Pastoral Ministry - John F.
MacArthur 2017-03-07

Pastor John MacArthur

combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily

become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership. *Pastoral Ministry: How to Shepherd Biblically* presents a practical pastoral theology aimed at showing pastors and pastors-in-training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word place

on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur. This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ.

God's Not Dead - Rice

Broocks 2013-03-11

The Evidence Behind the Hit Movie *The God's Not Dead*: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Broocks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence. The God who exists is indeed the God of the Bible. God has revealed his nature through his Son, Jesus Christ. As shown

during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.

Spirit and Power - William W. Menzies 2011-05-03

The times have long passed when Pentecostals were viewed as Protestantism's untouchables. Today, the shock waves from Azusa Street have influenced countless Evangelicals worldwide. But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit, it has challenged Pentecostals to examine their theology more deeply in the light of his Word. Just how firm is the biblical foundation on which they stand? Spirit and Power

provides a cutting-edge look at Pentecostal theology. It addresses the concern expressed by its authors and echoed throughout charismatic churches today: "Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8, they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture." In response, theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light. Spirit and Power is no mere paraphrase of dated approaches. It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit-filled theology. Whatever your persuasion may be as a Christian, this book's thoughtfulness, balance, and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance. Laying the groundwork

for an accurate understanding of Luke's writings in particular, the authors help you grasp the foundations of Pentecostal theology from the standpoints of history, hermeneutics, and exegesis. Then, in Part Two, they give you an in-depth look at specific Pentecostal concerns: the baptism of the Holy Spirit as a blessing subsequent to salvation, evidential tongues, signs and wonders, healing in the atonement, and more. You'll deepen your understanding of the basis for Pentecostal beliefs. And you'll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today.

Preaching - John F. MacArthur
2005-08-21

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at

The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers,

contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Biblical Theology of the New Testament - Charles Caldwell Ryrie 2005-01-01

What if Jesus Had Never Been Born? - D. James Kennedy 2008-07-11

We live in a cynical age in which only one prejudice is

tolerated--anti-Christian bigotry. Yet despite the unbridled slanders and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be much more miserable than it is today. Arranged topically and presenting compelling, little-known historical facts, *What If Jesus Had Never Been Born?* clearly demonstrates that an enormous array of benefits to humankind--from economics to art to government, science to civil liberties, morality to health, and beyond--would never have occurred had Jesus Christ not lived.

Strange Fire - John F.

MacArthur 2013-11-19

What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented

rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Cuestiones Fundamentales de la Educación Cristiana -

Robert W. Pazmiño 2002-07-31

Para evitar la cautividad cultural, los fundamentos de la educación cristiana deben ser repensados por cada generación. De no hacerlo, dice el autor, los educadores cristianos «corren el riesgo de perpetuar ideas y prácticas anticuadas, ajenas al evangelio». «Al explorar con criterio los diversos fundamentos que han predominado y predominan en el pensamiento evangélico», continúa el autor, «los educadores pueden enfrentar mejor las necesidades de hoy y los retos del futuro». En *Cuestiones fundamentales de la educación cristiana*, el autor

mismo se entrega a este proceso de evaluación crítica, con importantes resultados. El autor llama a los educadores evangélicos a «reafirmar las verdades bíblicas», que constituyen la «autoridad esencial para nuestra teoría y práctica», y a «incorporar las verdades de otras disciplinas», proceso que tiene que estar «sujeto a la continua autoridad de la Palabra de Dios».

Weekday Eucharistic Propers - Church Publishing 2017-01-09
In the section entitled “Concerning the Service of the Church,” the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord’s Day and other major Feasts, and Daily Morning and Evening Prayer, as set forth in this book, are the regular services appointed for public worship in the Church. (BCP, 13) Eucharistic propers (collects, Scripture readings, and proper prefaces)

are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. As celebration of the Eucharist has become more frequent, many congregations and other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

Enseñando a las nuevas generaciones - Terry Linhart
2020-07-07

Una guía completa para enseñar la formación cristiana. Necesitamos revitalizar la tarea de enseñarles a las próximas generaciones, pero no con el enfoque estándar de "la forma en que lo hemos hecho siempre" o con la imprudencia pragmática de "cualquier forma es suficiente" que no alcanza la meta de ayudar a los estudiantes a crecer hacia la madurez. La próxima generación necesita maestros comprometidos, maestros sabios, maestros alegres y maestros bien estudiados. Los jóvenes deben involucrarse profundamente de manera relevante más allá de las enseñanzas elementales. Necesitan una fe "repleta de pensamiento" basada en la Escritura, fortalecida por el Espíritu, y conectada con las realidades cotidianas para enfrentar los desafíos contemporáneos, las tensiones históricas y las preguntas difíciles. Este texto defiende la

causa y los objetivos de la enseñanza cristiana en el ministerio para los jóvenes y ofrece una introducción a la enseñanza en todo tipo de contextos ministeriales.

The Case for a Creator - Lee Strobel
2009-05-18

Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved

by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present

compelling evidence in The Case for a Creator. Also available: The Case for a Creator small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

Lectures on Faith - Joseph Smith (Jr.) 1988

This special edition of the Lectures on Faith from Zion's Camp Books is formatted for convenience on an eReader, with more than 100 internal links to scriptures and citations. We hope it will give you a great reading experience! The Lectures on Faith were originally prepared as materials for the School of the Prophets in Kirtland, Ohio in 1834 and were included in the Doctrine and Covenants from 1835 to 1921. Although the Lectures on Faith have never been accepted as revelation by the body of the church (and so were removed from the Doctrine and Covenants in 1921), they contain important doctrinal

insights that can help anyone seeking to learn more about faith and come closer to Heavenly Father and Jesus Christ. President Joseph Fielding Smith noted, "I suppose that the rising generation knows little about the Lectures on Faith. . . . In my own judgment, these Lectures are of great value and should be studied. . . . I consider them to be of extreme value in the study of the gospel of Jesus Christ." (Joseph Fielding Smith, *Seek Ye Earnestly*. Salt Lake City: Deseret Book, 1970.) Elder Bruce R. McConkie of the Quorum of the Twelve Apostles has stated the lectures contain "some of the best lesson material ever prepared on the Godhead; on the character, perfections, and attributes of God; on faith, miracles, and sacrifice. They can be studied with great profit by all gospel scholars." (Bruce R. McConkie, *Mormon Doctrine*. Salt Lake City: Bookcraft, 1966.)

Bible Doctrine - Wayne A.

Grudem 2014-10-28

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning

But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions. Cuestiones Fundamentales de la Educacion Cristiana - Robert W.
