Tug of War - Harvey Brownstone 2009-03

Explaining complex family law concepts and procedures in a jargon-free style, this resource includes detailed information on how family court works, offers easily understandable case examples, and describes alternatives to litigation that are designed to help prevent families with children from entering the legal system to resolve disputes. Exploring subjects that apply to all parties involved in resolving separation, divorce, and custody conflictsjudges, lawyers, mediators, parenting coaches, psychologists, family counselors, and social workersthis reference demystifies the role of lawyers and judges, debunks the myth that parents can represent themselves in court, and examines each parents responsibility to ensure that post-separation conflicts are resolved with minimal emotional stress to children.

The Living Together Kit - Toni Lynne Ihara 1997

To avoid future trouble, couples living together need a written agreement covering the ownership of the house or other property, a parenthood statement if there are kids, and a will or other estate plan--since people living together don't inherit automatically like married couples. Includes tear-out agreements, instructions, and sample forms.

Cohabitation - James Cook 2020-07-28

The numbers of unmarried cohabiting couples continue to increase, with the result that the law and practice relating to this area continues to

grow insignificance for family and private client lawyers. This new edition of *Cohabitation: Law Practice and Precedents* has been extensively revised to take account of all procedural developments, as well as analysis of significant case-law. Whether preparing a cohabitation contract or pre-nuptial agreement, drafting wills for cohabiting couples, advising on rights on the breakdown of a relationship or the death of a partner, or applying for a personal protection order or a parental responsibility agreement, practitioners will find authoritative analysis of the applicable law and expert guidance on procedural issues. *Cohabitation: Law, Practice and Precedents* is the only work on the subject to provide commentary, checklists, procedural guides and precedents in a single volume making it an invaluable aid to all practitioners advising unmarried couples.

Cohabitation - Helen Wood 2001

A comprehensive work on cohabitation law for practitioners. Whether instructed to prepare a cohabitation contract, draft a will for cohabiting couples, advise on a party's rights on relationship breakdown or death of a partner, or apply for a personal protection order, practitioners will find an analysis of the applicable law, explanation of procedural guides for the relevant procedure, and drafted precedents.

The Complete Idiot's Guide to Stepparenting - Ericka Lutz 1998

You're no idiot, of course. You know how to push a toddler on a swing,

the recipe for the best gooey chocolate chip cookies, and even how to get teens to confide in you. Your own kids think you're hip, too (although they'd never admit to it). But when it comes to figuring out how not to come across as the wicked stepparent, you feel like you need a magical potion. Don't reach for the garlic yet! The Complete Idiot's Guide® to Stepparenting gives you sanity-saving advice for dealing with the stepfamily, getting to know your stepchildren, and feeling confident in your role. In this Complete Idiot's Guide® you get: --Tips for dealing with the dreaded "first meeting." --The top 10 complaints of stepmoms and stepdads—and how to deal with them. --Disciplining do's and don'ts. --Practical suggestions for dealing with the Ex. --Expert advice on making time for romance!

Little Book of Loony Sex Laws - Christine Green 2015-09-01

A little book that takes a quirky look at the world of sex and finds that, universally, the law is an ass! The Little Book of Loony Sex Laws reveals over 250 loony sex laws and rules - some current, some ancient. •Did you know that in the USA in VIRGINIA in the county of Norfolk a law was passed banning women from wearing corsets. The reason being was because 'the privilege of admiring the curvaceous unencumbered body of a young woman should not be denied to the normal red-blooded American male'. And in OHIO, Cleveland, women aren't allowed to wear patent leather shoes for fear a man might see the reflection of something that he ought not to! •In China there is no law against prostitution because according to the authorities: "There is no prostitution in China. However, we do have some women who make love for money." •In England ... no sex is allowed on the back of a motorbike in the city of London! •And finally from Greece ... the ancient Greeks knew how to deal with an adulterous man. A law was written that if caught in the act he would have his pubic hair removed and a large radish inserted up his rectum. There is no record no any repeal of this law! •The perfect antidote to our oversexed world, The Little Book of Loony Sex Laws is a must as a mischievous giftbook!

The People's Law Review - Ralph E. Warner 1980

This collection of articles and interviews provides a wide range of

information on the history of self-help law, thoughts on its future, and alternative methods of solving legal problems.

