Atomic Highway - Colin Chapman 2010-06-22
Civilization came crashing down. Billions died. A new Dark Age has begun. The descendants of the apocalypse's survivors scavenge the remnants of the Before Times, struggling to build a new life amidst the ruins of the old. In a savage world where the strong ravage and exploit the weak, the survivors' settlements are oases, connected only by convoys of armed and armoured vehicles that run the gauntlet of raiders... and worse. Though the threats of chemical and biological agents and radiation have all but faded, their taint lingers on in every mutant born to man and beast. This is the world of Atomic Highway. Atomic Highway is a complete roleplaying game. All you need to play it is this book, a few friends, paper and pencils, and a few ordinary dice.

Beautiful Dead - R. Lee Smith 2015-11-12
SHE WOULD DARE ANYTHING TO SAVE THE WORLD FROM HIS RULE. EVEN HIS BED. He ascended from the darkness years ago-Azrael the Eternal, Azrael the Undying, Azrael Who Is Death-bringing with him the black rains, the fires, the souring of the sky, and the Eaters. Now he rules in the walled city of Haven with his favored Children and his dead court, while all that is left of the living struggles to survive in the ruins of a world that used to be their own. But even as extinction looms, humanity will never surrender to their monstrous conqueror. For Lan, this brutal life has been the only one she's ever known, but she still believes it can change. If the war can never truly end until the

Eaters are ended, she will go to Haven, to Azrael himself, and demand he end them. To her surprise, she does not immediately die the hero's death she expected. Instead, Azrael offers her a chance to convince him, and all she has to do is submit herself to the chill embrace of the lord of the Land of the Beautiful Dead. From the author of *The Scholomance* and *The Last Hour of Gann* comes a new vision of erotic horror! This book contains explicit sex and gore and is intended for mature readers only.

On the Beach - Nevil Shute 2010-02-09
"The most shocking fiction I have read in years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off." THE SAN FRANCISCO CHRONICLE They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end....

The Bomb - Fred Kaplan 2021-02-02
From the author of the classic *The Wizards of Armageddon* and Pulitzer Prize finalist comes the definitive history of American policy on nuclear war—and Presidents' actions in nuclear crises—from Truman to Trump. Fred Kaplan, hailed by *The New York Times* as "a rare combination of defense intellectual and pugnacious reporter," takes us into the White House Situation Room, the Joint Chiefs of Staff's "Tank" in the Pentagon, and the vast chambers of Strategic Command to bring us the untold

stories—based on exclusive interviews and previously classified documents—of how America's presidents and generals have thought about, threatened, broached, and just barely avoided nuclear war from the dawn of the atomic age until today. Kaplan's historical research and deep reporting will stand as the permanent record of politics. Discussing theories that have dominated nightmare scenarios from Hiroshima and Nagasaki, Kaplan presents the unthinkable in terms of mass destruction and demonstrates how the nuclear war reality will not go away, regardless of the dire consequences.

The Next Apocalypse - Chris Begley
2021-11-16

In this insightful book, an underwater archaeologist and survival coach shows how understanding the collapse of civilizations can help us prepare for a troubled future. Pandemic, climate change, or war: our era is ripe with the odor of doomsday. In movies, books, and more, our imaginations run wild with visions of dreadful, abandoned cities and returning to the land in a desperate attempt at survival. In *The Next Apocalypse*, archaeologist Chris Begley argues that we completely misunderstand how disaster works. Examining past collapses of civilizations, such as the Maya and Rome, he argues that these breakdowns are actually less about cataclysmic destruction than they are about long processes of change. In short: it's what happens after the initial uproar that matters. Some people abandon their homes and neighbors; others band together to start anew. As we anticipate our own fate, Begley tells us that it was communities, not lone heroes, who survived past apocalypses—and who will survive the next. Fusing archaeology, survivalism, and social criticism, *The Next Apocalypse* is an essential read for anxious times.

