What is Sex? - Lynn Margulis 1997

A look at the sexual impulse that is at the root of our very biological existence includes scientific discussions on the origins of gender, sexual strategies of life forms from mitochondria to humans, and the language of sexuality. 15,000 first printing.

Come as You Are - Emily Nagoski 2015-04-09

A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong

story. Come as You Are reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't

sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent

Faith's Checkbook - C.H. Spurgeon 2014-10-09

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

Desiring God - John Piper 1996

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

En el principio era el sexo - Christopher Ryan 2012

Desde los tiempos de Darwin, nos han contando que nuestra especie tiende naturalmente a la monogamia sexual. Tanto la ortodoxia científica como las instituciones religiosas y culturales mantienen que hombres y mujeres hemos evolucionado en familias en las que los unos intercambiaban sus posesiones y su protección por la fertilidad y fidelidad de las otras. Pero este discurso se desmorona. Cada día se

casan menos parejas, y los índices de divorcio aumentan sin cesar, mientras el adulterio y la disminución del deseo hacen naufragar incluso matrimonios en apariencia sólidos. ¿Cómo conciliar la realidad con el discurso imperante? Según los pensadores Christopher Ryan y Cacilda Jethá, es imposible. Y, en este libro provocativo y brillante, a la vez querebaten casi todo lo que «sabemos» del sexo, ofrecen una atrevida explicación alternativa. La tesis central de Ryan y Jethá es que los seres humanos evolucionamos en su día en grupos igualitaristas que compartían la comida, el cuidado de los niños y, a menudo, las parejas sexuales. Entretejiendo indicios convergentes —obviados habitualmente— que nos ofrecen la antropología, la arqueología, la primatología, la anatomía y la psicología sexual, los autores ponen de manifiesto lo lejos que está la monogamia de formar parte de la naturaleza humana. En el principio era el sexo, siguiendo la tradición de la mejor literatura histórica y científica, da la vuelta con insolencia a postulados injustificados y a conclusiones sin fundamento, ofreciendo a cambio una forma revolucionaria de entender por qué vivimos y amamos como lo hacemos.

Countersexual Manifesto - Paul B. Preciado 2018-12-18

Countersexual Manifesto is an outrageous yet rigorous work of trans theory, a performative literary text, and an insistent call to action. Seeking to overthrow all constraints on what can be done with and to the body, Paul B. Preciado offers a provocative challenge to even the most radical claims about gender, sexuality, and desire. Preciado lays out mock constitutional principles for a countersexual revolution that will recognize genitalia as technological objects and offers step-by-step illustrated instructions for dismantling the heterocentric social contract. He calls theorists such as Derrida, Foucault, Butler, and Haraway to task for not going nearly far enough in their attempts to deconstruct the naturalization of normative identities and behaviors. Preciado's claim that the dildo precedes the penis—that artifice, not nature, comes first in the history of sexuality—forms the basis of his demand for new practices of sexual emancipation. He calls for a world of sexual plasticity and fabrication, of bio-printers and "dildonics," and he invokes

countersexuality's roots in the history of sex toys, pornography, and drag in order to rupture the supposedly biological foundations of the heterocentric regime. His claims are extreme, but supported through meticulous readings of philosophy and theory, as well as popular culture. The Manifesto is now available in English translation for its twentieth anniversary, with a new introduction by Preciado. Countersexual Manifesto will disrupt feminism and queer theory and scandalize us all with its hyperbolic but deadly serious defiance of everything we've been told about sex.

The Cat I Never Named - Amra Sabic-El-Rayess 2020-09-15

The stunning memoir of a Muslim teen struggling to survive in the midst of the Bosnian genocide--and the stray cat who protected her family through it all. *Six Starred Reviews* A YALSA Excellence in Nonfiction Finalist A Capitol Choices Remarkable Book A Mighty Girl Best Book A Malala Fund Favorite Book Selection In 1992, Amra was a teen in Bihac, Bosnia, when her best friend said they couldn't speak anymore. Her friend didn't say why, but Amra knew the reason: Amra was Muslim. It was the first sign her world was changing. Then Muslim refugees from other Bosnian cities started arriving, fleeing Serbian persecution. When the tanks rolled into Bihac, bringing her own city under seige, Amra's happy life in her peaceful city vanished. But there is light even in the darkest of times, and she discovered that light in the warm, bonfire eyes of a stray cat. The little calico had followed the refugees into the city and lost her own family. At first, Amra doesn't want to bother with a stray; her family doesn't have the money to keep a pet. But with gentle charm this kitty finds her way into everyone's heart, and after a few near miracles when she seems to save the family, how could they turn her away? Here is the stunning true story of a teen who, even in the brutality of war, never wavered in her determination to obtain an education, maintain friendships, and even find a first love--and the cat who gave comfort, hope, and maybe even served as the family's guardian spirit.

