*Iced* - Regine Abel

The fate of his people rests in her hands. When the penitentiary ship she's incarcerated in crashes onto an alien planet, Kira and a handful of survivors find refuge in The City in the Caldera alongside its Fire Valos inhabitants. But the sadistic experiments performed on her by the prison's scientist make the heat intolerable for her. When the opportunity to go to the frozen city of E'Lek presents itself, Kira believes she'll finally be at peace. But her first encounter with the Northern Valos doesn't go as planned. Duke is confused by the strange human female. Like him, she's cold, made for the icy lands of the Northern Valos. Her resemblance with the Creators and questionable friendship with a human hated by his people raises their collective suspicions. Yet, only she could save their lost tribes condemned to an eternal slumber. As his heartstone warms for her, Duke is determined to prove to the rest of the tribe that beneath her frozen exterior hides a compassionate female. His female.

**Vexing Voss** - Gail Koger 2018

For Voss, a Coletti Warlord, conquering the universe is a piece of cake. After all, he's a master of psychic seduction; no one can resist him when he sets his mind to it. Zoey Jones is determined to find her mother's killer. Surrendering to a fierce Coletti warrior is the last thing on her mind. When Voss is determined to make Zoey his mate, she unleashes her own brand of whoop-ass to discourage his pursuit. When her clever disguises, skunk perfume, stun gun, and smoke bombs fail to stop the ruthless warlord, she's forced to negotiate her surrender: she would mate with him if he would help her

find her mother's killer. To Zoey's surprise, Voss agrees, and the hunt is on. Their quest to bring the villain to justice leads to unlikely alliances in an interplanetary war, and more surprisingly, to love.

Unleashed - Tiffany Roberts 2018-10-20

Despite the shelter her adoptive parents have provided her entire life, Nina's psychic abilities have always hung over her like a shadow. The very powers that should give her strength have driven her to isolate herself. But lately, her craving for companionship -- a mate -- has become stronger than her fear. One foolish decision puts her life at great risk. And also provides a wondrous discovery...Aduun, Vortok, and Balir have existed in a state of constant rage and ravenous hunger for centuries, locked away in the beastly forms that were forced upon them. Their only thoughts were of revenge on their Creator -- until a mysterious female falls into their underground prison, restoring their heartstones and their sanity. They know nothing about her, yet she may be their only chance at reclaiming their freedom. Unable to deny their intense attraction, they set out together to escape their Creator's trap and rescue their lost people. Can they keep Nina safe and persevere in a world designed to destroy them?----- \*The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book contains their own Happy Ever Afters, and can be read in any order.

Luna Touched - Belle Harper 2019-11-10

My name is Luna. I applied to a job ad that sounded too good to be true. It was! I'm being sent to an Alien Planet to marry an Alien guy with four-arms. But now I'm here, I just found out

I'm getting FIVE Alien husbands not one. This was not what I applied for. But one of the Alien guys broke my Translator and things are about to get messy. Luna Touched is the first in a series of standalone books. This book is Reverse Harem. Sexy Aliens with four-arms and tails... what more could you want?

Blazing - Nancey Cummings 2019-01-11

A woman on fire. Lucie survived four hellish years in prison, being sucked through a wormhole and crashing onto an alien planet. All she wants is to go home. Passion and rage burn in her. She wants her life back and nothing will stop her: not prison, not an alien planet and not three powerful aliens determined to claim her. They won't distract her with their smoldering embrace or fiery kisses. Alien men forged from fire. Sarsen, Ertale and Asche spent the last thousand years waiting for release from their bonds. When the intriguing female bursts into their lives, she frees them from their unending servitude and ignites the fire in their heartstones. Now she thinks she can just leave them behind? Not acceptable. All three will do whatever it takes to make Lucie understand that her body and her heart belongs to them. The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone, containing its own Happy Ever After, and can be read in any order. Blazing is a Reverse Harem story with three heroes and one lucky heroine, complete and no cliffhangers.

**Enduring** - Marina Simcoe 2020-09-23

They say crime doesn't pay . . . but what if it's done in the name of love? Being left behind by my boyfriend and getting arrested wasn't part of the plan. Neither was becoming a test subject for a mad scientist, a crash landing in the prison spaceship, and then struggling to survive in a deadly alien jungle. I could have paid with my life, instead, I was given two incredible reasons to love again, and this time the thing I need to do is to hold on to them. Love condemned me, now it's the only thing left that can save everything I hold dear. Simply enduring is no longer enough. I want to truly live. The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone, containing its own Happy Ever After, and can be read in any order.