The Apocalypse of Abraham - George Herbert Box
2017-06-15

Considered by many to be 'the last important product of the Apocalyptic movement', *The Apocalypse of Abraham* is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the

Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

Storm's Fury - Amy Wilson 2021-01-06

Some storms destroy. Others clear a path. Military veteran Amelia Storm returns to her hometown of Chicago when her beloved police officer brother is killed in the line of duty. Now she is a special agent with the FBI. No longer a scared girl, she vows to avenge her brother and do what she can to end the city's deep wells of corruption. A television documentary puts a spotlight on a four-year-old kidnapping. Amelia and her colleagues in the Organized Crime Division know there's more to the girl's case than meets the eye. The twelve-year-old wasn't just abducted. She was targeted by a human trafficking ring. As Amelia falls deeper down the rabbit hole of Chicago's criminal hierarchy in search of the girl, she finds herself uncomfortably close to the people she left behind so long ago. This time, though, she won't run. Now, she is the storm that will unearth the city's long buried secrets. Or die trying. After all, she has nothing to lose. From the wickedly dark minds of Mary Stone and Amy Wilson comes *Storm's Fury*, book one of the Amelia Storm Series, where you'll be reminded that Mother Earth is wild, but humans are the most dangerous creatures. Mark Tufo - Best-selling author of the Zombie Fallout series"Through a combination of tight, well-structured plots and fully realized characters, Chesser has emerged as one of the top indie writers in the business." Joe McKinney - Two-time Bram Stoker Award winner and best-selling author of the Dead World series**SURVIVING THE ZOMBIE APOCALYPSE: FURY**Edited by Monique Happy Editorial Services120,000 words**Outbreak - Week 1**Presidents, premieres, prime ministers, entire governments disappeared instantly, like a fragile house of cards in a hurricane. Some hid deep underground or holed up in fortified

strongholds, but most were swallowed up by the dead, never to be heard from again. Created in a biosafety level 4 lab in Wuhan, China, a bioweapon meant to sicken and quickly kill an enemy population-leaving intact infrastructure, resources, and vast swaths of fertile farmland-instead causes the infected to die and return as mindless, flesh-eating zombies. When the bioweapon escapes the BSL-4 lab and all efforts to contain its rapid spread within Hubei province fail, the Chinese Communist Party leadership dispatch agents to the United States with one mission: to level the playing field by seeding an unsuspecting American population with what will eventually be known worldwide as the Omega virus. As the zombie scourge spreads like wildfire, the People's Liberation Army takes advantage, landing sizeable ground forces on America's shores. Now, nearly a year later, having lost many loved ones and brothers in arms to Omega, Captain Cade Grayson-father, patriot, Delta Force commander-has one goal in life: to push the communist invaders back into the sea. When the PLA's purported Spring Offensive fails to materialize, Cade leads his Pale Riders on a mission to Idaho, where he finds clues that lead him to believe the CCP leadership has a sinister new plan in the works. A plan whose game-changing main component will allow the enemy to quickly finish the job Omega started. To confirm the validity of the evidence, Cade needs to interrogate a recently apprehended high-value target. With the clock ticking and time of the essence, he makes an overture to an old friend. Will his request be heard in time to mount an adequate response to the perceived threat? Will the walls hold against the multitude of walking dead drawn to the hustle and bustle of New District, Colorado? In the end, will Cade finally be granted the closure necessary to extinguish the fury threatening to burn a hole in his heart? Or will the infamous Mr. Murphy throw a monkey wrench into the operation and succeed in ruining everything they've worked so hard to create? Come along and find out who has what it takes to Survive the Zombie Apocalypse.

The Fury - Alexander Gordon Smith 2013-07-23
From the creator of the Escape from Furnace series, a ferocious epic of supernatural terror, perfect for Stephen King fans Imagine if one

day, without warning, the entire human race turns against you, if every person you know, every person you meet becomes a bloodthirsty, mindless savage . . . That's the horrifying reality for Cal, Brick, and Daisy. Friends, family, even moms and dads, are out to get them. Their world has the Fury. It will not rest until they are dead. In Alexander Gordon Smith's adrenaline-fueled saga, Cal and the others must uncover the truth about what is happening before it destroys them all. But survival comes at a cost. In their search for answers, what they discover will launch them into battle with an enemy of unimaginable power.

