How to Use Infinite Banking to Purchase Tax Lien Foreclosure - Jeffery Long 2021-09-28

ax Lien Foreclosure: What It Is and How It Works Tax lien foreclosures can take several years to complete but can lead to big payoffs for the patient investor. Billions of dollars of property taxes go unpaid each year, presenting quite the predicament for local municipalities that rely on this money to fund public services. Rather than waiting months or years for the delinquent accounts to be paid, the county treasurer places a tax lien on the property. Failure to pay the lien over a specified period of time can eventually lead to the property being taken through a judicial foreclosure proceeding called a tax lien foreclosure. While the intricacies of a tax lien foreclosure vary greatly by state and municipality, in general, it can be a worthwhile way for real estate investors to gain access to discounted real estate or earn a passive return. Learn how a tax lien foreclosure works, the risks and benefits involved with this method of real estate investing, and what to know before you buy a tax lien or proceed with a tax lien foreclosure.

Directions to Easy Street - Robert S. Keller 2015-12-02

Finally. A book of contemporary facts called "DIRECTIONS TO EASY STREET" that addresses your concerns about "LIVING THE LIFESTYLE YOU DESERVE" from the financial perspective. Clearly, 'the good old days' are behind you. There is no doubt that you can no longer rely on governments, pension plans, health care systems...and money earned from your current J.O.B.....to provide a safety net when you reach the point where you can no longer physically work. In fact, it is my contention that thinking about LIVING THE LIFESTYLE YOU DESERVE and the state of FINANCIAL FREEDOM should start with 20-Somethings, not with Boomers heading toward retirement! It is said that there are three things in life that you must maintain in order that you do not burden society or your loved ones in your golden years: Health, Wealth and Intelligence. Miss one of those functions, and the rest of us will be paying for you for the rest of your life. "DIRECTIONS TO EASY STREET" tells it like it is, presenting many strategies about how you can TAKE IMMEDIATE ACTION and achieve FINANCIAL FREEDOM and leave your J.O.B. forever. Millions of people just like you are creating wealth through PASSIVE INCOME. Now its YOUR turn. The book is an easy read: Its not rocket science to understand that YOUR future is completely in YOUR own hands. YOU can do this! With a little effort, YOU can be LIVING THE LIFESTYLE YOU DESERVE. The All-New Real Estate Foreclosure, Short-Selling, Underwater, Property Auction, Positive Cash Flow Book - Chantal Howell Carey 2009-07-23

Praise for How to Sell Your Home Without a Broker "On a scale of 1 to 10, this book is a 10." —Robert Bruss Jump into the real estate game—and win big! Home values are crashing and foreclosures are way up. You might think this is a terrible time to get into the real estate market—but you'd be wrong! A crashing real estate market offers plenty of opportunity to profit, if you know how to change your strategy and adjust to the new market reality. In *The All-New Real Estate Foreclosure, Short-Selling, Underwater, Property Auction, Positive Cash Flow Book*, top real estate investors and authors Chantal and Bill Carey show you how to get in safely and get out profitably. They present four new strategies for taking advantage of today's high foreclosure rate and explain how to invest for the long-term as the market resets to more realistic levels. Novice investors will find plenty of strategies for profiting without risking all they have, and old hands will find new, unconventional techniques that will help them continue to profit even if the market continues to struggle. Inside, you'll learn how to: Combine short-term and long-term investing strategies for cash flow today and tomorrow Buy mortgages in foreclosure at rock-bottom short-sale prices Avoid dealing with lenders by using the seller as your banker Utilize the right type of real estate auction for your investment needs Maximize your cash flow for big profits now and in the future Prepare yourself to profit from rising prices and near-term inflation Whether you're a first-timer or an experienced real estate pro, this is the ultimate guide to getting into the real estate market safely and cheaply—and getting out rich!

Investing in Tax Liens & Deeds - Palma Bella Consulting 2015-04-30

Learn how to add Tax Deeds and Liens to your portfolio earning up to 60%. This complete manual is everything you need to start building wealth with tax liens right away. Learn the strategies. Which states offer the best returns. how to find and research the best liens and how to get the ultimate prize, THE DEED! This manual course will show you how Tax lien certificates (and their cousin, tax deeds) - are an incredible moneymaking opportunity that have escaped mainstream investors for decades. They have been around for a long time and have been a great investment for the select few that kept them a secret. The beauty of tax lien certificates (TLCs) is the protection provided by the local governments in which you are investing. Not only do they ensure your investments, these same local governments collect all your money for you and essentially do your bookkeeping. Plus, you can typically earn annual yields ranging from 8 to 24 percent or more. With the government's assurance that you will get your investment back with an attractive return (or a valuable property), two strategies have evolved - one which provides a safe, steady income over time and one which provides an occasional home run. Either way, you'll be able to sleep well at night because of their low risk.