Same Sex Legal Kit For Dummies - John G. Culhane 2012-11-05

Grasp the latest legal information for gay and lesbian couples Same-sex relationships are treated differently under each state's laws, and nearly a quarter of the U.S. population lives in a state with some form of legal recognition for same-sex couples. Same Sex Legal Kit For Dummies is a practical, plain-English guide to the legal information and guidance lesbian and gay couples need—from making practical decisions about living together and obtaining domestic partner benefits, to making medical decisions, taking care of each other's finances when one partner is incapacitated, leaving property to each other, having and raising children, and much more. Discusses power of attorney, health directives, and real estate and personal property ownership Covers considerations for bank accounts, investments, and estate planning The book's accompanying CD-ROM includes dozens of helpful tools, forms, and letters Brings you up to speed on the latest in civil unions, workplace rights, rental agreements and leases, and much more The information contained in Same Sex Legal Kit For Dummies is invaluable for anyone in a same-sex relationship who needs to grasp the laws and regulations that apply to their unique situation CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

A Legal Guide for Lesbian & Gay Couples - Hayden Curry 1986

America's estimated 20 million lesbians and gay men need to take specific legal steps to define and protect their relationships in the eyes of the law. This practical guide shows them how to: obtain domestic partner benefits-plan for medical emergencies-buy property together-provide for each other at death-understand the practical and legal aspects of having and raising children.The guide includes living together contracts, sample wills and a durable power of attorney. The updated 14th edition now includes a new chapter discussing the laws of states that offer an equivalent to marriage, plus information on ending such relationships.

Taxation - Michael A. Livingston 2010-01-01

This publication differs from most existing tax casebooks the following ways: The book includes complete chapters on business, international, and estate and gift taxation, three areas of substantial importance that are historically left out of the basic tax course. The book places a strong emphasis on planning and policy, not as an adjunct to the more common legal materials, but as part of an integrated pedagogic approach. Each case or group of cases is followed by three different sets of problems-- Using the Sources, Law and Planning, and Politics and Policy--which are designed to develop the student's law, planning, and policy analysis skills on a systematic basis. Excerpts from leading law review articles are included in each chapter so that students can understand for themselves the basic issues in tax policy and legislation. The book emphasizes current concerns in tax law and policy, issues and problems that are likely to confront the next generation of tax practitioners and policy-makers. Thus, substantial space is devoted to the new breed of tax shelters; the tax treatment of gay and unmarried couples; and the relationship of taxes to health, retirement, and environmental policy, without sacrificing the "classic" cases that are the backbone of any tax book. The text consists of twelve chapters, each containing all of the types of problems described above and concluding with an in-depth, take-home problem that may be used either as the basis for in-class discussion or as a graded written assignment. The book is accompanied by a comprehensive Teacher's Manual (available only to professors) that contains detailed answers for every question posed in the text, together with suggestions for discussion and debate topics.

Living Together - Frederick Hertz 2017-07-28

All the law cohabiting couples need to know Laws that protect married couples—on property ownership, divorce, inheritance rights, and more—don't apply to unmarried couples. To define and protect your relationship—and your assets—you need to take specific legal steps and use the right documents. Whether you're just starting out or are one of the growing number of older couples who choose to live together, this revised edition has the information you need. It covers all the big issues facing unmarried couples living together, including: Money and Property

Clarify how you'll share money and other assets. Estate Planning Leave your assets to whomever you wish, including children from a prior marriage. Breaking Up Divide property and share child custody fairly. Children Protect your kids by confirming that you are their legal parents. The House If you buy a house together, spell out ownership shares in writing. Medical Decisions Make important medical decisions for each other if necessary.

Nolo's Essential Guide to Child Custody and Support - Emily Doskow 2020-11-24

Custody and Support: Get the Answers You Need When you're getting divorced, you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can't resolve these issues, you'll have to head to court and ask a judge to decide for you. Either way, Nolo's Essential Guide to Child Custody & Support can help. You'll learn: how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid-19 is affecting custody arrangements and family court hearings, and when you need a lawyer and how to work with one. You'll also find specifics about each state's laws, including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.