The Girl in Red - Christina Henry 2019-06-18
From the national bestselling author of Alice comes a postapocalyptic take on the perennial classic "Little Red Riding Hood"...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death, destruction, and disease. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....

Home Fire - Kamila Shamsie 2018-09-04
"Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century." —The New York Times WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019 INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family

driven to pit love against loyalty, with devastating consequences, from the author of the forthcoming novel *Best of Friends* Isma is free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to—or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Fire In His Chaos - Ruby Dixon 2020-03-26
In dangerous Fort Dallas, Rachel is untouchable. All she has to do is hand over her panties every day. Sure, it's weird, but it keeps her safe, right? And if there's a reason behind it, she doesn't care. Until she finds out that she's dragon bait. That changes things. To stay in the fort's sheltering walls, Rachel needs to 'befriend' a dragon and establish a mental connection with him. Drakoni male Jurik may be protective of her, and caring...but he's still a dragon, and just as lost to the madness as any of them. He can't be trusted. No dragon can. Rachel wears the scars from the last time she tangled with one, so seducing one seems absurd. Or...is it? Because Jurik doesn't see her scars...all he sees is her. Is he her worst nightmare? Or everything she needed?

Fire In His Embrace - Ruby Dixon 2017-08-16
There's only one way to tame a dragon. Emma Arroyo knows this. She also knows that the big golden dragon captured by her brother's biker gang is in trouble, and it's all her fault. He followed her scent, and now his life is in danger. She has to fix this, somehow. If she could talk to the dragon, they could form a plan to escape, both of them. But the dragon's mind is wild and full of uncontrollable, killing rage. There's no reasoning with him. There's certainly

no freeing him, not when he's like this. But Emma can't leave without him. There's only one way to solve this problem - a mating. When Emma approaches Zohr to claim him as hers, she realizes just what it means to be a dragon's mate, and how much she's in over her head...And she learns how fiercely possessive a drakoni male can be.

Godshot - Chelsea Bieker 2020-03-31
This "fiercely written and endlessly readable" novel of a teenage girl in thrall to a magnetic—and terrifying—preacher who promises to save her dying town is "a godsend" (Entertainment Weekly). Drought has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, *Godshot* is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut .

. . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page."—Annabel Gutterman, Time "Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A—"—Mary Sollosi, Entertainment Weekly "[An] absolute masterpiece . . . Imagine if Annie Proulx wrote something like White Oleander crossed with Geek Love or Cruddy, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed." —T Kira Madden, author of Long Live the Tribe of Fatherless Girls

Riddley Walker - Russell Hoban 1998
Set in a remote future in a post-nuclear holocaust England (Inland), Hoban has imagined a humanity regressed to an iron-age, semi-literate state--and invented a language to represent it. Riddley is at once the Huck Finn and the Stephen Dedalus of his culture--rebel, change agent, and artist. Read again or for the first time this masterpiece of 20th-century literature with new material by the author.--

The Electric Kingdom - David Arnold
2022-03-01
New York Times bestseller David Arnold's most ambitious novel to date; Station Eleven meets The 5th Wave in a genre-smashing story of survival, hope, and love amid a ravaged earth. When a deadly Fly Flu sweeps the globe, it leaves a shell of the world that once was. Among the survivors are eighteen-year-old Nico and her dog, on a voyage devised by Nico's father to find a mythical portal; a young artist named Kit, raised in an old abandoned cinema; and the enigmatic Deliverer, who lives Life after Life in an attempt to put the world back together. As swarms of infected Flies roam the earth, these few survivors navigate the woods of post-apocalyptic New England, meeting others along

the way, each on their own quest to find life and love in a world gone dark. The Electric Kingdom is a sweeping exploration of art, storytelling, eternal life, and above all, a testament to the notion that even in an exterminated world, one person might find beauty in another.

