The Origin of the Universe and the Origin of Religion - Fred Hoyle, Sir 1997-09-01

World-renowned astrophysicist and cosmologist, Sir Fred Hoyle, presents his fascinating and controversial giant comet theory on the origins and continuing development of the universe.

"For those who enjoy being challenged by new and often provocative ideas, this is an ideal book...Sir Fred Hoyle is an uninhibited fountain of new ideas, arguing in this book that the great epochal events and myths of history were caused by cometary showers. In this book Hoyle sets forth his ideas with charm and humor. One may not always agree, but one cannot but be thoroughly stimulated." -Walter Sullivan

West of Rome - John Fante 2010-05-25

West of Rome's two novellas, "My Dog Stupid" and "The Orgy," fulfill the promise of their rousing titles. The latter novella opens with virtuoso description: "His name was Frank Gagliano, and he did not believe in God. He was that most singular and startling craftsman of the building trade-a left-handed bricklayer. Like my father, Frank came from Torcella Peligna, a cliff-hugging town in the Abruzzi. Lean as a spider, he wore a leather cap and puttees the year

around, and he was so bowlegged a dog could lope between his knees without touching them."

The Brotherhood of the Grape - John Fante 2010-06-01

Henry Molise, a 50 year old, successful writer, returns to the family home to help with the latest drama; his aging parents want to divorce.

Henry's tyrannical, brick laying father, Nick, though weak and alcoholic, can still strike fear into the hearts of his sons. His mother, though ill and devout to her Catholicism, still has the power to comfort and confuse her children. This is typical of Fante's novels, it's autobiographical, and brimming with love, death, violence and religion. Writing with great passion Fante powerfully hits home the damage family can wreck upon us all.

Audio Culture, Revised Edition - Christoph Cox 2017-07-27

The groundbreaking Audio Culture: Readings in Modern Music (Continuum; September 2004; paperback original) maps the aural and discursive terrain of vanguard music today. Rather than offering a history of contemporary music, Audio Culture traces the genealogy of current musical practices and theoretical

concerns, drawing lines of connection between recent musical production and earlier moments of sonic experimentation. It aims to foreground the various rewirings of musical composition and performance that have taken place in the past few decades and to provide a critical and theoretical language for this new audio culture. This new and expanded edition of the *Audio Culture* contains twenty-five additional essays, including four newly-commissioned pieces. Taken as a whole, the book explores the interconnections among such forms as minimalism, indeterminacy, *musique concrète*, free improvisation, experimental music, avant-rock, dub reggae, ambient music, hip hop, and techno via writings by philosophers, cultural theorists, and composers. Instead of focusing on some "crossover" between "high art" and "popular culture," *Audio Culture* takes all these musics as experimental practices on par with, and linked to, one another. While cultural studies has tended to look at music (primarily popular music) from a sociological perspective, the concern here is philosophical, musical, and historical. *Audio Culture* includes writing by some of the most important musical thinkers of the past half-century, among them John Cage, Brian Eno, Ornette Coleman, Pauline Oliveros, Maryanne Amacher, Glenn Gould, Umberto Eco, Jacques Attali, Simon Reynolds, Eliane Radigue, David Toop, John Zorn, Karlheinz Stockhausen, and many others. Each essay has its own short introduction, helping the reader to place the essay within musical, historical, and conceptual contexts, and the volume concludes with a glossary, a timeline, and an extensive discography.

The Cambridge Companion to Football - Rob Steen 2013-07-04

This book is aimed at undergraduates and postgraduates studying sport-related subjects as well as anyone interested in how and why football has evolved as it has. It features contributions from prominent experts in the field, authors and journalists, and covers ground seldom attempted in a single volume about football.

The Bandini Quartet - John Fante 2004

One of the great outsider figures of twentieth-century literature, John Fante possessed a style of deceptive simplicity, full of emotional

immediacy and tremendous psychological point. Among the novels, short stories and screenplays that comprised his career, Fante's crowning accomplishments were, for many, his four stories about a certain uncomplicated character from the hills of Abruzzi. Collected together in one volume for the first time, *The Bandini Quartet* tells of Arturo Bandini, Fante's fictional alter ego, an impoverished young Italian-American who, armed with only a Jesuit high school education and the insane desire to write novels, escapes his suffocating home in Colorado to seek glory in a Depression-era Los Angeles. This edition also includes the first-ever UK publication of *Dreams From Bunker Hill*, the brilliant and final novel which a blind and wheelchair-bound Fante, nearing his death bed, dictated to his wife Joyce.