The Everything Wills & Estate Planning Book - Deborah S Layton 2009-05-18

Most Americans don't have a will. They avoid estate planning because they don't want to think about death or they think it's too complicated. But this easy-to-follow guide takes the mystery out of the process. This book shows readers how easy it can be to plan for security and peace of mind. Readers learn how to write a will, create an estate plan, designate executors, choose trusts, reduce tax liabilities, and distribute their assets. Other features include: A glossary of legal terms Advice for protecting families from creditors Guidance for unmarried partners The

important role of charitable giving in your estate plan This book provides sound advice for planning retirement and managing assets at any age and income level. It also includes completely new information on: Updated tax, IRA, and Roth details Charitable giving opportunities for reducing taxes and leaving a legacy Instruction for keeping plans up to date as the readers age An estate planning checklist
Routledge Handbook of Family Law and Policy - John Eekelaar
2014-05-09

Changes in family structures, demographics, social attitudes and economic policies over the last sixty years have had a large impact on family lives and correspondingly on family law. This book provides global perspectives on the policy challenges facing family law and policy round the world. The chapters apply legal, sociological, demographic and social work research to explore the most significant issues that have been commanding the attention of family law policy-makers in recent years. Featuring contributions from a range of renowned global experts, the book draws on multiple jurisdictions and offers comparative analysis across a range of countries. The book addresses a range of issues including: the role of the state in supporting families and protecting the vulnerable children's rights and parental authority sexual orientation and gender in family law the status of marriage and other forms of adult relationships divorce and separation and their consequences the relationship between civil law and the law of minority groups assisted conception movement of family members between jurisdictions This advanced level reference work will be essential reading for students, researchers and scholars of family law and social policy as well as policy makers in the field.

New York Landlord's Law Book - Mary Ann Hallenborg 2003

"The New York Landlord's Law Book" explains New York landlord-tenant law in comprehensive, understandable terms, and gives landlords the tools they need to head off problems with tenants and government agencies alike.

The No-Fight Divorce Book - Brette Sember 2019-04-15

Get divorced without fighting! End your marriage on your own terms and

without the cost and heartache of a traditional divorce. Divorce doesn't have to be harder for you than it already is. The No-Fight Divorce Book provides you with all you need to know to take advantage of mediation, an increasingly popular, proven alternative to traditional divorce that is less time-consuming, far less expensive, and a whole lot more civilized. In The No-Fight Divorce Book, former divorce attorney and mediator Sember explains what mediation is, how it works, and how to use it to take control of your divorce and work with your partner. She explains, in plain English, the legal basics involved, providing you with: - Tips on what to expect from your mediation experience, how to properly prepare for the process, and how to reach agreement in mediation- Checklists, questionnaires, logs, and communication techniques that help you stay organized- "Words That Work" that help you deflect conflict and promote understanding and compromise between you and your spouse- Professional guidance on how to mediate key divorce issues, including property settlements, alimony, child support and custody The No-Fight Divorce Book is the only divorce mediation guide that emphasizes communication skills and helps readers learn how to talk to their partners in mediation. The book also focuses on solving common mediation problems. Other information includes: - How to find a qualified mediator- Why you need an attorney and a mediator- How to convince your partner to use mediation- Different types of mediation that might work for you- Court-ordered mediation- How to determine if mediation will work for you- What to look for in your agreement with your mediator- How to get into the mediation mind-set- Why you might want to involve your child in mediation- How to create a parenting schedule- Tips on negotiating alimony and property settlements- How to review your final settlement- What you need to do to make the settlement legal- Why you might need to return to mediation after divorce- How mediation can be used by unmarried couples Don't let your divorce ruin your life. Find out how to effectively use mediation for a calmer, more civilized divorce.

Bromley's Family Law - Nigel V. Lowe 2015

'Bromley's Family Law' is a well-established and popular textbook with students and practitioners alike. This edition has been updated to take

into account recent developments in family law.

Divorce and Family Law in California - Bob Pickus 2006-04-23

"Divorce and Family Law in California" provides a clear, concise, and complete guide to divorce and family law in California. Topics covered include: Marriage, Divorce, Annulment, Legal Separation, Property, Debts, Spousal Support, Unmarried Couples, Paternity, Custody & Visitation, Child Support, Guardianship, Adoption, Dependent Children, Children's Names, Restraining Orders. A California attorney since 1978, Bob Pickus works for the Alameda County Employees' Retirement Association in Oakland, addressing primarily the impact of divorce on retirement benefits. He also volunteers for the Volunteer Legal Services Corporation in Oakland, providing weekly divorce and family law clinics and follow-up services for low-income persons.