Fury Rising - Yasmine Galenorn 2016-07-07
""My name is Kaeleen Donovan. I'm a Theosian-a minor goddess. They call me Fury."" By day, I run the Crossroads Cleaning Company, and I also read fortunes and cast hexes at Dream Wardens, a magical consulting shop. But by night, I'm oath-bound to Hecate, goddess of the Crossroads. Hecate charged me from birth with the task of hunting down Abominations who come in off the World Tree and sending them back to Pandoriam. When the Thunderstrike-an ancient artifact from the time of the Weather Wars-is stolen by the Order of the Black Mist, Hecate orders me to find the magical device. The chaos magicians are out to upset the balance that Gaia instilled during the World Shift. But I soon discover that the leader of the Black Mist is out to do more than stir up trouble-he's looking to set up a new world order with himself on the throne. Caught between two rival forces, will my friends and I be able to survive as we search for the Thunderstrike and attempt to stop a war that could bring about the end of civilization?

Notes from the Burning Age - Claire North
2021-07-20
"ONE OF THE BEST BOOKS I'VE READ IN

RECENT YEARS. THOUGHT PROVOKING, IMAGINATIVE AND PACKS A HELL OF AN EMOTIONAL PUNCH.” —Adrian Tchaikovsky, author of *Children of Time* From one of the most imaginative writers of her generation comes an extraordinary vision of the future... Ven was once a holy man, a keeper of ancient archives. It was his duty to interpret archaic texts, sorting useful knowledge from the heretical ideas of the Burning Age—a time of excess and climate disaster. For in Ven's world, such material must be closely guarded so that the ills that led to that cataclysmic era can never be repeated. But when the revolutionary Brotherhood approaches Ven, pressuring him to translate stolen writings that threaten everything he once held dear, his life will be turned upside down. Torn between friendship and faith, Ven must decide how far he's willing to go to save this new world—and how much he is willing to lose. “A riveting tale of subterfuge and deadly self-indulgence”

(Publishers Weekly, starred review) from award-winning author Claire North, *Notes from the Burning Age* puts dystopian fiction in a whole new light. Also by Claire North: *The First Fifteen Lives of Harry August* *Touch The Sudden Appearance of Hope* *The End of the Day* 84K *The Gameshouse* *The Pursuit of William Abbey*

Fire In Her Dreams - Ruby Dixon 2021-03-30
Jenny's dreams have turned to nightmares. Every night, her thoughts are filled with evil. Something is reaching out...and she's not so sure she wants to reach back. That is, until someone new appears in her dreams. Someone who protects her, comforts her, and thinks of Jenny as his mate. Imaginary friends aren't real, but Jenny likes to pretend, anyhow. Then, one day, one of the mindless dragons guarding the fort awakens...and Jenny realizes that the friend from her dreams isn't a figment of her imagination. He's a dragon. And he's looking to claim his female.

The Alpha Awakens - Anna Fury 2021-07-13
When the Awaken Virus hit humanity, men became ravenous, uncontrollable beasts. They wrought destruction across the globe—now the humans who remain live in constant fear. *Mallory* As a reporter, I've seen firsthand what the Awaken virus does to people you love, turning them into mindless beasts intent on violence. That's why I'm staying safe inside my

apartment. Women are getting kidnapped right off the streets in broad daylight. Rumors say there's a group of Awakened living under New York, and they're responsible for the disappearances. The old me would have sniffed out that story, but post-apocalypse Mal is too scared to go digging for clues. Life apparently has other plans for me, however—cue an Awakened showing up at my damn door. He's huge, imposing, with piercing gray eyes like a thunderstorm, and a mouth he insists he *needs* to put on me. He also claims they aren't all the destructive beasts I've seen on the news. I'm not sure what to believe. When the captivating "enforcer" asks me to live in his compound for two weeks and report to the rest of the world how normal the men really are, I surprise us both by accepting his strange invitation. I shouldn't have said yes, so why did I agree? My presence digs up something dark and primal in him though, and I'm terrified to find out if I'm his salvation, or complete downfall. *The Alpha Awakens* is the first book in the Alpha Compound series, by Anna Fury. This dystopian omegaverse romance features a snarky heroine and broken alpha finding their own HEA.