The Complete Guide to Investing in Real Estate Tax Liens & Deeds - Jamaine Burrell 2006

Purchasing tax lien instruments from city, county, and municipal governments can provide you with very high and secure rates of return, in some cases as high as 12%, 18%, 24%, or even 1,000% or more per year. If performed correctly, investments in tax lien instruments will far outpace stock market performance, even traditional real estate investments. The key is to know how to perform this process correctly. Tax lien certificates and deeds are not purchased through a broker; you purchase these property tax liens directly from the state or county government (depending on the state). This type of investment was created by state law, and state law protects you as the investor. Investing in tax liens and deeds can be very rewarding. Tax liens can be tax deferred or even tax-free. You can purchase them in your self-directed IRA. Interest rates

vary but average between 4% and 18%. The interest rates are fixed by local governments, essentially a government-guaranteed loan. Additionally, the investment is secured by real property (real estate). This sounds great, but what is the catch? There really is none, except you must know what you are doing! This groundbreaking and exhaustively researched new book will provide everything you need to know to get you started on generating high-investment returns with low risk, from start to finish. You will learn what property tax liens and tax lien certificates are; how to invest in tax lien certificates; how to buy tax lien certificates; insider secrets to help you double or even triple your investment, how to start with under \$1,000; the risks, traps, and pitfalls to avoid; and a detailed directory of states that sell tax lien certificates with contact information. In addition, we spent thousands of hours interviewing, e-mailing, and communicating with hundreds of today's most successful investors. This book is a compilation of their secrets and proven successful ideas. If you are interested in learning hundreds of hints, tricks, and secrets on how to purchase tax liens and deeds and earn enormous profits, then this book is for you.

Real Estate Investing For Dummies - Eric Tyson 2009-04-15

Real Estate Investing For Dummies, 2nd Edition, is completely revised and updated to help you overcome the challenges and and take advantage of the opportunities in any real estate environment, including a down market. But Eric Tyson and Robert Griswold's core message remains as relevant today as it did upon the initial publication of *Real Estate Investing For Dummies* -- investing in real estate is time-tested vehicle to build wealth in the long term. Tyson and Griswold don't tell you how to become a millionaire overnight. Instead, they offer proven, practical, and actionable advice so that if you chose to invest in income-producing properties, you can do so wisely and confidently.

Tax Lien and Tax Deed Investing - Thomas Senatore 2020-04-09

Tax Lien and Tax Deed Investing, *The Proven Techniques* was written to encourage those who may have heard of this technique to learn more to become an educated investor. With a little bit of knowledge, some examples of transactions and seeing how it was done could just be what the reader needs to take a chance and some risk to make a bit of money. With giving a clear and concise image of what actually tax lien and tax deed investing is and how to carefully navigate the process, the reader will be given a chance to make amazing profits. With tax lien and tax deed investing, you have the opportunity to make up to 36% interest each year. When most people find a letter from the tax collector in their mailbox, it usually is a bill, but for the tax lien investor, it will be check after check made payable to them. To even add a bonus, if the tax lien was purchased inside their self-directed Roth IRA, all profits would be exempt from income taxes. With every state holding a tax lien auction or tax deed auction, we show the reader how to win a property and pay pennies on the dollar. Imagine attending an auction, and you end up the winning bidder and now are the proud owner of that beautiful home and you only paid 15% of the value. What if you paid 50% of the value and now you have a home you can live in with 50% of the value as profits? Now many of you reading may not have the cash and are afraid this is only for the rich people. Well put that thought aside because the first deal I got into, I found an investor to put up all the money.