[This Book Is Gay](#) - Juno Dawson 2021-09-07

The bestselling young adult non-fiction book on sexuality and gender! Lesbian. Gay. Bisexual. Transgender. Queer. Intersex. Straight. Curious.

This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. Frank, warm, funny, USEFUL."—Patrick Ness, New York Times bestselling author "This egregious gap has now been filled to a fare-thee-well by Dawson's book."—Booklist *STARRED REVIEW*

Los saberes sexuales en la historia - Bernardo Moreno Jiménez 2022-10-27

El objetivo de este libro es transmitir una línea de pensamiento sobre la formación de los saberes sexuales, sus vicisitudes y sus cambios en la historia. La exposición que aquí se recoge traza una línea de desarrollo de los marcos conceptuales, creencias y saberes sobre el sexo y la sexualidad. Se lleva a cabo una exposición, en algún caso amplia, de los planteamientos históricos que no se circunscriben a ser enunciados, sino a ser expuestos. El contenido que se presenta no es una historia en el sentido más estricto del término, aunque mantiene un marco de desarrollo cronológico. Más que presentar la transmisión completa y cronológica del dato, se realiza una exposición del desarrollo de los saberes sexuales en sus contextos sociales y conceptuales a lo largo de la

historia.

Sinners in the Hands of an Angry God - Jonathan Edwards 2019-08-15
Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Unholy Books of Tristan Wrangler - Don Both 2017-12-24

Mia Angel, 18 years old, chubby, avid eyeglasses wearer, from a poor background, nickname Turkey, is the personification of an unpopular teenager. As if this was not enough, ever since first grade she has been head-over-heels in love with the absolute chauvinist, womanizing, Tristan 'Sexy' Wrangler - naturally, without any reciprocation from the arrogant god. One morning, thanks to an alcohol-induced faux pas, he finds himself waking up in bed with Turkey in his arms. This is absolutely devastating to his esteemed reputation. Always on Fucking Saturdays:

However, he notices that although Mia doesn't conform to the perfect supermodel image, which is his usual type, she has other qualities and even the power to, quite unintentionally, rob him of his hormone-charged mind...

Recovering Biblical Manhood and Womanhood (Revised Edition) - John Piper 2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God’s unchanging word in an ever-changing culture.

En el principio era el sexo - Christopher Ryan 2021

Damon - C. Terry Cline, Jr. 2016-06-02

A four-year-old boy with a rare glandular malfunction, a genius IQ, and uncanny telepathic power is the catalyst that creates this compulsively readable novel of dual personality and psychological possession. What is at the core of Damon’s unique affliction? Damon is a “once in a lifetime case” for psychiatrist Dr. Kyle Burnette, colleague psychoneurologist Dr. Ted Drinkwater, and nurse Betty Snider. In psychotherapy, Burnette discovers a mature, sensual, menacing alter ego in Damon, an extremely rare occurrence in so young a child. Concurrently, the glandular malfunction seems to be causing Damon’s young body to mature sexually to the level of a grown man’s. What are the true sources of Damon’s strange seizures, his breathtakingly accurate reading of Dr. Burnette’s

mind, and the increasing menace of his behavior? In the tradition of great psychological mysteries such as *Sybil* and *The Three Faces of Eve*, *Damon* is a story based on the bizarre but medically impeccable fact.

En el principio era el sexo - Cacilda Jethá 2012-02-09

Desde los tiempos de Darwin, nos han contado que nuestra especie tiende naturalmente a la monogamia sexual. Pero, ¿cómo podemos conciliar la realidad, mucho menos monógama, con este tipo de discurso? En el principio era el sexo, siguiendo la tradición de la mejor literatura histórica y científica, da la vuelta con insolencia a postulados injustificados y a conclusiones sin fundamento, ofreciendo a cambio una forma revolucionaria de entender por qué vivimos y amamos como lo hacemos.

Peyton Place - Grace Metalious 1956

This big, richly diverse novel of life in a small New England town teems with incident, vitality and character. Its people are presented in the full dimensions of their lives--their corruptions and kindnesses, their high hopes and secret drives.