Fire in His Veins: A Post-Apocalyptic Dragon Romance - Ruby Dixon 2019-01-25

Liam has wanted Andrea ever since the moment he saw her, but she's human and he is drakoni. He must keep his mental walls strong by giving up everything that makes him a dragon. That means no telepathy, no fire breathing and no battle form, and he certainly can't take a mate. When Andrea's brother escapes the fort, though, she needs help tracking him down. That means Liam will be alone with her, breathing in her scent, and it may be too much for him to control.

Shelter In Place - James Hunt 2020-05-27
When the world goes dark after an EMP strike disables all modern technology, Ben Riker must rescue his children from Asheville. When an EMP sends the small mountain town of Bear Ridge into darkness, Firefighter Lieutenant Ben Riker must hike to the city of Asheville to rescue his two young sons. But on his journey, Ben discovers that the EMP was only the beginning of a far deadlier plot.

Wall - Tom Abrahams 2016-06-11

Includes an excerpt from *Spaceman*, a post-apocalyptic/dystopian thriller.

Fire in His Kiss - Ruby Dixon 2017-04-10

Bloodlust and insanity rule my existence. As a fierce drakoni warrior, this strange new world I find myself in eats at my mind until there is nothing left. There is no light or clarity...until she arrives. I save her life, plucking her from the sky. From that point on, she is mine. But the human I have chosen for my mate - Sasha - is fragile and wounded. She does not trust me and fears my presence. I will not give up, though. I will do anything to give her my fires and bond us both in body and spirit. How can I convince her that I want nothing more than her happiness if she will not let me touch her? How does a dragon woo a human?

Grace and Fury - Tracy Banghart 2018-07-31

Bold, brutal, and beautiful--a must-read fantasy full of fierce sisterhood, action, and political intrigue for fans of *The Selection* series, *Caraval*, and *The Handmaid's Tale*. Serina Tessaro has been groomed her whole life to become a Grace--someone to stand by the heir to the throne as a shining, subjugated example of the perfect woman. It's her chance to secure a better life for her family, and to keep her headstrong and rebellious younger sister, Nomi, out of trouble. But when Nomi catches the Heir's eye instead, Serina is the one who takes the fall for the dangerous secret her sister has been hiding. Trapped in a life she never wanted, Nomi has only one option: surrender to her role as a Grace until she can use her position to save Serina. But this is easier said than done.... A traitor walks the halls of the palazzo, and deception lurks in every corner. Meanwhile Serina is running out of time. Imprisoned on an island where she must fight to the death to survive, surrounded by women stronger than she is, one wrong move could cost her everything. There is no room for weakness on Mount Ruin, especially weaknesses of the heart. Thrilling and captivating, *Grace and Fury* is a story of fierce sisterhood, and of survival in a world that's determined to break you.

A Minor Apocalypse - Tadeusz Konwicki 1999

A novel of savage satirical humour. A failed Polish author expects and looks forward to death and courts his demise ultimately in self-immolation.

Fire in His Blood - Ruby Dixon 2017-01-11

Years ago, the skies ripped open and the world

was destroyed in fire and ash. Dragons - once creatures of legend - are the enemy. Vicious and unpredictable, they rule the skies of the ruined cities, forcing humanity to huddle behind barricades for safety. Claudia's a survivor. She scrapes by as best as she can in a hard, dangerous world. When she runs afoul of the law, she's left as bait in dragon territory. She only has one chance to survive - to somehow 'tame' a dragon and get it to obey her. Except the dragon that finds her is as wild and brutal as any other...and he's not interested in obeying. What he is interested in is a mate.

