2014: The Year of Action - Bepty Antoine 2018-05-24

2014: The Year of Action By: Bepty Antoine 2014: The Year of Action is a broad-ranging compendium of the events, conflicts, and progress recently seen throughout the world. Written from the perspective of an immigrant with a particular heart for the poor, this unique tome focuses on the influential work of two world leaders, United States President Barack Obama and Pope Francis. Bepty Antoine utilizes historical and cultural knowledge to frame events within a larger context, presenting the actions both men have taken to further social justice issues, often connecting these concerns to environmental crises. Drawing on the tenants of their Christian faith, both the President and the Pope have sought to defend immigrants, refugees, and the global poor, and their efforts, often in the face of extreme opposition, are carefully detailed and celebrated. 2014: The Year of Action focuses on the impressive achievements of two modern heroes and places their struggles for progress within the wider context of current events and popular culture.

The Jericho Fast - Rhoda Faye Diehl 2020-08-25

Do you feel stuck? Is there one area of your life that just won't change, no matter how hard you work, believe, and cry out to the Lord? When the enemy holds ground in one part of our life, it tends to consume most of our thoughts. That one area can cost us emotional health, quality relationships, and even the ability to enjoy life. But we don't have to put up with it. It's time to fight back! Fasting is God's secret weapon against the enemy's strongholds. Jesus even said that some evil spirits cannot be cast out except by prayer and fasting. That should tell us a lot about the power of this weapon—it's basically God's nuclear option. The Jericho Fast guides readers through a 7-day fast to achieve breakthrough for the stubborn areas of their lives. Minister and author Rhoda Faye Diehl expertly imparts wisdom and biblical truth throughout the book to help you overcome lies used by the enemy to erect walls in your life. She also provides strong encouragement and exhortation to help readers complete the fast and make it through to their victory. Are you ready for breakthrough? Are you ready for the walls to come down? Let's go!

Spiritual Aggressiveness - Zacharias Tanee Fomum 2016-07-12

Burdened with the need for competent and aggressive workers in the field for a growing work, Professor Zacharias Tanee Fomum gave these talks on SPIRITUAL AGGRESSIVENESS to about 250 leaders from eight nations, during a leadership training course. This course, which was on "Spiritual Leadership in the Pattern of Joshua", took place in Lagos, Nigeria, during a period of five days from Wednesday 14th to Sunday 18th August 1996. In this book, Professor Fomum cover topics like: Greatness through might in character and might in deeds Breaking new barriers with total violence Marriage to hardwork Team work Radical holiness for spiritual service Aggressive servanthood Bleeding pursuit of God and many others. The messages are written just as they were spoken, having been compiled from notes taken during the course, with very limited editing by the author. They have maintained their freshness and sharpness. Contributions from various workers from the field make this book a very practical book on missions. Read it. You will be blessed. You will be challenged to become the type of leader that is needed for the Lord's flock on the eve of His imminent return

Sayings of the Great Forty Days Between the Resurrection & Ascension - George Moberly 1875

Popular Catholicism in 20th-Century Ireland - Síle de Cléir 2017-10-05

For much of the 20th century, Catholics in Ireland spent significant amounts of time engaged in religious activities. This book documents their experience in Limerick city between the 1920s and 1960s, exploring the connections between that experience and the wider culture of an expanding and modernising urban environment. Síle de Cléir discusses topics including ritual activities in many contexts: the church, the home, the school, the neighbourhood and the workplace. The supernatural belief underpinning these activities is also important, along with creative forms of resistance to the high levels of social control exercised by the clergy in this environment. De Cléir uses a combination of in-depth interviews and historical ethnographic sources to reconstruct the day-to-day religious experience of Limerick city people during the period studied. This material is enriched by ideas drawn from anthropological studies of religion, while perspectives from both history and ethnology also help to contextualise the discussion. With its unique focus on everyday experience, and combination of a traditional worldview with the modernising city of Limerick – all set against the backdrop of a newly-independent Ireland - *Popular Catholicism in 20th-century Ireland* presents a fascinating new perspective on 20th-century Irish social and religious history.

Jonathan Edwards on Worship - Ted Rivera 2010-07-01

The great American pastor-theologian Jonathan Edwards remains undeniably relevant today, more than 250 years after his death, as attested by the unending flurry of articles, books, and dissertations treating him. Despite this, virtually nothing has been written concerning Edwards's views on worship, a subject central to

the Christian faith, and certainly to Edwards himself. This volume explores Edwards's perspective on both public and private dimensions of worship, aspects of which rise from well-understood Puritan categories, and proposes the practice of self-examination as a bridge between public and private devotion. As Ken Minkema, of the Jonathan Edwards Center at Yale, writes in the foreword, "Ted Rivera's study is the first that systematically attempts to show us Edwards's views of worship, and so represents an important resource for scholars and religious practitioners alike who are interested in liturgy, 'the practice of piety,' and spiritual growth. Through an engagement with Edwards's own words--in letters, notebooks, and sermons--we learn of Edwards's own spiritual life, and of the nature of private and corporate devotion."

