Looks at why individuals are not understanding the connection between Jesus Christ and their spiritual salvation

Biblical Foundations for

Manhood and Womanhood - Wayne Grudem 2002-10-04

For years a debate has raged over how to define true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in

God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-

female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Against the Heathen -

Common Ground - Jordan Bajis 2006-01

An introduction to Eastern Christianity for the American Christian.

Unleash the Gospel - Allen Vigneron 2017-08-31

The Blessed Trinity and Our Christian Vocation - James Socías 2009

Common Ground - Jordan Bajis 1991-01-01

Provides clear, stimulating answers to the challenging questions that American

Christians typically put to Orthodox. But the book goes farther than this. It shows how Christianity is inherently Eastern, and from there, gently challenges the Protestant and Roman Catholic reader to re-evaluate his or her own views of Christianity against the Orthodox perspective. The book is a product of three years extensive research and is thoroughly documented. There is no book like it. Revised and expanded. 5th printing.

The Wonder-Working God -

Jared C. Wilson 2014-07-31

Do you believe in miracles? Walking on water. Multiplying the fish and the loaves. Raising Lazarus from the dead. The miracles of Jesus may be well known, but they're often misunderstood. In *The Wonder-Working God*, pastor Jared Wilson wants to help us see that there's more than meets the eye when it comes to the miraculous events recorded in the Gospels. From the humble wonder of the incarnation to the blinding glory of the transfiguration, this book shows how Jesus's miracles

reveal his divinity, authority, and ultimate mission: restoring us and this world to a right relationship with God.

One with Christ - Marcus Peter Johnson 2013

Foundational to believers' salvation is their union with Christ. In this accessible introduction, Johnson argues that this neglected doctrine is the lens through which all other facets of salvation in the

New Testament should be understood.

Habits of Grace - David Mathis 2016-02-12

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.

Union with Christ - Carl E. Braaten 1998

This book introduces the English-speaking world to the new Finnish interpretation of the theology of Martin Luther, initiated by the writings of Tuomo Mannermaa of Helsinki University. At the heart of the Finnish breakthrough in Luther research lies the theme of salvation. Luther found his answer to the mystery of salvation in the justifying work of Christ received through faith alone. But Protestant theology has never enjoyed a consensus on how to interpret the Reformation doctrine of justification by faith. In opposition to the traditional forensic understanding of justification, Mannermaa argues that for Luther "Christ is really present in faith itself." Mannermaa's interpretation of Luther's view of justification is thus more ontological and mystical than ethical and juridical. As such, his work challenges a century of scholarly opinion concerning a foundational doctrine of Protestant theology.

Christianity Or the Church?
- Ilarion Troitsky 1997-01-01

Christianity is presented here not as an abstract teaching to which mental assent is given, but as a life which unites separate persons in a way which can be said to be similar to the unity of the Persons of the Holy Trinity. Following the teaching of Khomiakov the author sees in "the denial of the Church the most characteristic feature of both Roman Catholicism and Protestantism." The teaching of Leo Tolstoy is seen to exemplify most clearly an understanding of Churchless Christianity. He concludes, "It must be considered the most vital necessity of the present time that Christ created precisely the Church and that it is absurd to separate Christianity from the Church..." This work was originally written in Russian in 1912, shortly before the beginning of World War I and the Bolshevik revolution. The author, an Archbishop of the Russian Orthodox Church, subsequently gave his life for his faith in a Soviet labor camp.