Warning:

Enduring is a FMM sci-fi romance that contains graphic descriptions of intimacy. Intended for mature readers.

**Guardian** - Emmy Chandler 2018-05-15

"Choose wisely. Then keep your head down and do what you're told. Time will pass, and we'll be back for you." Audra Copeland is among dozens of newly convicted felons dropped off on the prison planet Rhodon, where she discovers that the women of zone four have a long-standing arrangement with the men. If they hand over six of the new arrivals, the men won't raid. And Audra has just been drafted. She can take her chances on her own, or select a guardian. The deal is simple, if barbaric: sex, in exchange for food and safety from the other two hundred men in zone four. It's a terrifying proposal. The men are violent, filthy degenerates. Then Audra sees Tyson at the edge of the crowd. A hulking, scarred figure, the other men call him a savage, but his clothes are clean, and he's holding a freshly caught rabbit. He can clearly protect what's his. As compassionate as he is powerful, Tyson ignites something fierce in Audra, and their connection is white-hot. The problem? Every thirty days, she'll have to pick a new guardian. Now that he's found Audra, Ty has every intention of keeping her for himself. Even if he has to destroy the fragile zone four peace treaty to do it.

Carnage - Sandra R. Neeley 2018-06-18

Carnage Whispers From the Bayou Book 1 Raised by a father who curses the day she was born, Carolena finds herself in the swamps of south Louisiana under the guise of overseeing her father's investments. In truth, she is making every attempt to avoid forced marriage to any of the men he would have her shipped off to. She's always believed that her husband would love her, would give his very life just to hold her; not be a man who would marry her to claim her father's wealth. When she arrives in the deep-south, she catches the eye of a local backwoods family of brothers. The eldest, Bobby, decides that he is deserving of a step-up in life, takes her against her will to his hovel of a home at the edge of the swamps to be shared between himself and his brothers. Carolena -- not the shrinking flower they think her to be, flees into the deepest, darkest, wildest portion of the swamps in an effort to escape the brothers and

their plans for her. Death at the hands of the creatures in these wetlands is a better option, in her mind. Little does she know, she's also caught the eye of the most dangerous creature there, one of legend -- of nightmares. He's watching her every move, admiring her bravery -- and he's decided he's keeping her. Carnage is a Gargoyle. He's also volatile, dangerous, unpredictable, and lonely. One evening minding his own business at the edge of the sanctuary he calls home, he spies a female. A human female, and she's running headlong into his swamps, with no regard for her own safety. Then he sees the reason; three men, and they're hot on her trail, torches in hand, hell bent on catching her before she can get away. He watches as they get closer and closer to her, easily following her trail. Carnage makes a snap decision that changes both their lives forever; he drops out of a tree right behind her, slaps one clawed hand over her mouth to keep her from screaming, wraps her in his huge arms and goes right back to the treetops. He shelters her while the men traverse the ground below, unable to determine why her trail disappeared. Carnage admires this little female - she was brave to run into the swamps alone. There are many creatures lying in wait for just such a meal. But she no longer has to worry about that, because now she's his. He only hopes that she doesn't fear him too much once she gets a good look at his blue-grey skin, his fangs and his horns. Because regardless of what she thinks, or the rules of his community -- he's not giving her up.

**Alien Prison** - Tracy Lauren 2021-09-03

Tess didn't have much to miss when she was stolen from Earth. She left behind a lackluster job and a piece of trash, cheating boyfriend. It was tragic really, to lose her life before it had ever begun. Kidnapped and sold into slavery, she quickly found herself with a one-way ticket to prison. All hope of escape was lost. At that point, it was about survival and never once did she imagine that in the depths of an alien prison ship, her life would finally take shape. Hope was a thing of the past for Crius as well. Years had gone by, each chipping away at his soul. He no longer felt like the man he once was. He felt more like a monster, pushed to the brink in order to protect a dorm that didn't care one way or another. Then she walked in, a ray of light in

a dark life. She saw past the beast. After everything, she could still see him. And what do you do when you find a reason for living? You fight. You fight for love and you fight for family. When you know what real loss is, you can't bear to lose that which counts. When push comes to shove, Crius and Tess draw a line in the sand and they plot an escape from ALIEN PRISON.

