The Search for the Tinker Chief - Bríd Mahon
1968

SUMMARY: Kathleen, Conor and Bran the dog, meet many strange and magical happenings, when they set off to find the Tinker Chief and the gold bracelet.

200 Sewing Tips, Techniques & Trade Secrets - Lorna Knight 2010-05-11

Presents techniques to speed up sewing time, improve skills, and complete projects with a professional finish.

Molecular Determinants of Head and Neck Cancer - Barbara Burtness 2014-04-08

Squamous cell cancers of the head and neck (SCCHN), also known as head and neck cancers (HNC) encompass malignancies of the oral cavity, larynx, nasopharynx and pharynx, and are diagnosed in over 500,000 patients worldwide each year, accounting for 5% of all malignancies. In the past several years, there have been significant developments in understanding of HNC. It is now recognized that although alcohol and tobacco use has represented the likely predominant cause of SCCHN, the incidence of a second class of SCCHN related to oncogenic human papillomavirus (HPV) infection is increasing, with a four-fold increase in the past 2 decades, and now thought to represent up to 30% of cases. The first effective target for SCCHN, the EGFR-targeting antibody cetuximab, was approved as recently as in 2006; since then, a

growing body of research has identified additional signaling pathways as important in disease pathogenesis, and in resistance to treatment. Proteins such as c-Met, Src, and HER2 are emerging as new therapeutic targets, with a considerable ferment in the clinical trial community. As a capstone of research progress, 2011 marked the first reports of high throughput sequencing of SCCHN tumors, with these efforts identifying unexpected players such as Notch as frequent subject of mutation, spawning new hypotheses for future research. This book will be of interest to researchers who are interested in better understanding the biology of head and neck cancers, with the goals of better designing therapies, identifying risk factors, or investigating the molecular basis of the disease.

Protective Coatings - Mei Wen 2017-05-26
This book focuses on characterization of organic coatings by different testing methods and understanding of structure formation and materials properties. The knowledge of protective organic coatings and current test methods is based largely on empirical experience. This book aims at explaining the coating property changes during film drying and curing in terms of chemical and physical transformations. Current test methods are reviewed with emphasis on understanding their physical basis and expressing the test results in terms of comparable physical quantities. In general, this book provides readers a deeper

understanding of the binder design, coating film formation process, properties build-up, appearance and defect formation, and automotive paint application. It also suggests manifold ways to improving the coatings performance. This book is designed for coating professionals to gain deeper understanding of characterization techniques and to select the right ones to solve their coating problems. It is ideal for both experienced and early career scientists and engineers. Also, it is useful for graduate students in the general area of protective coatings.

Fashion Retail - Eleanor Curtis 2007-08-31

"With over 200 photographs, Fashion Retail reveals how the world's top labels have revolutionised fashion-retail design. Since the late 1990s, designers have realised that the perfect showcase for their clothes are innovative stores, created by like-minded architects and interior designers. Shops are being refitted in a whole range of styles from 1970s-inspired futurism to pure minimalism. Like the clothes, the emphasis is on the ingenious use of both new and classic materials, with surprising angles and unexpected inspirations." "As Fashion Retail reveals, the labels and architects are embracing the challenges of the Internet by ensuring that the stores are the ultimate experiential destinations for the customers, whose expectations of shopping environments are higher than ever. Leading international designers are also responding to the blurring of the boundaries between fashion, art and entertainment, while the high-profile success of fashion-retail interiors had led brands to cross over into other areas of cutting-edge design such as hotels."--Jacket.

Fashioning Masculinities - Claire Wilcox 2022-03-03

Unique exploration of how the cultural renaissance following independence evolved into today's dynamic African fashion revolution At a moment of unprecedented creativity in men's fashion and reflection on gender, this thought-provoking, richly illustrated book explores how designers, tailors, photographers, and artists--and their clients and sitters--have constructed and performed masculinity and unpicked it at its seams. Fashioning Masculinities first strips things back to consider the naked male body and

the continued influence of the classical ideal: the Adonis--enthusiastically reconsidered by successive generations from 18th-century (Grand) tourists to Robert Mapplethorpe, Calvin Klein, and even Captain America. The book then transitions to explore the very opposite--"the peacock." For centuries men have used clothing to express status, wealth, and individuality. In this section, everything from richly embellished fabrics, shimmering textiles, voluminous cloaks, bulging codpieces, and highly polished armor to Stormzy's stab vest and Prince's boots is featured--the uniting factor being that they have all been worn with swagger and defiance. The final section surveys the suit: the three-piece tailored garment that has come to epitomize masculine attire. But for all its homogeneity, the suit has taken on myriad personas, from the historicizing cut of the Teddy Boys and the bold iconoclasm of Alexander McQueen to the creativity of Billy Porter's "Tuxedo" Oscars gown. Fashioning Masculinities challenges our preconceptions about menswear revealing the fascinating historical roots of the styles we see gracing the sidewalks, catwalks and red carpets of today.