The Universal Christ - Richard

Rohr 2019-03-05
NEW YORK TIMES
BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual

practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

He Shall Have Dominion -

Kenneth L Gentry 2021-02-22

In this edition of this classic study of postmillennialism, you will sense anew the powerful message of Psalm 72 that Christ "shall have dominion from sea to sea" (Psa 72:8). You will learn that God's word boldly promises that "the whole earth will be filled with his glory" (72:19) so that "all nations will call him blessed" (72:17) - before Christ returns. Many evangelicals today are concerned about those being Left Behind on this Late Great Planet Earth as it collapses into absolute chaos. But the postmillennialist optimistically believes regarding Christ that He Shall Have Dominion throughout the earth. In this book you will find the whole biblical rationale for the postmillennial hope, from its incipient beginning in Genesis to its glorious conclusion in Revelation. Your faith will be re-invigorated as you begin to recognize that "the gospel is the power of God unto

salvation" (Rom 1:16) and that our Lord Jesus really meant it when he commanded us to "go and make disciples of all the nations" (Matt 28:19).

Christianity, Book-Burning and Censorship in Late Antiquity - Dirk Rohmann 2016-07-25

It is estimated that only a small fraction, less than 1 per cent, of ancient literature has survived to the present day. The role of Christian authorities in the active suppression and destruction of books in Late Antiquity has received surprisingly little sustained consideration by academics. In an approach that presents evidence for the role played by Christian institutions, writers and saints, this book analyses a broad range of literary and legal

sources, some of which have hitherto been little studied. Paying special attention to the problem of which genres and book types were likely to be targeted, the author argues that in addition to heretical, magical, astrological and anti-Christian books, other less obviously subversive categories of literature were also vulnerable to destruction, censorship or suppression through prohibition of the copying of manuscripts. These include texts from materialistic philosophical traditions, texts which were to become the basis for modern philosophy and science. This book examines how Christian authorities, theologians and ideologues suppressed ancient texts and associated ideas at a time of fundamental transformation in the late classical world.

Life in the Trinity - Donald Fairbairn 2010-01-28

What can the early church contribute to theology today? Donald Fairbairn takes us back to the biblical roots and central convictions of the early church,

showing us what we have tended to overlook, especially in our understanding of God as Trinity, the person of Christ and the nature of our salvation as sharing in the Son's relationship to the Father.

Pierced for Our Transgressions - Steve Jeffery 2007-10-23

The belief that Jesus died for us, suffering the wrath of his own Father in our place, has been the wellspring of hope for countless Christians through the ages. However, with an increasing number of theologians, church leaders, and even popular Christian books and magazines questioning this doctrine, which naysayers have described as a form of "cosmic child abuse," a fresh articulation and affirmation of penal substitution is needed. And Jeffery, Ovey, and Sach have responded here with clear exposition and analysis. They make the case not only that the doctrine is clearly taught in Scripture, but that it has an impeccable pedigree and a central place in Christian

theology, and that its neglect has serious consequences. The authors also systematically analyze over twenty specific objections that have been brought against penal substitution and charitably but firmly offer a defining declaration of the doctrine of the cross for any concerned reader.

Weekday Eucharistic Propers - Church Publishing 2017-01-09

In the section entitled "Concerning the Service of the Church," the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord's Day and other major Feasts, and Daily Morning and Evening Prayer,

as set forth in this book, are the regular services appointed for public worship in the Church. (BCP, 13) Eucharistic propers (collects, Scripture readings, and proper prefaces) are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. As celebration of the Eucharist has become more frequent, many congregations and other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

Christus Victor - Gustaf Aulen
2003-09-05

Gustaf Aulen's classic work, 'Christus Victor', has long been a standard text on the atonement. Aulen applies the history of ideas' methodology to historical theology in tracing the development of three views of the atonement. Aulen asserts that in traditional histories of the doctrine of the atonement only two views have usually been presented, the objective/Anselmian and the subjective/Aberlardian views. According to Aulen, however, there is another type of atonement doctrine in which Christ overcomes the hostile powers that hold humanity in subjection, at the same time that God in Christ reconciles the world to Himself. This view he calls the "classic" idea of the atonement. Because of its predominance in the New Testament, in patristic writings, and in the theology of Luther, Aulen holds that the classic type may be called the

distinctively Christian idea of the atonement.
