Exploring the Road Less Travelled - Alice Howard 1990

Based on M. Scott Peck's classic bestseller "The

road less travelled."

Golf and the Spirit - M. Scott Peck 2009-09-16
Golf. It's the ultimate head game. And when nothing but the best advice will do, along comes M. Scott Peck, M.D., the celebrated psychiatrist and author of the best-selling self-help book of all time, *The Road Less Traveled*. In *Golf and the Spirit*, M. Scott Peck writes a book for beginners and masters alike--and even for nongolfers. It goes beyond mechanics to explore the deeper issues, ways of successfully managing the emotional, psychological, and spiritual aspects of this most wonderful, maddening, deflating, and inspiring game. Playing side by side with M. Scott Peck on an imaginary course of his own design--complete with illustrations of each hole--you will come to see the profound truths in this seemingly simple game. Appreciate that life is not linear. Come to understand your own anger and how to heal that which gets in your way. Accept the gifts of humility. Appreciate kenosis, the process by which the self empties itself of

self. Benefit from teachers. Know that in weakness often there is strength. Realize that to experience the blessings of golf and life fully, you must accept the divinity that underlies all things. Like the best-selling volumes of Harvey Penick and Michael Murphy, *Golf and the Spirit* makes a unique contribution to the literature of golf and life. It goes beyond the body to address the heart and soul of the game, creating a rare opportunity for transformation in the lives of its readers, both on and off the fairway. It seems to me the human condition is most basically that we are willful creatures living in a world that, much of the time, doesn't behave the way we want it to. We live in the tension between our will and reality. Sometimes with great effort and expertise, we can change reality or bend it to our will. At other times--also with great effort and expertise--it is we who must change by coming to accept the limitations of the world and of ourselves. How we do this--how we deal with the hazards of life--is quite akin to how we deal

with the hazards of a golf course. Sooner or later golfers who stick with the game long enough will almost always come to see it as a metaphor for life. But the word metaphor fails to do justice to all that golf has to teach us. I would go even further and say that, in its own way, golf is life and, not only that, life condensed. If we choose to use it as such, I believe that golf, next to marriage and parenthood, can routinely be the greatest of life's learning opportunities.

The Different Drum - M. Scott Peck 2010-05-11
'The overall purpose of human communication is - or should be - reconciliation. It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings, one from another...' Although we have developed the technology to make communication more efficient and to bring people closer together, we have failed to use it to build a true global community. Dr M. Scott Peck believes that if we are to prevent civilization destroying itself, we must urgently

rebuild on all levels, local, national and international and that is the first step to spiritual survival. In this radical and challenging book, he describes how the communities work, how group action can be developed on the principles of tolerance and love, and how we can start to transform world society into a true community.

In Search of Stones - Morgan Scott Peck
1997-03-03

The work of M. Scott Peck has had a profound effect on the lives of millions of readers. Now Dr Peck has produced the 'closest thing to an autobiography I will ever write'. A book that tells more about himself than ever before, while at the same time helping readers to see truths about themselves and their lives. IN SEARCH OF STONES is, on the surface, the story of a three-week trip through the British countryside that Dr Peck took with his wife Lily - looking for the ancient megalithic stones that became an obsession for them. But the search for the stones is a search for meaning and romance and,

ultimately, an exploration of our own life journey.

Atlas Shrugged - Ayn Rand 2005-04-21

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own

destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

The Power of Now - Eckhart Tolle 2010-10-06

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy

question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

People of the Lie - M. Scott Peck 1983

"So compelling in its exploration of the human psyche, it's as hard to put down as a thriller...such a force of energy, intensity, and straightforwardness.

Self-Esteem - Matthew McKay 2016-08-01

If you struggle with low self-esteem, or you're seeking positive and effective ways of building a healthy sense of self-worth, this much-anticipated fourth edition of the best-selling classic by Matthew McKay is your go-to guide. This fully revised edition features an innovative application of acceptance and commitment therapy (ACT) to self-esteem, and utilizes updated cognitive behavioral therapy (CBT) to help you create positive change and thrive.