**Blind Fall** - Amanda Milo 2021-08-19

I was gifted as a slave-bride to an alien giant. That's the start of my day. At least I have my guide dog, Kota, with me. I'd be lost without her... literally. Yes. I'm blind. And our new alien owner is kind enough that he's not holding me to the wife or slave deal even though that's what I was intended for. We've basically been dropped into a scene from Little House on the Alien Prairie, complete with his one-room cabin, and he's been the perfect gentleman. He's pretty great, and I'm actually starting to wish I could take him home with me. He doesn't know it yet, but the threat of him going into 'rut' is no longer a deterrent... \*\*This book is a standalone--grab and enjoy! (Note: Explicit language and adult scenes are contained in this book.) \*\*\*Heads up for readers of the Stolen series: this is an interconnected standalone, so hop in and have some fun "Aha!" moments with me!

**The (Alien) Nanny for Christmas** - Amanda Milo 2020-10-12

Hi. I'm Gwen. I'm a single mom to two growing boys--and now I'm the brand new owner of an alien whose greatest wish in life is to become a live-in nanny. It's been kind of a weird day. I wholeheartedly recommend adding an alien to your household though. He cooks, he cleans--and the kids love him. But three things you should know if you're going to keep a seven-foot-tall alien in your basement? You might want to invest in flameproof cookware. He will think of you as his planet's equivalent of a princess. And my alien is totally stealing my underwear. \*\*This is a 37K, sweet Standalone Novella. Note: Explicit language and adult scenes are contained in this book. \*\*\*Heads up for readers of the Stolen series: this is an interconnected standalone, so hop in and have some fun "Ha!" moments with me!

**The Werewolf Nanny** - Amanda Milo 2020-11-30

As a struggling single mom with a babysitter emergency, I'm relieved when Finn Cauley--Irish

heartthrob, my boss, and my work-friend-who-I-keep-at-a-distance--takes me by the shoulders and says the four most beautiful words a stressed-out woman can ever hear: I will fix this. Finn proceeds to literally drag a free babysitter into our house, for which I'm super grateful, really. I just have just one teeny, tiny concern. Our new nanny is a \*werewolf.\* Note: This story is a \*slow\*-burn romantic comedy with more than 100,000 words of sweet wereshifter fun.

Captive in the Dark - Cj Roberts 2011

BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. WARNING: This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

Alien Holiday - Tracy Lauren 2021-02-02

It's Christmastime on Elysia. The weather is as wintery as one can expect in a rain forest and our annual secret Santa game is in full swing. Yet for me, something's missing. My heart aches whenever I think of mi familia back home. Still, I'm determined to make this Christmas a special one and when I meet a Grinchy, green alien living high on a mountain above our village I've suddenly got a project. For years this guy has been living in solitude-That ends now. No one should be alone, especially at Christmas. Family is the dearest thing to my heart and I'm going to make this Grinch a part of mine whether he likes

it or not. But the one thing I didn't plan on, was falling in love in the process.

The Melier - Poppy Rhys 2017-12-03

Running for her life...Lucia hijacks a stolen cargo ship only to find she's not alone. A giant, beastly alien slave with no memory of his past is now her newest acquisition, and she has no idea what to do with him. Stuck together for the foreseeable future on the journey back to her home planet, Lucia struggles with the decision to keep him close or risk letting him fall back into enemy hands. Outrunning the pirates in pursuit, and her own desires, is shaping up to be an impossible task. WARNING: This story contains a non-human alien hero, mature content, graphic language, and some violence against women.

Unfrozen - Regine Abel

When the penitentiary ship she's incarcerated in gets sucked into an anomaly, Lydia barely survives the crash onto an alien planet. Only the sadistic experiments performed on her by the prison's scientist allow her to survive this harsh and dangerous world. The future looks grim until she stumbles upon a magnificent city of ice and its most unusual inhabitant. Kai is fascinated by the delicate stranger fallen from the stars with the power to bring his hibernating city back to life. She stirs emotions long forgotten by his frozen heartstone. Can she be the salvation of his people or will the trap set by the Creator bring about their collective doom?

