Anti-Diet - Christy Harrison 2019-12-24

Reclaim your time, money, health, and happiness from our toxic diet culture with groundbreaking strategies from a registered dietitian, journalist, and host of the Food Psych podcast. 68 percent of Americans have dieted at some point in their lives. But upwards of 90% of people who intentionally lose weight gain it back within five years. And as many as 66% of people who embark on weight-loss efforts end up gaining more weight than they lost. If dieting is so clearly ineffective, why are we so obsessed with it? The culprit is diet culture, a system of beliefs that equates thinness to health and moral virtue, promotes weight loss as a means of attaining higher status, and demonizes certain ways of eating while elevating others. It's sexist, racist, and classist, yet this way of thinking about food and bodies is so embedded in the fabric of our society that it can be hard to recognize. It masquerades as health, wellness, and fitness, and for some, it is all-consuming. In *Anti-Diet*, Christy Harrison takes on diet culture and the multi-billion-dollar industries that profit from it, exposing all the ways it robs people of their time, money, health, and happiness. It will turn what you think you know about health and wellness upside down, as Harrison explores the history of diet culture, how it's infiltrated the health and wellness world, how to recognize it in all its sneaky forms, and how letting go of efforts to lose weight or eat "perfectly" actually helps to improve people's health—no matter their size. Drawing on scientific research, personal experience, and stories from patients and colleagues, *Anti-Diet* provides a radical alternative to diet culture, and helps readers reclaim their bodies, minds, and lives so they can focus on the things that truly matter.

It will help you calm the "f" down. The book is awesome. It has one image per page, not front and back, so no worries about markers bleeding thru and ruining another image. I love that there are a couple of pages at the front to test your colors on. The book has awesome images and sayings. The images vary significantly so there really is something for everyone. I've included some sample images from the book to get an idea of what is inside. Amazing book for anyone who loves to color at a super reasonable price. Great gift idea. I'm buying a couple more for friends now that I've seen the inside..." - Melissa S. "I have had so much fun coloring your designs! They keep me somewhat sane when I am not feeling well. Thank you so much for putting out this book!" - Trish H. "I have so many coloring books that I've collected for the last 20 years; as a potty-mouthed b*tch, though, this is my current favorite. Can't wait for the next!" - Debbie M. "This is by far my favorite coloring book and I have tons!! Just the perfect amount of swears meets funny. Some of the swears are disgusting. This one is perfect!!" -Gavin S. "I don't typically do product reviews but this time I'm making an exception. I absolutely love this book! Sure I'm sarcastic, sassy and have a sense of humor, and if you are too you'll love it as well. Some pages are simple, some more detailed so it's great for someone trying to just get a start in this hectic new wave of adult coloring. In the long run it makes me smile, and isn't that worth every penny?" - Anonymous "I just received this 15 minutes ago. This is just what the doctor ordered. Clearly it's not for those offended by foul language, but that should be obvious by title. I don't write that many reviews and certainly not within minutes of receiving the article. This little treasure of a coloring book was definitely worth the effort. While I enjoy my beautiful garden, faces, animals, mandalas and steampunk coloring books, Sasha O'Hara knocked it outta the park with this little diddy. I'm glad I didn't look at the pictures in the reviews. It was sooo much better being surprised by each turn of the page and literally laughing my a** off at such lovely drawings as the titles described my true feelings. There's a few I plan on coloring, framing and presenting to a few friends. Highly recommended to those not offended by uncensored foul language. - Moodswings