John Fante's Ask the Dust - Stephen Cooper 2020-04-07

This volume assembles for the first time a staggering multiplicity of reflections and readings of John Fante's 1939 classic, *Ask the Dust*, a true testament to the work's present and future impact. The contributors to this work—writers, critics, fans, scholars, screenwriters, directors, and others—analyze the provocative set of diaspora tensions informing Fante's masterpiece that distinguish it from those accounts of earlier East Coast migrations and minglings. A must-read for aficionados of L.A. fiction and new migration literature, John Fante's "*Ask the Dust*": A Joining of Voices and Views is destined for landmark status as the first volume of Fante studies to reveal the novel's evolving intertextualities and intersectionalities. Contributors: Miriam Amico, Charles Bukowski, Stephen Cooper, Giovanna DiLello, John Fante, Valerio Ferme, Teresa Fiore, Daniel Gardner, Philippe Garnier, Robert Guffey, Ryan Holiday, Jan Louter, Chiara Mazzucchelli, Meagan Meylor, J'aime Morrison, Nathan Rabin, Alan Rifkin, Suzanne Manizza Roszak, Danny Shain, Robert Towne, Joel Williams

As the first comprehensive homage to the R and RS models, this is a must-have for all Porsche 911 lovers. At auctions they rack up premium prices, but the makers of the 911 R never intended to create objects of speculation for maximum profit. Their main concern was developing vehicles that would appeal to customers because of their uncompromising sportiness. The story begins 50 years ago, when the first Porsche 911 R achieved five new long-distance world records in Monza; and goes on to the latest 911 R - a car that is aware of its history, with racing stripes, houndstooth bucket seats, manual gear change, and a free-revving naturally aspirated engine. In between the first and the latest lie 50 years, numerous models, and a legion of fans.

How's Life? - Marta Dal Corso 2019-07-18

This book examines Bronze Age and Iron Age developments such as metalworking, social structure, food production, nutrition, diet, the intensification of European networks and human impact on the environment. What influence did these developments have on daily life?

The John Fante Reader - John Fante 2010-09-14

It's not every day that a writer, almost unheard of in his lifetime, emerges twenty years after his death as a voice of his generation. But then again, there aren't many writers with such irrepressible genius as John Fante. The John Fante Reader is the important next step in the reintroduction of this influential author to modern audiences. Combining excerpts from his novels and stories, as well as his never-before-published letters, this collection is the perfect primer on the work of a writer -- underappreciated in his time -- who is finally taking his place in the pantheon of twentieth-century American writers.

The Wine of Youth - John Fante 2010-06-01

This new edition of the legendary Dago Red, first published in 1940, contains seven new stories, including "A Nun No More" and "My Father's

God."

Shantytown Kid - Azouz Begag 2007-04-01

An autobiographical novel of growing up in the multicultural environment of contemporary France tells the story of Azouz Begag, the son of an illiterate Algerian immigrant in Lyon and his coming of age in a world of ethnic and racial tensions.

Campsite - Charlie Hailey 2008-06-01

Camping is perhaps the quintessential American activity. We camp to escape, to retreat, to "find" ourselves. The camp serves as a home-away-from-home where we might rethink a deliberate life. We also camp to find a new collective space where family and society converge. Many of us attended summer camps, and the legacies of these childhood havens form part of American culture. In *Campsite*, Charlie Hailey provides a highly original and artfully composed interpretation of the cultural significance and inherently paradoxical nature of camps and camping in contemporary American society. Offering a new understanding of the complex relationship between place, time, and architecture in an increasingly mobile culture, Hailey explores campsites as places that necessitate a unique combination of contrasting qualities, such as locality and foreignness, mobility and fixity, temporality and permanence, and public domesticity. Camping methods reflect the rigid flexibility of the process: leaving home, arriving at a site, clearing an area, making and then finally breaking camp. The phases of this sequence are both separate and indistinct. To understand this paradox, Hailey emphasizes the role of process. He constructs a philosophical framework to elucidate the "placefulness" -- or sense of place -- of such temporary constructions and provides alternative understandings of how we think of the home and of public versus private dwelling spaces. Historically, camps have been used as places for scouting out future towns, for clearing provisional spaces, and for making semipermanent homes-away-from-home. To understand how "cultures of camping" develop and accommodate this dynamic mix of permanence and flexibility, Hailey looks at three basic qualities of the camp: as a site for place-making, as a populist precursor for modern built environments, and as a "method." Hailey's creative and philosophical approach to camps

