Ladder to the Light - Steven Charleston 2021-01-05

Darkness will not last forever. Together we can climb toward the light. They were as troubled as we, our ancestors, those who came before us, and all for the very same reasons: fear of illness, a broken heart, fights in the family, the threat of another war. Corrupt politicians walked their stage, and natural disasters appeared without warning. And yet they came through, carrying us within them, through the grief and struggle, through the personal pain and the public chaos, finding their way with love and faith, not giving in to despair but walking upright until their last step was taken. My culture does not honor the ancestors as a quaint spirituality of the past but as a living source of strength for the present. They did it and so will we. In the same voice that has comforted and challenged countless readers through his daily social media posts, Choctaw elder and Episcopal priest Steven Charleston offers words of hard-won hope, rooted in daily conversations with the Spirit and steeped in indigenous wisdom. Every day Charleston spends time in prayer. Every day he writes down what he hears from the Spirit. In Ladder to the Light he shares what he has heard with the rest of us and adds thoughtful reflection to help guide us to the light. Native America knows something about cultivating resilience and resisting darkness. For all who yearn for hope, Ladder to the Light is a book of comfort, truth, and challenge in a time of anguish and fear.

Nurture - Lisa Bevere 2008-03-12

Nurture (verb): 1. To give tender care and protection. 2. To encourage to grow, develop, thrive, and be successful. This beautifully describes what God's daughters so desperately need. In this heartfelt work, Lisa explains how women of all ages must awaken and restore their capacity to give and receive nurture. The need for this indelible force is far more urgent than we know. Is it possible we are too busy surviving to assure that the vulnerable among us thrive? Are we too guarded, wounded, and afraid to open our lives to the nurture of others? What can be done to reestablish this language of the feminine heart? It is time women are healed and empowered. If you have never experienced nurture, this is your season. Lisa's stirring message shows you how to make these vital heart connections. We need each other's comfort and assurance as we define ourselves, find our voice, and begin to fulfill God's purpose on Earth. In Lisa's own words: "There is such a resonance in my spirit . . . this is in fact our season to grow, develop, and thrive. Heaven is passionately and purposefully reconnecting with our wounded, war-torn earth and the people who inhabit her. In this season I believe the daughters of God will prove integral agents. Nurture is not expensive-it is expansive. The life of everyone enlarges when it is added. As this happens, we will cease to merely function-we will indeed flourish."

Fight Like a Girl - Lisa Bevere 2008-05-05

Today's twisted pictures of gender roles create confusion over how a woman should define herself. Women and men are encouraged to move closer to center and away from the traits that distinguish male from female. How can women feel good about themselves when society is constantly dictating what they can and should be? In *FIGHT LIKE A GIRL*, Lisa Bevere exhorts us to embrace the differences between sexes. Her goal is to encourage women to celebrate the unique aspects of femininity. Instead of trying to adopt ill-fitting character traits, women should see themselves as designed and valued by God and savor their femininity as their strength, not a flaw.

A Heart Ablaze - John Bevere 1999-10-30

God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel,

they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

Adamant - Lisa Bevere 2018-04-17

By ancient definition, the adamant was known as both a diamond and a mythical stone of indestructible wonder. In more modern terminology, it describes a posture of unshakeable resolve and determination. If there was ever a time for us to be adamant about love and truth it is now. God is Love. God is Truth. Both love and truth are timeless, transcending our current trends and opinions. Sometimes the most loving thing we will ever do is to speak the truth, but speaking truth begins with living it. Using the mediums of Scripture and story, New York Times bestselling author Lisa Bevere takes readers on a journey into the Mountain of God, to the one place they can learn not only to abide in God's unshakeable truth and love, but become adamant—people who are unmovable, determined, and steadfast. With conviction and passion, Lisa unpacks the concept of the adamant for readers, linking together the grand story of Scripture and God's purpose in their lives. Readers will see that God's plan is revealed as we dwell in him, it is there that we are forged and shaped. As we abide in Christ our Cornerstone we are shaped into the image of the adamant.

Godmothers - Lisa Bevere 2020-08-25

There is a role unique to women that we abandon easily. We live near each other, but not with each other—and not for each other. We don't want to intrude or judge and, maybe, we don't want to see each other truly succeed. And the world is happy with this unhappy state for women—one that pushes us to conform to a pattern of distrust, disengagement, and competition. It's no wonder we've lost ourselves, and our way. In her most personal, powerful book yet, New York Times bestselling author Lisa Bevere offers a catalytic, transformative vision for women of a different way to live—one that embraces the presence of a godmother—the older, wiser women you can go to and learn from, the strong women who partner with us through life. And everyone needs one! Drawing from her own life, biblical women, and the world of fairy tales, Lisa will show you how to transform what you have into what God wants you to have, push you forward during seasons of doubt, and love you enough to speak truth about God's larger, expansive view of your life. Lisa's candid, compassionate words are your best first step to living as a daughter of God, surrounded by strong relationships and confidence in your calling.