Self and Story in Russian History - Laura Engelstein 2000

Russians have often been characterized as people with souls rather than selves. This study considers the stories of self of men and women across 200 years, from peasants to Tolstoy, as 15 historians and literary scholars situate narratives of self in their historical context.

How to Use, Adapt and Design Sewing Patterns - Lee Hollahan 2018-05-17

A guide to getting the most from sewing patterns, from choosing the right size to translating flat shapes into wearable garments. It shows you how to change the shaping, length and detailing to suit your own body shape, taste and style, and once you've mastered that it shows you how to make a new pattern out of a shop-bought pattern and even how to draft your own patterns from scratch. This book is suitable for the amateur as well as the more experienced dressmaker.

Illustrated Compendium of Nature's Record Breakers - Virginie Aladjidi 2016

Discover the most spectacular and fascinating records of the natural world. From the biggest

bird, river, fish to the longest recorded flight or the fruit with the most vitamins, prepare to be amazed! Every record comes with a simple paragraph of fun and informative text and every life form is precisely identified by their common name and scientific name. It is perfect for exploring the wonders of our world be they great or small.

[Mr Blue: Memoirs of a Renegade](#) - Edward
Bunker 2012-07-27

Edward Bunker's life is beyond the imaginings of most fiction writers. He was born in Hollywood, California, the son of a stagehand and Busby Berkeley chorus girl, whose early divorce propelled him into a series of boarding homes and military schools. From the age of five he repeatedly ran away, roaming the city streets at night. A proud character, combined with an IQ of 152, resulted in a series of altercations with the authorities. He became the youngest ever inmate of San Quentin at the age of seventeen, and there he learned survival skills and faced down the toughest prisoners in the system. He was befriended by Mrs Louise Wallis, a former star of the silent screen and wife of movie mogul, Hal Wallis, who produced films starring Bogart, Cagney, Edward G. Robinson and George Raft. She introduced Bunker to her circle of friends, including Jack Dempsey, Tennessee Williams, Aldous Huxley and William Randolph Hearst, whose guest he was at San Simeon. A parole violation resulted in a spell crossing America as a fugitive on the FBI's most wanted list. His eventual capture led to Folsom prison. Encouraged by the example of Dostoevsky, Cervantes and Caryl Chessman, and by the kindness of Mrs Wallis, he determined to write his way out of prison. Bunker's first published novel, *No Beast So Fierce*, viewed by many including Quentin Tarantino as the finest crime novel ever written, changed his fortunes. It was filmed as *Straight Time*, starring Dustin Hoffman. He has written three other novels, *The Animal Factory*, *Little Boy Blue* and *Dog Eat*

Dog, (all published by No Exit) admired by writers as diverse as William Styron and James Ellroy. He received an Oscar nomination for the screenplay of *Runaway Train*, and has appeared in a score of films, most notably his legendary role as Mr Blue in *Reservoir Dogs*. This blistering narrative is a memoir like no other.

Romancing the Billionaire - Jessica Clare
2014-11-04

The New Billionaire Boys Club novel by the New York Times bestselling author. The Billionaire Boys Club is a secret society. Six men of astonishing wealth. But there's one thing money can't buy. When it comes to love, success doesn't come so easily... Jonathan Lyons. Playboy, billionaire, and adventurer, he lives life on the edge. When he hears that his mentor, Dr. Phineas DeWitt, had a secret journal that leads to a legendary artifact, Jonathan takes action. It stirs his blood, but it comes with a heady challenge: DeWitt's daughter Violet. She has what Jonathan needs. And she's not giving it up to the man who broke her heart. Violet is Jonathan's weakness—he's still in love despite their volatile breakup a decade ago. But Violet's memories have a sharper edge. She's never forgiven him for abandoning her. Or so she thought. When Jonathan's attentions turn seductive, she's in danger of falling for him all over again. And she can't help but wonder...does he really want her, or just what she's hiding?

The Journey Through Time - Geronimo Stilton
2014

From the Jurassic period and the dinosaurs, to a medieval castle, Geronimo Stilton and a few members of his family embark on an adventure through time in Professor von Volt's new time machine, the Mouse Mover 3000.