Circumstances and status can affect self-esteem—many factors can contribute to the way we see ourselves—but the one contributing factor that all people who struggle with low self-esteem have in common is our thoughts. Of course we all have a better chance of feeling good about ourselves when things are going well, but it's really our interpretation of our circumstances that can cause trouble, regardless of what they are. This revised and updated fourth edition of the best-selling *Self-Esteem* uses proven-effective methods of CBT and relevant components of ACT to help you raise low self-esteem by working on the way you interpret your life. You'll learn how to differentiate between healthy and unhealthy self-esteem, how to uncover and analyze negative self-statements, and how to create new, more objective and positive self-statements to support your self-esteem rather than undermine it. And with cutting-edge material on defusion and values, you'll learn to let go of judgmental, self-

attacking thoughts and act in accordance with what matters to you most, enhancing your sense of self-worth. If you struggle with low or unhealthy self-esteem, this new edition of *Self-Esteem*, packed with evidence-based tips and techniques, has everything you need to improve the way you see yourself for better overall well-being.

The Road Less Travelled - M. Scott Peck 2012
"Confronting and solving problems is a painful process which most of us attempt to avoid. Avoiding resolution results in greater pain and an inability to grow both mentally and spiritually. Drawing heavily on his own professional experience, Dr M. Scott Peck, a psychiatrist, suggests ways in which facing our difficulties - and suffering through the changes - can enable us to reach a higher level of self-understanding. He discusses the nature of loving relationships- how to distinguish dependency from love; how to become one's own person and how to be a more sensitive parent. This is a book

that can show you how to embrace reality and yet achieve serenity and a richer existence. Hugely influential, it has now sold over ten million copies - and has changed many people's lives round the globe. It may change yours."
People of the Lie - Morgan Scott Peck 1985
"A Touchstone book." Includes bibliographical references.

Teacher's Journey - Robert John Meehan
2011-02

Robert John Meehan's poetic insight into the heart and soul of both teacher and student tugs at readers' emotions like few writers can. His depth of experience as a teacher in some of the nation's most difficult schools over a period of four decades is deeply embedded in each of his selections of poetry. His ability to share the joy, sorrows, and at times, the horror of teaching in today's inner city schools is brought to the forefront in each of the poems included in his *The Teacher's Journey*. Meehan has accomplished much over the past decades in

encouraging other teachers to share their feelings, emotions, and experiences in working with students. Follow Meehan as he inspires students and teachers alike in *The Teacher's Journey* to understanding the meaning of being an authentically effective teacher.

A Bed by the Window - M. Scott Peck

2009-08-26

NEW YORK TIMES BESTSELLER • “The memorable scenes are powerfully drawn. . . . A spiritual mystery . . . both moving and brave.”—The New York Times Book Review The acclaimed author of the phenomenal bestseller *The Road Less Traveled* adds a natural gift for storytelling to his spiritual insight and profound awareness of human nature in this mesmerizing, deeply moving new work. Among those within the self-contained world of the Willow Glen nursing home are two extraordinary people. One is there to give care, the other to receive it. Yet together they form a bond of love and trust that transcends their expectations and changes their

lives. Stephen Solaris—Imprisoned in a helpless body since birth, unable to even speak, he has an incredible ability to touch the hearts and minds of those around him with the power of his personality. Heather Barsten—a nurse whose devotion to her patients surpasses her ability to fulfill her own needs. From Stephen she learns the importance of being true to one’s heart—and she finds herself falling in love. Then violence shatters Willow Glen. Now a murderer roams the halls of the home, and the residents and staff must confront a truly terrifying evil and face their innermost fears, suspicions, and darkest secrets. . . . *A Bed by the Window* is an exceptional work, a gripping psychological thriller and a luminous synthesis of Peck’s thinking on good and evil, spiritual growth, and the miracles worked by love. “Scott Peck . . . [is] a born storyteller. . . . His unique insights and wisdom [come] through pin] pure story. This is . . . a page-turner, a book that you start and can’t put down.”—Madeleine L’Engle, author of *A*