The Giver - Lois Lowry 2014

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Le Deuxième Sexe - Simone de Beauvoir 1989

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Totem and Taboo - Sigmund Freud 1918

Sex in a Broken World - Paul David Tripp 2018-01-16

We live in a deeply broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God's beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. This sexual brokenness reveals our deep need for redemption— something quick

fixes, mere behavior modification, or a set of rules can't provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God intended.

Mind The Gap - Dr Karen Gurney 2020-03-05

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

S=EX2 - Pere Estupinyà 2016-08-25

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the "heat of the moment" is less rational than we think? Did you know that mind and vagina each go their

own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to “cure” homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona’s Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

Ripper - Isabel Allende 2021-01-05

From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda’s father, the Chief Inspector of the San Francisco police. Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper’s latest murder mystery-“the case of the misplaced bat”-begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that

lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it’s a fast-paced read that grabs you right from the start and keeps you glued to the page.

En el principio era el sexo - Christopher Ryan 2020

Esperanto by direct method - Stano Marček 2007

Gender Trouble - Judith Butler 2011-09-22

Since its initial publication in 1990, this book has become a key work of contemporary feminist theory, and an essential work for anyone interested in the study of gender, queer theory, or the politics of sexuality in culture. This is the text where the author began to advance the ideas that would go on to take life as “performativity theory,” as well as some of the first articulations of the possibility for subversive gender practices. Overall, this book offers a powerful critique of heteronormativity and of the function of gender in the modern world.

Civilized to Death - Christopher Ryan 2020-08-11

The New York Times bestselling coauthor of *Sex at Dawn* explores the ways in which “progress” has perverted the way we live—how we eat, learn, feel, mate, parent, communicate, work, and die—in this “engaging, extensively documented, well-organized, and thought-provoking” (Booklist) book. Most of us have instinctive evidence the world is ending—balmy December days, face-to-face conversation replaced with heads-to-screens zomboidism, a world at constant war, a political system in disarray. We hear some myths and lies so frequently that they feel like truths: Civilization is humankind’s greatest accomplishment. Progress is undeniable. Count your blessings. You’re lucky to be alive here and now. Well, maybe we are and maybe we aren’t. *Civilized to Death* counters the idea that progress is inherently good, arguing that the “progress” defining our age is analogous to an advancing disease. Prehistoric life, of course, was not without serious dangers and disadvantages. Many babies died in infancy. A broken bone, infected wound, snakebite, or difficult pregnancy could be life-threatening. But ultimately, Christopher Ryan questions, were these pre-civilized dangers more murderous than

modern scourges, such as car accidents, cancers, cardiovascular disease, and a technologically prolonged dying process? *Civilized to Death* “will make you see our so-called progress in a whole new light” (Book Riot) and adds to the timely conversation that “the way we have been living is no longer sustainable, at least as long as we want to the earth to outlive us” (Psychology Today). Ryan makes the claim that we should start looking backwards to find our way into a better future.

The Art of Loving - Erich Fromm 2013-02-26

The landmark bestseller that changed the way we think about love: “Every line is packed with common sense, compassion, and realism” (Fortune). *The Art of Loving* is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book’s release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, *The Art of Loving* is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author’s estate.

Waking From Sleep - Steve Taylor 2010-12-01

How much of your waking time are you fully awake? On the other hand, how often do you stumble through the day on autopilot, half-asleep and out of contact with yourself, instead of feeling connected and alive? In this astounding book, Steve Taylor suggests that our normal consciousness is really a kind of “sleep” from which we sometimes “wake up” into a more intense and complete reality. He provides what is perhaps the first-ever clear explanation of higher states of consciousness, or “awakening experiences.” This work delves into: • the methods we human beings have used throughout history to induce

awakening experiences, including meditation, sex, sports, psychedelic drugs, and sleep deprivation • how higher states of consciousness were normal and natural to some of the world’s peoples (and still are, in some cases) • and how we can make “wakefulness” our normal state again. By fully explaining awakening experiences, the author makes them much more accessible, which may lead to a revolution in our psychological development as human beings!

[Libro del amor, el](#) - James McConnachie 2008-11

Amor Sexo Y Relaciones Duraderas - Chip Ingram 2005-11

Even true love can fizzle with time, but it doesn't have to be that way. What is God's prescription for enhancing your love life? The author provides a road map to successful, loving and joyful loving relationships. Whether single, single again or wanting more from marriage, you can begin the delightful journey toward a lasting, loving relationship. This practical, insightful book shows how.