Dreams of Shreds and Tatters - Amanda

Downum 2015-05-07

When Liz Drake's best friend vanishes, nothing can stop her nightmares. Driven by the certainty he needs her help, she crosses a continent to search for him. She finds Blake comatose in a Vancouver hospital, victim of a mysterious accident that claimed his lover's life - in her dreams he drowns. Blake's new circle of artists and mystics draws her in, but all of them are lying or keeping dangerous secrets. Soon nightmare creatures stalk the waking city, and Liz can't fight a dream from the daylight world: to rescue Blake she must brave the darkest depths of the Dreamlands. Even the attempt could kill her, or leave her mind trapped or broken. And if she succeeds, she must face the monstrous Yellow King, whose slave Blake is on the verge of becoming forever.

*Going Overboard* - L. A. Witt 2018-02-05  
 Second-class petty officers Dalton Taylor and Chris Ingram have been best friends since coxswain's school. Now they're stationed together in the Harbor Patrol Unit of NAS Adams. They're content as friends, but secretly, they both ache for more. Neither makes a move, though; while Dalton is out and proud, Chris is closeted--even from his best friend. Then another coxswain's negligence nearly drowns Dalton. After a taste of how easily they could lose each other, neither man can keep his feelings hidden anymore, and it turns out love and sex come easy when you're falling for your best friend. Things aren't just heating up between the friends-turned-lovers, though. The Navy is investigating the accident, and the Harbor Patrol chief isn't going to let his star coxswain go down for dereliction of duty, even if saving him means throwing Dalton under the bus. As the threats and gaslighting pile up, Chris and Dalton need each other more than ever--as shipmates, friends, and lovers. But if their chief prevails, the only way they can save their careers is to let each other go.

**Undying** - Tiffany Roberts 2018-02-11  
 BRINGER OF DEATH... Orishok is the last of his kind - a valo shaped by the Creators to embody death. He's stood vigil over his people for centuries, watching them fade away, one by one succumbing to the entropic energies they hold inside. With his slightest touch unwillingly bringing death to all living things, he has remained isolated in his people's city, his heart as empty as the buildings around him...until a pale, slight female arrives and shakes the foundations of his world. GIVER OF LIFE... Quinn Dalton lost everything when she was convicted of murder - her sister, her niece, her budding career - but it isn't until she's transferred to an interstellar penitentiary that she realizes her very life is no longer her own. Her existence aboard the Concord is a nightmare, broken only when the station is torn through a wormhole and crash lands on an alien world. After waking up alone and bloodied, but somehow unharmed, she seeks shelter in an abandoned city - where she discovers an ancient, wondrous mystery. Can she survive alongside a being whose touch means death? -----  
 ----- Warning: This book contains

foul language, explicit sexual content, and violence and is intended for mature readers only.

**Radiant** - Naomi Lucas 2018-02-11  
 Yahiro never thought she would end up in prison. Let alone on a prison ship where escape was impossible. But none of that mattered anymore because while she was curled up in the corner of her cell, the lights went out.And when

they turned back on it was worse. Ending up on a planet--one so different than Earth--greeted by the screams of those who were injured in the crash and the corpses of those who didn't make it, she sets off with the survivors in hopes of finding a way home. What she finds instead are three golden aliens that won't let her out of their sight, a city on the back of a giant beast, and a ghost world that will never let her leave. ---Book five in the Valos of Sonhadra series. Warning: this is a reverse harem and intended for mature readers only, expect explicit scenes, and violence

Shadowed - Isabel Wroth 2018-02-12

When an orbital prison is torn through a wormhole and crashes on an unknown planet, it's every woman for herself to escape the wreckage. As though savage beasts and harsh, alien climates aren't enough, the survivors discover the world isn't uninhabited and must face new challenges--risking not only their lives but their hearts. DEJA thought she could fear nothing more than the daily treatments she received during her imprisonment on the Concord. The horrible experiments which rack her body with unimaginable, searing pain. But she discovers the true meaning of terror as she clings to life pod's harness while plummeting toward the surface of an unknown planet. Struggling to outrun the beasts hunting her, fighting to outrun the light, Deja hastens for the only cover she can find -- between the feet of a giant stone statue. **Inferno** - Nancey Cummings 2019-01-11

How do you mend a broken heartstone? Amber crashed onto an alien planet and survived the dangers of an unknown world. Three literally hot aliens with lava coursing through their veins decide she's their mate. She's endured everything Sonhadra has thrown at her but she might not survive their fiery embrace. Pel and Mishal know that the commanding human female is their mate. They vow to claim her once they repair Flin's fractured heartstone, the material from which can only be found in the frozen north. Barely able to keep their hands off each other, how can Amber and her Fire Valos resist temptation until they can find a way to safely be together? Inferno is a return to the multi-author, multi-book Valos of Sonhadra series and full of steamy Reverse Harem action.

