Deadcore - Randy Chandler 2010-09

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS

Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre.

FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JUJU BY RANDY CHANDLER He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, the living are screwed, and unspeakable acts are being performed upon all involved. In this tale of Zombies Gone Wild, yes the dead walk but just where the hell are they going and why? Dead Juju gives you the hardcore truth, if you're ghoulish enough to handle it. NIGHT OF THE JIKININKI BY EDWARD M. ERDELAC After a comet is

observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a casteless bandit, a mad, child-eating monk, and a renowned but sadistic samurai band together to escape the walled and moat-surrounded prison as it fills with the walking and ravenous dead. ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD) BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. ZOMBIE SAFARI BY BEN CHEETHAM Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go wrong. Zombies don't die as they should. Hunters go missing. A

trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.

A Complicated Legacy - Robert H. Stucky

2014-05-23

If movies and books like *Belle*, *Twelve Years a*

Slave, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves

history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Actress - Madison Ava Jones 2021-05-02

First International Edition - May 2021 In the

spirit of *The Handmaid's Tale* comes this explicit autobiographical account of a young actress's initiation into a hidden society of dominating film industry power brokers. Told in an intelligent and unfiltered voice by the young ingénue herself as she learns what a select group of talent agents really wants in exchange for her ascent to notoriety, it is an unapologetic erotically-charged confession unlike anything ever written about life behind the silver screen. The author recounts an intense period of her life when an audition for a film triggers an offer from an elite Hollywood agency to sign her on as a client. When she becomes personally involved with Wyatt, her charismatic agent, she falls madly in love, only to discover the insane world of control and power that he expects her to submit to if she wants to make it. From the unfiltered eroticism to the provocative psychology behind her cult-like ownership to the secretive inner-workings of global movie agencies, *Actress* tells it all and doesn't leave

anything out. Chapters: The Factory The Audition The Agency The Private, Private Gym True Cinematic Romance Complete Career Control Sky-High Obedience Training The War for Fame Discipline and Punishment A Dream of Slavery A Break from Reality The Grand Auction From The Book: I gave him a swift glance, but he quickly looked away. I put the glass to my lips and could taste that it was vodka. I tipped it to my mouth and gulped it down. The liquor sent a chill through my body and caused my eyes to water. There was a moment of silence as I looked at all the men standing there in front of a long row of windows and the dirty blue skyscape of Los Angeles in the background. I had certainly never been to any meeting like this. "Do you really want to be famous, Madison?" I closed my eyes and opened them again, suddenly realizing what was happening here. There was no way I could do this, I thought. There was no way I was going to be manhandled like this, I told myself. "Yes," I

said to him." In this business, power is all about who owns the stars. The stars are our propoganda and their obedience to us is our collateral," he went on. "And obedience is a very difficult thing to be sure of." "You don't have to worry about me," I insisted. He put his legs against my thighs and pushed them open so I was spread wide for everyone there to see. He began to casually fondle me, rolling his fingers up and down my bare legs. I could feel Wyatt looking at me. I wanted to look back and see that he was in control of what was happening here and that he would protect me. It was just last night that he had been so tender. "Do you understand you need to submit without hesitation?" "Yes," I said again. I wanted more than anything else just to scream out that I couldn't do this, that this wasn't me and I couldn't be controlled by men like this. "Do you understand that you need to be broken in?" he asked, abruptly grabbing me by the hair. There was a sense of exhilaration in his words that

made me want to just stop thinking about anything. I had never been treated so roughly before, yet it wasn't that. It was more the looming expectation that this was going to be some kind of ritualistic force. It was as if I was going through a trial of submission that had been established long before I walked into the room and long before I had even started down the path to becoming an actress. "Yes," I told him again in a hesitant attempt to sound confident, yet not having any idea what his words truly meant. I couldn't believe this was happening.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within

this collection Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind.

Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes

to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they

were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for

him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

With dozens of machine kills under his belt, he knows the enemy inside and out. Alpha0verride, a reclusive black hat hacker, uses the skills

From the Author First, I brought you the cult classic, Day by Day Armageddon, where we both journeyed alongside the unnamed survivor as he trekked across the bleak landscapes of the undead. Some time after the Great Recession, I strived to accurately depict the bedlam of a post-grid down United States in Tomorrow War--An alternate timeline where a jack boot on the throat of humanity is only one black swan event away. Now, after years of world building, writing and editing in my attic, Trilobyte is ready for you, my beloved reader. 2010-06-24

May 16th. 1201 hrs. We are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddon is the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of them. Enter, if you dare, into his world. The world of the undead.

Courtship of the Recluse - Linda Louise Rigsbee 2014-10-05

Cindy is working in a restaurant in a little West Texas town when Russell Cade offers her a housekeeping job at his ranch. It's a huge old house on 3000+ remote acres. Against her best

friend's advice, she accepts the job and moves to a room in the house. Cade is a stoic person who appears to have no sense of romance, and Cindy is not attracted to him. Cindy falls in love with the old house and the beautiful country. Cade is always a complete gentleman. He spends all day working on the ranch and she has a hot meal ready for him when he gets home. They both love the arrangement. Their respect and admiration for each other gradually spawns a much deeper emotion - one that gets out of control in fuzzy stages. "Courtship of the Recluse" is a love story about two every day people who are having trouble communicating. No offensive language or explicit sex makes this a romance story for all ages.

Choose This Day - T. B. Henderson 2017-03-13

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or

was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not

knowing what the end result will be. What kind of impact will Ruben's choices have on his life?
