Give little learners a head start with this top choice in counting books for toddlers.

My First Counting Book - Lilian Moore 2015-07-14

It's easy to learn counting with this classic Little Golden Book! The rhythmic text, paired with heartwarming animal illustrations by Garth Williams, have made counting from one to ten a joy for nearly 60 years. A must for every toddler and preschooler's library. Little Golden Books have been loved by children for over 75 years. When they were first published in 1942, high-quality books for children hadn't been available at a price most people could afford. Little Golden Books changed that! Priced at just 25 cents and sold where people shopped every day, they caused an instant sensation and were soon purchased by the hundreds of thousands. Created by such talented writers as Margaret Wise Brown (author of *Goodnight Moon*) and Richard Scarry, Little Golden Books have helped millions of children develop a lifelong love of reading. Today, Little Golden Books feature beloved classics such as *The Poky Little Puppy* and *Scuffy the Tugboat*, hot licenses, and new original stories—the classics of tomorrow, ready to be discovered between their sturdy cardboard covers and gold-foil spines.
