**Sellotape Legacy** - Boria Majumdar 2015-08-01

The Commonwealth Games are Delhi's biggest sporting event ever. As the promise of hosting them envelops Delhi there are questions that loom large, unasked and ominous: Who will emerge the winner in this contest to present Delhi as a true global city? Will Indian sport gain at all? How much is it costing the person on the street? Who has actually benefited from all the digging and window-dressing? And who has lost livelihoods, dreams, perhaps even lives? This book is the story of the politics of these Games, the money that is being spent and the priorities that have shaped it. With access to hitherto unused archives, including primary documents from the first-ever British Empire Games in 1930, this book is also the first and only attempt to place Delhi 2010 in perspective within the history of the Commonwealth Games, their meaning and indeed the larger question of why we need a Commonwealth at all. Explaining what all this means for India, it provides a unique understanding of the Delhi

Games in its entirety.

**The Miracle Mile** - Jason Beck 2016-03-15

The 1954 British Empire and Commonwealth Games in Vancouver changed both the city and world sport forever. The Games will always be remembered for the "Miracle Mile," the much-anticipated showdown between the first two men to break the four-minute barrier, England's Roger Bannister and Australia's John Landy. But as the press focused the world's attention on Vancouver, and Bannister outpaced Landy in the stretch, fate found an even more dramatic story that seared itself into the memories of all who saw it. England's Jim Peters, the world-record holder in the marathon, entered Empire Stadium at the end of a brutal twenty-six-mile run, collapsing repeatedly before a medic stopped him two hundred yards from the finish line. These two stories brought the Games to a stirring conclusion on its final day - Saturday, August 7, 1954 - but there were many other extraordinary moments throughout the events. A group of novice UBC rowers pulled off the biggest upset in Games history on the Fraser Valley's Vedder Canal. Australia's Marjorie Jackson-Nelson, the fastest woman in history, blasted down the track one final time to remain undefeated in international competition, an unprecedented accomplishment before and since. Emmanuel Ifeajuna, a little-known high jumper from Nigeria, surprised the world when he won Africa's first-ever international gold medal. He later masterminded a bloody coup that plunged his nation into devastating civil war. Every single day offered up unbelievable tales of glory and grief. As one 1954 billboard boldly proclaimed, the Games were "a week you'll remember a lifetime!"

In the end, on the hills of the Acropolis, Athens, Greece. I finally discovered the truth about happiness.

**The Commonwealth Games** - Brian Oliver 2014-05-22

How well do you know the Friendly Games? Sports journalist Brian Oliver brings the Commonwealth Games to life with riveting stories of the athletes who have competed over the years. He delves into the best

tales of the past and interviews the key protagonists to unveil the highs and lows of this idiosyncratic sporting competition. There is the classic contest between Roger Bannister and John Landy just months after both had at last broken the four-minute mile, and the lesser-known struggles of one of Australia's greatest swimmers, Dawn Fraser, against the petty-minded and all-male 'silver spoon mob' who ran amateur sport. Read the sad tale of Emmanuel Ifeajuna, the first ever black African to win a gold medal, in any sport in any international event. He won high jump gold in 1954 and became a national hero in Nigeria, but after staging a coup was arrested for treachery and shot by firing squad. Find out why the 1974 Games in Christchurch, New Zealand were known as the 'Emigration Games', and the story behind the bitter 1980s swimming pool rivalry between England's Adrian Moorhouse and Victor Davis of Canada. There are many more, from that of 4-foot 10-inch weightlifter Precious McKenzie - who rose through brutal abuse and discrimination to record-breaking success and a dance with the Princess Royal - to the penniless and boycotted 1986 Games in Edinburgh that were 'saved' by Robert Maxwell and a bucket of fried chicken. The Commonwealth Games is a fascinating insight into human tales of endeavour, success and failure.