**Neanderthal Marries Human** - Penny Reid 2014-06-21

After just five months of dating Janie, Quinn--former Wendell and unapologetic autocrat--is ready to propose marriage. In fact, he's more than ready. If it were up to Quinn, he would efficiently propose, marry, and beget Janie with child all in the same day. But Janie, much to Quinn's dismay, tosses a wrench in his efficacious endeavors and challenges him to prove his devotion by going through the

matrimonial motions, no matter how minute and mundane. Will Quinn last until the wedding day?

**Anton's Grace** - Regine Abel 2017-05-30

Revenge is a patient beast. Grace is in trouble. Her agent and ex-boyfriend, Marcus, has fled, leaving her stranded on the Venus Hive pleasure barge. His creditors want compensation and with Marcus nowhere to be found, they've decided Grace will do nicely. Desperate for help, she turns to Anton Myers, the wealthy and ruthless owner of the Hive Network. He agrees to help her. The terms: anything he wants for six months. Anton has waited a long time for this moment. Grace may not remember him, but he hasn't forgotten her. Signing herself over to his every command will not keep her safe. A Braxian never forgets a slight to his honor. And Grace will pay... with interests. Anton's Grace is a twisted tale of unlikely second chances that will leave you squirming in your seat. Can you stomach the darkness? Warning: This dark romance is not for the faint of heart. It contains explicit scenes of violence and deals with topics such as domestic violence and slavery. Sensitive readers, please abstain.

**The Quarry Master** - Amanda Milo 2020-07-25

BASH: I dislike people. I despise humans. A cruel mandate from one of my region's rulers has saddled me with a slew of little alien humans: I'm to put them to work. One problem? I run a rock quarry, where humans' thin skin is a detriment to productivity. Overseeing these humans is like trying to herd yanaks. If I don't burn, beat, or strangle them to death by the day's end, it will be a miracle. ISLA: I can tell the boss likes me, because I'm not dead. Bash is abrasive and acerbic, like some sort of alien love child between Michael Caine and Miss Hannigan. And maybe Ebenezer Scrooge. Bash is a little... anti-human race. But he's not all bad. Sure, he's a little growly and he sets things on fire when he gets mad, but even villains need a friend. And here? Bash is everybody's villain. Everybody's but mine. Warning: This book is the slowest of slow burns. It's a 127K story with the personal puzzle parts not snapping together until the last stretch of the book. If you want to sink your teeth into a romance that hits the fireworks level fast, skip on this one. But if you want a sweet slow burn, then this one might be the book for you. (Especially if you love super

grouchy heroes with big horns and bigger attitudes.)

**Alien Instinct** - Tracy Lauren 2018-04-12

Rennek is an honor bound male whose very existence in life is tarnished by the sins of his father. When he and his crew stumble onto a trafficking ring his immediate instinct is to rescue the females. He finds himself drawn to one of them, setting in motion a dangerous course of events propelling him towards his destiny. Can Rennek be the leader his people need him to be as the secrets of the past are uncovered? Kate has spent years muddling through life, never quite finding a place for herself. When she wakes in an alien cargo hold, life surprisingly becomes a lot easier. Well, except for the bounty hunters and dirty space cops pursuing her of course. Kate's new found happiness has a lot to do with her sexy new alien boyfriend, but she doesn't know how to react when he suddenly starts calling her his mate. Will Kate be able to move beyond the hangups of her past and give herself completely to Rennek? *In the Mood Fur Love* - Eve Langlais 2018-10-02 Three hot stories about sexy shifters from a trio of today's hottest paranormal romance authors, headlined by bestselling authors Eve Langlais and Milly Taiden! Bearing His Touch by Eve Langlais When Becka manages to escape her kidnapper, she finds herself asking help of the man with the nice brown eyes. Stavros can't say no, not when he knows Becka is his mate, but he does have one dilemma when it comes to claiming her. He'll have to find a way for her to bear his touch. Fake Mated to the Wolf by Milly Taiden Looking for a mate to bring to a party? Wedding? Holiday gathering? Mates Fur Hire is right for you? But what happens when your fake mate ends up being your real one, from New York Times bestselling author Milly Taiden! The Witch, The Werewolf and The Waitress by Kate Baxter For centuries, Lowman, Idaho has been Ellie Curtis's prison. A vengeful witch cursed her with immortality and locked her within the confines of Lowman's borders, sealing Ellie off from most of civilization for eternity. She's learned to make the most of it. But when she meets a cocky werewolf who's part of the elite supernatural law enforcement group, all bets are off... Colin instantly knew that Ellie was his mate, but when he discovers her secret, he's

determined to help set her free. But in doing so, he might just lose the one thing he knows he can't live without...

