The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of

Zen both on and off the set of one of America's most groundbreaking shows.

Crone's Book of Magical Words - Valerie Worth 1999

Crone's Book of Magical Words (previously published as The Crone's Book of Words) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence ? Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the

book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must.
