[All the Missing Girls](#) - Megan Miranda 2016-06-28

Like the spellbinding psychological suspense in *The Girl on the Train* and *Luckiest Girl Alive*, Megan Miranda's novel is a nail-biting, breathtaking story about the disappearances of two young women—a decade apart—told in reverse. It's been ten years since Nicolette Farrell left her rural hometown after her best friend, Corinne, disappeared from Cooley Ridge without a trace. Back again to tie up loose ends and care for her ailing father, Nic is soon plunged into a shocking drama that reawakens Corinne's case and breaks open old wounds long since stitched. The decade-old investigation focused on Nic, her brother Daniel, boyfriend Tyler, and Corinne's boyfriend Jackson. Since then, only Nic has left Cooley Ridge. Daniel and his wife, Laura, are expecting a baby; Jackson works at the town bar; and Tyler is dating Annaleise Carter, Nic's younger neighbor and the group's alibi the night Corinne disappeared. Then, within days of Nic's return, Annaleise goes missing. Told backwards—Day 15 to Day 1—from the time Annaleise goes missing, Nic works to unravel the truth about her younger neighbor's disappearance, revealing shocking truths about her friends, her family, and what really happened to Corinne that night ten years ago. Like nothing you've ever read before, *All the Missing Girls* delivers in all the right ways. With twists and turns that lead down dark alleys and dead ends, you may think you're walking a familiar path, but then Megan Miranda turns it all upside down and inside out and leaves us wondering just how far we would be willing to go to protect those we love.

[The Girl in the Striped Dress](#) - Ellie Midwood 2021-08-09

Auschwitz, 1942: This unforgettable novel, based on a true story, brings to life history's most powerful tale of forbidden love. Set within the barbed wire of Auschwitz, a man and a woman fall in love against unimaginable odds. What happens next will restore your faith in humanity, and make you believe in hope even where hope should not exist "I won't let anything happen to you," he whispered, pressing a note into her hand. Her entire body trembled when she read it: I am in love with you. Helena steps off the cattle train onto the frozen grounds of Auschwitz. She has twenty-four hours to live. Scheduled to be killed tomorrow, she is not even tattooed with a prison number. As the snow falls around her, she shivers, knowing that she has been sentenced to death for a crime she didn't commit. When a gray-clad officer marches towards Helena and pulls her away, she fears the worst. Instead, he tells her that it's one of the guard's birthdays and orders her to serenade him. Inside the SS barracks the air is warm, thick with cigarette smoke and boisterous conversation. After she sings to the guard, Franz, he presses a piece of cake into her hands--the first thing she has eaten in days. On the spot, he orders her life to be saved, forever changing the course of her fate. What follows is a love story that was forbidden, that should have been impossible, and yet saved both of their lives--and hundreds of others--in more ways than one. Fans of *The Tattooist of Auschwitz*, *The Choice*, and *The Orphan Train* will be utterly entranced by this unputdownable page-turner. This completely heartbreaking yet beautifully hopeful novel shows that love can survive anything and grow anywhere. This book was previously published as *Auschwitz Syndrome*. 'I was sitting on the edge of my seat unable to stop reading... Mind-blowing and totally unexpected conclusion... Exceptionally good!' NetGalley reviewer, 5 stars Nell is the perfect child; more beautiful and more likeable and more loveable than me. If my pretty little sister never came home again, I'd finally be free from the terrible secret we share... Anna is a wonderful mother. She gave up a career she loved to stay home with her children and her kind, polite daughters, Nell and Ivy, are a credit to her. As is Bay, her stepdaughter, whom Anna adores as much as her own two girls. But everything changes the day Anna's middle daughter's beauty catches the eye of a stranger in a café... Quiet, sensitive Nell doesn't want to have her face on a billboard for all to see. But she knows her family desperately needs the money, and perhaps it would be nice to have her mother's full attention for the first time since Bay arrived? Could this be the escape from her stepsister's twisted games Nell has been longing for? But the moment Nell steps in front of a camera, the devastating secret she and Bay have been keeping breaks the surface - and the bonds of this close-knit family forever. But with both Nell and Bay insisting they're innocent, can either girl really be trusted? As Anna's perfect blended family unravels around her, she is

forced to pick a side. To save one daughter, Anna must betray another. Choosing the wrong girl will be more dangerous than anyone could ever have imagined... Close to You: A Completely Gripping Psychological Thriller - Kerry Wilkinson 2019-10-17