Beyond Straight and Gay Marriage - Nancy D. Polikoff 2008

A study of the fight for marriage equality furnishes an effective argument for why married couples, whether they are gay or straight, should not receive special rights under American law that are denied to other families, analyzing the larger political, social, and economic issues of marriage and family law as they pertain to unmarried couples, single-parent households, and other family relationships.

The Complete Idiot's Guide to Personal Finance in Your 20s & 30s

- Sarah Young Fisher 2009

Addresses areas of key concern for readers in their twenties and thirties, covering such topics as 401(k) and retirement planning, effective budgeting that takes into accounts spiraling costs and growing families, and the latest internet banking technologies. Original.

Unmarried Couples - Elliot D. Samuelson 1992-08-21

Relational Vulnerability - Ellen Gordon-Bouvier 2020-11-15

This book breaks new theoretical ground by constructing a framework of 'relational vulnerability' through which it analyses the disadvantaged position of those who undertake unpaid caregiving, or 'dependency-work', in the context of the private family. Expanding on existing socio-legal scholarship on vulnerability and resilience, it charts how the state

seeks to conceal the embodied and temporal reality of vulnerability and dependency within the private family, while promoting an artificial concept of autonomous personhood that exposes dependency-workers work to a range of harms. The book argues that the legal framework governing the married and unmarried family reinforces principles of individualism and rationality, while labelling dependency-work as a private, gendered, and sentimental endeavor, lacking value beyond the family. It also considers how the state can respond to relational vulnerability and foster resilience. It seeks to provide a more comprehensive understanding of resilience, theorising its normative goals and applying these to different hypothetical state responses.

The California Landlord's Law Book - Nils Rosenquest 2021-05-25

No resource, in print or online, gives such detailed and practical information to California landlords and property managers who are subject to a large number of detailed state, local, and federal laws and regulations. The 40+ forms are designed for every common situation from tenancy terminations to notices to enter to required disclosures—all of which are subject to legal requirements includes new information on state-wide rent control and responses to eviction moratoriums during the Covid-19 pandemic.

The Changing Legal Regulation of Cohabitation - Rebecca Probert

2012-09-06

This book is for anyone interested in the history of marriage and cohabitation, whether historian, lawyer or general reader. It is written in an accessible style, while providing a radical reassessment of existing ideas about the popularity, legal treatment and perceptions of cohabitation between 1600 and 2010.

Inheritance Law And The Evolving Family - Ralph Brashier 2004

Nontraditional families are today an important part of American family life. Yet when a loved one dies, our inheritance laws are often stingy even towards survivors in the nuclear family. With humor, enthusiasm,

and a bit of righteous outrage, Ralph C. Brashier explores how probate laws ignore gender roles and marital contributions of the spouse, often to the detriment of the surviving widow; how probate laws pretend that unmarried couples—particularly gay and lesbian ones—do not exist; how probate laws allow a parent to disinherit even the neediest child; and how probate laws for nonmarital children, adopted children, and children born of surrogacy or other forms of assisted reproductive technology are in flux or simply don't exist. A thoughtful examination of the current state of probate law and the inability of legislators to recognize and provide for the broad range of families in America today, this book will be read by those with an interest in the relationship between families and the law across a wide range of academic disciplines.

What to Do Before "I Do" - Nihara K. Choudhri 2004-11-01

The cake has been chosen, the reception hall reserved, and all the attire ordered. Creating a marriage contract is probably the last thing on your mind. However, by working with your spouse-to-be to design your particular marriage contract, you control the relationship and direct your future. *What to Do Before "I Do"* takes the potentially unromantic idea of a prenuptial agreement and makes you see its importance to your relationship. Proper planning will answer questions such as- Will your child continue to be cared for in the manner you wish if you pass away? Is your fiancé's debt your responsibility? Can your wife claim your premarital property in a divorce? People often enter marriage with only a vague understanding of their partner's financial status. Even if you decide against a prenuptial agreement, after reading this book, you will realize how important it is to go into a marriage with your eyes wide open.