[Intentional Abduction](#) - Eve Langlais 2016-10-22

She intentionally abducted him because of his prowess, so when the chance arose, he stole her for revenge. Aylia is on a quest to get pregnant, and in the time-honored tradition of her people, she must find a suitable male for the task.

Seducing a warrior is harder than she expected, especially when her body turns traitor and melts at his touch. When he flips the situation around and takes her prisoner, he somehow manages to steal her heart. And she might just have to kill him to get it back. Being the scourge of the galaxy comes with consequences, like females wanting his body--and males wanting his head. After he meets Aylia, he learns that not all battles are fought using fists and knives and the deepest wounds come from the heart Through the vastness of space, brothels and unmentionable places in between, can this stubborn pair overlook their pride and past to come together? Or will they forever abduct each other, unable to admit their love?

*Alien Bride* - Tracy Lauren 2018-10-10

Alessandra Kennedy wakes up to a veritable hell, locked in a cage and held captive by aliens. But her greatest fear is of what lies beyond those cell doors. What horrors will the new life beyond her prison have to offer? She imagined every worst case scenario and all the horrible things that might await her, but never once did she imagine she would become an alien

**The Psychology Workbook for Writers** - Darian Smith 2015

Writers know that their characters and stories should be multi-layered and believable. Now here's a simple workbook that uses the same knowledge that gives therapists insight into human behaviour to create fiction that hits the mark. Each chapter outlines an aspect of psychological theory as it can be used for writing and provides two worksheets to translate it into action - one to develop characters, one to develop the story. Darian Smith is a prize winning fiction writer with a degree in psychology, a Diploma of Counselling, and is a member of the New Zealand Association of Counsellors. He combines these two sides of his background to provide simple, easy to follow

tools that make use of established psychological theory to help writers develop fully rounded, interesting, realistic characters and inject conflict into their stories. Give your writing the benefit of over a decade of training and experience and discover how to have readers wanting more.

*Beth's Stable* - Amanda Milo 2019-06-11

They say that in space, no one can hear you...(Yeah, you know what I'm quoting.) But there are lots of places you can still scream and be heard. Especially if you suddenly find yourself on a ship traveling through space. I've been abducted by aliens and auctioned to an alien pirate. My epic love of movies sort of comes in handy, what with all the sci-fi suddenly in my face. Therefore, I don't completely lose my mind when my new owner takes me to his ship where I learn I'm under the control of not one, but \*five\* space pirates. (...And it's not scary at all when I only meet four of them, and everyone warns me away from the mystery fifth alien.) Luckily, they're not deterred by the fact that I've come to them carrying a passenger. I'm pregnant. Last I saw my ex, he was hell-bent on giving me another beating I wouldn't forget. But with my new 'owners, ' I'm safe for the first time in a long time--and so is my little girl. Not that everything is all raindrops on roses, and innocent kittens: they're pirates. They've got a real addiction to plundering, and a passion for purloining. I'm pretty fond of the former, but when it comes to the thieving, I'm afraid they're going to take more than my body... Piece by piece, all five of my pirates are stealing my \*heart.\* Beth's Stable is 125K words, and has a HEA with hot pirates. \*\*Note: Beth's Stable is a standalone Reverse Harem romance where five men woo one woman. They're space pirates, but there are no crossed energy sabers in this story. There is a Happily Ever After. You should probably be at least 18 if you crack open this ebook because Beth would hate to corrupt you. (Although if her pirates had met you before they grew completely, totally devoted to her, they would have loved showing you the ropes. Sorry, doves!;D

**An Alien For Christmas** - Regine Abel 2020-12-03

The best gifts come in big packages. Meet Kathleen: a thirty-six-year-old Plain Jane

extraordinaire, with a Ph. D in Xenobiology and another in Spinsterhood. This year, yet again, her sorry self is stuck working on Mars for the holidays. Aside from dodging the unrequited attentions of a certain cringe-worthy bachelor on the station, she mentally prepares for yet another lonely and boring Christmas. But when her sister sends her an early gift in the form of a drool-worthy alien hellbent on fulfilling her every desire, Kathleen isn't so sure she wishes to stay off the naughty list anymore. This book is standalone.