Habits of Devotion - James M. O'Toole 2018-07-05

"For generations, American Catholics... lived out their faith through countless unremarkable routines. Deep questions of theology usually meant little to them, but parishioners clung to deeply ingrained habits of devotion, both public and private. Particular devotions changed over time, waxing or waning in popularity, but the habits endured: going to mass on Sunday, saying prayers privately and teaching their children to do the same, filling their homes with crucifixes and other religious images, participating in special services, blending the church's calendar of feast and fast days with the secular cycles of work and citizenship, negotiating their conformity (or not) to the church's demands regarding sexual behavior and even diet.... It was religious practice, carried out in daily and weekly observance, that embodied their faith, more than any abstract set of dogmas."—from the Introduction In *Habits of Devotion*, four senior scholars take the measure of the central religious practices and devotions that by the middle of the twentieth century defined the "ordinary, week-to-week religion" of the majority of American Catholics. Their essays investigate prayer, devotion to Mary, confession, and the Eucharist as practiced by Catholics in the United States before and shortly after the Second Vatican Council.

The Daniel Fast Devotional - Nannette Elkins 2014-12-22

Many begin the Daniel Fast (or ANY FAST) as a part of their New Year resolutions. Some churches even do it corporately, which is a wonderful thing. It is a great time to come together in unity, denying yourself certain foods, all for the purpose of renewing your walk with the Savior. You want to clean out the old and make way for the new! Jesus also said that some things just do not come about by prayer alone! When the Church is fasting, the enemy is intimidated. Satan isn't worried one bit when we are content with the status quo. But if the Church ever realizes the power it possesses through prayer and fasting, the devil would be on the run! Fasting will change your life. It will draw you closer to God, help you see things about yourself that you need to change, allow God to dig out the ugly and replace it with His grace, and lift those heavy burdens from you that you just don't need to carry or worry about any longer. With God's help, I have attempted to give you, the reader, a road map to follow that can be a help to you on this journey. Fasting isn't about just going without food. If done properly, it can propel you to new heights in your relationship with God. I pray you find this book a tool that you will refer to again and again as you make fasting a regular part of your spiritual life.

Theology and Spirituality in the Works of Samuel Davies - Joseph C. Harrod 2019-06-17

From his death in 1761 through the American Civil War, Samuel Davies was a recognized name among American Presbyterians, yet for more than a century he has remained far more obscure in discussions of American religion. During the mid-Eighteenth Century, New Side Presbyterian evangelist and preacher Samuel Davies was a pioneer for religious toleration in Colonial America, yet to date no single work has examined Davies' vision for the interior life. *Theology and Spirituality in the Works of Samuel Davies* is the first monograph-length analysis of Davies' conception of Christian spirituality. After a decade of pastoral ministry to congregations in Virginia, Davies followed eminent American theologian Jonathan Edwards as the fourth President of the College of New Jersey (Princeton University), a tenure cut short by his early death at age thirty-seven. J.C. Harrod examines various aspects of Davies' own personal piety as well as the place that Scripture, conversion, holiness, and the means of grace played in his formulation of Christian piety.

The Mind of Gladstone - David Bebbington 2004-03-11

Gladstone's ideas are far more accessible for analysis now that, following the publication of his diaries, a record of his reading is available. This book traces the evolution of what the diaries reveal as the statesman's central intellectual preoccupations, theology and classical scholarship, as well as the groundwork of his early Conservatism and his mature Liberalism. In particular it examines the ideological sources of Gladstone's youthful opposition to reform before scrutinizing his convictions in theology. These are shown to have passed through more stages than has previously been supposed: he moved from Evangelicalism to Orthodox High Churchmanship, on to Tractarianism and then further to a broader stance that eventually crystallized as a liberal Catholicism. His classical studies, focused primarily on Homer, also changed over time, from a version that was designed to defend a traditional worldview to an approach that exalted the depiction of human endeavour in the ancient Greek poet. An enduring principle of his thought about religion and antiquity was the importance of community, but a fresh axiom that arose from the modifications of his views was the centrality of all that was human. The twin values of community and humanity are shown to have conditioned Gladstone's rhetoric as Liberal leader, so making him, in terms of recent political thought, a communitarian rather than a liberal, but one with a distinctive humanitarian message. As a result of a thorough scrutiny of Gladstone's private papers, the Victorian statesman is shown to have derived a distinctive standpoint from the Christian and classical sources of his thinking and so to have left an enduring intellectual legacy. It becomes apparent that his religion, Homeric studies and political thought were interwoven in unexpected ways. The evolution of Gladstone's central intellectual preoccupations, with religion and Homer, is the theme of this book. It shows how the statesman developed from Evangelism to Orthodox High Churchmanship, on to Tractarianism and then further to a broader stance that eventually crystallized as a liberal Catholicism. It demonstrates also that his Homeric studies developed over time. Neither aspect of his thinking was kept apart from his politics. Gladstone's early conservatism emerged from a blend of classical and Christian themes focusing on the idea of community. While that motif persisted in his speeches as Liberal leader, the category of the human emerged from his religious and Homeric ideas to condition the presentation of his Liberalism. In Gladstone's mind there was an intertwining of theology, Homeric studies and political thought.