Grande dizionario italiano dei sinonimi e contrari - Tullio De Mauro 2010

Fat Rich Dog - Stephen Beam 2012-09-01

Gil saved a little puppy named Jake, a golden retriever, from death in the dog pound. Gil once belonged to a cult of circumcision artists in his homeland of Manila, Philippines. A genius, an artist of the flesh, Gil transforms Jake into a walking, talking biped through surgery, gene therapy and mechanical prosthetics. Jake's time with Gil is both painful and rewarding, a time of growing awareness and physical pain, leading to

an unusual journey of self discovery. From dark alleys, to riches, to the great unknown. What does it mean to be human? The key might be found in the transformation from a golden retriever into... something else.

How the Other Half Lives - Jacob A. Riis 2011
Jacob Riis's famed 1890 photo-text addressed the problems of tenement housing, immigration, and urban life and work at the beginning of the Progressive era. David Leviatin edited this complete edition of *How the Other Half Lives* to be as faithful to Riis's original text and photography as possible. Uncropped prints of Riis's original photographs replace the faded halftones and drawings from photographs that were included in the 1890 edition. Related documents added to the second edition include a stenographic report of one of Riis's lantern-slide lectures that demonstrates Riis's melodramatic techniques and the reaction of his audience, and five drawings that reveal the subtle but important ways Riis's photographs were edited when they were reinterpreted as illustrations in the 1890 edition. The book's provocative introduction now addresses Riis's ethnic and racial stereotyping and includes a map of New York's Lower East Side in the 1890s. A new list of illustrations and expanded chronology, questions for consideration, and selected bibliography provide additional support.

The Complete Guide to the Shiba Inu - Vanessa Richie 2020-04-25

Written by experienced author and dog owner Vanessa Richie, *The Complete Guide to the Shiba Inu* is an excellent overview of this beautiful breed and contains information, tips, and advice from some of the top Shiba breeders in the world. Don't let their adorable appearance fool you though - they will certainly use it to their advantage if you let them. Notorious escape artists and unapologetic alpha canines, a Shiba Inu can quickly learn to dominate your home if you aren't ready to lay down the law from day one. Be prepared to tackle the challenge of owning a Shiba Inu by reading about: Finding Your Shiba Inu Preparing your Family and House Shiba Health and Wellness Bringing your Shiba Inu Home The Multipet Household Housetraining Shiba Socialization Training your Shiba Inu Nutrition Grooming — Productive Bonding Genetic Health Concerns

Common to Shiba Inu The Aging Shiba Inu The Shiba Inu was made a Japanese national treasure during the 1930s, and for very good reasons. With a fox like appearance, this breed is also the most easily recognizable of the six dog breeds indigenous to Japan. These adorable little dogs are full of energy and intellect that will keep you both entertained and on your toes. When it comes to people, Shiba Inu are incredibly affectionate and charming, but don't expect that to translate into easy training. They can be quite headstrong if you don't take a firm and consistent approach to training them. They can also be very vocal, so you will need to plan to train a puppy to be quiet. They have an average life expectancy of between 12 and 16 years, so bringing one of these little guys into your home is likely to give you a long-term companion that can entertain you, and may demand a bit of entertainment in return. It is hard to imagine that these sturdy, affectionate dogs were once on the brink of extinction. Over the last 60 years, they have become an extremely popular breed because of the combination of easy-care, adorable appearance, and charming personality.

[The Bachelor Girl](#) - Victor Margueritte 1923

Parliamo Italiano! - Suzanne Branciforte 2001-11-12

The Second Edition of *Parliamo italiano!* instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute *Parliamo italiano!* video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

Mossy Trotter - Elizabeth Taylor 2015-04-02

'It's always a treat to read Elizabeth Taylor. Mossy Trotter is a real gem. A delightfully mischievous boy living in those long-ago halcyon days when children played out all day, roaming commons, scavenging on rubbish tips and stamping in newly-laid tar' JACQUELINE WILSON 'We - that is, Herbert and I - want you, Mossy, to be our page-boy,' Miss Silkin said, staring hard at Mossy again, as if she were trying to imagine him dressed up, and with his

hair combed. Mossy went very red, and nearly choked on a piece of cake, and Selwyn laughed, and went on laughing, as if he had just heard the funniest joke of all his life. They both knew what being a page-boy meant. One of the boys at school - one of the very youngest ones - had had to be one, wearing velvet trousers and a frilled blouse.' When Mossy moves to the country, life is full of delights - trees to climb, woods to explore and, best of all, the marvellous dump to rummage through. But every now and then his happiness is disturbed - chiefly by his mother's meddling friend, Miss Silkin. And a dreaded event casts a shadow over even the sunniest of days - being a page-boy at her wedding. In her only children's book, Elizabeth Taylor perfectly captures the temptations, confusion and terrors of a mischievous boy, and just how illogical, frustrating and inconsistent adults are!