Escaping Fate - Regine Abel 2017-03-28

Enslaved. Exploited. Hunted. Born and raised on a slavers ship, Amalia is one of the rare survivors of the Veredian race. Like all Veredian females, Amalia possesses a unique psi ability which makes her the prized pet of her master Gruuk. She escapes to Xelix Prime, a warrior planet where slavery is prohibited. There, she participates in the Fastening to select one of countless hopeful warriors as her mate and protector. Except, she's now torn between two cousins. For Khel and Lhor, time is ticking. Like most Xelixian males, they are Tainted. On top of marking them as a lesser class of society, the disease mars their bodies and reduces their lifespan to less than forty years. Only a compatible female can slow or revert the Taint. But the females at the Fastening shun the males with visible symptoms. Until Amalia... Between Gruuk's dogged pursuit, deadly rivalries, assassins and corrupted nobles, can the cousins keep Amalia safe or will their respective feelings for her tear them apart? This MFM novel is a constant toe-curling, action-packed thriller, and the first book in the Veredian Chronicles series. It is standalone with no cliffhanger. LOSING AMALIA BONUS SCENE INCLUDED!

**Contagion** - Amanda Milo 2020-09-03

One OCD neat freak alien. One human woman. Both are abducted and held captive in a very unsterile environment. What more could go wrong? Simmi: I've broken free and I've also freed the human who was held captive with me. But I don't know where we are, and I don't know where my home is. The local wildlife may be smaller than I am, and maybe they don't have fangs near as large as mine, but I'm still terrified. My issues with germs--and my uncompromising avoidance of all the things that

I'm afraid of coming into contact with--is going to get me killed in this wilderness. Thankfully, Aurora lets me follow her. Thankfully, she seems to know the way out of this endless and inhospitable woodland and desert biome. But by the end of our journey, she'll suspect she's harboring a contagion. I have no way to know it, but she's afraid to tell me. Afraid of how I'll react once I find out what she's carrying.\*\*\*Note: This 40K, Standalone story is intended for readers 18+ due to romantic elements and adult themes. There is no cheating. There is one really germphobic alien. Thankfully, there's also a really understanding woman who is starting to fall for him. Spoiler: They're totally gonna have a Happily Ever After... just as soon as they can get off this planet that's trying to kill them.

Alluvial - Amanda Milo 2018-02-15

Someone's using me as leverage against my family. I was your average citizen, innocent of any crime worth going to prison for, and yet here I am. But this isn't a regular prison ship.\*Torture.\*Experiments. They alter me. And when the ship crashes on an alien planet, some of my new abilities come in quite handy--it's the side effects that aren't entirely welcome. Not by me, anyway. The tribe of aliens that have taken me captive? They don't seem to mind. ~The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone with a guaranteed Happy Ever After and can be read in any order. ~\*\*Note: Explicit content, sexual situations, and language warning. 44K word novel.

*Rocky Mountain Devil* - Vivian Arend 2016-09-20  
New York Times Bestselling Author Vivian Arend brings you the penultimate book in the SIX PACK RANCH series. ----- The sweetest part of temptation is giving in... Raphael (Angel) Coleman and Laurel Sitko were thick as thieves throughout their school years. The unlikely friendship between the rancher's son and the preacher's daughter might have gone unnoticed by most, but their shared laughter and connection were the best parts of Rafe's life growing up. Now that she's returned to Rocky, he's eager to move from friend to something far more intimate. After three years away, Laurel's ready to start over with the gorgeous cowboy who's always owned a piece of her heart. But when her college ex shows up in town, she's got

a lot more to deal with than expected, including one suddenly possessive cowboy determined to protect her even as he tutors her through every sexual lesson in the book. Desire flares hotter and hotter through stolen moments and willing seduction. But when tragedy strikes, Rafe's left on shaky ground, his biggest fear now a reality that could tear them apart and rip forever from their grasp. Will the connection forged by time be strong enough to see them through to the other side? Warning: Friends to lovers equals