Unmarried with Children - Brette Sember 2008-07-01

As unmarried parents, you face many unique legal, financial, and child-rearing challenges that married couples do not. How do I explain this situation to my child? Can I leave the paternity or maternity section blank on a birth certificate? How much do I need to tell my child's teacher? Award-winning author and attorney Brette McWhorter Sember provides real-life scenarios and resources to help guide you through the

myriad issues that face unmarried singles and couples today. This first-of-its-kind parenting manual covers these and other important topics, including: Custody concerns Paternity issues Adoption laws Children's rights Unmarried with Children has answers to all your questions that have gone unanswered-until now. Brette McWhorter Sember, J.D. is an award-winning author, mother of two, former attorney, and freelancer whose writing career began eight years ago when she left her law practice to stay home after the birth of her second child. The recipient of the Mothers at Home 1999 Media Award, she has written more than twenty books, including *The Everything Pregnancy over 35 Book*, *How to Parent with Your Ex*, and *Gay and Lesbian Parenting Choices*. Her freelance work has appeared in more than 130 publications, including *American Baby*, *Child*, *ePregnancy*, *Writer's Digest*, *Personal Journaling*, *Divorce Magazine*, *Home Business Journal*, *Pregnancy and Conceive*. Technical Reviewer: Dr. Phil S. Hall, Ph.D. is a licensed psychologist and licensed school psychologist, and is the principal author of two nonfiction books on children, *Educating Oppositional and Defiant Children* and the upcoming *Parenting Your Defiant Child*. He holds a Ph.D. in psychology from the University of Montana. Dr. Hall currently specializes in working with behaviorally challenged children and adults on American Indian Reservations and for various Plains States school systems.

The Landlord's Law Book - David Wayne Brown 1991

There Is No Common Law Marriage in California - L. W. Greenberg 2018-07-30

If you are an unmarried couple living in California, you NEED this book. There is no common law marriage in California. No matter how long you live with your partner, you are not married until you get married. And there are no laws or palimony that protect the rights of unmarried couples. This book shows you the only way that you can get support and/or equal property division, if you and your partner separate. Don't be the living together partner that gets nothing when you separate. Buy this book and PROTECT YOURSELF!

Family Law - Jonathan Herring 2014-02

What is a family? What makes someone a parent? What rights should children have? In this Very Short Introduction Jonathan Herring provides an insight not only into what the law is, but why it is the way it is. It also looks at the future to consider what families will look like in the years ahead, and what new dilemmas the courts may face.

Cohabitation - 1990

A Practical Guide to Short Marriages for Family Lawyers - Sadie Glover 2022-06-17

This book will consider the legal position in respect of short marriages. This can often be a tricky area of law, particularly where needs is a magnetic factor and there is little or no marital acquiescence. Formulating a solid case plan from the outset is essential. This book will assess how the case law has evolved over the years from the pre-White era to the present day, and consider how the future needs of the family can affect the overall outcome of your case, notwithstanding of the brevity of the marriage. This book will cover the following: How to apply the s25 considerations to a short marriage How the court regards pre-marital cohabitation How the court regards relationship after marriage Miller and the sharing principle Future needs of the children and parties Relevant recent caselaw ABOUT THE AUTHOR Sadie Glover is a Partner in the family team at B P Collins LLP. She qualified as a solicitor in 2006 and practises exclusively in all aspects of family law, including divorce and financial settlements, separation, cohabitation, children and nuptial agreements. Sadie's practice has a particular emphasis on divorce and financial settlements, ranging from low to high net worth matters. She also has vast experience of advising on private law children matters, ranging from common disputes between parents, to international leave to remove applications and complex international child abduction cases in the High Court. Sadie also advises on matters relating to the separation of unmarried couples, to include proceedings under the Trust of Land and Appointment of Trustees Act 1996 (TOLATA) and Schedule 1 of the Children Act 1989. Throughout her career, Sadie has amassed a considerable knowledge and expertise in advising clients on all matters