I pinch the screen to zoom until I'm staring at the face of a ghost. A man with very short hair, staring directly at the camera with piercing brown eyes. He is as he was when I last saw him: wrinkles around the corners of the eyes and a knowing smirk. That's the expression I see when I can't sleep. My body tenses. It can't be him. It's not my ex-husband. It's not David. I know that better than anyone because he didn't walk out on me. He didn't disappear two years ago and he's not a missing person. I know that for a fact because I'm the one who killed him. A brilliantly twisty thriller which will have fans of *The Girl on the Train* and *Gone Girl*

Red Headed Book Lady, [REDACTED] 'UNPUTDOWNABLE.' Book Reviews by Shalini, [REDACTED] They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? A heartbreaking, redemptive and beautifully crafted novel which brings to life a mother's worst nightmare, questioning how well we ever really know the people we love the most. Chelsea was last seen walking back from a friend's house one summer afternoon. She never made it home... An eight-year-old girl, Chelsea Compton, is missing in Pine Valley, California and for Detective Katie Scott it's a cruel reminder of the friend who disappeared from summer camp twenty years ago. My lost little sister with her beautiful smile, her chestnut-coloured eyes. My sister who I couldn't protect. If you passed Alice on the street, you couldn't help but smile. At how she holds hands with her husband, Jack, who she has been with since she was at university. At the way she admires her three boys, the centre of her universe. You'd see her smile fading in a matter of seconds, and the pain she hides behind her eyes. She has told Jack that she ran away from home when she was younger - but she didn't tell him the whole story. Her husband doesn't know about the guilt she bears about her little sister she failed to save. Now, after a lifetime of fresh starts, Alice can feel her past playing catch-up. Good and bad. Right and wrong. Decent and indecent. The line that separates them is thinner than you think. PC Steve Fuller has served as an officer for over twenty years. There's nothing he hasn't seen, nothing he can't deal with. He might be closing in on forty but he's still in good shape, his head on straight, his instincts sharp. Or so he thinks. Until Anna Johnson. Hours before washing her dried blood from his body, Steve holds the young woman's hand in the wreckage of the car, comforting her as best as one stranger to another can in the most critical moment of her life. He's the last person she'll see. She's another tragic victim of the road. Another fatality. At the end of another shift. Except she won't go away. Pale blue eyes and porcelain skin framed by ebony hair haunt his sleep at night and his conscience during the day. Compelled to find out more about what, or who, caused Anna to lose control of the car that night, Steve goes looking for answers. But they're not easy to find. And the more he tries to do right, the more everyone tells him he's wrong, until - piece by piece - he can't be entirely sure of the difference any more. As the autopilot driving his life falters - colleagues questioning his decisions, physical sensations he can't control, thoughts that leave him uneasy - the truth about Anna Johnson begins to unravel. And it's nothing like he expects. *Critical Incident* is a gripping and heart-breaking page-turner, and the first book in the Code Zero police drama series This book was previously published under the title *No Further Action* "A wonderfully touching and powerful story." "A must read for anyone who likes deep, sometimes funny, sometimes heartbreakingly sad, explorations of the human condition." "Had me engaged from the start"

When I wake up in the middle of the night, it's not a sound that disturbs me. It's a feeling. Silently, I creep to my daughter's room, breathing a sigh of relief when I see her sleeping, her night-light twirling, butterfly shapes moving their pink wings. Quickly, I lock the door. I won't let anything happen to my little girl. You tell him everything. The husband you adore, the father of your child, your best friend. He knows, just by looking at your sage-green eyes, when something is wrong. The two of you can communicate with a glance, or a touch of the hand. Except what if you can't? What if your happy marriage has plastered over one huge lie? A lie you have even started to believe yourself, in order to survive? What if you have a secret, something you have hidden from your beloved husband and your strawberry-scented baby girl, to keep them safe? What if the guilt has kept you up, night after night, for as long as you can remember? Because, after twenty-eight years, that secret is refusing to stay buried. The past you have tried so desperately to outrun is catching up with you.