Melbourne and around (Rough Guides Snapshot Australia) - Rough Guides

2014-05-15

The Rough Guide Snapshot to Melbourne and around is the ultimate travel guide to this area of Australia. It leads you through the region with reliable information and comprehensive coverage of all the sights and attractions, from Chinatown to the Heide Museum of Modern Art and the Yarra Valley to the Penguin Parade on Phillip Island. Also published as part of The Rough Guide to Australia. Now available in ePub format.

The Missing Sister - Dinah Jefferies

2019-04-04

The sweeping new novel from the best-selling author of *The Tea Planter's Wife*, set in 1930s Burma Belle Hatton is a beautiful young girl living in Gloucestershire, who's never been further East than Paris. But when her father dies, she finds a mysterious newspaper clipping from Burma, 1911 buried among his belongings -

a clipping that says the Hattons were leaving Rangoon after the disappearance of their baby daughter, Elvira. How could her parents have kept this from her for so long? Was her sister really dead? And could there be a chance that Belle might find her? Before she knows it Belle is boarding a ship to Rangoon, alone, with no idea what she will find when she gets there...

Partisan Wedding - Renata Viganò 1999

World War II stories on Italian women in the Resistance as heroines and traitors, and the way they exploited their femininity. In *Red Flag*, a woman hides guns by covering them with a soiled sanitary napkin.

Mussolini's Death March - Nuto Revelli 2013

Vivid eyewitness accounts from 43 survivors from the Italian army's short-lived and disastrous campaign on the Eastern Front. Recaptures in the words and sober reflections of the men who fought there the harrowing experience of this lunatic mission in which the Italians suffered roughly 75,000 dead."

Imitatio Vitae - Marina Cicogna 2020-02-18

An exceptionally luxurious, slipcased celebration of the enchanting carved capitals of the Doge's Palace in Venice Presented in a luminous perspex slipcase, with gilt edges, stamping and paper changes throughout, *Imitatio Vitae* features close-up photographs of the Doge's Palace capitals drawn from the Camera photo Arte archive and selected by photographer Marina Cicogna (born 1934), who also added her own shots. The column capitals of the Doge's Palace in Venice take us back in time, revealing glimpses of everyday life in the 14th century with their depictions of life in the fields and the workshops of the period, baskets of fruit and animals, cherubs and love scenes, marital relations and family groups, and images of cosmology and astrological houses. Sculpted by unknown but extraordinary masters, the carved bas-reliefs act out ancient and fascinating stories. In 1851, English art critic John Ruskin described these large capitals as a "course of divinity and of natural history." A lavish volume coproduced by Gucci and Marsilio, *Imitatio Vitae* brings the extravagant details of the Doge's Palace to life.

Using Italian Vocabulary - Marcel Danesi

2003-08-07

Using Italian Vocabulary provides the student of

Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

La camicia bianca secondo me - Gianfranco Ferré 2015-02-23

A homage to the work and talent of the architect - fashion designer who since the early days of his career succeeded in establishing an ongoing dialogue between architecture and fashion, creating a new code with which these two difficult and complex worlds could perfectly combine. Ferré himself affirmed: I believe that most part of my creative process is based on my background and training as an architect. For me fashion is poetry, intuition, imagery, but also a methodic and project oriented discipline, based on the fact that a dress is the result of a programmed and acknowledged intervention on forms and shapes. In a magical play of lightness and transparency, 27 shirts (selected from the most extraordinary shirts Ferré designed during his over 20 year long activity) testify to Ferrés creative genius and to the technical and project quality he put into the construction of this garment, which Ferré himself considered the sign of his style. These superb creations include the silk bustier that, blossoming like a delicate calla lily, stands out like a corolla, framing the woman's face almost defying the law of gravity, and the outstanding upside down shirt, whose utmost innovative structure turns this garment into an object of pure design. The catalogue features a wide selection of images, including

Ferrés sketches and designs unique work sheets capable of illustrating with only a few lines, the essence of the garment and the core idea of each project, highlighting all the precious particulars from the quality of the fabric, to the dramatic details and the hidden finishings.

Gentleman - Bernhard Roetzel 2012

It is possible to argue about taste--but not about true style. A gentleman can be recognized immediately from his confident appearance, his charm, and his carefully chosen clothes.