and camping allows him to construct links between such diverse projects as the "philosophers' camps" of the mid-nineteenth century, the idiosyncratic camping clubs that arose with the automobile culture in the early 1920s, and more recent uses of campsites as temporary housing for those displaced by Hurricane Katrina. In *Campsite*, Hailey makes a singular and significant contribution to current studies of place and vernacular architecture while also reconfiguring methods of research in cultural studies, architectural theory, and geography.

Ask the Dust - John Fante 2018-09-06

Arturo Bandini arrives in Los Angeles with big dreams. But the reality he finds is a city gripped by poverty. When he makes a small fortune from the publication of a short story, he reinvents himself, indulging in expensive clothes, fine food and downtown strip clubs. But Bandini's delusions take a worrying turn when he is drawn into a relationship with Camilla Lopez, a beautiful but troubled young woman who will be responsible for his greatest downfall. *Ask the Dust* is an unforgettable novel about outsiders looking in on a town built on celluloid dreams.

John Fante - Long Beach) John Fante Conference (1995 California State University 1999

This collection of critical essays on the fiction of John Fante is the first concerted effort to assess the work, and acknowledge the significance, of one of America's most engaging and original twentieth-century literary talents. Over the span of a half-century - from the early 1930s to the early 1980s - the Italian-American Fante (1909-1983) wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down-and-out days in Los Angeles, to his adventures as a screenwriter in Hollywood. He writes about all these things with gusto, humor, directness, and an honesty tinged with the irony of a true modernist.

Brotherhood Of The Grape - John Fante 2013-08-15

Henry Molise, a fifty-year-old successful writer, returns to the family home to help with the latest drama; his elderly parents want to divorce. Henry's tyrannical, bricklaying father, Nick, despite being weakened by age and alcoholism, can still strike fear into the hearts of his sons.

His mother, ill and devoutly Catholic, still has the power both to comfort and confuse her children. Nick has been offered some well-paid work to build a smokehouse in the hills, and Henry, realising this might be the last chance they have to reconcile things, agrees to lend a hand. What he doesn't appreciate is how much this journey is going to change his view of his father. *The Brotherhood of the Grape* is vintage Fante, brimming with love, death, violence and religion. Writing with great passion, Fante powerfully describes the damage that family can wreak upon us all.

Factotum - Charles Bukowski 2009-10-13

One of Charles Bukowski's best, this beer-soaked, deliciously degenerate novel follows the wanderings of aspiring writer Henry Chinaski across World War II-era America. Deferred from military service, Chinaski travels from city to city, moving listlessly from one odd job to another, always needing money but never badly enough to keep a job. His day-to-day existence spirals into an endless litany of pathetic whores, sordid rooms, dreary embraces, and drunken brawls, as he makes his bitter, brilliant way from one drink to the next. Charles Bukowski's posthumous legend continues to grow. *Factotum* is a masterfully vivid evocation of slow-paced, low-life urbanity and alcoholism, and an excellent introduction to the fictional world of Charles Bukowski.

Ask the Dust - John Fante 2010-05-18

Ask the Dust is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

1933 Was A Bad Year - John Fante 2010-05-18

Trapped in a small, poverty-ridden town in 1933, under pressure from his father to go into the family business, seventeen-year-old Dominic Molise yearns to fulfill his own dreams.

'The world's bleakest romantic comedy' - Los

Angeles Times The narrator of John Fante's extravagant domestic comedy, who lives in Los Angeles, finds himself a home-owner and expectant father almost simultaneously and both sensations please him. It must be granted that there are certain adjustments to be made ...

Wait Until Spring, Bandini - John Fante 2018-11
For Arturo Bandini, oldest son of Italian immigrants living in small-town Colorado during the Great Depression, the winter proves harsh. When his father seemingly abandons his family, Arturo is left to pick up the pieces, even as turmoil rages within him. With its evocative account of grinding poverty, tragic love affairs and tumultuous adolescence, this first novel from the Bandini quartet is a much-neglected masterpiece of modern American literature.