[Indigenous Women’s Movements in Latin America](#) - Stéphanie Rousseau 2016-12-19

This book presents a comparative analysis of the organizing trajectories of indigenous women’s movements in Peru, Mexico, and Bolivia. The authors’ innovative research reveals how the articulation of gender and ethnicity is central to shape indigenous women’s discourses. It explores the political contexts and internal dynamics of indigenous movements, to show that they created different opportunities for women to organize and voice specific demands. This, in turn, led to various forms of organizational autonomy for women involved in indigenous movements. The trajectories vary from the creation of autonomous spaces within mixed-gender organizations to the creation of independent organizations. Another pattern is that of women’s organizations maintaining an affiliation to a male-dominated mixed-gender organization, or what the authors call “gender parallelism”. This book illustrates how, in the last two decades, indigenous women have challenged various forms of exclusion through different strategies, transforming indigenous movements’ organizations and collective identities.

Sex at Dawn - Christopher Ryan 2010-06-29

Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethá. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethá's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethá show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Teaching Developmentally Disabled Children - Ole Ivar Lovaas

1981-01-01

...designed for use with children from age 3 & above who suffer from mental retardation, brain damage, autism, severe aphasia, emotional disorders or childhood schizophrenia...

The Choice - Shayla Black 2021-08-25

One innocent. Two rivals. No compromise. Nursing student Heavenly Young is struggling to care for her ailing father, keep a roof over their heads, and start a new career. Romance isn't even on her radar. Then fate throws two tempting men in her path, forcing her to make a choice that will change her life forever. Dr. Ken Beckman has two rules: never date where he works and never touch virgins. He's sorely tested when he meets Heavenly. Since she's too innocent for his dark desires, he resists claiming her—until Seth Cooper, manwhoring bastard, decides she'll be his next conquest. But it isn't long before the ex-cop turned private eye finds himself falling for the angel, too. Seth fights his feelings, but once he hears Beck also wants her, he vows to save her from the deviant. Beck and Seth, once good friends, become vicious adversaries in the battle for Heavenly's heart. When they discover she's been keeping dangerous secrets from them both, will they call a truce and work together...or lose her for good? *Previously published as DOHL: Heavenly Rising (Book 1) - The Choice The Unbroken Series: Heavenly Rising The Choice The Chase The Commitment

Think and Grow Rich - Napoleon Hill 2020-10-12

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

How to Hear from God Study Guide - Joyce Meyer 2008-12-14

God wants to speak to you on a One-to-one basis, every day. He wants to take you step by step to the good things He has in store for you. In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, much less take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital toward following His plan. In *How to Hear from God*, bestselling author Joyce Meyer revealed the ways in which God delivers His word, and the benefits of asking Him for the sensitivity to hear His voice. In this companion study guide, she takes you a step further, leading you through an interactive process toward a greater understanding of how God is working in your life. With thoughtful question-and-answer sections and further Scripture reading, as well as a recap on each of the book's chapters, Joyce Meyer has created an intimate and meaningful experience on the path to hearing God's Word for you personally. The *How to Hear From God Study Guide* includes: * More Than 200 Questions Adapted From *How to Hear From God* and Relevant Scriptures * A Workbook-Styled Format so You Can Write Your Answers Directly into the Book * A Section of Answers to Help Guide You in Your Own Personal Reflections on the Questions.

My Body - Emily Ratajkowski 2021-11-09

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, *The New York Times Book Review* A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from

Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

The Dark Side of the Supernatural - Bill Myers 2008

Supernatural hunger -- Angels, the good and the bad -- Demons -- Satanism -- Ufos -- Communicating with the dead -- Ghosts -- Near-death experiences -- Reincarnation -- Wicca and witchcraft -- Vampires and fantasy games -- More doors to be wary of opening -- Wrapping up.

The Infinite Plan - Isabel Allende 2020-06-30

Summer Reissues with P.S. The engrossing story of one man's quest for love and for his soul from bestselling author Isabel Allende, now available with P.S. Isabel Allende's first novel to be set in the United States and to portray American characters, *The Infinite Plan* is a vivid tale of one man's search for love, and his struggle to come to terms with a childhood of poverty and neglect. As he journeys from the Hispanic barrio in Los Angeles to the killing fields of Vietnam to the frenetic life of a lawyer in San Francisco, Gregory Reeves loses himself in an illusory and wrongheaded quest. Only when he circles back to his roots does he find the love and acceptance he has been searching for.
