestic life that is expected of her. Her heart still longs to be with Andy, but she isn't the same person she was before the fire, and she wonders if he can accept who she is becoming. Has too much distance grown between them? Or can they bridge the gap from past to present and find their way back

together?

The Amityville Horror - Jay Anson 2019-12-03

"A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by

psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—“this book will scare the hell out of you” (Kansas City Star).

Dinosaur Lake V: Survivors - Kathryn Meyer Griffith 2019-01-27

The Fifth Dinosaur Lake Book: The predatory dinosaurs, amphibious, land-crawlers, air flyers, small and large, were dead; dead in all the forests, mountains, deserts, towns and cities of America and across the planet. They were still hunted, sought and exterminated when found, and these rogue beasts were becoming rarer every day. The humans' dinosaur killing serum and extermination practices had worked far better than anyone had prayed and they had eventually freed the planet of its primordial scourge. The earth belonged to the humans once more and all its lands were safe—or so the world, Henry Shore, former Chief Park Ranger at Crater Lake National Park, and his wife, Ann, had believed...until one day years later two new dinosaurs, craftier than any the earth had ever seen, appeared. One of them was benevolent, a friend to mankind, and the other was not. It was blood-thirsty, eerily intelligent and unbelievably vengeful. This dinosaur wouldn't be so easy to kill. *** Dinosaur Lake V: Survivors is the fifth book in the Dinosaur Lake series by Kathryn Meyer Griffith.

The Other Side of the Bridge - Mary Lawson 2006-09-26

From the author of the beloved #1 national bestseller Crow Lake comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know - the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed—a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men—its unimaginable horror reaching right into the heart of this

remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

Hairpin Bridge - Taylor Adams 2021-06-15

From the author of the "full-throttle thriller" (A. J. Finn) *No Exit*—a riveting new psychological page-turner featuring a fierce and

unforgettable heroine. Three months ago, Lena Nguyen's estranged twin sister, Cambry, drove to a remote bridge seventy miles outside of Missoula, Montana, and jumped two hundred feet to her death. At least, that is the official police version. But Lena isn't buying it. Now she's come to that very bridge, driving her dead twin's car and armed with a cassette recorder, determined to find out what really happened by interviewing the highway patrolman who allegedly discovered her sister's body. Corporal Raymond Raycevic has agreed to meet Lena at the scene. He is sympathetic, forthright, and professional. But his story still seems a bit off. For one thing, he stopped Cambry for speeding just an hour before she supposedly leaped to her death. Then there are the sixteen attempted 911 calls from her cell phone, made in what was unfortunately a dead zone. But perhaps most troubling of all, the state trooper is referred to by name in Cambry's final enigmatic text to her sister: *Please Forgive Me*. Lena will do anything to uncover the truth. But as her twin's final hours come into focus, Lena's search turns into a harrowing tooth-and-nail fight for her own survival—one that will test everything she thought she knew about her sister and herself...

House of Leaves - Mark Z. Danielewski 2000-03-07

“A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.