On Writing - Charles Bukowski 2015-07-28
Sharp and moving reflections and ruminations on the artistry and craft of writing from one of our most iconoclastic, riveting, and celebrated masters. Charles Bukowski's stories, poems, and novels have left an enduring mark on our culture. In this collection of correspondence—letters to publishers, editors, friends, and fellow writers—the writer shares his insights on the art of creation. *On Writing* reveals an artist brutally frank about the drudgery of work and canny and uncompromising about the absurdities of life—and of art. It illuminates the hard-edged, complex humanity of a true American legend and counterculture icon—the “laureate of American lowlife” (Time)—who stoically recorded society's downtrodden and depraved. It exposes an artist grounded in the visceral, whose work reverberates with his central ideal: “Don't try.” Piercing, poignant, and often hilarious, *On Writing* is filled not only with memorable lines but also with Bukowski's trademark toughness, leavened with moments of grace, pathos, and intimacy.

1933 was a Bad Year - John Fante 2001
John Fante is a lost gem of American literature and the man who was credited by Charles Bukowski as the inspiration for him to start writing. In a life that spanned 74 years, Fante wrote several great novels, such as *Ask the Dust*, and numerous screenplays. He died in 1983 from diabetes-related complications. Trapped in a small, poverty-ridden town in 1933, seventeen-

year-old Dominic Molise yearns to fulfil his own dreams of becoming an American sports hero. This teenage southpaw aspires to the big leagues, big recognition and big love. He struggles, though, against the reality of his Italian parents, and comes under pressure to go into the family business. Brick-laying is not for Dominic. His father, however, seeks to pre-empt the inevitable road to failure by wanting Dominic to pick up a trowel instead of a pitcher's glove. His mother's response is to pray. At once the story of class and an individual's struggle during hard times in America, 1933 was a Bad Year is a wonderful tale of childhood and its dissipation into adulthood.

Memoirs of My Services in the World War, 1917-1918 - George Catlett Marshall 1976
George C. Marshall was an American military leader, Chief of Staff of the Army, Secretary of State, and the third Secretary of Defense. Once noted as the “organizer of victory” by Winston Churchill for his leadership of the Allied victory in World War II, Marshall served as the United States Army Chief of Staff during the war and as the chief military adviser to President Franklin D. Roosevelt. As Secretary of State, his name was given to the Marshall Plan, for which he was awarded the Nobel Peace Prize in 1953. He drafted this manuscript while he was in Washington, D.C., between 1919 and 1924 as aide-de-camp to General of the Armies John J. Pershing. However, given the growing bitterness of the “memoirs wars” of the period he decided against publication, and the draft sat unused until the 1970s when Marshall's step-daughter and her husband decided to publish it.

Gil's All Fright Diner - A. Lee Martinez
2006-06-27

Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just

the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Left in the Past - Alastair Bonnett 2010-05-06

This book looks at the role nostalgia plays in the radical imagination to offer a new guide to the history and politics of the left. In "Left in the Past", Bonnett re-assesses the place of nostalgia within radical politics and, in doing so, provides a new introduction to the history and politics of the left. Bonnett argues that nostalgia has been a chronic, but repressed, aspect of the socialist imagination. "Left in the Past" is premised on the idea that, in our 'post-socialist era', the relationship between radicalism and a sense of loss, and the ambivalent position of socialism in and against modernity, can be viewed with greater clarity. In Section One of the book, Bonnett shows the centrality and repression of nostalgia in both 19th-century radicalism and anti-colonial radicalism. In Section Two, he explores the consequences of this inheritance by way of 20th century and contemporary studies of revolutionary intellectuals and intellectual culture. Bonnett's unique approach in how to understand the left in an age of post-socialism will make book a needed resource for anyone interested in the history and politics of the left and radicalism.

A Month in the Country - J.L. Carr 2012-08-29

In J. L. Carr's deeply charged poetic novel, Tom Birkin, a veteran of the Great War and a broken marriage, arrives in the remote Yorkshire village of Oxbodby where he is to restore a recently discovered medieval mural in the local church. Living in the bell tower, surrounded by the resplendent countryside of high summer, and laboring each day to uncover an anonymous painter's depiction of the apocalypse, Birkin

finds that he himself has been restored to a new, and hopeful, attachment to life. But summer ends, and with the work done, Birkin must leave. Now, long after, as he reflects on the passage of time and the power of art, he finds in his memories some consolation for all that has been lost.