The 16 % Solution, Revised Edition - J.D. Joel S. Moskowitz 2009-03-17

With home foreclosures at an all-time high and the erratic stock market damaging 401(k) accounts, people are looking for innovative ways to invest their money. Moskowitz explains what tax lien certificates are (liens against property for unpaid taxes), why they are safe (certain states insure them), and how they fit into an overall financial plan. This new edition includes updates to the laws and procedures of states and counties that offer tax lien certificates. * The 16% Solution has been updated to reflect current legal requirements and information. * Seen as a great investment solution: "If you become a buyer of tax liens, we recommend reading The 16% Solution by Joel Moskowitz. It's a worthwhile investment." --Ken and Daria Dolan, Straight Talk on Your Money.

The 16% Solution - Joel S. Moskowitz 1994

A comprehensive guide to personal finance and investment explains how to achieve the maximum financial yield in a time of low interest rates and a weak stock market, discussing such options as tax lien certificates and their benefits. 50,000 first printing.

The Secret Synergy Group System for Investing in Tax Lien Certificates - Jim Yocom 2013-02-28

This is quite probably the most powerful book you have ever had in your hands. There are dozens of books available on how to buy Tax Lien Certificates. A few of them even written by people who have actually bought a Tax Lien Certificate. What happens after you buy a certificate? The best any of the others tell you is to just set back and collect very high rates of interest, and you can certainly do that. But how about leverageing those double, and sometimes triple, rates of interest? This book is written in story form and two principal characters, Kevin and Lauren, are teaching three other couples to use Tax Lien Certificates to do unimaginable things---then they prove to them that these never before seen strategies actually work. For example; let's assume you are looking for a new car and you see this ad., NEED A NEW CAR? LET OUR BANK FINANCE IT FOR YOU. * No down payment * We don't even check your credit * Free and clear title immediately * We pay YOU double digit interest on each monthly payment * When you finish all your monthly payments, drop by the bank and we will give all your money back -- and a profit Here's an example: *Car sells for \$20,000. Finance for 48 months at \$488 per month...Total payments equal \$23,424 At the end of the 48 months just tell us what to do. You have hree choices 1. We can give you a chedk for \$35,444 2. We can pay you \$472 per month - FOREVER 3. Or--just leave the \$35,444 in the bank and it will grow to \$689,767 in 20 years and provide \$9,196 per month income FOREVER, and never touch the principal. It's your choice. ***** Do you believe that? Neither did Kevin's proteges. They nearly fell out of their chairs when he showed them how simple it is. So when you read Chapter 10 hang on to your chair because you will learn you can do the same thing JUST TAKE A PEEK INSIDE

Rule #1 - Phil Town 2006-03-21

#1 NEW YORK TIMES BESTSELLER • “The clearest and best book out there to get you on the path to riches. This one’s special!”—Jim Cramer, host of CNBC’s Mad Money “Great tools for anyone wanting to dabble in the stock market.”—USA Today Phil Town is a very wealthy man, but he wasn’t always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true “rules” are and how to make them work in one’s favor.

Chief among them, of course, is Rule #1: "Don't lose money." In this updated edition to the #1 national bestseller, you'll learn more of Phil's fresh, think-outside-the-box rules, including: • Don't diversify • Only buy a stock when it's on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can't help but regress to the mean—and as we've all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

Investing can be hard and scary if you do not know what you are doing. Many people do not even know where to begin. All they know is that they want to do better in life, make more money, and support their family, while also being able to spend time with them. In today's economy, that is not as easy as we would like. That is why investing in Tax Lien Certificates is great. Tax Lien Certificates, Top Investment Strategies That Work is the perfect place to get started. It does require time and effort, but once you know what you

want and establish the goals you would like to achieve, it is an amazing way to support yourself and your family. Did you know that approximately 14 billion in property taxes are not paid every year and only a third of that is sold to private investors? Every homeowner has a tax lien put on their property every year. If they make their payments for their property taxes, it goes away. If not, the county allows investors to pay the overdue taxes on behalf of the homeowner. Because property taxes are paid before anything else, including mortgages, investing in tax lien certificates is a very safe investment choice. In this book, we will discuss everything you need to know from beginning to finish, including *Information on each state that permits tax lien sales *Additional resources for each state *The benefits and disadvantages of investing in tax lien certificates *The disadvantages of investing in some states. *The 15 steps to buying a tax lien certificate and so much more. The most important aspect of learning how to get into investing in Tax Lien Certificates is to always ensure you do adequate research. Due diligence is key when purchasing certificates because you want to be mindful that right investments.
