Holding Back The Tears - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her

conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

The Joker - Rekiya Isaacs 2016-12-26

In our circus we are like family members, and you don't leave family behind. At least that's what I thought, but deep within the cellars I had discovered a long forgotten family member. One with so much hate for the circus his killing intent was like none other. It was life or death to us, but it was a game to him. (The cover is meant to represent the two conflicting emotions/sides within the story and isn't supposed to be taken seriously. It reminds you to keep an open mind as you read this book.)

Super Powers by Jack Kirby - Jack Kirby 2018-01-23

Following the unprecedented achievements of his Fourth World titles, Jack Kirby returned to the DC Universe in 1984 for two special miniseries celebrating Kenner's new DC-themed Super Powers toy line. Together with such creative collaborators as Joey Cavalieri, Adrian Gonzales and Paul Kupperberg, Kirby revisited all of DC's greatest heroes and villains in the pages of SUPER POWERS, and launched them through time and space into the kind of cosmic adventure that only the King of Comics could deliver! Jack Kirby reinvented the superhero genre with his sprawling saga of the Fourth World—a bold storytelling vision that was decades ahead of its time. In honor of this extraordinary talent's centennial, DC Comics is proud to re-present the groundbreaking work of the King of Comics in a brand-new series of trade paperback editions

collecting his classic DC titles in all their four-color glory! Revisit this bygone era—and thrill to the imaginative power of one of the medium's greatest masters—in SUPER POWERS BY JACK KIRBY, collecting both of the dimension-spanning sagas that capped off the King's triumphant tenure at DC. Collects SUPER POWERS #1-6.

Salem VI - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

Jack Kirby - Tom Scioli 2020-07-14

Told in vivid graphic novel form by a groundbreaking Eisner-nominated comics creator, the long-overdue biography of the legend who co-created Captain America, Iron Man, Black Panther, the Fantastic Four, the X-Men, and many more superhero favorites. "A fast-paced celebration of an underheralded legend within the comic-book industry."—Kirkus Reviews
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL This sweeping, full-color comic book biography tells the complete life story of Jack Kirby, co-creator of some of the most enduring superheroes and villains of the twentieth century for Marvel Comics, DC Comics, and more. Critically acclaimed graphic novelist Tom Scioli breathes visual life into Kirby's life story--from his days growing up in New York during the Great Depression and discovering a love for science

fiction and cartoons to his time on the frontlines in the European theatre of World War II where he experienced the type of action and adventure he'd later imbue his comic pages with, and on to his world-changing collaborations at Marvel with Stan Lee, where the pair redefined comics as a part of pop culture. Just as every great superhero needs a villain to overcome, Kirby's story also includes his struggles to receive the recognition and compensation that he believed his work deserved. Scioli captures his moves from Marvel to DC and back again, showing how Kirby himself and later his family fought to preserve his artistic legacy. Drawn from an unparalleled imagination and a life as exciting as his comic book tales, Kirby's super-creations have influenced subsequent generations of creatives in the comics field and beyond. Now, readers can experience the life and times of a comics titan through the medium that made him famous.

Family Destruction - Tyron Hayes 2017-08-03

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own greatness! If not, the very future of our children, and our children's, children's lives will one day depend on it...

The Bone Forge - Max Ingram 2012-04-04

"...all that I am, all my weakness, it is my crucible, my fire, my inferno, by which I am burned alive in glory." - excerpt from the poem 'Bone Forge' (pg 24). In this collection of poetry, the author explores the concepts of death, transcendence and transformation. He plumbs the depths of the human soul, laying bare his many faults and failings, exposing his weaknesses with painful honesty, and seeking as ever to illustrate an important chapter in the story of the human experience. Forty-two of his most powerful and evocative works are collected here, brought to readers for the first time in a beautiful volume with cover illustration provided by the talented fantasy artist Ryan Wardlow.

The Quit Alternative - Ben Fanning 2014-10-26

Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

The Dashboard Book - Wayne Moore 2016-12-10

JAY LENO says "The Dashboard Book" is a "Good read" and "I really liked it". It is the definitive full color illustrated history of the American automobile dashboard. More than 400 color photographs and more than

160 different cars are included. The first chapters include the elegant Curved Dash Oldsmobile of 1901/07, Sears mail order Motor Buggy, Ford's Model T, air cooled Franklins, early Cadillacs, Buick's 1914 Torpedo Touring, Auburn, Duesenburg, Pierce Arrow, Essex, Hudson, Lincoln, LaSalle, Chevrolet, 1936 Cord, and my visit to Jay Leno's garage and his 1934 Airflow. The early chapters also include the evolution of dashboards from simple wooden boards of the carriage and buggy styles to development of the firewall, cowl, and instrument panels of the early 1900's to the conflicting cockpit and living room styles of the 1920's and to the Art Deco and Streamline Moderne styles of the 1930's. Later chapters include cars from the 40's 50's and 60's including models from Studebaker and the Avanti, Ford, Mercury, Lincoln, Plymouth, Dodge, Desoto, Chrysler, Cadillac, Chevrolet, Corvette, Mustang, Pontiac GTO, the Tucker, Oldsmobile, Jay Leno's Nash, Rambler, and more. An exterior photo of every car accompanies each dashboard photo and description. Throughout, the styling of dashboards is related to the styling trends of auto exteriors. Early instrumentation is also discussed as is the influence of the first affordable closed car. Brief histories and descriptions of dashboard accessories and controls like the cigar lighter, ashtrays, glove boxes, radios, a cigarette dispenser, tissue dispensers, and a glove box mini bar, and windshield wipers are also included as well as a full Works Cited and list of auto museums visited.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don,

turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