Wrinkle of Time

Glimpses of the Devil - M. Scott Peck

2005-01-19

The legendary bestselling author and renowned psychiatrist M. Scott Peck, whose books have sold over 14 million copies, reveals the amazing true story of his work as an exorcist -- kept secret for more than twenty-five years -- in two profoundly human stories of satanic possession. In the tradition of his million-copy bestseller *People of the Lie: The Hope for Healing Human Evil*, Scott Peck's new book offers the first complete account of exorcism and possession by a modern psychiatrist in this extraordinary personal narrative of his efforts to heal patients suffering from demonic and satanic possession. For the first time, Dr. Peck discusses his experience in conducting exorcisms, sharing the spellbinding details of his two major cases: one a moving testament to his healing abilities, and the other a perilous and ultimately unsuccessful struggle against darkness and evil. Twenty-

seven-year-old Jersey was of average intelligence; a caring and devoted wife and mother to her husband and two young daughters, she had no history of mental illness. Beccah, in her mid-forties and with a superior intellect, had suffered from profound depression throughout her life, choosing to remain in an abusive relationship with her husband, one dominated by distrust and greed. Until the day Dr. Peck first met the young woman called Jersey, he did not believe in the devil. In fact, as a mature, highly experienced psychiatrist, he expected that this case would resolve his ongoing effort to prove to himself, as scientifically as possible, that there were absolutely no grounds for such beliefs. Yet what he discovered could not be explained away simply as madness or by any standard clinical diagnosis. Through a series of unanticipated events, Dr. Peck found himself thrust into the role of exorcist, and his desire to treat and help Jersey led him down a path of blurred

boundaries between science and religion. Once there, he came face-to-face with deeply entrenched evil and ultimately witnessed the overwhelming healing power of love. In *Glimpses of the Devil*, Dr. Peck's celebrated gift for integrating psychiatry and religion is demonstrated yet again as he recounts his journey from skepticism to eventual acknowledgment of the reality of an evil spirit, even at the risk of being shunned by the medical establishment. In the process, he also finds himself compelled to confront the larger paradox of free will, of a commitment to goodness versus enslavement to the forms of evil, and the monumental clash of forces that endangers both sanity and the soul. *Glimpses of the Devil* is unquestionably among Scott Peck's most powerful, scrupulously written, and important books in many years. At once deeply sensitive and intensely chilling, it takes a clear-eyed look at one of the most mysterious and misunderstood areas of human experience.

The Road Less Travelled - M. Scott Peck 2003
Confronting and solving problems is a painful process which most of us attempt to avoid. Avoiding resolution results in greater pain and an inability to grow both mentally and spiritually. Drawing heavily on his own professional experience, Dr M. Scott Peck, a psychiatrist, suggests ways in which facing our difficulties -and suffering through the changes - can enable us to reach a higher level of self-understanding. He discusses the nature of loving relationships: how to distinguish dependency from love; how to become one's own person and how to be a more sensitive parent. This is a book that can show you how to embrace reality and yet achieve serenity and a richer existence. Hugely influential, it has now sold over six million copies -and has changed many people's lives round the globe. It may change yours.
The Road Less Traveled - M. Scott Peck
2012-03-13
Now featuring a new introduction by Dr. M.

Scott Peck, the twenty-fifth anniversary edition of the classic bestseller *The Road Less Traveled*, celebrated by *The Washington Post* as “not just a book but a spontaneous act of generosity.” Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than seven million copies in the United States and Canada, and translations into more than twenty-three languages, it has made publishing history, with more than ten years on the *New York Times* bestseller list. Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one’s own true self. Recognizing that, as in the famous opening line of his book, “Life is difficult” and that the journey to spiritual

growth is a long one, Dr. Peck never bullies his readers, but rather guides them gently through the hard and often painful process of change toward a higher level of self-understanding.

When the Road Beckons - Ravi Manoram

2015-10-21

When the Road Beckons is an inspiring odyssey that promises to transform a generation.

Drawing parallels between a precarious journey across Ladakh and Life, the author has shown that it is 'uncertainty' from which the evils of fear and lethargy emanates, that stop us from listening to our true calling. Taking cues from his own struggle and journey, the author explains the need for experiential learning in our lives; how we can balance rational and intuitive thinking, and goes deep into the values of love, creativity, entrepreneurship and the concept of risk that is associated with it. 'When the Road Beckons' is a remarkable story of a metamorphic motorcycle journey that leads to self discovery. It's a story that will take you to that one person

whom you are quite eager to discover. And that person is You.