Collectivism After Modernism - Blake Stimson

"Don't start an art collective until you read this book." —Guerrilla Girls "Ever since Web 2.0 with its wikis, blogs and social networks the art of collaboration is back on the agenda. Collectivism after Modernism convincingly proves that art collectives did not stop after the proclaimed death of the historical avant-gardes. Like never before technology reinvents the social and artists claim the steering wheel!" —Geert Lovink, Institute of Network Cultures, Amsterdam "This examination of the succession of post-war avant-gardes and collectives is new, important, and engaged." — Stephen F. Eisenman, author of *The Abu Ghraib Effect* "Collectivism after Modernism crucially helps us understand what artists and others can do in mushy, stinky times like ours. What can the seemingly powerless do in the face of mighty forces that seem to have their act really together? Here, Stimson and Sholette put forth many good answers." —Yes Men Spanning the globe from Europe, Japan, and the United States to Africa, Cuba, and Mexico, *Collectivism after Modernism* explores the ways in which collectives function within cultural norms, social conventions, and corporate or state-sanctioned art. Together, these essays demonstrate that collectivism survives as an influential artistic practice despite the art world's star system of individuality. *Collectivism after Modernism* provides the historical understanding necessary for thinking through postmodern collective practice, now and into the future. Contributors: Irina Aristarkhova, Jesse Drew, Okwui Enwezor, Rubn Gallo, Chris Gilbert, Brian Holmes, Alan Moore, Jelena Stojanović, Reiko Tomii, Rachel Weiss. Blake Stimson is associate professor of art history at the University of California Davis, the author of *The Pivot of the World: Photography and Its Nation*, and coeditor of *Visual Worlds and Conceptual Art: A Critical Anthology*. Gregory Sholette is an artist, writer, and cofounder of collectives *Political Art*

Documentation/Distribution and REPOhistory. He is coeditor of *The Interventionists: Users' Manual for the Creative Disruption of Everyday Life*. "To understand the various forms of postwar collectivism as historically determined phenomena and to articulate the possibilities for contemporary collectivist art production is the aim of *Collectivism after Modernism*. The essays assembled in this anthology argue that to make truly collective art means to reconsider the relation between art and public; examples from the Situationist International and Group Material to Paper Tiger Television and the Congolese collective Le Groupe Amos make the point. To construct an art of shared experience means to go beyond projecting what Blake Stimson and Gregory Sholette call the "imagined community": a collective has to be more than an ideal, and more than communal craft; it has to be a truly social enterprise. Not only does it use unconventional forms and media to communicate the issues and experiences usually excluded from artistic representation, but it gives voice to a multiplicity of perspectives. At its best it relies on the participation of the audience to actively contribute to the work, carrying forth the dialogue it inspires." —BOMB

[Plants and People](#) - Alexandre Chevalier
2014-04-30

This first monograph in the EARTH series, *The dynamics of non-industrial agriculture: 8,000 years of resilience and innovation*, approaches the great variety of agricultural practices in human terms. It focuses on the relationship between plants and people, the complexity of agricultural processes and their organisation within particular communities and societies. Collaborative European research among archaeologists, archaeobotanists, ethnographers, historians and agronomists using a broad analytical scale of investigation seeks to establish new common ground for integrating different approaches. By means of interdisciplinary examples, this book showcases the relationship between people and plants across wide ranging and diverse spatial and temporal milieus, including crop diversity, the use of wild foodstuffs, social context, status and choices of food plants.