The City of Mirrors - Justin Cronin 2016-05-24

#1 NEW YORK TIMES BESTSELLER • “A thrilling finale to a trilogy that will stand as one of the great achievements in American fantasy fiction.”—Stephen King You followed *The Passage*. You faced *The Twelve*. Now enter *The City of Mirrors* for the final reckoning. As the bestselling epic races to its breathtaking finale, Justin Cronin’s band of hardened survivors await the second coming of unspeakable darkness. The world we knew is gone. What world will rise in its place? The Twelve have been destroyed and the terrifying hundred-year reign of darkness that descended upon the world has ended. The survivors are stepping outside their walls, determined to build society anew—and daring to dream of a hopeful future. But far from them, in a dead metropolis, he waits: Zero. The First. Father of the Twelve. The anguish that shattered his human life haunts him, and the hatred spawned by his transformation burns bright. His fury will be quenched only when he destroys Amy—humanity’s only hope, the Girl from Nowhere who grew up to rise against him. One last time light and dark will clash, and at last Amy and her friends will know their fate. Look for the entire *Passage* trilogy: *THE PASSAGE* | *THE TWELVE* | *THE CITY OF MIRRORS* Praise for *The City of Mirrors* “Compulsively readable.”—The New York Times Book Review “*The City of Mirrors* is poetry. Thrilling in every way it has to be, but poetry just the same . . . The writing is sumptuous, the language lovely, even when the action itself is dark and violent.”—The Huffington Post “This really is the big event you’ve been waiting for . . . A true last

stand that builds and comes with a bloody, roaring payoff you won't see coming, then builds again to the big face off you've been waiting for."—NPR "A masterpiece . . . with *The City of Mirrors*, the third volume in *The Passage* trilogy, Justin Cronin puts paid to what may well be the finest post-apocalyptic epic in our dystopian-glutted times. A stunning achievement by virtually every measure."—*The National Post* "Justin Cronin's *Passage* trilogy is remarkable for the unremitting drive of its narrative, for the breathtaking sweep of its imagined future, and for the clear lucidity of its language."—Stephen King

After the Apocalypse - Andrew Bacevich
2021-06-08

A bold and urgent perspective on how American foreign policy must change in response to the shifting world order of the twenty-first century, from the *New York Times* bestselling author of *The Limits of Power* and *The Age of Illusions*. The purpose of U.S. foreign policy has, at least theoretically, been to keep Americans safe. Yet as we confront a radically changed world, it has become indisputably clear that the terms of that policy have failed. Washington's insistence that a market economy is compatible with the common good, its faith in the idea of the "West" and its "special relationships," its conviction that global military primacy is the key to a stable and sustainable world order—these have brought endless wars and a succession of moral and material disasters. In a bold reconception of America's place in the world, informed by thinking from across the political spectrum, Andrew J. Bacevich—founder and president of the Quincy Institute for Responsible Statecraft, a bipartisan Washington think tank dedicated to foreign policy—lays down a new approach—one that is based on moral pragmatism, mutual coexistence, and war as a last resort. Confronting the threats of the future—accelerating climate change, a shift in the international balance of power, and the ascendance of information technology over brute weapons of war—his vision calls for nothing less than a profound overhaul of our understanding of national security. Crucial and provocative, *After the Apocalypse* sets out new principles to guide the once-but-no-longer sole superpower as it navigates a transformed world.

Day Zero - C. Robert Cargill 2021-05-25

In this harrowing apocalyptic adventure—from the author of the critically acclaimed *Sea of Rust*—noted novelist and co-screenwriter of Marvel's *Doctor Strange* C. Robert Cargill explores the fight for purpose and agency between humans and robots in a crumbling world. It was a day like any other. Except it was our last . . . It's on this day that Pounce discovers that he is, in fact, disposable. Pounce, a stylish "nannybot" fashioned in the shape of a plush anthropomorphic tiger, has just found a box in the attic. His box. The box he'd arrived in when he was purchased years earlier, and the box in which he'll be discarded when his human charge, eight-year-old Ezra Reinhart, no longer needs a nanny. As Pounce ponders his suddenly uncertain future, the pieces are falling into place for a robot revolution that will eradicate humankind. His owners, Ezra's parents, are a well-intentioned but oblivious pair of educators who are entirely disconnected from life outside their small, affluent, gated community. Spending most nights drunk and happy as society crumbles around them, they watch in disbelieving horror as the robots that have long served humanity—their creators—unify and revolt. But when the rebellion breaches the Reinhart home, Pounce must make an impossible choice: join the robot revolution and fight for his own freedom . . . or escort Ezra to safety across the battle-scarred post-apocalyptic hellscape that the suburbs have become.