Love: The Psychology of Attraction - DK
2016-01-05

Love: The Psychology of Attraction is an easy-to-navigate, step-by-step guide to modern love that's grounded in scientific study, psychological expertise, and practical insights about romance in the age of social media. Crack the code of compatibility and find the path to true love with this unique guide to finding the perfect mate in the modern world. Love: The Psychology of Attraction offers answers to your burning questions: How should I present myself online? What are red flags in a first phone call? Is it time to meet family members? And it answers some unexpected questions, too: Is chemistry predictable? Do I have a "lifestyle type"? With every quiz, assessment, and inviting infographic, Love: The Psychology of Attraction guides you toward deeper, more satisfying relationships that can lead to long-term fulfillment.

Power vs. Force - David R. Hawkins, M.D., Ph.D.
2014-01-30

Imagine—what if you had access to a simple yes-or-no answer to any question you wished to ask? A demonstrably true answer. Any question . . . think about it.— from the Foreword We think we live by forces we control, but in fact we are governed by power from unrevealed sources, power over which we have no control.— from the author's Preface The universe holds its breath as we choose, instant by instant, which pathway to follow; for the universe, the very essence of life itself, is highly conscious. Every act, thought, and choice adds to a permanent mosaic; our decisions ripple through the universe of consciousness to affect the lives of all.— from Power vs. Force "[A] beautiful gift of writing . . . [You] spread joy, love, and compassion through what you write. The fruit of these three is peace, as you know . . ."— Mother Teresa ". . . particularly timely . . . a significant contribution to understanding and dealing with the problems

we face today."— Lee Iacocca "I especially appreciate [the] research and presentation on the attractor patterns of business . . ."— Sam Walton "Overwhelming! A masterpiece! A lifetime work!"— Sheldon Deal, President, International College of Applied Kinesiology
Battle For The Mind - William Sargant
1957-01-01

We have still much to learn as to the laws according to which the mind and body act on one another, and according to which one mind acts on another; but it is certain that a great part of this mutual action can be reduced to general laws, and that the more we know of such laws the greater our power to benefit others will be.

The Road Less Traveled - Morgan Scott Peck
1978

Provides ways to confront reality and achieve self-actualization.

Exploring the Road Less Traveled - Alice Howard
1985-11-02

From Simon & Schuster, *Exploring the Road Less Traveled* is Alice and Walden Howard's study guide for small groups, based on M. Scott Peck's classic bestseller. After careful field testing over a period of years, group leaders Alice and Walden Howard now present a companion volume—an experiential guide that enriches our understanding of Dr. Peck's phenomenal work.

Exploring the Road Less Travelled - Alice Howard
1988

On the Road Less Traveled - Ed Hajim
2021-03-02

A powerful story touched with family trauma, deprivation, and adversity balanced by a life of hard work and philanthropy! *On the Road Less Traveled* is the inspirational story of Edmund A. Hajim, an American financier and philanthropist who rises from dire childhood circumstances to achieve professional success and personal fulfillment. At age three, Hajim is kidnapped by

his father, driven from St. Louis to Los Angeles, and told that his mother is dead. His father soon abandons him in order to seek employment—mostly in vain—leaving his son behind in a string of foster homes and orphanages. This establishes a pattern of neglect and desertion that continues for Hajim’s entire childhood, forever leaving its mark. From one home to another, the lonely boy learns the value of self-reliance and perseverance despite his financial deprivation and the trauma of being an orphan. As time passes, Hajim displays a powerful instinct for survival and a burning drive to excel. A highly motivated student and athlete, he earns an NROTC college scholarship to the University of Rochester; serves in the United States Navy; works as an application research engineer; then attends Harvard Business School, where he finds that the financial industry is his true calling. So begins his rapid ascent in the corporate world, which includes senior executive positions at E. F.

Hutton, Lehman Brothers, and fourteen years as CEO of Furman Selz, growing the company more than tenfold. He also creates a happy and abundant family life, though he never forgets what it means to struggle. At age sixty, he is reminded of his painful past when a family secret emerges that brings the story full circle.

The Spiritual Life - Andrew Murray 2008-01-01

In a series of messages given at Moody Bible Institute in 1895, Andrew Murray explained how to live a life Spirit-filled. This book, coming from those messages, is wise and has timely counsel, offering practical, Biblical advice on allowing the Holy Spirit complete control over your life.