from the straightforward to the highly complex. Priding herself in adopting a sensitive, down-to-earth and practical approach in all cases, she draws on personal and professional experience to provide a high level of client care. Sadie has developed a skill for writing and delivering online training for other family lawyers across England and Wales. She recently co-presented a webinar for MBL, one of the country's leading providers of CPD training and has been retained by MBL to deliver further training on different family law topics, later this year. In her spare time, Sadie enjoys spending time with her two daughters, Molly and Rosie and long countryside walks with their beloved dog, Phoebe. Sadie is also a keen runner and has taken part in a number of running events, to include the London Marathon. CONTENTS Chapter One - Short Marriages and s25 MCA 1973 Chapter Two - Premarital Cohabitation Chapter Three - Relationship After Separation Chapter Four - White and the Sharing Principle Chapter Five - Miller; Needs, Compensation and Sharing Chapter Six - Future Needs of the Children and the Parties Chapter Seven - Short, Childless Marriages Chapter Eight - Conclusion - Where Does This Leave Us?

A Legal Guide for Lesbian & Gay Couples - Frederick Hertz 2020-05-26

This book is for LGBT couples who want to know how to legally define and protect their relationships, especially those couples who are not quite ready to get married, or who are in a civil union or domestic partnership.

Counseling Unmarried Couples - Frederick Hertz 2011

This book will enable you to provide holistic and effective advice to unmarried couples, whether same-sex or opposite-sex, enabling them to make wise decisions about their homes, their children, and their assets. The fourteen chapters discuss everything that an unmarried couple is likely to encounter. Also included is a CD-ROM containing all the documents you'll need to represent these couples, from co-ownership agreements to co-parenting adoptions to sample wills.

California Family Law 2021 Edition - L. W. Greenberg 2021-05-02

This is a comprehensive California family law book and THERE IS A

COMPANION WORKBOOK. The California family law book contains ONLY CURRENT California statutes, California caselaw and California rules of Court. Unlike other textbooks on this subject, ALL OUTDATED material has been removed. The statutes are the actual current California laws and they are presented throughout the book in bold print. The California Rules of Court provide essential information about family law forms and court room procedures, yet most textbooks contain very little about these rules. This CALIFORNIA FAMILY LAW book is different because many California Rules of Court are included. They are also presented throughout the book in bold print. The cases in each chapter are actual current cases. They provide judicial interpretation of the laws and key family law concepts in an easy to understand format. "The author's style and organizational technique make this book easy to read, as well as interesting." Hon. C. K. Goldsmith, Judge of the California Superior Court (retired). Almost every chapter has its own topic. And each chapter includes a brief summary of that chapter on the first page. Professors and students will appreciate this prudently constructed pedagogy. Judicial Council forms are essential in California family law and the Judicial Council is already preparing many INFO forms with completion instructions. While there are some forms included, this book discusses the different kinds of forms. California State Court Commissioner Alan B. Clements (Retired) said: "I'm utterly stunned with the thoroughness of the book. Your tenacity in drawing everything together is simply unmatched by any effort that I have seen within the family law umbrella. I would think that your book should be used in every classroom in the state of California. Of significant interest to me was your Chapter on discovery. With all of the discovery issues I heard while sitting on the bench, your analysis supersedes the P's and A's that I have read and makes discovery crystal clear." None of the other books on the market today provide all of this CURRENT information. This is the one California Family Law book to have in your library. This is the only California Family Law book you will need.

A Legal Guide for Lesbian and Gay Couples - Denis Clifford 2010
Covers the specific legal needs of gay and lesbian couples, including

living together, contracts, buying property, wills, estate planning, and children.

The Complete Guide to Mediation - Forrest S. Mosten 1997
Complete guide to using mediation in a family law practice.

Still a Family - Lisa Rene Reynolds 2009

Still a Family is a much-needed repository of wisdom and practical counsel for any family going through a divorce, a time of heightened feelings and fragile relationships. Divorce can have a devastating effect on children. Yet for families who care fully consider and manage the intricacies associated with this difficult and upsetting time, the family, as seen from the child's perspective, can remain strong, healthy, and as loving and supportive as it ever was. Still a Family clearly and concisely lays out the specific emotions and reactions parents need to anticipate from their children while going through separation, divorce, and its aftermath. Rather than weighing parents down with complicated plans, confusing information, and legal terminology, this book takes a commonsense approach, providing readers in a state of emotional distress with the practical, down-to-earth advice they need to sensibly and comfortingly guide their children through this often painful process. The book covers the most common mistakes divorcing parents tend to make, as well as addressing special issues that come up for kids of different age groups.