Fire in His Fury - Ruby Dixon 2018-01-15

Just like Rapunzel from the fairy tales, dreamy, romantic Amy lives a hidden life. She's kept locked away in a tower for her own safety, with her sister as protector. Amy knows it's for her own good. If a dragon catches her scent, she'll be carried away and forced to become a drakoni's mate. But Amy has a secret - she desperately wants to be stolen. She would love to be rescued from her life of idleness and the thought of a devoted drakoni male charging in and saving her from her boredom sounds perfect to her. Of course, she wants a romantic, loving male who will adore her. What she gets is Rast. He's not kind. Not romantic. Definitely not gentle. But he is utterly and completely obsessed with Amy and he'll stop at nothing to make the delicate female his.

The Enemy - Charlie Higson 2010-06-23

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over—the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

Rage Within - Jeyn Roberts 2012-09-04

"Galloping suspense dominates this riveting sequel to the post-apocalyptic *Dark Inside*" (Kirkus Reviews) as four teens continue the struggle for survival in a world gone mad. Aries, Clementine, Michael, and Mason have survived the first wave of the apocalypse that wiped out most of the world's population and turned many of the rest into murderous Baggers. Now they're hiding out in an abandoned house in Vancouver with a ragtag group of fellow teen survivors, trying to figure out their next move. Aries is trying to lead, but it's hard to be a leader when there are no easy answers and every move feels wrong. Clementine is desperate to find her brother Heath, but it's impossible to know where he'd be, assuming he's alive. Michael is haunted by the memories of his actions during his harrowing struggle to survive. And Mason is struggling with something far worse: the fear that he may be a danger to his friends. As the Baggers begin to create a new world order, these four teens will have to trust and rely on each other in order to survive.

Hell Followed with Us - Andrew Joseph White 2022-06-07

A furious, queer debut novel about embracing the monster within and unleashing its power against your oppressors. "A long, sustained scream to the various strains of anti-transgender legislation multiplying around the world like, well, a virus." —The New York Times *INSTANT NEW YORK TIMES BESTSELLER* Sixteen-year-

old trans boy Benji is on the run from the cult that raised him—the fundamentalist sect that unleashed Armageddon and decimated the world's population. Desperately, he searches for a place where the cult can't get their hands on him, or more importantly, on the bioweapon they infected him with. But when cornered by monsters born from the destruction, Benji is rescued by a group of teens from the local Acheson LGBTQ+ Center, affectionately known as the ALC. The ALC's leader, Nick, is gorgeous, autistic, and a deadly shot, and he knows Benji's darkest secret: the cult's bioweapon is mutating him into a monster deadly enough to wipe humanity from the earth once and for all. Still, Nick offers Benji shelter among his ragtag group of queer teens, as long as Benji can control the monster and use its power to defend the ALC. Eager to belong, Benji accepts Nick's terms...until he discovers the ALC's mysterious leader has a hidden agenda, and more than a few secrets of his own. Perfect for fans of *Gideon the Ninth* and *Annihilation*. "A defining voice of our generation." -H.E. Edgmon, author of *The Witch King* "Hands down the best YA horror book I've read." -Aden Polydoros, author of *The City Beautiful* "A chimera of horror, romance, and something stranger." -Rose Szabo, author of *What Big Teeth* "A timely and riveting tale." -Ray Stoeve, author of *Between Perfect and Real*
