The Billboard - 1926

Literacy for Visual Learners - Adele Devine 2015-10-21

This book takes a fresh look at approaches to teaching reading, writing and communication skills. It presents a wealth of innovative ideas specifically designed to support visual learners, including those with autism spectrum conditions and special educational needs. Some children are more responsive to visual stimulation than spoken words, and this book shows how to engage these children in literacy lessons by using strategies that cover everything from the latest assistive technology to getting creative on a limited budget. There are tips for sharing stories with children who find it hard to sit still, supporting reluctant writers, enabling the pre-verbal child to answer questions and helping the child who never stops talking to develop listening skills. The strategies are supported by practical resources, examples and case studies, to show how to instil in children the confidence to create and share their thoughts. This is a must-have resource for special education teachers and coordinators, as well as speech and language therapists, looking for new strategies for teaching literacy.

Tumble & Blue - Cassie Beasley 2017-08-29

From the New York Times bestselling author of Circus Mirandus comes the magic-infused story of a golden gator, two cursed kids, and how they take their destinies into their own hands. When the red moon rises over the heart of the Okefenokee swamp, legend says that the mysterious golden gator Munch will grant good luck to the poor soul foolish enough to face him. But in 1817, when TWO fools reach him at the same time, the night's fate is split. With disastrous consequences for both . . . and their descendants. Half of the descendants have great fates, and the other half have terrible ones. Now, Tumble Wilson and Blue Montgomery are determined to fix their ancestors' mistakes and banish the bad luck that's followed them around for all of their lives. They're going to face Munch the gator themselves, and they're going to reclaim their destinies. But what if the legend of Munch is nothing but a legend, after all? Full of friendship, family, and the everyday magic and adventure that readers of Savvy and A Snicker of Magic love, Cassie Beasley's newest middle grade book is another crowd-pleasing heart-warmer—perfect for reading by yourself, or sharing with someone you love.

The Broke 'n' Beat Collective - Keith Saha 2016-04-19

Sometimes when I can't stand on my own two feet Or the voices in my head feel cracked and incomplete I turn up the volume of my Broken Beats The Big Heavy Bass sends moves flowing to my feet Melodic rhymes fill my head and make me feel oh-so-sweet Cos my Broken Beats help me feel alive And not so Broke and Beat. The Broke 'n' Beat Collective is a unique mash up of hip-hop, theatre and puppetry which brings together four amazing artists: beat-boxer Hobbit, b-boy LoGiSTics, singer/rapper Elektric and puppeteer Mohsen to form The Broke 'n' Beat Collective. Written by Keith Saha, a playwright and the co-artistic director of 20 Stories High, and Sue Buckmaster, the Artistic Director of Theatre-Rites, The Broke 'n' Beat Collective is a unique theatrical experience filled with gripping tales, transfixing poetry and hip-hop puppetry. Funny and moving, it is a raw and moving play that explores the hardships faced by young people in the UK today. This edition was published to coincide with a national tour of the play which opened in February 2016 in a coproduction between 20 Stories High and Theatre Rites.
