## Thyme in a Bottle - Ingrid Croce 1996-04-16

In 1985 Ingrid Croce opened Croce's Restaurant and Jazz Bar as a tribute to her late husband, singer and songwriter Jim Croce. Attempting to recreate the warmth and energy from their early days of entertaining together, Ingrid infused Croce's with great food, live music and an inviting, casual atmosphere. She has since parlayed the success of this unbeatable combination into a group of popular restaurants and clubs as one of the pioneers in the rejuvenated Gaslamp district of downtown San Diego. Now many of the recipes that have made her restaurants famous are available here. Current culinary trends are reflected in the seasonal American cuisine and Southwestern fare of Ingrid's Cantina and Sidewalk Cafe in recipes such as Santa Barbara Sea Bass with Caramelized Onions and Fig, Ricotta Gnocchi with Wild Mushrooms and Sage, and Pacific Rim Tamales. Drawing on Ingrid's multicultural background and interests, Thyme in a Bottle features Italian favorites as interpreted by the Croce family, like Roasted Pepperont Salad and Fried Zucchini Blossoms, as well as the Russian and Jewish classics of her childhood, such as brisket and tzimmes with kasha and varnishkas. Ingrid also reveals the secrets behind her own signature blitzes and "poppers." Interpreted with the recipes is Ingrid's own inspired story. She

writes openly about her intense romance with Jim Croce, their happy but occasionally troubled marriage. She tells of the difficult repercussions of Jim's early death, from battles with the music industry to rearing a young son on her own. And she shares the challenges of starting a restaurant and becoming a real player in a notoriously competitive business. It is all told with such candor, warmth, and enthusiasm that by the time Ingrid concludes her story with personal and professional triumphs, we are cheering the heartening success of such a vibrant spirit. Fans of the late Jim Croce will delight in this collection of recipes and memoirs by his wife, Ingrid. Ingrid's inspiration comes from memories if the exceptional food and music that her and Jim created in their Pennsylvania farmhouse in the late sixties and early seventies. As proprietor of five award-winning San Diego restaurants and clubs, Ingrid has garnered an enviable reputation in the culinary world. In Thyme in a Bottle she serves up the delicious recipes that make her restaurant so successful as well as antedotes about her life and times. With its wonderful diversity of menus--from traditional Italian and Russian favorites to contemporary American and Southwestern cuisine--this warm and engaging cookbook is an excellent addition to any cook's library.

## **The Unwelcomed Child** - V.C. Andrews 2014-01-21

My mother had looked into the face of evil so many times she knew what it was. It was me. I was born without a soul. . . . Elle Edwards grew up believing that because of her mother's sinful ways she was born without a soul; that's why she

was abandoned and left in the care of Grandmother Myra and Grandfather Prescott, who try to ensure her evil will not infect them—by raising her in a virtual prison. Because her days are occupied with homeschooling, strict religious studies, and vigorous housekeeping in their upstate New York home, Elle knows practically nothing of the outside world, even as she emerges as a young woman with impressive artistic talent. But when she makes a secret, forbidden connection to vacationers at the nearby lake—a handsome boy and his precocious twin sister—Elle's world will shatter. Will discovering the truths about her past send her future plummeting to hell?

All the Women in My Family Sing - Z. Z. Packer  
2018-01-30

All the Women in My Family Sing tells the sometimes raw, always illuminating stories of women of color in today's political climate. Sixty-eight authors in total—African American, Asian American, Chicana, Native American, Cameroonian, South African, British and LGBTIQI—these voices broaden cross-cultural understanding and contribute to building bridges to understanding how very alike we are in the daily experiences of life. No other anthology offers the wide spectrum of stories about cultural identity, migration, sexuality, illness, racism and generosity from such illustrious voices, including America Ferrera on her powerful experience at the Women's March in Washington, D.C. on January 21, 2017; Natalie Baszile on returning to Louisiana to research Queen Sugar and finding the "painful truths" her father experienced in the "belly of segregation;" Porochista Khakpour on flying across America under the Muslim travel ban; and Lalita Tademy on her transition from top executive at Sun Microsystems to NY Times bestselling author. In other essays, a woman writes from prison about widows incarcerated for cashing their husbands' retirement checks. A young mother writes of suffering hundreds of strokes and a heart attack while giving birth. An art historian argues why Carmen Lomas Garza is as important as Norman Rockwell to our conception of what constitutes the American tableau. An escapee from the Cambodian Killing Fields writes about her life in America after losing 37 family members. A daughter writes

about her father growing up in Louisiana having the soles of his feet set on fire as a joke.

American Like Me - America Ferrera 2019-09-03  
INSTANT NEW YORK TIMES BESTSELLER

From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never

seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in American Like Me, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all.

Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.
