The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on

Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the

letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the Ex-Girlfriend zine series and followers of @Xenaworrierprincess • Fans

of Kelsey Wroten's graphic novels and art

Warning! If you start reading, you won't be able to stop. Click the buy now button and enjoy yourself. "Olivia, I bought your House of Romance Super Bundle and I thought I would

save it and read one story a day for about a week. I thought I would spread it out. That did not happen. I started reading Saturday night and I could not stop. I read and read and read and read and suddenly, I was on Part 16. My partner showed up coming home from work very late that night and read with me for the last two. She had no problem jumping in because of the way you have set up the books. I like that you do not have to read these lesbian romance stories in order. What a blast! Thank you Olivia!" Grace, Chicago, IL " I read 'Just for Fun,' of course, that being the first part of the series. I thought I might have to read from one story to the next to the next to know what was going on. I was reading another lesbian romance series, and if you missed one episode, you were all messed up. Your series, 'The House of Romance,' is very different from any I have ever read. For me I could skip around and always know what was going on from one story to another. Plus, each story has a different

view on life, and some kind of message. I really like that with the very naughty stuff you have in there too. Lots of that."

Rose, Montgomery, AL "All that I can ask is, when are you

coming out with the next House of Romance book? Eight Olivia Hampshire, lesbian

romance stories are not enough!" Judy, Puerto Vallarta, MX

"I just loved all of your House of Romance pieces of work. You just take lesbian

romance stories to a different level. Sure, I'm a lesbian, but many of these writers write like

all I want to read about is stupid stuff that goes on in New York or Los Angeles and

stupid people having sex for no reason. I liked your messages

about life and life's challenges. You have women in your

stories from all walks of life and professions. Thank you

Olivia, please don't come out of your house, just write and

write and write some more."

Jane Crow - Rosalind Rosenberg 2017-03-22
Throughout her prodigious life, activist and lawyer Pauli Murray systematically fought against all arbitrary distinctions in society, channeling her outrage at the discrimination she faced to make America a more democratic country. In this definitive biography, Rosalind Rosenberg offers a poignant portrait of a figure who played pivotal roles in both the modern civil rights and women's movements. A mixed-race orphan, Murray grew up in segregated North Carolina before escaping to New York, where she attended Hunter College and became a labor activist in the 1930s. When she applied to graduate school at the University of North Carolina, where her white great-great-grandfather had been a trustee, she was rejected because of her race. She went on to graduate first in her class at Howard Law School, only to be rejected for graduate study again at Harvard University this time on

account of her sex. Undaunted, Murray forged a singular career in the law. In the 1950s, her legal scholarship helped Thurgood Marshall challenge segregation head-on in the landmark *Brown v. Board of Education* case. When appointed by Eleanor Roosevelt to the President's Commission on the Status of Women in 1962, she advanced the idea of Jane Crow, arguing that the same reasons used to condemn race discrimination could be used to battle gender discrimination. In 1965, she became the first African American to earn a JSD from Yale Law School and the following year persuaded Betty Friedan to found an NAACP for women, which became NOW. In the early 1970s, Murray provided Ruth Bader Ginsburg with the argument Ginsburg used to persuade the Supreme Court that the Fourteenth Amendment to the Constitution protects not only blacks but also women - and potentially other minority groups - from discrimination. By that time, Murray was a tenured history

professor at Brandeis, a position she left to become the first black woman ordained a priest by the Episcopal Church in 1976. Murray accomplished all this while struggling with issues of identity. She believed from childhood she was male and tried unsuccessfully to persuade doctors to give her testosterone. While she would today be identified as transgender, during her lifetime no social movement existed to support this identity. She ultimately used her private feelings of being "in-between" to publicly contend that identities are not fixed, an idea that has powered campaigns for equal rights in the United States for the past half-century.

She was only supposed to be in Sin City for a friend's wedding, but now she's the one with a shiny gold ring on her finger. Second, she's not exactly sure who she married. She may have a ring, but her bride is nowhere in sight. The third problem is aloof, cold-hearted Mia: Dani's ex. The last thing that Dani needs is that know-it-all ice queen—even if her first love still makes Dani's heart race. But if she's going to track down her mystery bride before she leaves town, she's going to need some help... Fairytale romances don't exist—and if they did, they wouldn't involve Elvis impersonators.

Mia Reyes has enough on her plate. Between arranging her best friend's wedding and pulling long hours as a family doctor, she has no time for anything else-including herself. But when her ex, Dani, shows up in Vegas, Mia can't resist her irresistible smile. In the City of Lights, old sparks fly. Now, Dani has a wedding ring on her finger, and Mia can't remember exactly what it is that she did last night. But Mia knows she's not the kind of person to get blackout drunk and marry her ex. She's far too sensible for that. Right? Once upon a time, Mia broke Dani's heart. Now, she has a second chance. Can she and Dani rekindle their love, or will their relationship be lost in one big Vegas gamble?

Wild Girls, Wild Nights -

Sacchi Green 2013-05-20

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild

women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps

struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, Wild Girls, Wild Nights: True Lesbian Sex Stories is the proof of that.

Beebo Brinker - Ann Bannon
2001-06-01

Ann Bannon was designated
the "Queen of Lesbian Pulp"
for authoring several landmark
novels in the '50s. Unlike many

writers of the period, however,
Bannon broke through the
shame and isolation typically
portrayed in lesbian pulps,
offering instead characters
who embraced their sexuality.
With Beebo Brinker, Bannon
introduces a butch 17-year-old
farm girl newly arrived in Beat-
era Greenwich Village.