The Future of Catholicism - Michael Coren 2013-11-05

From the author of the bestselling *Why Catholics Are Right*, a perfectly timed book on the new Vatican -- where it is, where it needs to go, and why it is more relevant than ever. When Cardinal Jorge Mario Bergoglio, Archbishop of Buenos Aires, became Pope Francis in March 2013, there were almost 6,000 journalists in Rome to cover the Papal election. Some of them reported on the conclave with expertise and empathy, but others -- either out of ignorance or an agenda -- insisted on asking the same questions again and again: Is the Church going to change? Will the new Pope be flexible? Is Catholicism going to adapt to the times and alter its teaching on same-sex marriage, abortion, contraception, female ordination, celibate clergy, and divorce? Interestingly, these questions center on moral and sexual issues rather than directly theological topics, but they are all based on the premise that the Church is wrong, outdated, in need of fundamental transformation. Does the Church need to change, and if so, where? Where it cannot change, why is this so? In his signature frank style, Coren will explain and outline why the Church believes as it does on many of the most pressing moral issues, giving reasons for teaching and belief, and applying these to contemporary challenges. And for those areas where the Church must change and establish reform -- the transparency of leadership and finance; the competence of the curia and Vatican civil service; the approach the Church takes towards media, the way it deals with the detritus of the abuse crisis; and its approach to the developing world band towards others religions, particularly Islam -- Coren will offer insight into the faith's next steps. The Church is at a crossroads, but perhaps more significantly and accurately, the Western world is at a crossroads, and how the Church reacts to and deals with this phenomenon will decide and define so very much of the future -- of our future.

Saints - Addison D. Bevere 2020-01-21

The Bible uses the word Christian to describe followers of Jesus a grand total of three times. But there's another identifier that fills the pages of the New Testament--a word we've mistakenly reserved for the halo-wearing elite, losing something profound in the process. Saints. Wrapped in this ancient word is a divine invitation to discover who God created you to be and awaken to the life you were meant to know. Using Scripture and stories from his own experience, Addison Bevere makes a compelling case that the life you desire is found in the mystery of this sacred identity. If you want to exchange lifeless religion for the wonder of following Jesus, this book will spur you onward in your journey. ***** "In Saints: Becoming More Than 'Christians,' Addison will encourage you to stop fighting for victory and start living from the victorious destiny we already have through Jesus."--Christine Caine, bestselling author and founder of A21 and Propel Women "Saints is a clarion call to look past ourselves and to the only one who offers us the good life."--Kyle Idleman, senior pastor of Southeast Christian Church and author of Not a Fan and Don't Give Up "All I can say is 'Wow!' This 'Wow' speaks to the depth of knowledge, strength of wisdom, and keen insight found in Saints. It's obvious God has given Addison a voice, one that calls all generations to a higher level of living. As a father and fellow minister, I couldn't be prouder."--John Bevere, bestselling author and cofounder of Messenger International "While the word Christian seems to mean a lot of things to a lot of people, Saints calls us back to following our one and only, Jesus Christ."--Chris Hodges, senior pastor of Church of the Highlands and author of The Daniel Dilemma and What's Next? "Addison encourages us to put on our identity as a saint and live in a relationship with Jesus. Saints is an authentic look at what faith can be."--Bob Goff, New York Times bestselling author of Love Does and Everybody, Always "In a time when so many young men are deconstructing the sacred, Addison has leaned into it. I am challenged, corrected, and lifted by Saints."--Lisa Bevere, New York Times bestselling author and ridiculously proud mother "Addison Bevere has a unique voice in this generation. His new book is a force to be reckoned with in a world that misplaces its identity."--Heather Lindsey, author, speaker, and founder of Pinky Promise

Girls with Swords - Lisa Bevere 2014-02-18

A passionate call for Christian women to effectively "wield the sword" of their God-given feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendercide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery--as enticing and strong as polished steel--to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong: Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God, and the Cross, *Girls with Swords* will teach you: • How to speak the language of heaven on earth • What it means to intercede • What it means to carry your cross • What it means to be discerning • How to disarm the enemy • Why women are the enemy's target--and why God needs them to be heroes It's time to take up your sword and be a hero.
