Sovereign Excess, Legitimacy and Resistance - Francescomaria Tedesco 2018-10-04

When talking about his film *Salò*, Pasolini claimed that nothing is more anarchic than power, because power does whatever it wants, and what power wants is totally arbitrary. And yet, upon examining the murderous capital of modern sovereignty, the fragility emerges of a power whose existence depends on its victims' recognition. Like a prayer from God, the command implores to be loved, also by those whom it puts to death. Benefitting from this "political theurgy" as the book calls it (the idea that a power, like God, claiming to be full of glory, constantly needs to be glorified) is Barnardine, the Bohemian murderer in Shakespeare's *Measure for Measure*, as he, called upon by power to the gallows,

answers with a curse: 'a pox o' your throats'. He does not want to die, nor, indeed, will he. And so, he becomes sovereign. On a level with and against the State.

Slave Stealers - Timothy Ballard 2018-09-04

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground

railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

And to make it worse, he was now the potential gateway into his universe of a fantastic being from ... another dimension? What WAS the Gorken? Human ... or just-IT? There was a girl, too. Was he supposed to love her, or hate her? He didn't know! And one slip was a sentence of death. And who was Picozzi-and THE ONES? How could he succeed in such an incredible masquerade! Proud of Their Heritage and Sustained by Their Faith, They Came to Tame a New Land She had promised herself that once they left the fjords of Norway, she would not look back. After three long years of scrimping and saving to buy tickets for their passage to America, Roald and Ingeborg Bjorklund, along with their son, Thorliff, finally arrive at the docks of New York City. It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880. Together with Roald's brother Carl and his family, they will build a good life in a new land that promises untold wealth and vast farmsteads for their children. As they join the throngs of countless immigrants passing through Castle Garden, they soon discover that nothing is as they had envisioned it. Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions, the Bjorklunds continue their long journey by train as far as Grand Forks. From there a covered wagon takes them into Dakota Territory, where they settle on the banks of the Red River. But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land. The virgin prairie refuses to yield its

treasure without a struggle. Will they be strong enough to overcome the hardships of that first winter?

The Story of B - Daniel Quinn 2010-01-13

From the author of the critically acclaimed, award-winning bestseller *Ishmael* and its sequel, *My Ishmael*, comes a powerful novel with one of the most profound spiritual testaments of our time “A compelling ‘humantale’ that will unglue, stun, shock, and rearrange everything you’ve learned and assume about Western civilization and our future.”—Paul Hawken, author of *The Ecology of Commerce* Father Jared Osborne has received an extraordinary assignment from his superiors: Investigate an itinerant preacher stirring up deep trouble in central Europe. His followers call him B, but his enemies say he’s something else: the Antichrist. However, the man Osborne tracks across a landscape of bars, cabarets, and seedy meeting halls is no blasphemous monster—though an earlier era would undoubtedly have rushed him to the burning stake. For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes, opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion. Pressed by his superiors for a judgement, Osborne is driven to penetrate B’s inner circle, where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations. More than a masterful novel of adventure and suspense, *The Story of B* is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs. The Most Important Thing - Antonella Abbatiello 2022-03-15

The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk of the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Instructions on how to Read a Newspaper and Other Poems -

Valerio Magrelli 2008

Poetry. Bilingual Edition. Translated from the Italian by Riccardo Duranti, Anamaria Crowe Serrano, and Anthony Molino. Edited by

Anthony Molino. In his introduction, "On Reading Valerio Magrelli," Oxford Professor Peter Hainsworth describes the title work as "a striking, ambitious and indeed ingenious creation, evidence of a poetic strategy that daringly spearheads and remains at the forefront of Italian poetry today." Valerio Magrelli is recognized in Italy as one of the country's most imaginative, innovative and vision-altering poets yet still remains insufficiently known to the English-speaking world. The present bilingual collection, combining selections from two works of the 1980s under the title *Nearsights*, together with the complete composition of 1999, "Instructions on How to Read a Newspaper," strives to rectify this situation.