Gentleman is the tried-and-tested guide on matters of style and quality.

The Clothing of the Renaissance World - Cesare Vecellio 2008

A tour de force of scholarship and book production: an essential reference for anyone interested in costume history, Renaissance studies, theater, and ethnography.

A New Dictionary of the English and Italian Languages - Arthur Enenkel 1908

Freckles, the Rich Dog - Mary Satchell 2015-04-30

Freckles, a top show dog owned by the richest family in town, is unhappy. Katie, his best friend, is too busy with school, new friends, and things like dance and tennis lessons. Freckles is lonely. Even though he lives like a spoiled prince, Freckles thinks he isn't appreciated or needed anymore. He longs to be free. So, he runs away and finds a friend on the other side of town, where life is very different. Freckles meets Sadie, a poor, lonely, farm girl. She lives with Aunt Elizabeth, who doesn't really want the girl. Sadie really needs a friend. The rich dog suddenly becomes a hardworking farm dog. Life on the farm teaches Freckles the real meaning of friendship and loyalty. He even becomes a hero in his new life. Unexpectedly, Katie's family finds out where their beloved dog is. They had offered a large reward for Freckles's return, with no luck. Katie and her parents rush to Aunt Elizabeth's farm in their limousine to take Freckles home! Freckles suddenly has a big decision to make. Will he go back to a rich dog's life, or stay with Sadie on the little farm? Freckles makes his choice and surprises everyone.

La Gola - 1988

Panorama - 2000-06

A Perfect Life - Patricia Kay 2012-07-01

THE PLAN For Shawn Fletcher, it was to meet and marry the man of her dreams, have the perfect kid and live happily ever after. THE REALITY Getting dumped by said man of her dreams, as she approached her fortieth birthday and being blamed by said perfect kid for it to boot! THE NEW PLAN? To throw away the plan and grab opportunity wherever it presented itself, starting with her daughter's irresistible teacher, Matt McFarland . Getting involved with Matt might not be the most sensible thing to do, but then again, where had sensible gotten Shawn so far? It was time to let her other senses take the lead .

How to be Decadent - George Mikes
1981-01-01

Cani alla moda. Cappottini, impermeabili e accessori fai da te - Lilly Shahravesh 2009

French Bulldog Training - Claudia Kaiser
2020-08-16

French Bulldog Training - Dog Training for your French Bulldog puppy The training of dogs is often... .. confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your French Bulldog profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your French Bulldog will show characteristics which are different to those of a Husky, for example, and this is predominantly what you need to consider during training. This book is vol. 1 of the French Bulldog training books. Vol. 2 for your grown up French Bulldog is also available with the title "French Bulldog Training Vol. 2: Dog Training for your grown-up French Bulldog" Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the

knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your French Bulldog. Get your copy of this book today and experience... .. how your French Bulldog sees his world ... and how you can progressively train your dog to receive the best results. Your French Bulldog will appreciate it... .. so this is my advice: Don't hesitate to buy this book! Content of this book: About the Author Preface What you need to know about your French Bulldog Cornerstones of training puppies Before the puppy arrives The first few weeks The first commands Training basic knowledge Check list for the start Conclusion

The Institute - Stephen King 2019-09-10
From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines.

If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is "first-rate entertainment that has something important to say. We all need to listen" (The Washington Post).

The Motorcycle Safety Foundation's Guide to Motorcycling Excellence - Motorcycle Safety Foundation 2019-08-13

This is the book for the motorcyclist who wants to do it right! The Motorcycle Safety Foundation's Guide to Motorcycling Excellence is the most complete and authoritative guide to motorcycle safe-riding techniques and strategies. More than one million students have completed courses developed by the Motorcycle Safety Foundation, and this book is the culmination of what this leading rider-training

organization has learned about teaching students of all ages and experience levels. It is the perfect refresher for anyone who has taken an MSF class and it will be an eye-opener for those who have not yet taken a formal training course. In a clear, engaging style with detailed diagrams and extensive full-color photographs and illustrations, the book covers rider attitude, proper gear, basic and advanced street skills, and performance, as well as skill maintenance and troubleshooting. Topics include how to stop quickly when necessary; avoiding traffic hazards; applying evasive maneuvers; countersteering for better control; traveling safely and skillfully in a group; identifying and fixing mechanical problems; riding smoothly at high and low speeds; maintaining momentum in off-highway riding; and much, much more. The Motorcycle Safety Foundation's Guide to Motorcycling Excellence is a remarkable source of riding wisdom and the definitive reference for the sport.