[Charles Bukowski](#) - Howard Sounes 2007-12-01
"A lively portrait of American literature's 'Dirty Old Man'." —Library Journal
A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including *Post Office*, *Factotum*, and *Women*—and made him a literary celebrity, with a major Hollywood film (*Barfly*) based on his life. Drawing on new interviews with virtually all of Bukowski's friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. "Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched

biography, it wasn't the whole story." —Los Angeles Times "Engaging . . . Adroit . . . revealing." —The New York Times Book Review "A must-read for anybody who is a fan of Bukowski's writing." —The Globe and Mail (Toronto)

Making the White Man's West - Jason E. Pierce 2016-01-15

The West, especially the Intermountain states, ranks among the whitest places in America, but this fact obscures the more complicated history of racial diversity in the region. In *Making the White Man's West*, author Jason E. Pierce argues that since the time of the Louisiana Purchase, the American West has been a racially contested space. Using a nuanced theory of historical "whiteness," he examines why and how Anglo-Americans dominated the region for a 120-year period. In the early nineteenth century, critics like Zebulon Pike and Washington Irving viewed the West as a "dumping ground" for free blacks and Native Americans, a place where they could be segregated from the white communities east of the Mississippi River. But as immigrant populations and industrialization took hold in the East, white Americans began to view the West as a "refuge for real whites." The West had the most diverse population in the nation with substantial numbers of American Indians, Hispanics, and Asians, but Anglo-Americans could control these mostly disenfranchised peoples and enjoy the privileges of power while celebrating their presence as providing a unique regional character. From this came the belief in a White Man's West, a place ideally suited for "real" Americans in the face of changing world. The first comprehensive study to examine the construction of white racial identity in the West, *Making the White Man's West* shows how these two visions of the West—as a racially diverse holding cell and a white refuge—shaped the history of the region and influenced a variety of contemporary social issues in the West today. Ego Is the Enemy - Ryan Holiday 2016-06-14
The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue
Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

Black Bazaar - Alain Mabanckou 2012-07-05
Finalist for the Man Booker International Prize 2015
Buttologist is down on his uppers. His girlfriend, Original Colour, has cleared out of their Paris studio and run off to the Congo with a vertically challenged drummer known as The Mongrel. She's taken their daughter with her. Meanwhile, a racist neighbour spies on him something wicked, accusing him of 'digging a hole in the Dole'. And his drinking buddies at

Jips, the Afro-Cuban bar in Les Halles, pour scorn on Black Bazaar, the journal he keeps to log his sorrows. There are days when only the Arab in the corner shop has a kind word; while at night his dreams are stalked by the cannibal pygmies of Gabon. Then again, Buttologist wears no ordinary uppers. He has style, bags of it (suitcases of crocodile and anaconda Westons, to be precise). He's a dandy from the Bacongo district of Brazzaville - AKA a sapeur or member of the Society of Ambience-makers and People of Elegance. But is flaunting sartorial chic against tough times enough for Buttologist to cut it in the City of Light?

The Road to Los Angeles - John Fante

2010-05-18

I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead. My first job was ditchdigging a short time after I graduated from high school. Every night I couldn't sleep from the pain in my back. We were digging an excavation in an empty lot, there wasn't any shade, the sun came straight from a cloudless sky, and I was down in that hole digging with two huskies who dug with a love for it, always laughing and telling jokes, laughing and smoking bitter tobacco.

Dreams from Bunker Hill - John Fante

2010-05-18

My first collision with fame was hardly memorable. I was a busboy at Marx's Deli. The year was 1934. The place was Third and Hill, Los

Angeles. I was twenty-one years old, living in a world bounded on the west by Bunker Hill, on the east by Los Angeles Street, on the south by Pershing Square, and on the north by Civic Center. I was a busboy nonpareil, with great verve and style for the profession, and though I was dreadfully underpaid (one dollar a day plus meals) I attracted considerable attention as I whirled from table to table, balancing a tray on one hand, and eliciting smiles from my customers. I had something else beside a waiter's skill to offer my patrons, for I was also a writer.

The Moviegoer - Walker Percy 2011-03-29

In this National Book Award-winning novel from a "brilliantly breathtaking writer," a young Southerner searches for meaning in the midst of Mardi Gras (The New York Times Book Review). On the cusp of his thirtieth birthday, Binx Bolling is a lost soul. A stockbroker and member of an established New Orleans family, Binx's one escape is the movie theater that transports him from the falseness of his life. With Mardi Gras in full swing, Binx, along with his cousin Kate, sets out to find his true purpose amid the excesses of the carnival that surrounds him. Buoyant yet powerful, *The Moviegoer* is a poignant indictment of modern values, and an unforgettable story of a week that will change two lives forever. This ebook features an illustrated biography of Walker Percy including rare photos from the author's estate.