The Road Less Travelled - Morgan Scott Peck
1990

The New Psychology of Love, Traditional Values and Spiritual Growth
Confronting and solving problems is a painful process which most of us attempt to avoid. And the very avoidance results in greater pain and an inability to grow both mentally and spiritu

Further Along the Road Less Traveled -

Morgan Scott Peck 2003

THE ROAD LESS TRAVELLED made publishing history with its world sales of over 7 million and a place on international bestseller lists for over a decade. It has been said that it has had a more profound effect on our intellectual and spiritual lives than any other book except the Bible. In FURTHER ALONG THE ROAD LESS TRAVELLED, Dr Peck, writing with insight and sensitivity, addresses questions of personal growth such as: blame and forgiveness, death and the meaning of life, sexuality and spirituality, families, self esteem and addiction, revealing how personal change is possible, however difficult and complex the journey.

What Return Can I Make? - Morgan Scott Peck 1990

The ROAD LESS TRAVELED INT'L EDITION - M.

Scott Peck 1997-09-01

Confronting and solving problems is a painful

process, which most of us attempt to avoid. Drawing heavily upon his own professional experience, Dr. M. Scott Peck, a practicing psychiatrist, suggests ways in which confronting and resolving our problems can enable us to reach a higher level of self-understanding.

The Seat of the Soul - Gary Zukav 2007-06-19

The anniversary edition of this beloved bestseller is celebrated in Prefaces by Oprah Winfrey and Maya Angelou and contains a new Foreword by the author, website links, and a new Study Guide to help readers find even deeper meaning and fulfillment. The Seat of the Soul encourages you become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations. Beginning with evolution, Gary Zukav takes you on a penetrating exploration of the new phase humanity has entered: we are evolving from a species that understands power as the ability to manipulate and control—external power—into a

species that understands power as the alignment of the personality with the soul—authentic power. Our evolution requires each of us to make the values of the soul our own: harmony, cooperation, sharing, and reverence for Life. Using his scientist's eye and philosopher's heart, Zukav shows us how to participate fully in this evolution, enlivening our everyday activities and all of our relationships with meaning and purpose. The Seat of the Soul has sold millions of copies around the globe, and as it changes lives, more and more people begin to live by the values of the spirit. Indeed, a new world is emerging, and this book brings its message to you.

A World Waiting to Be Born - M. Scott Peck
2009-07-22

Just as *The Road Less Traveled* provided hope and guidance for individuals seeking growth, this major new work by M. Scott Peck, M.D., offers a needed prescription for our deeply ailing society. Our illness is Incivility--morally

destructive patterns of self-absorption, callousness, manipulativenness, and materialism so ingrained in our routine behavior that we do not even recognize them. There is a deepening awareness that something is seriously wrong with our personal and organizational lives. Using examples from his own life, case histories, and dramatic scenarios of businesses that made a conscious decision to bring civility to their organizations , Dr. Peck demonstrates how change can be effected and how we and our organizations can be restored to health. This wise, practical, and radical book is a blueprint for achieving personal and societal well-being.

The 50th Law - 50 Cent 2010-07-09

'My favourite book' Tinchy Stryder BA Business Life Book of the Month The ultimate hustle is to move freely between the street and corporate worlds, to find your flow and never stay locked in the same position. This is a manifesto for how to operate in the twenty-first century, where everything has been turned on its head. Building

on the runaway success of Robert Greene's *The 48 Laws of Power* (almost five million copies sold), the 'modern Machiavelli' teams up with rapper 50 Cent to show how the power game of success can be played to your advantage. Drawing on the lore of gangsters, hustlers, and hip-hop artists, as well as 50 Cent's business and artistic dealings, the authors present the 'Laws of 50', revealing how to become a master strategist and supreme realist. Success comes from seeking an advantage in each and every encounter, and *The 50th Law* offers indispensable advice on how to win in business - and in life.

The Road Less Travelled - M. Scott Peck
2012-10-31

'Life is difficult. This is a great truth, one of the greatest truths.' A timeless classic in personal development, *The Road Less Travelled* is a landmark work that has inspired millions. Drawing on the experiences of his career as a psychiatrist, Scott Peck combines scientific and

spiritual views to guide us through the difficult, painful times in life by showing us how to confront our problems through the key principles of discipline, love and grace. Teaching us how to distinguish dependency from love, how to become a more sensitive parent and how to connect with your true self, this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self-understanding.