Out in Sport - Eric Anderson
2016-02-12

Research has shown that since
the turn of the millennia,
matters have rapidly improved
for gays and lesbians in sport.
Where gay and lesbian athletes
were merely tolerated a decade
ago, today they are celebrated.
This book represents the most
comprehensive examination of
the experiences of gays and
lesbians in sport ever
produced. Drawing on
interviews with openly gay and
lesbian athletes in the US and
the UK, as well as media
accounts, the book examines
the experiences of 'out' men
and women, at recreational,
high school, university and
professional levels, in addition
to those competing in gay
sports leagues. Offering a new
approach to understanding this
important topic, Out in Sport is

essential reading for students and scholars of sport studies, LGBT studies and sociology, as well as sports practitioners and trainers.

Touching Melody - Rashelle Workman 2013-05

Due to its heavy subject matter, this book is recommended for ages 17+
She escapes heartbreak by getting lost in the melody and finds love in the unlikeliest of places. Praise for Touching Melody: "I loved this story of two lost souls, toughened up and emotionally closed off by their circumstances, who opened up to each other and themselves through music." - Stacey Wallace Benefiel, author of Crossing Summary: Maddie Martin's first weekend at college is nothing like she's used to. It's wild, like the wilderness on which the University of Bellam Springs sits. Roped into going to a fraternity party, she literally runs into Kyle Hadley. The boy she's loved since she was nine. The boy she promised all of her firsts to. But that was before his father killed her parents.

Determined to stay away from him, she throws herself into her music. Practicing piano eases her heavy heart, calms the sadness, and pushes away images of Kyle's face. Until it doesn't. Her music professor asks her to play a duet for their annual Winter Gala. Doing so means she'll be assured another full ride scholarship. It's an opportunity she can't pass up. But Kyle is the other half of the duet. And that means hours and hours of practicing. Weeks of seclusion - just the two of them. And it's more than just music. It's passion like Maddie never believed was possible. The inevitable happens. She falls in love with him all over again. But, will loving him be enough to erase all the hate in her heart for his father? Can she look at him, and not see the evil in his family tree? And maybe it's all a set up. Maybe Kyle is only pretending to care so he can finish what his father started, and kill her too. Other works by RaShelle Workman Young Adult Blood and Snow: The Complete Set Immortal

Ask, Tell - E.J. Noyes

2017-01-01

Where can you turn when you're caught in a crossfire of war and passion? Captain Sabine Fleischer is a skilled and dedicated U.S. Army surgeon deployed to a combat hospital in Afghanistan. She is also one of the thousands of troops who are forced to serve in silence because of the military's anti-gay policy of "Don't Ask, Don't Tell (DADT)." Usually driven and focused, Sabine finds that battles raging both inside and outside the perimeter walls are making it more and more difficult for her to deal with her emotions. Dealing with loss and mortality, lack of privacy, sleep deprivation, loneliness and the isolation forced on her by "Don't Ask, Don't Tell" are all taking their toll. Plus, her long-term relationship with a civilian back home is quickly becoming another casualty of war. Colonel Rebecca Keane is an enigmatic career officer

who runs the surgical unit like clockwork. Well liked and respected by those who work with and under her, she walks a fine line to preserve the military's chain of command while connecting with those under her care and supervision. Sabine knows the Colonel is way off-limits, but can't help fantasizing about her. Especially when she starts picking up unspoken cues—a stolen glance, a secret smile, an "accidental" brush of hands. Or is it just wishful thinking? After all, Rebecca's wedding ring shines almost as brightly as her deep blue eyes...

Not Another Second - Ines

Newby 2021-01-11

"Not Another Second" tells the stories of 12 LGBT+ seniors. It details the years they lost to societal constraints, years where they were not able to be their authentic selves or openly express their love. It also tells of the triumphs they experienced over these constraints. This book acknowledges and celebrates the sacrifices, bravery and contributions of these seniors

and offers wisdom to future generations in the hopes that not one person will lose another second. LGBT+ seniors born in the 1930s, '40s and '50s are the brave pioneers who stood up and pushed back, refusing to be treated as social outcasts, criminals and sinners or seen as mentally ill. Their living legacy includes hard-won federal rights for LGBT+ members to legally marry, adopt, work and seek housing and health care without discrimination. Now in their sixties, seventies and eighties, the 3 million LGBT+ seniors currently living in the United States want subsequent generations to learn from their living history, to be inspired to stand on their shoulders and to continue to fight for what's right. A collaboration between the trailblazing nonprofit SAGE and Watermark Retirement Communities, this book gives readers a candid glimpse into the private and public lives of Pearl, Nick, Mark, Paul, Paulette, Pat, Lujira, Ellie, Reverend Kennedy, Ronnie, Ray and Richard. They are

lesbian, gay, bisexual and transgender. Their generation led the Stonewall Uprising, founded Act Up and helped end "don't ask, don't tell." These seniors are presented through a series of more than 100 portraits interspersed with stories of their experiences as members of the LGBT+ community. Each moving portrait, captured by noted German photographer Karsten Thormaehlen, is accompanied by the number of years lost, years when they could not live as their true self beyond their inner circle of trusted friends and family. All proceeds collected from the sale of this book will be donated to Watermark for Kids, a nonprofit organization, in support of LGBT+ young people.

LGBT Milwaukee - Michail Takach 2016-08-22

Over the past 75 years, gays and lesbians have experienced tremendous social change in America. Gay and lesbian culture, once considered a twilight world that could not be spoken of in daylight, has

become today's rainbow families, marriage equality victories, and record-breaking pride celebrations. For a medium-size Rust Belt city with German Protestant roots, Milwaukee was an unlikely place for gay and lesbian culture to bloom before the

Stonewall Riots. However, Milwaukee eventually had as many—if not more—known LGBT+ gathering places as Minneapolis or Chicago, ranging from the back rooms of the 1960s to the video bars of the 1980s to the guerrilla gay bars of today.