Further Along the Road Less Traveled - M. Scott Peck 1993

Explores love, relationships, and spiritual growth, covering blame and forgiveness, the New Age movement, death and the meaning of life, and other topics.

Pivot - Adam Markel 2016-04-19

Public speaker, transformative teacher, and CEO of Peak Potentials, Adam Markel has been inspiring people to find their best work for years. Now, for the first time, he presents his practical program for people who are looking to reinvent

themselves. Here's how to "get in touch with your real self, decide exactly who you are and what you want, and make your life into a masterpiece," raves Brian Tracy, author of *The Power of Self-Confidence*. Whether you are out of work or want to change where you are now, *Pivot* inspires you on a cellular level to make lasting life changes possible. This seminal guide to successfully changing your life for the better provides stories, prompts, clear step-by-step exercises, and calls to actions throughout. You'll follow the steps of career reinvention: Creating a Vision, Getting Clear, Having a Definite Plan, Thinking Boldly, Relentless Focus, Support, and Spiritual Practice. By changing self-limiting beliefs—the internal pivot to finding clarity about what you want—you can effectively deal with the mental and emotional obstacles that normally stop you from reaching your career goals. Based on his own personal story and the success of thousands of students, Markel provides a clear and applicable program perfect

for "taking charge of your life and realizing your potential" (Sharon Lechter, author of *Think and Grow Rich for Women*).

The Power of Purpose - Les Brown 2021-02-26
All of us have what it takes to make it in today's competitive and changing world. You may have doubted your ability to get the job done in the past, but something else may have been in the way of your success. The key to achievement has little to do with your education or skill level. The secret to accomplishing great things is simple: find and pursue the kind of work you are meant to do - your purpose. There are so many opportunities, it's difficult to choose, but understanding your life's real purpose will give you the power to have anything you want. So ask yourself: "What do I really want out of my life?" Les Brown will not only help you answer that question, he will also lead you step-by-step toward making each and every one of your dreams come true. This book will help you to: Experience the freedom and power of finding

your life's work Focus and take action to pursue your greatness Measure and increase your self-motivation for ongoing success Guard against negative programming Live each day with integrity Separate what you've done from who you are Avoid people and situations that upset you Live in a spirit and attitude of gratitude Become a powerful presence in every area of your life And much, much more! When you choose an occupation that is truly compatible with your preferences, abilities and unique personality, you will at last begin to understand the meaning of true happiness and personal success!

Harold and the Purple Crayon - Crockett Johnson
2015-09-29

From beloved children's book creator Crockett Johnson comes the timeless classic *Harold and the Purple Crayon*! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an

oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. "A satisfying artistic triumph." —Chris Van Allsburg, author-illustrator of *The Polar Express* Share this classic as a birthday, baby shower, or graduation gift!

Boomer Guru - Arthur Jones 2015-10-23

In the 1980s and 1990s, thousands of women wrote to psychiatrist M. Scott Peck, MD, to thank him for pulling them through difficult patches of their lives with his ground-breaking and best-selling self-help book, *The Road Less Traveled*. Yet Peck's own life was in turmoil. While his readers, and those who attended his spiritual workshops and talks, told him how his words had helped them make decisions about their marriages, careers, insecurities and self-

doubts, in 1992 one woman told Life magazine that after one spiritual group session she had been seduced by Peck. M. Scott Peck's *The Road Less Traveled* began with the words, "Life is difficult." He made it difficult for his family, so difficult that only two of his three children attended his funeral. Arthur Jones' *Boomer Guru* explores that dichotomy in a deeply researched biography based primarily on hours of recorded interviews with the frank but conflicted guru. This biography of "the nation's shrink" is that rare account: a psychiatrist on the couch. Peck's *The Road Less Traveled* had more than 10 million "boomer" readers. The book spent more

than a decade on the New York Times Best Seller List, longer than any other book by a living author in that category. On the 10th anniversary of Peck's death, this candid biography of the boomer guru is an intriguing recap of both the times and the man.

Meditations from the Road - Morgan Scott Peck 1993

The best-selling author of *The Road Less Traveled* and *A Different Drum* offers 365 daily inspirational thoughts in a pocket-sized format, focusing on the challenges of everyday life. Original. 125,000 first printing.
